ATTORNEY FOR APPELLANT

On May 17, 2022, at 12:06 AM. Counsel for Appellant submitted for filing an Initial Brief of Appellant which did not contain the necessary Table of Authorities or the DOM. Counsel advised the Court at that time that she was experiencing computer problems and would file a Petition to file an Amended Initial Brief of Appellant after the problem was resolved the following day. Somehow, and to be candid I have no idea how, after the problem was thought to be resolved, the two documents I intended to submit later on that same date got merged. At 7:21 PM on May 17, 2022, Counsel submitted for filing what was intended to be an Amended Initial Brief of Appellant and a Petition for Leave to file the Amended Initial Brief of Appellant. That error has now been corrected.

I apologize for the confusion in this matter, and most respectfully ask that the Court accept for filing the Amended Initial Brief of Appellant submitted along with this petition.

Respectfully submitted,

Tara Dawn Shurling
