RE: Enclosed documents marked return to sender

From: Mr. Carl Christman #185789

Date: 5/20/22 — placed in K.C.I. Mailbox on R.H.U.

Ms. Kitchings,

As this is an unusual request I'm sure, but, I have no other avenue in which to forward these legal materials. I've been waiting for over 2 1/2 weeks to get copies, to no avail and the notary service is in flux here due to the mailroom personnel (Ms. Ford) leaving for better pasture.

Anyhow, I did address the Court concerning my current status and I can only ask that you please forward enclosed documents to Respondent. I did place Designated Matters Summary to one Ms. Christina C. Bigelow in the K.C.I. mailbox. I will gladly pay for the copies that the Court send to Respondent (Documents ^{marked}).

Thank you for your time.

Sincerely,

Carl Christman
