1· I have exercised Due Diligence in having my case fully and fairly heard, by and through every remedie available; and have at no time been arbitrary and capricious, in my pleadings to include the present case.

2· I do believe that the issues, allegations, and questions have merit, and do not amount to frivolous writings; but are supported by the established records.

3· I futher believe that the relief sought is relevant to the pleadings, even if pro se, and is not intended to evade or diminish justice, or the profession of the branches of goverment questioned.

4· I believe that I was denied a fair and impartial trial and conviction, and post remedie process, and liberty should be restored.

Respectfully & Sincerely
