Included On Appeal

South Carolina Department
of Corrections, Respondent.
SC Court of Appeals

Pursuant To Rule 561

Appellate (Carl Chisolm) agency no. 185789 humbly asks that the Court take under consideration that he is being housed in the RTHU, at the Kershaw Corr. Inst. and his resources are limited and unavailable. The Appellate has been housed on RTHU since Mar. 01, 2022 without property form, legal box, etc. etc. The Kershaw Corr. Inst. Claims to have an Office of General Counsel, as well as, Police Services; in which Appellant would like to direct the Court to inquire concerning any missing documents that the Respondent (Christina C. Bigelow Esq) may not have received as of yet. Appellant further requests that this honorable Court view the enclosed Certificate of Service verifying that Appellant forwarded all materials to appropriate parties (date stamp KCI mailroom) and letterhead that evidences that Respondent's material may be here at the Kershaw Corr. Inst. Office of General Counsel. As for the initial filing of this proceedings, the Appellant Carl Chisolm requests that the Court view docket no. 22-AJ-04-0010-AP of the Admin. Law Court, in order to confirm filing date,

Moreover, The Appellate strongly suggests that this honorable Court to inquire to the Kershaw County Inst. Office of General Counsel concerning any missing documents concerning Appellate Case No. 2022-500464. I can only place postal mail in the Postal Service Box here at Kershaw and pray that no one would alter it's route. But, I do know that two Office of General Counsel cannot co-exist, if one is operating on it's own record. An of course, there's no way that I can control this aspect of my life.

Again, please view enclosed documents for confirmation of filing and the proof that Kershaw is operating under the pretext that they have an Office of General Counsel. Return said documents upon inspection.

Respectfully Submitted,

S/ Carl Chisolm
