Dear Property Owners:

The Founders Group Wild Wing, LLC hopes you all have had a great summer, now fall is here it's the best time to get out and play some golf.

We are very excited about the new greens on the Hummingbird nine; they have turned out to be fantastic.

If you have not been in the Club lately, please do so. There have been some great improvements, new paint job on the exterior and the Golf Shop is starting to get a well needed face lift. New merchandise is coming in daily. Come out and take a look.

If you have not noticed, we have purchased a couple of new pieces of equipment to mow the lots and maintain some common areas in an effort to keep landscape costs down for the HOA.

As you all know, the Real Estate market in our area in the past has not been strong. With an upturn in the real estate market, we feel that now the development activity at Wild Wing is ready to increase. I hope that is as exciting to you all as it is to us. We expect to have a thriving, successful community. We hope that this will result in increasing property values and make Wild Wing community the place to live in the Conway and Myrtle Beach area.

The Club will continue having social events, and also offer monthly theme dinners.

All these improvements are being made and will continue being made to enhance the value of all of our properties, and offer the property owners and guests a great place to play golf, have social events, and be proud to show off your investment to your friends.

Enclosed with this letter is an Amendment to the Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (the "Declaration"). As you are aware, the Declaration governs the operation of the Wild Wing Plantation Development. The Amendment recognizes that unforeseen economic conditions, affecting the economy of our country and the real estate market in particular, have changed the timing of the development of many communities, including Wild Wing. While this amendment extends the time during which the Declarant is not required to pay regular assessments, there are no plans for an increase in the Homeowners' Association Assessments for Wild Wing and Founders Wild Wing, LLC, as Declarant intends to continue its contributions as scheduled.

Thank you for the opportunity to make Wild Wing a premier community.

Respectfully,

Founders Group Wild Wing, LLC

CASE SUMMARY

Wild Wing Plantation is a residential golf community situate within the City of Conway, South Carolina. Wild Wing Plantation Property Owners Association (hereinafter the “POA”) was established in 2006 by Defendant, Wild Wing Company, LLC. The POA was incorporated and organized as a Non-Profit Entity.¹

I. Declarant Succession

Wild Wing Company, LLC was the initial Developer and therefore served as the initial Declarant. There have since been three successor Declarants. The Declarant succession is as follows:

Declarant	Dates
Wild Wing Company, LLC	09/26/06 – 12/22/10
SLF IV/SBI Wild Wing, LLC	12/22/10 – 11/09/11
Wild Wing Residential Development, LLC	11/09/11 – 04/13/15
Founders Wild Wing, LLC	04/13/15 – Present

The initial development of this community by Wild Wing Company, LLC in late 2006/early 2007 proved to be unfortunate timing as the Great Recession hit soon thereafter. Wild Wing Company, LLC held on as long as it could before The National Bank of South Carolina (NBSC) threatened foreclosure proceedings in 2010.² As a result, the individuals involved in

¹ Articles of Incorporation. Defendants (CCS) 0458-59. Attached hereto as Exhibit A.

² Teal 13:4-12. Attached hereto as Exhibit B.

Wild Wing Company, LLC joined with new investors to form the SLF IV/SBI entities.³ This group bought the note from NBSC and accepted a Deed in Lieu of Foreclosure to save Wild Wing Plantation and other projects throughout the Grand Strand.⁴ For each community this group bought, an entity was organized. The entity for the Wild Wing project was SLF IV/SBI Wild Wing, LLC, which became the second Declarant. A separate entity, Wild Wing Residential Development, LLC, was established in 2011 so that SLF IV/SBI Wild Wing could focus on managing the golf course while Wild Wing Residential Development focused on the development of the community. SLF IV/SBI Wild Wing, LLC assigned its Declarant rights to Wild Wing Residential Development, LLC, which became the third Declarant.

In 2015, SLF IV/SBI Wild Wing, LLC and Wild Wing Residential, LLC sold the Wild Wing property to an unrelated entity to continue the project. Founders Wild Wing, LLC purchased the Wild Wing development and became the fourth Declarant. Founders Wild Wing, LLC still serves as Declarant today.

Declarants' rights were transferred by written Assignments.⁵ There were no assumptions of Declarant contingent liabilities.

II. Administration of the POA

Wild Wing Company, LLC incorporated and organized the POA in 2006 as a Non-Profit entity. A Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (hereinafter the "Declaration") was filed of record September 27, 2006,

although actual operations did not get underway until 2007.⁶ The Declaration governs the administration of the POA. Membership in the POA is automatic upon purchasing a lot.

Pursuant to the Declaration, a Board of Directors is appointed by the Declarant to govern the affairs of the POA.⁷ Once these Directors are appointed to the POA Board, they take on a duty to the POA in their capacity as Board members.⁸ The Declaration provides that the POA Board is vested with certain powers and duties to administer the affairs of the POA.⁹ As a means to assist the Board with these numerous responsibilities, the Board has the ability to hire management agents and professionals, as well as establish committees comprised of POA lot owner members.¹⁰

The POA Board of Directors initially hired Wright Management and later Waccamaw Management to assist in management of the community. One of the main functions of these property management companies was to assist with the accounting and financial responsibilities, one specific duty being preparation of the proposed annual budget.¹¹

The POA Board of Directors, upon recommendation from the property management company, hired Phillips, Currin & Company, CPAs, LLC to audit the annual financials, calculate the Declarant dues obligations, and perform other financial responsibilities.¹² The Board of Directors later replaced Phillips, Currin & Company with Deborah M Weir, CPA, LLC (on recommendation of Plaintiff Dykes)¹³ who assumed these same roles with the exception of the calculation of the Declarant dues obligation. That duty was transferred to the property

management company. CPA Jim Corbett was the individual assigned to the Wild Wing account at both Phillips, Currin & Company and Deborah M Weir, as he changed firms with the account. Mr. Corbett and Plaintiff Dykes are the primary players in this dispute.

The Finance Committee is made up of members of the POA, including Plaintiffs Dykes and Eisenhardt, and assisted with all of these functions by providing review and recommendations.¹⁴

III. Financial Condition of the POA

Prior to the start of each year, the property manager presented a proposed budget to the Finance Committee.¹⁵ The Finance Committee and the property manager would go over the budget line by line.¹⁶ Once the budget was agreed upon, it was presented to the POA Board of Directors for approval.¹⁷ One of the line items in the budget was an Income item marked “Developer Contribution.” As with the other line items of the budget, “Developer Contribution” is first proposed by the property manager then reviewed with input from the Finance Committee before being approved by the POA Board of Directors.

The “Developer Contribution” is included in the budget to help keep dues of the Members constant. Dues and Developer Contribution are intended to offset expenses to create a net zero budget, as is usual practice and consistent with all associations managed by Waccamaw Management.¹⁸ Upon POA approval of the budget, the property manager would inform the

Declarant of its requested contribution and the Declarant typically paid in monthly or quarterly installments.¹⁹ This practice has been in place throughout the life of Wild Wing Plantation.

