

The South Carolina Court of Appeals

Patricia A. Frierson, Appellant,

v.

Kimberly S. Clark, Respondent.

Appellate Case No. 2012-213278

ORDER

Appellant has filed a motion for costs for having to order unnecessary portions of the transcript pursuant to Rule 207(a)(1) of the South Carolina Appellate Court Rules. Because Respondent did not agree in writing to Appellant's ordering less than the entire transcript and neither party included any portion of the transcript in their respective designations of matter, Appellant's motion for costs of the entire transcript is granted, which amounted to \$39.00.

Additionally, Respondent's motion for an extension to serve and file Respondent's final brief is granted.
