

To Whom This May Concern:

I am requesting to have my writ of Certiorari heard and not be time barred due to the following reasons of delay, extraordinary circumstances of claim, and failure of the PCR court to make a finding on specified claim. First I would like to recognize that I placed my writ into the hands of Lee Correctional Institution's officer in March 2022 to be mailed out. In April I was transferred to Kershaw Correctional Institution, while awaiting response from this Court. Then in May I was transferred to Evans Correctional Institution, still awaiting a response. Until I realized that time was being delayed tremendously. I then wrote this Court to ask whether they received my case, and I was told that they have not. Also in this case I would ask for the Court to order the PCR Court to make a specified finding on my prosecutorial misconduct claim on Mr. Ervin Maye, because I didn't receive any response on behalf of my request. Lastly, I would ask this Court to consider the severeness of the claim itself to hopefully survive as an extraordinary circumstance.
