MOTION FOR EXTENSION OF TIME  
TO SERVE AND FILE RECORD ON APPEAL

---

Appellant hereby moves pursuant to Rule 263(b), SCACR, for an extension of the time in which to serve and file the record on appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The undersigned counsel believed that he had obtained all the trial exhibits for this case; however, he was mistaken. As a result, he was unable to create the record on appeal on time.
2. He has now obtained the trial exhibits and created and served the record on appeal.

3. While counsel was in the process of obtaining the trial exhibits, this court sent a letter notifying him that the record on appeal must be served and filed and this motion made within ten days of the letter.
4. The record on appeal has been served and file and this motion made within ten days of that letter.
5. This is the first extension sought of this deadline and the only one that will be needed.
6. No prejudice inures to the Respondents as a result of the late service and filing of the record on appeal.
7. There is good cause for the requested extension.
8. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an extension to accept the service and filing made today of the record on appeal and to treat the same as timely.

Respectfully submitted,

/s/ Andrew S. Radeker
