Case #2022-000667

To whom this may concern,

On May 19, I was supposed to send an “Emergency Motion to Stay”, along with a \$50 fee. Please apply this to the appeal to proceed for above case number.

Also, the “transcript request form” was resent today. It was originally sent on May 18, 2022, but there has not been a response.

Sincerely,

Theola Patterson
