vs.

Gary G. Roberts…….....Respondent/Defendant

PETITION TO ENLARGE TIME TO ORDER HEARING TRANSCRIPT

Pursuant to Rule 240 of the South Carolina Appellate Court Reports, the Appellants, Maria Shonte' Creel Jordan and Joel B. Jordan, do hereby petition this Court for an Order enlarging the time frame for Appellants to order the hearing transcript for the hearing held on March 9, 2021 in this matter. The Appellants are and have been in possession of the hearing transcript from the initial hearing held on March 3, 2020 in this case. This Petitioner would assert that he inadvertently miscalculated the due date for the Appellants to order the second hearing transcript. It appears that the correct deadline for the ordering of the transcript or to request an extension was September 3, 2021. Appellants contend that the extension of time is necessary due to the fact that counsel for the Appellants' considerable caseload includes several depositions, and previously scheduled hearings and mediations in several cases, and counsel requires

additional time to request the second transcript. The Appellants would request this Court issue its Order enlarging the time frame under Rule 207, and allowing the Appellants to order the transcript for the hearing held on March 9, 2021 on or before October 1, 2021.

Appellants request that this Court hold the current briefing schedule in abeyance pending it decision on the Appellants' Motion for Extension of Time.
