Attached please find for Filing , my Petition to file an Initial Brief of Appellant and my proposed Amended Initial Brief of Appellant. Previous documents in this matter have been served upon Willaim M. Blitch, Jr.. According to the Case Management entry, Mark Reynolds Farthing, has now been assigned to this file. I do not seem to have Attorney Farthing in my database and would ask that Attorney Blitch be so kind as to forward this filing to Attorney Farthing.. I will send a formal Certificate of Service in to the Court tomorrow. Thank you very much for your assistance with this filing.
