Attached please find for filing my COS for the Amended Brief of Appellant and DOM filed in the above captioned direct appeal. The Amended Initial Brief of Appellant with DOM was filed on June 6, 2022, but unfortunately listed the Attorney assigned to this matter for the State as William Blicht, Esquire. My apologizes for this error. This deficiency was brought to Counsel's attention by correspondence from this Honorable Court dated June 30, 2022. The COS has been amended to reflect that Mark Reynolds Farthing, Esquire, is opposing counsel in this direct appeal. I have copied this email to William Blicht who was entered as counsel of record in this direct appeal in error so that he will see that this mistake has been fixed. I have, of course, also copied Mark Farthing, Esquire. Thank you very much for your assistance in filing this document.