Despite the net zero budget, the POA has operated with a surplus of funds since 2014. In addition to this operating surplus:

- Lot owner dues have stayed consistent from 2006 to date;
- No special assessments have ever been levied from 2006 to date;
- No POA bills have ever gone unpaid; and
- The Reserve Fund of the POA is fully funded.²⁰

Wild Wing Plantation is a financially sound and well managed community.

IV. Plaintiffs' Claims

Despite the strong financial condition of the POA, Plaintiffs bring this lawsuit demanding Declarants pay additional monies to the POA. These two Plaintiffs allege failure of the four Declarants to pay POA dues in accordance with the Declaration. Plaintiffs' claims have two bases:

1. Plaintiffs contest the POA's math as to how the Declarant annual contribution to the POA, if any, is calculated; and
2. Plaintiffs contest two Amendments adopted by the POA extending the time frame within which the Declarant payment options exist, despite Plaintiff Eisenhardt having voted in favor of the first Amendment and Plaintiff Dykes having bought subsequently with record notice of the first Amendment. Many other POA Members bought subsequent to both Amendments being adopted and recorded of public record.

Plaintiffs are two lot owners within Wild Wing Plantation. Plaintiff Eisenhardt purchased her lot in 2007.²¹ Plaintiff Dykes purchased his lot in 2013.²² Plaintiffs presume to represent all members of the POA derivatively. Plaintiffs make this presumption despite the fact that Plaintiffs and other members of the POA are not similarly situated to one another. Just as these two Plaintiffs purchased at different times, virtually all members of the POA purchased at different times. Each member has thus paid a different amount of dues over different years depending on when they purchased. Additionally, some members were part of the POA for the vote on each Amendment and many cast votes in favor of one or more of the Amendments (including Plaintiff Eisenhardt).²³ Others (including Plaintiff Dykes) purchased after the disputed Amendments were adopted and filed in the Public Records of Horry County, South Carolina. These Members were on record notice of these Amendments at the time of their purchase. Each member of the POA has different interests, yet Plaintiffs claim to be similarly situated with all of them.

A. The Math

The Declaration provides the Declarant two options to assist in funding the POA. The Declarant could (1) pay regular assessments for each lot it owned, or (2) the Declarant could pay what is referred to as “the shortfall”. Making up the shortfall is a mechanism to ensure that any deficit of revenues over expenses gets funded and the POA is able to pay its bills. The Declaration provides a formula for the funding of the shortfall in Wild Wing.

However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, *a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against Owners of Lots other than those owned by the Declarant.* The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. (*Emphasis added*)²⁴

The “actual amount of actual operating expenditures incurred” unambiguously refers to the actual payment of an expense. These words do not include “paper expenses” such as depreciation or bad debt.²⁵ The CFO of Waccamaw Management testified that in 26 years of working with countless associations, she has never seen bad debt included.²⁶

Plaintiffs’ case centers on Mr. Dykes’ belief that bad debt should be included in the formula as an expense.²⁷ The bad debt at issue is the result of lot owners who did not pay their dues.²⁸ The issue over bad debt originated from a dispute between Plaintiff Dykes and the POA auditing accountant, Jim Corbett. On April 28, 2015, the POA Finance Committee met with Mr. Corbett to review the 2014 annual audit. Despite his recent appointment to the Finance Committee, Mr. Dykes took issue with the accountant’s calculation of the developer contribution. Mr. Dykes’ issue was that the calculation did not include bad debt as an “actual amount of actual operating expenditures incurred”.²⁹ In response, the POA Finance Committee commissioned Mr. Corbett to review the formula and the calculation such that the Finance Committee could make a sound decision based upon expert advice and opinion. Mr. Corbett reviewed the Declaration, discussed the issue with other CPAs, consulted GAAP, and met with

the CFO of Waccamaw Management.³⁰ As a result of his investigation and review, Mr. Corbett concluded that his original determination to exclude bad debt was correct. Mr. Corbett explained to Mr. Dykes that bad debt represents the unpaid assessments of other lot owners and including bad debt would charge the Declarant for the unpaid assessments of the members.³¹ The Finance Committee agreed with Mr. Corbett over Mr. Dykes' sole objection.

Two years later, Plaintiffs brought this lawsuit on the basis that Defendants failed to properly fund the POA because bad debt was not included as an "actual amount of actual operating expenditures incurred". As explained by Mr. Corbett, the bad debt Plaintiffs seek to include are the unpaid dues of other Members of the POA. In other words, Plaintiffs have filed a derivative action on behalf of dissimilar POA Members seeking to charge the Declarants with the very dues the POA Members themselves failed to pay. Furthermore, Plaintiffs seek damages from Defendants under this theory dating all the way back to 2008.

B. The Amendments

The Declaration specifically provides a process for amending.³² In both 2011 and 2016, the Declaration was amended pursuant to and in accordance with the procedure required by the Declaration. These Amendments extended the period of time the Declarant would enjoy the option to pay contributions according to the formula set forth in the Declaration.

Due to the Great Recession that substantially slowed development in Wild Wing Plantation, the community had very few constructed homes at the time of the Amendments. These Amendments were necessary to ensure the community continued its growth and to ensure

the stability of the POA. The Amendments made the property more marketable to builders who came in to continue development. This ultimately led to more homeowners in the community, benefitting the Declarant, the POA, and each individual lot owner.³³

Plaintiffs complain that the Amendments were unfair to the Members of the POA and only benefitted the Declarants. Plaintiffs fail to grasp the benefits the Amendments served to the community as a whole. This misunderstanding stems from the fact that Plaintiffs are not developers, they do not understand the process of developing a community, and they have not sought the opinion of any expert in this field. Declarants are developers with years of experience developing numerous communities. Declarants understand what is necessary to develop a successful community. The Amendments were necessary for the success of Wild Wing.

i. The 2011 Amendment

In 2011, the POA gave Notice that a Special Meeting of the Members was being called.³⁴ The Notice explained that the purpose of the meeting was to amend the Declaration. The Notice included a copy of the Amendment for each Member's review. On November 21, 2011, the Special Meeting of the Members was held. After Notice, and with a quorum present, a vote was held and the 2011 Amendment was passed unanimously.³⁵ Plaintiff Eisenhardt was in attendance and voted in favor of the 2011 Amendment.³⁶ After the vote passed, the 2011 Amendment was filed with the Horry County Register of Deeds on November 23, 2011.³⁷

In 2013, Plaintiff Dykes purchased Lot 97, Phase I in Wild Wing Plantation. Mr. Dykes' Deed and title insurance policy specify that his property is subject to the Declaration *and all amendments thereto*. (Emphasis added).³⁸ Mr. Dykes cannot now complain of a condition which existed of record at the time of his purchase.

ii. The 2016 Amendment

On October 21, 2016, the POA gave Notice to all Members that a Special Meeting would be held for the purpose of amending the Declaration.³⁹ Like the previous Notice, this Notice included the proposed Amendment for review by the Members. Additionally, this Notice included a letter from the Declarant setting forth the purpose and effect of the Amendment. The meeting was called, Noticed, and conducted in accordance with the Declaration.⁴⁰ The votes were then tallied and the accuracy of the tallies was ensured by the property manager.⁴¹ Once again, the vote passed with the two-thirds majority required by the Declaration.

