

The Supreme Court of South Carolina

Matthew Jamison, Petitioner,

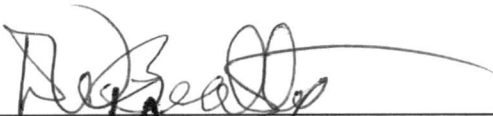

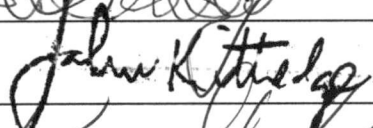

v.

State of South Carolina, Respondent.

Appellate Case No. 2022-000355

ORDER

Petitioner seeks rehearing of an order dated May 17, 2022, dismissing his notice of appeal for failure to meet the requirements of Rule 243(c), SCACR. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
