RE: State v. Aaron McKenzie Capers -- Appellate Case # 2019-000511

Dear Ms. Kitchings:

Through a letter dated June 10, 2022, this Court held the above-referenced criminal appeal in abeyance pending resolution of Appellant Aaron McKenzie Capers's motion seeking to amend his initial brief and designation of matter. Subsequent to that, on yesterday's date, the State received via electronic service an amended proof of service for the Amended Initial Brief of Appellant and Amended Designation of Matter from the appellant, and the undersigned counsel for the State has also now obtained copies of the amended brief and amended designation of matter from the South Carolina Appellate Court Public Index. Accordingly, please be advised the State is in possession of everything from the appellant needed for it to be able to move forward with the appeal. Thanks, and please just let me know if you have any questions or concerns or need any additional information.

Sincerely,

Mark R. Farthing