Both Amendments were passed in accordance with the Declaration. Notice was given providing members with all necessary information. Special meetings were held with a quorum present or by proxy. Lot Owner votes were taken with a majority in favor.

Still, Plaintiffs dispute the validity of these Amendments on the basis of their own personal speculation and misperception of the benefit to the community. Plaintiffs are not developers and have not hired or consulted with an expert developer about these Amendments. Plaintiffs challenge these Amendments even though the first Amendment happened nine years ago, both were conducted in accordance with the Declaration, and both were passed with a two-

thirds majority vote. Plaintiff Dykes has testified that even though a majority of homeowners, which Plaintiffs presume to represent, voted in favor of the Amendments, he would still seek to overturn and would not bother to even speak with those homeowners about the matter.⁴²

V. Primary and Secondary Defendants

In addition to the Declarants, Plaintiffs have also sued multiple individuals and numerous other entities upon these very same allegations. Plaintiffs have taken the alleged bad acts of four Declarants and six board members (hereinafter “Primary Defendants”) and claim that 11 additional Defendants (hereinafter “Secondary Defendants”) should bear responsibility for the actions of the others. These Secondary Defendants consist of members, managers, and members of members of the Declarants as well as entities without any direct relationship to the Declarants.

Plaintiffs have joined Secondary Defendants upon theories of Veil Piercing, Alter Ego, and Amalgamation. On December 5, 2018, Plaintiff Dykes was tediously asked to identify evidence as to each and every required element of these allegations. Plaintiff Dykes’ responses included statements such as:

- “I don’t have any specific evidence. I believe it to be true, but I don’t have any evidence to support that;”⁴³ and
- “I don’t recall anything specific.”⁴⁴

Over a year and a half later, Plaintiff Dykes was deposed again after amending the Complaint to include even more Defendants. Once again he was asked to identify evidence to support these allegations. Still, his responses were:

In fact, Plaintiff Dykes explained that the Secondary Defendants have been included simply to ensure that a potential judgment against Primary Defendants can be satisfied.⁴⁷

RELEVANT FACTS

Plaintiffs have brought this action derivatively on behalf of the POA and its members.⁴⁸ Plaintiffs contend they represent the POA and its members.⁴⁹ Plaintiffs have brought a cause of action under the South Carolina Unfair Trade Practices Act in this representative capacity.⁵⁰

STANDARDS OF REVIEW

This Motion on the South Carolina Unfair Trade Practices Act is submitted as a Motion to Dismiss pursuant to Rule 12(b)(6), SCRPC, a Motion for Summary Judgment pursuant to Rule 56, SCRPC, or to be reviewed under the trial standard by Your Honor as the trier of fact. If Your Honor finds this argument does not meet the standards for Dismissal or Summary Judgment, please allow this argument to serve as a partial or absolute defense under the trial standard.

I. Rule 12(b)(6), SCRPC Motion to Dismiss

A defendant may move to dismiss a plaintiff’s complaint, pursuant to Rule 12(b)(6), SCRPC, for “failure to state facts sufficient to constitute a cause of action.” Fabian v. Lindsay,

410 S.C. 475, 481, 765 S.E.2d 132, 136 (2014). “In deciding a motion to dismiss pursuant to 12(b)(6), SCRCPP, the trial court should consider only the allegations set forth on the face of [the pleading which asserts the cause of action.]” Plyler v. Burns, 373 S.C. 637, 645, 647 S.E.2d 188, 192 (2007). The question for the court to consider is whether, “in the light most favorable to the plaintiff and with every doubt resolved in his behalf, the complaint states any valid claim for relief.” Cole Vision Corp. v. Hobbs, 394 S.C. 144, 149, 714 S.E.2d 537, 539 (2011).

II. Rule 56, SCRCPP Motion for Summary Judgment

“Summary judgment is proper when there is no genuine issue as to any material fact and the moving party is entitled to a judgment as a matter of law.” Rule 56, SCRCPP; South Carolina Prop. & Cas. Guar. Ass’n. v. Yensen, 345 S.C. 512, 518, 548 S.E.2d 880, 883 (Ct. App. 2001).

“When ruling on a motion for summary judgment, the trial judge must consider all of the documents and evidence within the record, including the pleadings, depositions, answers to interrogatories, admissions on file, and affidavits.” Higgins v. Med. Univ., 326 S.C. 592, 599, 486 S.E.2d 269, 272 (Ct. App. 1997). In determining whether any triable issue of fact exists, the evidence and all inferences which can reasonably be drawn therefrom must be viewed in the light most favorable to the nonmoving party. Medical Univ. of South Carolina v. Arnaud, 360 S.C. 615, 619, 602 S.E.2d 747 (2004); McNair v. Rainsford, 330 S.C. 332, 341, 499 S.E.2d 488, 493 (Ct. App. 1998). A party opposing a properly supported Motion for Summary Judgment may not rest on the mere allegations or denials of its pleading, but must set forth or point to specific facts showing there is a genuine issue of material fact. Dickert v. Metro. Life Ins. Co., 306 S.C. 311, 313, 411 S.E.2d 672, 673 (Ct. App. 1991). The existence of a mere scintilla of evidence in support of the nonmoving party’s position is not sufficient to overcome a Motion for Summary judgment. Id.

III. Trial Standard

“In all actions tried upon the facts without a jury... the court shall find the facts specially and state separately its conclusions of law thereon.” Mathis v. Brown & Brown of S.C., Inc., 389 S.C. 299, 320, 698 S.E.2d 773, 784 (2010) (citing Rule 52, SCRCP).

ARGUMENT

Any person who suffers any ascertainable loss of money or property, real or personal, as a result of the use or employment by another person of an unfair or deceptive method, act or practice declared unlawful by § 39-5-20 may bring an action individually, *but not in a representative capacity*, to recover actual damages. S.C. Code Ann. § 39-5-140(a) (Emphasis added).

“An unfair trade practices claim may not be brought in a representative capacity.” Wogan v. Kunze, 366 S.C. 583, 609, 623 S.E.2d 107, 121 (Ct. App. 2005). The South Carolina Supreme Court has held that “SCUTPA claims may not be maintained in a class action lawsuit,” and that such representative claims were properly dismissed. Dema v. Tenet Physician Servs.-Hilton Head, Inc., 383 S.C. 115, 678 S.E.2d 430, 434 (2009). Class action suits, like derivative actions, are brought pursuant to Rule 23, SCRCP. It has been stated in other jurisdictions that “a shareholders’ derivative action is a true class action.” Miller v. Steinbach, 268 F. Supp. 255 (S.D.N.Y. 1967). Thus, derivative actions, like class actions, must be held as a prohibited form of representative capacity under S.C. Code Ann. § 39-5-140(a).

