**CONSENT MOTION FOR EXTENSION OF TIME**

---

PLEASE TAKE NOTICE THAT, pursuant to Rule 240, SCACR, the undersigned counsel for Respondent-Appellant Custom Performance Engineering, Inc. (“the respondent-appellant”) respectfully request a thirty-day extension of the time to file and serve its initial responsive brief and designation of matter to be included in the record on appeal. The current deadline to file and serve the respondent-appellant’s initial brief and designation of matter is Friday, July 8, 2022. A thirty-day extension would allow a new deadline of Monday, August 8, 2022. This motion is based upon the following grounds:

1. The respondent-appellant requests this extension to allow it sufficient time to fully and completely prepare its initial brief and designation of matter.

2. This motion constitutes the respondent-appellant's first request for an extension of the deadline to file and serve the respondent-appellant's responsive initial brief and designation of matter.

3. Prior to filing this motion, counsel for the respondent-appellant consulted with counsel for the appellant-respondent, who consented to this extension.

WHEREFORE, with opposing counsel's consent, the respondent-appellant respectfully request that the extension herein be made.
