Re: Cassandra Selph v. Barbara Boatwright
Appellate Case No. 2021-000849

Dear Counsel:

We received bound copies of the appellant's final brief and record on appeal on June 2, 2022. Because the bound copies are needed for review, we cannot unbind them for scanning.

Within ten (days) of the date of this letter, you must provide a digital copy of the record on appeal, and proof of service showing the digital copy has been served on all counsel of record. The cover of the digital copy of the record on appeal must include the names and contact information for all counsel of record, pursuant to Rule 267, SCACR. Failure to provide the digital copy of the record can result in the dismissal of the appeal.

All parties are advised the respondent's final brief must be served and filed no more than twenty (20) days from the date of service of the digital copy of the record on appeal.

Very truly yours,

V. Claire Allen