The Delaware courts have explained that a derivative plaintiff serves in a fiduciary capacity as a *representative* of persons whose interests are in plaintiff’s hands. South v. Baker, 62 A.3d 1, 21 (Del. Ch. 2012) (citing In re Fuqua Indus., Inc. S’holder Litig., 752 A.2d 126, 129 (Del. Ch. 1999) (Emphasis added)).

Plaintiffs presume to bring this lawsuit as representatives of the POA.⁵¹ Plaintiffs' Amended Complaint alleges a Cause of Action under the Unfair Trade Practices Act in a representative capacity. South Carolina law makes clear that Plaintiffs may not bring an action for unfair trade practices in a representative capacity.

REQUESTED RELIEF

Based upon the foregoing, Defendants respectfully request that this Honorable Court rule:

- a. Plaintiffs have brought this action in a representative capacity on behalf of the POA;
- b. Plaintiffs may not assert a Cause of Action under the South Carolina Unfair Trade Practices Act in a representative capacity;
- c. Plaintiffs have failed to state facts sufficient to constitute a Cause of Action under the South Carolina Unfair Trade Practices Act; and
- d. Plaintiffs' Cause of Action under the South Carolina Unfair Trade Practices Act is dismissed with prejudice.

1 people in the Wild Wing Company and in others into
2 the new entity that ended up with the Wild Wing
3 property.
4 Q. When you were beginning your explaining to
5 me what resulted in that transaction, you said that
6 they were threatening foreclosure. Do you mean
7 NBSC?
8 A. Yes, NBSC.
9 Q. Because NBSC had loaned somebody the money
10 to purchase the property and ultimately start the
11 Wild Wing Company development; is that right?
12 A. Yes, sir.
13 Q. As I understand it, the people who you
14 named as being members of Wild Wing Company, LLC,
15 were also signatories on that NBSC note?
16 A. Yes, sir.
17 Q. So at some point NBSC wanted their money,
18 and an agreement was reached with an entity
19 affiliated with Stratford Land to come in and
20 provide capital to pay off the NBSC note?
21 A. Stratford brought their money to the
22 table, and then our interests brought -- the
23 ultimate interests of the other side, the SBI side,
24 brought their capital in, and then together with
25 all that money they bought the asset. Stratford

Page 15

1 IV/SBI Wild Wing, LLC, were funded?
2 A. I was not involved in the accounting
3 day-to-day operations of that, so I'm not sure of
4 that.
5 Q. Would you rely on the accountants to do
6 the accounting?
7 A. Uh-huh.
8 Q. Is that a yes?
9 A. Yes. I'm sorry.
10 Q. That's okay.
11 Who would you rely on in terms of helping
12 you establish what entities you needed to establish
13 and what -- go ahead.
14 A. Stratford's attorneys, SBI's attorneys,
15 Stratford's accountants, and SBI's accounting firm
16 together set the transaction and then the
17 subsequent entities up, and so every entity paid
18 taxes. It was all separate entities, but they
19 initially set it up. Gilford Edwards, our
20 controller, with oversight from Stratford handled
21 the day-to-day paying of any bills associated with
22 that.
23 Q. And you don't know what the source of
24 those funds was?
25 A. No.

Page 14

1 wasn't the only person.
2 Q. When you say "bought the asset," you mean
3 what happened was those two entities or Stratford
4 Land and the SBI crowd paid off the NBSC note?
5 A. I don't know the technical way it was
6 structured. It was basically a deed in lieu, and
7 it wasn't for that particular piece of property.
8 It was a bigger group of properties that were
9 assembled.
10 Q. The entity SLF IV/SBI Wild Wing, LLC, if
11 we can focus just on that discrete entity --
12 A. One more time.
13 Q. SLF IV/SBI Wild Wing, LLC. I understand
14 that at some point there was a joint venture with a
15 similar name. Does that ring a bell to you?
16 A. Can you tell me the similar name?
17 Q. Yes, sir. SLF IV/SBI JV, LLC. Does that
18 ring a bell?
19 A. I don't know if that was the parent
20 company that it closed under or not. I don't
21 remember.
22 Q. Do you know whether or not the company SLF
23 IV/SBI Wild Wing, LLC, ever had any assets?
24 A. I don't know.
25 Q. Do you know how the obligations of SLF

Page 16

1 Q. Going back to the first declarant, to your
2 knowledge did Wild Wing Company, LLC, ever do any
3 business other than act as the declarant for the
4 Wild Wing project?
5 A. As a company?
6 Q. Yes, sir.
7 A. I don't remember that it did or didn't.
8 Q. Is it still in business or do you know?
9 A. I don't know.
10 Q. At the time that the Wild Wing Company,
11 LLC, conveyed its interest in the Wild Wing project
12 to SLF IV/SBI Wild Wing, LLC -- at the time of that
13 conveyance did the Wild Wing Company, LLC, retain
14 any assets?
15 A. I don't know.
16 Q. In the filing that your lawyers made the
17 time period that SLF IV/SBI Wild Wing, LLC, was the
18 declarant is listed as December 22, 2010, to
19 11/09/2011, so a little under a year. At that
20 point there was a third declarant, Wild Wing
21 Residential Development, LLC. Is that a company
22 that rings a bell to you?
23 A. No, sir.
24 Q. Do you know whether or not Wild Wing
25 Residential Development, LLC, ever had any assets?

Page 33

1 buy that property because without the declarant
2 control, I don't know of an issue -- I've never
3 been involved in anything in my 30 years or seen or
4 heard of anybody doing that as a developer.

5 Q. You mean anybody coming in and buying
6 development rights when the developer or the
7 declarant didn't have control?

8 A. We've never had that that I'm aware of.
9 We wouldn't be a part of that, and I don't think
10 anybody else -- a professional or any other
11 developer would.

12 Q. If you can for a minute, I want to ask
13 this question in a particular context. What I want
14 to try to understand from you is this: Can you
15 quantify the benefit that you believed that the
16 members of the POA received because of the
17 extension of development rights, declarant rights?
18 Can you tell me what the individual homeowners,
19 members of the POA got out of that?

20 A. I can't tell you, but I do know that it
21 stabilized the community. There are a lot of cases
22 around this town where similar communities'
23 property values went to 5, 6 thousand dollars a
24 lot. Because of what was done there, that saved
25 that community and it saved everybody invested in

Page 35

1 wouldn't have been as positive for everybody as
2 what transpired.

3 Q. The extension of declarant rights
4 including the funding option right occurred after
5 SLF/SBI purchased the asset. Okay?

6 A. Okay.

7 Q. Can you tell me how the extension of
8 developer rights once SLF/SBI had the asset -- how
9 did that extension of declarant rights benefit the
10 owners?

11 A. In my mind it made it a marketable
12 community. It stabilized everybody's values and
13 opened the door for -- because the declarant rights
14 were intact, it stabilized that community and made
15 it a more marketable community.

