All,

Consistent with the Court of Appeals' order attached, we requested the transcript the same day the order was entered. Our calendar reflected the original date the initial brief was due, which would have been June 29, 2022. However, since the order extending time to order the transcript was entered, the date for filing the initial brief will now be 30 days from the time we receive the transcript (we have not received it yet).

In an abundance of caution, we want to make sure this calculation is correct with both the Appellate Court and opposing counsel. Please let us know if we should adjust the calculation for filing the initial brief.

Sincerely,

Joshua T. Hawkins
