

Appellate

Case # 2022-000796

Mr. Solicitor,

I'm writing you this letter in regards to the charges I'm currently incarcerated on. I would like to file an appeal. I don't feel like I was properly prepared by my

attorney. Further more I don't feel as if my representation was adequate. I feel given another day in court with

different representation I would have a better result. Please consider my request and thanks in advance

and not even knowing were my first trafficking charge come from but please look into

my report my lawyer put in. Thanks for your time.