16 Q. How did the owners benefit because the
17 community was more marketable?

18 A. If they didn't have it, if the declarant
19 rights weren't intact, I don't believe there would
20 have been a buyer for that community.

21 Q. How did the owners benefit from a buyer?

22 A. If it had gone into foreclosure, it would
23 have pushed everybody's property values down in my
24 opinion.

25 Q. Was there ever a risk that SLF IV/SBI Wild

Page 34

1 that community and it saved their property values
2 and gave them a successful, viable community,
3 whereas a lot around here didn't have that. To
4 quantify, I can't tell you exactly what it is
5 dollarwise, but it was a good thing what we did for
6 that community.

7 Q. What was the good thing?

8 A. By buying that asset and stabilizing it
9 and finishing it like we did.

10 Q. When you say "buying that asset," you mean
11 buying the Wild Wing project generally?

12 A. We bought that whole asset.

13 Q. And you bought it from a Japanese entity?
14 Who bought the asset?

15 A. I'm talking about when SLF bought the
16 asset.

17 Q. From Wild Wing --

18 A. Company, LLC.

19 Q. I got you.

20 If SLF/SBI had not bought the asset, what
21 would have happened?

22 A. There would have been a dispute between
23 NBSC and the Wild Wing Company that would have had
24 to play out however it played out. I don't know
25 how it would have played out. I suspect it

Page 36

1 Wing, LLC, was not going to be able to pay off its
2 obligations?

3 A. One more time.

4 Q. Was there ever a risk that SLF IV/SBI Wild
5 Wing, LLC, would not have been able to pay its
6 obligations?

7 A. No, sir.

8 Q. Prior to the conveyance to Founders Wild
9 Wing Residential Development, LLC, was the
10 declarant, and that was the one that we talked
11 about from November 9, 2011, to April 13, 2015.

12 Is there any evidence that you can point
13 me to that indicates that that declarant was ever
14 unable to pay its bills?

15 A. "That declarant" being?

16 Q. Wild Wing Residential Development, LLC.

17 A. No, sir.

18 Q. How did the members of the POA -- I'm
19 speaking specifically to individual property
20 owners -- how did they benefit from the sale to
21 Founders?

22 A. I think they benefited from the sale to
23 Founders and from SBI because a stable company came
24 in there and continued to develop that property
25 increasing and helping to stabilize everybody's

ARTICLE IDefinitions

Section 1. The following words when used in this Declaration or any Supplemental Declaration (unless the context shall prohibit) shall have the following meanings:

(a) "Annual Assessments" or "Assessments" shall mean an assessment established by the Board of Directors for common expenses as provided for herein or by a subsequent amendment which shall be used for the purpose of promoting the recreation, common benefit and enjoyment of the Owners and occupants of all Lots and the operation, maintenance and repair of the Common Area.

(b) "Architectural Review Board" or "A.R.B." shall mean and refer to that committee or board of Association (as hereinafter defined) created for the purpose of establishing and enforcing criteria for the construction of improvements (including landscaping) within the Properties. Initially, Declarant shall appoint all members of the Architectural Review Board until such rights of Declarant terminate or are transferred to Association in accordance with Article VII of this Declaration.

(c) "Association" shall mean and refer to Wild Wing Property Owners Association, Inc., its Successors and Assigns.

(d) "Common Area" shall mean and refer to those areas of land, including the facilities to be constructed thereon, if any, shown and specifically designated as such on any subdivision map of The Properties filed by Declarant or by any other means so designated by Declarant and shall include an easement (as hereinafter provided) over the Lake and Lake Areas. Such areas are intended to be devoted to the common use and enjoyment of the members of the Association as herein defined, and are not dedicated for use by the general public. However, no general plan or plat of the Properties showing adjoining areas which may later be developed as additional phases of the Development shall be included as Common Areas nor shall the Association or any Owner be entitled to any right, title or interest therein unless and until such adjoining areas shall have been formally included as a part of the Development by the Declarant pursuant to the terms hereinafter contained. Declarant reserves the right, but shall be under no obligation, to build a swimming pool, clubhouse, playground, two (2) tennis courts, beach area, boat docking slips and boat landing, as well as such other amenities as Declarant may, in its sole discretion, determine to construct and dedicate same as a Common Area. As to all conveyances of Common Areas by Declarant to Association, Association agrees to accept title to such areas upon execution and delivery of a quit-claim deed of conveyance provided (i) said Common Areas have been completed and are, subject to normal wear and tear, in reasonable repair and condition, and (ii) reasonable provisions have been made for the establishment of a reserve fund budgeted for normal maintenance thereof which such fund has been turned over to the Association.

Provided however, the recording and reference to said plat shall not in and of itself be construed as creating any dedications, rights or easements (negative reciprocal or otherwise), all such dedications, rights and/or easements being made only specifically by this Declaration, any amendment or supplement hereto or any deed of conveyance from Declarant, its successors or assigns, as developer.

(e) "Declarant" shall mean and refer to Wild Wing Company, LLC, its Successors and Assigns in the development of the Properties, but shall not include an Owner of an individual Lot located within the Properties.

(f) "Declaration" shall mean and refer to this Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation.

(g) "Design Criteria", "Plans", and "Specifications", and such like terms shall refer to and encompass the Plans, Specifications, Elevations, and Designs, including but not limited to, exterior finishes and textures, and exterior colors and materials for dwellings and improvements to be constructed upon Lots within the Project as well as setbacks, locations, etc. contained hereinafter in this Declaration.

(h) "Development", "Project" "Wild Wing" and "Community" shall all mean and refer to the project known as Wild Wing Plantation as hereafter developed by the Declarant.

(i) "Lot" shall mean and refer to any plot of land intended for residential use, with delineated boundary lines appearing on any recorded subdivision map of the Properties with the exception of any Common Area shown on a recorded map. In the event any Lot is increased or decreased in size by resubdivision, the same shall nevertheless be and remain a Lot for the purpose of this Declaration. This definition shall not imply, however, that a Lot may be subdivided if prohibited elsewhere in this Declaration. In the event that an Owner desires to combine two (2) or more adjoining Lots for the purpose of constructing and maintaining a single residence thereon, the resulting combined Lots shall from that date forward be deemed one (1) Lot for the purposes of this Declaration, including for the purpose of determining Assessments in accordance with this Declaration.

(j) "Lake" and "Lake Areas" means any Common Area or portion of a Lot or Lots on which a Lake now exists or is later constructed by Declarant and "Lake" means a body of water which now exists or is later constructed by Declarant and so designated.

(k) "Lake Maintenance Easement" means those areas identified on the recorded plat(s) of the Property as "Lake Access/Maint Easmt (typ)" or similar designation which shall be reserved to the Association for the purpose of performing maintenance of the Lakes in accordance with the terms and provisions of this Declaration.

