Dear Honorable Clerk,

In response to you last request, enclosed please find my check in the amount of \$25.00 to cover any further filing fees bring the total to \$175.00.

I had believed the filing process for this case was \$150.00. I had filed the original complaint In Forma Paupris as with the stigmatism brought on by the defendants in this case I cannot find suitable work.

If there are additional fees, please contact me as I need more than the allotted time in which to secure such funding do to my indigent status.

Thank you for your time and continued assistance in the matter.

Sincerely,

Raymond Carter
