Re: Vasile Florin Craus vs. Nutra Mfg
Appellate Case No.: 2021-000778

Dear The Honorable Ms. Kitchings:

On behalf of Respondents in the above-captioned matter, I respectfully request this Court address Appellant's repeated failures to comply with the South Carolina Appellate Court Rules. Specifically, this Court sent Appellant correspondence dated May 6, 2022, wherein this Court instructed Appellant to file the record on appeal pursuant to Rule 210, SCACR, within 30 days. According to C-Track, on June 3, 2022, Appellant filed proof of service with this Court, but failed to file the record on appeal.

Although Appellant failed to file the record on appeal with this Court as instructed, Appellant emailed Respondents a document titled "record on appeal" on June 3, 2022—however, the document emailed failed to comply with Rule 210(C), SCACR, in that it did not include all matter designated to be included by any party pursuant to Rule 209, SCACR. Specifically, Appellant failed to include any and all matter set forth in Respondents' designation of matter dated March 17, 2022.

Accordingly, Respondents respectfully request this Court require Appellant to cure the deficiencies described herein. In the interim, Respondents also respectfully request this Court toll Respondents' time for any additional filings, including but not limited to, Respondents' Final Brief.

With kindest regards,

WILLSON JONES CARTER & BAXLEY, P.A.
