S.C. SUPREME COURT

6-20-22

The Supreme Court of South Carolina

TO: Chief Justice Beatty

- ① The reason that I, Michael Dennis Moore, am writing this letter on 6-20-22 to the South Carolina Supreme Court and addressing it to you could you please tell Dennis Moore is every thing that has happen in my Father estate case was it (legal) if you would please read the documents that I am sending you. IS it legal for a Probate Judge and the oppose attorney to rule on my Father estate when the Probate Judge and the oppose attorney were both from the same law firm not to mention right before he became a Judge him and the oppose attorney both were shareholder's in the same law firm. Now is that really (legal) in the state of South Carolina. For someone to do that and not tell Dennis Moore about it you know yourself that's a conflict of interest and misconduct on there part and what I dont understand if they both knew they were from the same law firm why come that one of them did not recuse themselves from this case. I, Dennis Moore ask the Court of Appeals in a letter was this (legal)

and Never got NO response out of the Court of Appeals. I, Dennis Moore don't know the law or the rules in the state of South Carolina all I'm asking is it (legal) what they have done in my Father estate case. I, Dennis Moore ask the Court of Appeals for a hearing on this matter and I, Dennis Moore was denied then once again I ask them could they get someone to do a investigation into this case because something not right and I, Dennis Moore was denied for the second time. Now what I would like to know from the Supreme Court did this Probate Judge Mr. Scott abuses his Authority and his power in this case.

This Probate Judge Mr. Scott and his partner the oppose attorney Mr. Campbell must think that they are above the law and the rules of law's don't apply to them because he a Judge and his partner a attorney. Now I, Dennis Moore know's for a fact they both had to break some rule's and law's for what all they have done and they both had to step over there Authority and abuse the Courts system. That is why I, Dennis Moore are asking the Supreme Court to please let someone do a investigation into this case. Because you Chief Justice Beatty and the Supreme Court is the only hope that I, Dennis Moore have left.