- (l) "Member" shall mean and refer to all those Owners who are members of the Association, as provided in Article IV hereof.
- (m) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee-simple title to any Lot(s), but shall not mean or refer to any mortgagee or subsequent holder of a mortgage, unless and until such mortgagee or holder has acquired title pursuant to foreclosure or any proceedings in lieu of foreclosure. Said term "Owner" shall also refer to the heirs, successors and assigns of any Owner.
- (n) "Properties" or "Property" shall mean and refer to all property including Lots and Common Areas, as are subject to this Declaration, and which are described in Exhibit "A" together with any additional phases that may be developed and specifically submitted to the provisions of this Declaration pursuant hereto.
- (o) "Personal watercraft" means a boat less than sixteen feet in length which: (i) has an outboard motor or an inboard motor which uses an internal combustion engine powering a water jet pump as its primary source of motive propulsion, (ii) is designed with the concept that the operator and passenger ride on the outside surfaces of the vessel as opposed to riding inside the vessel; (iii) has the probability that the operator and passenger, in the normal course of use, may fall overboard. Personal watercraft includes, without limitation, a vessel where the operator and passenger ride on the outside surfaces of the vessel, even if the primary source of motive propulsion is a propeller, and a vessel commonly known as a "jet ski".
- (p) "Setback" shall mean an area along the boundary of a Lot where no building or other structures such as swimming pools or decks shall be permitted, without the express written permission of Declarant or the Architectural Review Board. However, the location of normal air handling and heat, ventilation and air conditioning units (and the associated approved screening for such units) within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure located on a Lot.
- (q) "Subsequent Amendment" or "Supplemental Declaration" shall mean an amendment to this Declaration which adds property to this Declaration and makes it subject to the Declaration. Such Subsequent Amendment may, but is not required to, impose, expressly or by reference, additional restrictions and obligations and/or modifications to these Restrictions on the land submitted by that Subsequent Amendment to the provisions of the Declaration.
- (r) "Special Assessments" shall mean an assessment established by the Board of Directors from time to time for capital improvements, unique costs or expenses, extraordinary budget or expense items and the like.

ARTICLE IIUses of Property

Section 1. Conformity and Approval of Structures. No structure, fence, sidewalk, wall, swimming pool, boat docking slip, bulkhead wall, landscaping (other than replacement of landscaping in accordance with an approved plan) or other improvement shall be placed or altered on any Lot except in accordance with the provisions of this Declaration and after approval of the Architectural Review Board as hereinafter provided in Article VII of this Declaration.

Section 2. Subdivision of Lot. No Lot shall be subdivided except as hereinafter provided and no building or residence, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the building lines as hereinafter established except as herein provided. Provided, however, two or more Lots may be combined to provide one building site in accordance with this Declaration, subject to the limitations contained in Article I of this Declaration.

Section 3. Increased Size of Lots. A Lot or Lots may only be subdivided provided the effect is to increase the size of both of the adjoining Lots. In such cases, the Declarant may alter the building lines to conform. Should the Owner or Owners of any Lots and/or portions of Lots which have been combined for a single building site subsequently wish to revert to the original plan of subdivision, or make any other combination which would not be in violation of this restriction, such may be done only if the written consent of the Declarant is first had and obtained. In such instances, the adjoining Lot Owners, or other Owners in the subdivision do not have the right to review, pass on or interfere with such rearrangement of Lots, as such rights shall be exclusively that of the Declarant or any successors or assigns to whom the Declarant may expressly have transferred such rights, but the purchaser of any other Lot in the subdivision does not, by virtue of his status as a purchaser, become any such successor or assign.

Section 4. Alteration of Setback Lines in the Best Interest of Development. Where because of size of Lot, shape of Lot, natural terrain, or any other reason in the sole opinion of the Declarant, that the Setback lines of any Lot(s) should be altered or changed, then the Declarant reserves unto itself, its successors or assigns, and no other, the right to change said Setback lines to meet such conditions. The Declarant specifically reserves the right to transfer and assign this right of approval to the Architectural Review Board hereinafter established.

Section 5. Completion of Improvements. The exterior of all dwellings and other structures constructed upon any Lot must be completed within one (1) year after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder due to strikes, fires, national emergencies or natural calamities. No building under initial construction shall be occupied until construction is completed, and all necessary approvals of any governmental authorities have been obtained, and the Architectural

Review Board has issued its certificate of completion in accordance with guidelines promulgated by the Architectural Review Board.

Section 6. Residential Use of Lots. Except as provided herein, all Lots shall be used for residential purposes exclusively. No structures, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on any Lot other than one (1) detached single family dwelling constructed in accordance with the Plans and Specifications herein defined in Article III. No timesharing, interval ownership or other related ownership scheme shall be permitted. No separate storage or other out building shall be permitted; all storage rooms must be attached to, form a part of and conform to the architectural scheme and appearance of the dwelling. In addition, no leasing or rental of any dwelling shall be permitted having a duration of less than six (6) months. However, Declarant or its assignee may maintain sales offices, models and construction offices upon one or more Lots until all Lots located or to be located within the Properties (including all subsequent phases) have been sold to third parties or Declarant no longer has the right to incorporate additional property under the terms of this Declaration. Easements are hereby reserved through the Common Area, including, without limitation, the easements shown on the plat (s) of the Property for use by Developer, for its use and the use of its agents, employees, licensees and invitees, for all purposes in connection with the use, development and sales of the Property, including, without limitation, for the erection and maintenance of signage.

Section 7. Maintenance of Lots. It shall be the responsibility of each Lot Owner to prevent the development of any unclean, unsightly, or unkept condition of buildings or grounds on such Lot which shall tend to substantially decrease the beauty of the neighborhood as a whole or the specific area. Each Owner shall maintain his Lot and shall keep underbrush and weeds mowed, which shall include, without limitation, the mowing of Lots on which no residence has been built not less than twice annually in October and May of each year.

Section 8. Nuisances. No noxious, unlawful or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or a nuisance to the neighborhood. No plants, poultry, animals (other than household pets) or devices or things of any sort, the normal activities or existence of which are in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of other property in the neighborhood shall be placed, kept or maintained on any Lot. Without limiting the foregoing, exterior lighting may not be so installed on any Lot as to illuminate any portion of a neighboring Lot or to shine into any window or otherwise enter a dwelling located on an adjoining Lot. Garage doors must be closed except when in use.

Section 9. Exclusion of Above Ground Utilities. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead. No exposed or exterior radio or television transmission or receiving antenna shall be erected, placed or maintained on any part of the premises. Provided, however, that the normal service pedestals, and similar equipment, used in conjunction with such underground utilities shall be permitted within the development. Overhead utilities shall be permitted during the construction period and until utility

companies can place them underground. Except as hereinafter provided, no Owner shall install any receiving or transmitting device which requires any exterior protrusion, nor shall any antennas or other receiving or transmitting devices be located on any Lot. Notwithstanding the foregoing, the following types of antennas may be installed, but only in accordance with reasonable rules and regulations to be promulgated by the Architectural Review Board, which rules and regulations shall include, without limitation, restrictions as to location, color and screening:

a dish antenna that is one (1) meter or less in diameter and is designed to receive direct broadcast satellite service, including direct to home satellite service; (B) an antenna that is one (1) meter or less in diameter or diagonal measurement and is designed to receive video programming services via multi-channel multi-point distribution (wireless cable) providers (MMDS); or (C) an antenna that is designed to receive television broadcast signals.

