

# The South Carolina Court of Appeals

The State, Respondent,

v.

Phillip McEntire, Appellant.

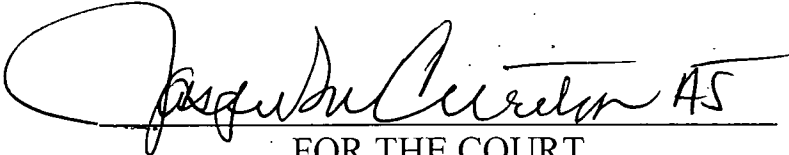

Appellate Case No. 2012-209946

---

## ORDER

---

After careful consideration, Respondent's motion to dismiss is denied. However, Respondent's motion to strike matters not presented to the guilty plea court is granted. Within fifteen days, Appellant shall serve and file an amended initial brief and designation of matter that includes and references only matters presented to the guilty plea court.
