Re: South Atlantic v. GMK Associates
Appellate Case No. 2022-000636

Dear Counsel:

Upon reviewing your correspondence filed on June 9, 2022, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and this deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Furthermore, because the transcripts were ordered timely, this Court does not need a motion to order the transcript outside of the filing deadlines. You must notify this Court once the transcripts have been received so that briefing timelines may be set accordingly.

Very truly yours,

CLERK

cc: Russell Pierce Patterson, Esquire
S. Jahue Moore, Esquire