Section 10. Signs. Except as required by law, no billboards, posters or advertising signs of any kind or character (specifically including "for sale" or "for rent" signs or posters) shall be erected, placed, permitted, maintained or allowed to remain on any lot or improvement thereon (including in any window) except for signs designating the Lot Owner and contractor on any Lot on which a residence is then under construction. Such signs shall be of a uniform type and color as approved by the Architectural Review Board and shall be supplied by Association upon payment of a fee for same by Owner. However, it shall be permissible for the Association to have a sign located on the Common Area, if the design, size and location of such sign is approved by Declarant, prior to its erection. No other sign of any kind or design shall be allowed. Declarant reserves the right to erect temporary or permanent signs identifying and/or advertising the Project on the Common Area.

Section 11. Prohibition Against Business Activity. Except as hereinafter provided, no business activity, including but not limited to, a rooming house, boarding house, gift shop, antique shop, professional office or beauty shop or the like or any trade of any kind whatsoever shall be carried on upon a Lot or Lots. Nothing herein shall be construed to prevent a "home office" so long as all activities are conducted within the residence and no customers, employees, clients or others enter the Properties relative to such business activity. Provided, however, that nothing contained herein shall be construed so as to prohibit the construction of houses to be sold on said Lots or the showing of said houses for the purpose of selling houses in the subdivision. Nothing herein shall be construed to prevent the Declarant from erecting, placing or maintaining signs, structures and offices as it may deem necessary for its operation and sales in the subdivision.

Section 12. Mining and Drilling. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the premises, nor shall any oil, natural gas, petroleum, asphalt or hydrocarbon products or materials of any kind be produced or extracted from the premises.

Section 13. Garbage Disposal. Each Lot Owner shall provide garbage receptacles or

similar facilities in accordance with reasonable standards established by the Declarant, or a roll-out garbage rack of the type approved by the Declarant, which shall be visible from the streets on garbage pickup days only. No garbage or trash incinerator shall be permitted upon the premises. No burning, burying or other disposal of garbage on any Lot or within the Project shall be permitted. Provided that the Declarant shall be permitted to modify the requirements of this Section 13 where necessary to comply with orders of governing bodies.

Section 14. Temporary Structures. No structure of a temporary character shall be placed upon any Lot at any time, provided, however, that this prohibition shall not apply to shelters used by the contractors during construction of the main dwelling house, it being clearly understood that the latter temporary shelters may not, at any time, be used for a residence or permitted to remain on the Lot after completion of construction.

Section 15. Other Structures. No home, tent (other than small overnight tents used by children which remain in place for less than 24 hours), barn, tree house or other similar out-building or structure shall be placed on any Lot at any time either temporarily or permanently, except as provided in Section 14 above.

Section 16. Storage Receptacles. No fuel tanks or similar storage receptacles may be located on the Lots (with the exception of small portable tanks for supplying fuel to gas grills and gas logs for fireplace) nor may any such tanks or storage receptacles be buried underground.

Section 17. Clotheslines. No clotheslines or drying yards shall be located upon the premises so as to be visible from any Common Area or from any adjoining property or Lot.

Section 18. Water and Irrigation Systems. No individual water supply system shall be permitted upon any Lot. Furthermore, no wells may be drilled upon any Lot or Common Area for supplying water, whether the same shall be used for lawn irrigation or otherwise. No drawing of water from any lake or pond shall be permitted.

Section 19. Off-Street Parking. Adequate off-street parking shall be provided by the Lot Owner herein for the parking of automobiles or other vehicles owned by said Owner and said Owner agrees not to park his automobile or other vehicles on the Streets or Common Areas in the subdivision. No travel trailers or mobile homes, campers or other habitable motor vehicles of any kind, whether self-propelled or not, school buses, trucks (other than non-commercial pickup trucks) or commercial vehicles, or boat trailers or boats shall be kept, stored or parked overnight, either on any Common Area, any streets, or any Lot, except within enclosed approved garages or sheltered from view from neighboring Lots, any adjacent property which is not part of the project or Common Areas or within a portion of the Common Areas which may be hereafter specifically designated for such use. Furthermore, no non-operative or junked vehicles (or parts thereof) may be kept on the Properties. It shall not be permissible to make repairs to or "work on" vehicles, boats or other watercraft while same are located on the Properties.

Section 20. Sewer System. No surface toilets are permitted on the Properties. The Grantee of any Lot assumes all responsibility for obtaining the necessary permits for attaching to the public sanitary sewer and water system for the project, developer making no warranties or representations thereabout.

Section 21. Firearms and Fireworks. No firearms or fireworks of any variety shall be discharged upon the Lots or Common Areas.

Section 22. Pets. No pet shall be permitted off of its owner's Lot when not on a leash.

Section 23. Lakes and Lake Area(s). Subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration and except as otherwise provided, no individual using a Lake, has the right to cross another Lot or trespass upon shoreline not within a Common Area owned by the Association or within a Lake Area. Notwithstanding the foregoing, Declarant, the Association and each and every Owner (subject to restrictions contained in this Declaration with regard to the simultaneous use of Common Areas by multiple Owners of a single Lot), their respective successors, heirs and assigns, shall have a right and easement over all Lakes and Lake Areas for entry thereon and the use thereof by Declarant or any Owner and such Owner's guest(s) when accompanied by an Owner in accordance with the Association's rules and regulations, whether or not such Lake or Lake Area (or portions thereof) is actually located upon a Lot or Lots. No Owner shall have the right to exclude Declarant or any Owner and such Owner's accompanied guest(s) from any Lake or Lake Area because of such Lake or Lake Area being partially located within the bounds of any Lot(s). Such easements shall be appurtenant to, and pass with, the title to each Lot. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. No docks, piers or other structures may be erected in, over or adjoining any Lake, except for a boat dock slip and associated bulkhead walls constructed in strict accordance with guidelines promulgated by the Architectural Review Board. Furthermore, no Lake may be used by any Owner for the purpose of providing water for irrigation purposes. A Lake may be used for swimming, boating, and other recreational purposes only in accordance with rules and regulations promulgated by Association, as such rules and regulations may now or hereafter be adopted, amended and/or modified. Such rules and regulations may include restrictions as to type, length and horsepower of any boats to be used upon such Lake(s). Furthermore, no personal watercraft (as defined in this Declaration) may be used or located upon any Lake or Lake Areas. Lakes and Lake Areas may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Declarant reserves unto itself, its designated successors and assigns, the right to increase or decrease the level of the waters of any Lake, from time to time, without obtaining the consent or approval of Association or any Owner(s) and without liability for such actions.

