Case # 2012-212683

RECEIVED

MAY 01 2013

To The South Carolina Court of Appeals
SC Court of Appeals

I Received a letter the week of March 1st 2013 from V. Claire Allen Deputy Clerk on behalf of my Court appointed Counsel Mr Robert M Pachak Stating that he has filed a brief indicating that my appeal is without merit and moves to be relieved as my Counsel.

I am addressing this matter again because I believe the Court should consider this appeal because. I do not have a Criminal Record I was out on Bond for 3 years and 7 months with GPS monitoring at my expense of \$100⁰⁰ a week with out any problems or trouble. To this day I was not given my ~~Discovery~~ Discovery, and I only met with my Attorney Margaret C. Tribert (5) times in 3 1/2 years for apx 1 hour each time. This was no time to prepare for a trial, and there was none of my DNA at the crime scene. I am asking the court to please Reconsiderate this decision

Thank You
