APPELLANT'S MOTION FOR EXTENSION OF
TIME TO FILE INITIAL BRIEF AND DESIGNATION OF MATTER
TO BE INCLUDED IN RECORD ON APPEAL

The Appellant would respectfully request an extension of time within which to file the Initial Brief and Designation of Matter to be Included in Record on Appeal. The Brief and Designation of Matter are due to be filed no later than June 15, 2022. The Appellant would respectfully request a sixty (60) day extension of time in which to file the same.

This motion is made upon the ground that Appellant's undersigned counsel was injured in an accident on May 14, 2022 which resulted in several fractures in his neck and back, broken ribs and broken wrists. Appellant's counsel will also be filing a Motion to be Relieved in this matter due to his inability to work on this file due to his injuries. An extension as requested would be in the best interest of justice and would not prejudice the Respondents.

It is accordingly respectfully requested that the Appellant be granted until August 15, 2022 to file the Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal.
