MOTION TO REINSTATE APPEAL

---

Appellants received notice from this court that the above-captioned appeal was dismissed for failure to provide periodic updates to the Court of the Rule 60 motion filed in the trial court. The failure to provide updates was due to an error in Counsel's email and calendaring system. The problem has been corrected and should not cause problems again. No party suffered any prejudice from the omission of updates to this Court and it is in the interest of justice that the appeal be reinstated.

As for the status of the proceedings below, Appellants filed their Rule 60 Motion on February 20, 2022 and are awaiting a hearing date. A check for the filing fee is being mailed today to the Court of Appeals.

RESPECTFULLY  
SUBMITTED
