SC Court of Appeals

Thereafter, I, Marvin Keith McBride Jr was unlawfully in custody under 2006 juvenile sentence of a court established by Act of Congress claiming the right to be expunge upon the ground that the sentence w/ fake warrants w/ the wrong SSN said name w/ perjury and false reports heard at said court at said county on said sentence sheets was imposed in violation of the constitution and/or laws of the SC and VS, or that the court was without jurisdiction to impose such sentence without proof, or that the entrapment was in violation of the sentence not authorized by the law, I'm entitled for expungement.

The court shall cause notice thereof to be served for said 2006 appeal juvenile sentence attorney who duty to represent me and to the nonmovant party, grant a prompt hearing thereon, determine the issues, why this appeal was prolong when it was on the court of appeal record, make findings of fact and conclusions of law with respect thereto.

The court find that the judgement was rendered without jurisdiction, that the entrapment and discovery material prove the juvenile sentence(s) imposed was not authorized by law, that there has been such a denial or infringement of the constitutional rights for I appellant Marvin Keith McBride Jr.

The newly discovered evidence that, proven and viewed in the light of the evidence as a whole, would be sufficient to establish by clear and convincing evidence that no reasonable factfinder would have found me guilty of the said juvenile alleges/entrapment.