For purposes of this Declaration, a single level or one story dwelling shall be a dwelling having living areas on only one level while a multi-level or two story dwelling shall be a dwelling having living areas located on more than one level within the dwelling. In addition, each residence must include an enclosed garage. While Declarant may not modify the provisions of this Section with regard to the Property being hereby submitted to the terms and provisions of this Declaration as Phase I, Declarant expressly reserves the right, in its sole discretion, to modify the terms of this Section as to any subsequent property submitted to the terms of this Declaration as additional phase(s) by subsequent amendment or supplemental declaration. Such subsequent amendment or supplemental declaration shall specify the modifications of this Section (if any) applicable to such additional property or phase so incorporated under the terms of this Declaration.

Section 3. Setbacks. No building or structure, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the Setback lines so as to be nearer to the Lot boundary line than such Setback line. The Setback lines for each Lot shall be as follows:

Front Setback Line - 35 feet from front Lot Boundary Line
(As to all Lots except as otherwise specifically provided in this section)

Front Setback Line

EXHIBIT D

Side Setback Line - 10 feet from each side Boundary Line of the Lot

However, (a) the location of normal air handling and heat, ventilation and air conditioning units and associated approved screening within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure on said Lot, (b) roof overhangs not to exceed twenty-four (24") inches from and as a part of the main dwelling may extend unto the Setback area, and (c) boat dock slips and bulkheads constructed in strict accordance with plans approved by the Architectural Review Board may extend into setback and Lake maintenance easement areas.

Notwithstanding the foregoing, Declarant reserves the rights provided in Article II, Section 4 of this Declaration to modify said setback lines.

ARTICLE IV

Membership and Voting Rights in the Association

Section 1. Membership. Every person or entity who is an Owner of any Lot which is subjected by this Declaration to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to Assessment.

Section 2. Articles of Incorporation and Bylaws. A copy of the Articles of Incorporation of the Association and Bylaws of the Association are attached hereto as Exhibit "B" and Exhibit "C", respectively, and made a part and parcel hereof.

Section 3. Voting Rights. The Association shall have two (2) classes of voting membership.

Class A. Class A Members shall be all Owners excepting the Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Section 1 above. When more than one person holds such interest or interests in any Lot, the vote attributable to such Lot shall be exercised as such persons mutually determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

Class B. The sole Class B Member shall be the Declarant. The Class B Member shall be entitled to total votes in an amount equal to twice the number of the class A votes plus one. The Class B membership shall cease and become converted to Class A membership upon the conveyance to Lot Owners of all Lots subject to this Declaration, or December 31, 2015, whichever first occurs. In addition, Declarant may terminate the Class B membership upon written notice to Association.

When a purchaser of an individual Lot or Lots takes title thereto from the Declarant, he automatically becomes a Class A Member.

ARTICLE V.

Property Rights in the Common Areas

Section 1. Member's Easements of Enjoyment. Subject to the provisions of Section 3 of this Article, every Member shall have a right and easement of enjoyment in and to the Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot. This right and easement shall be for use in common with all other such members, their tenants, guests and invitees. In the event that Declarant incorporates additional land under the provisions of this

Declaration pursuant to Article IX of this Declaration, all Owners of Lots within such additional phases shall have the same rights and privileges with regard to use of the Common Areas as the Owners of Lots originally made subject to this Declaration.

Furthermore, and notwithstanding anything in this Declaration to the contrary, any owner of a lot within the subdivision located near to the Property which is known as "The Sanctuary at Wild Wing" (the "Sanctuary") may use the swimming pool, tennis court(s) and Owner's Clubhouse facilities (at such time as the same may be constructed) located within the Common Areas of the Development upon payment by such owner of an annual fee to the Association, which fee shall be equal to thirty-five (35%) percent of the regular annual assessment assessed by the Association against each Lot (and the Owner thereof) within the Development, as the same changes from time to time. Such usage shall be in accordance with the rules and regulations promulgated by the

Association for the members thereof. However, nothing herein shall create any ownership or membership rights in the owners of lots within the Sanctuary nor shall any of such owners within the Sanctuary have any rights to vote or otherwise manage the Association of the Common Areas.

Section 2. Title to Common Areas. Subject to the provisions of Article I, Section C, the Declarant hereby covenants for itself, its successors and assigns, it will convey to the Association, by Quit-Claim Deed, fee simple title to the Common Areas (excluding any portions of Lakes and Lake Areas which are located within the bounds of any Lot) upon the conditions set forth herein, free and clear of all encumbrances and liens, except those created by or pursuant to this Declaration and except for those rights reserved unto the Developer pursuant to this Declaration. Association shall accept such conveyance of the Common Areas (which may include streets, roads and drainage facilities).

In lieu of the conveyance provided for herein with regard to the streets, roads, and/or drainage facilities. Declarant may cause such streets, roads and/or drainage facilities to be dedicated to any governmental entity, as provided for in Section 3(a) hereof.

Section 3. Extent of Member's Easements. The rights and easements created hereby shall be subject to the following:

- (a) The right of the Declarant, and/or of the Association, to dedicate, transfer or convey all or any part of the Common Areas, with or without consideration, to any governmental body, district, agency or authority, or to any utility company, provided that no such dedication, transfer or conveyance shall adversely limit the use of the Common Areas by the Members of the Association;
- (b) The right of the Declarant, and/or of the Association, to grant and reserve easements and rights-of-way through, under, over and across the Common Areas, for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage and other utilities and services, including, without limitation, a cable (CATV) or community antenna television system and irrigation or lawn sprinkler systems, and the right of the Declarant to grant and reserve easements and rights-of-way through, over and upon and across the Common Areas for the completion of the Development, and for the operation and maintenance of the Common Areas;
- (c) The right of the Association, as provided in its By-Laws, to suspend the enjoyment rights of any Owner in the Common Areas for any period during which any assessment remains unpaid, and for any period during which the Owner is in violation of this Declaration or the rules and regulations of the Association and in addition thereto (and without limiting the foregoing periods) for a period not to exceed thirty (30) days for any infraction of its published rules and regulations.

- (d) The rights of the Association, in accordance with law, its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Areas and in pursuance thereof, to mortgage the same.
- (e) Restrictions and easements contained on any plat or other instrument filed of record with respect to the Properties.
- (f) The right of Declarant to grant and/or dedicate non-exclusive easements across the Common Area in favor of other property of Declarant.
- (g) The right of Declarant to develop Wild Wing Plantation, which may or may not include additional property, in such manner as it may determine, in its sole discretion.

Section 4. Maintenance. Subject to the provisions herein contained, the Association shall at all times maintain all Common Areas, Lakes and Lake Areas in good repair, and shall repair or replace as often as necessary, the paving, drainage structures, street lighting fixtures, landscaping, entrance signage, and other amenities (except utilities) situated on the Common Areas. Association shall also cause the landscaping, entrance features and signage at the entrance to the Property to be maintained at Association's expense. Notwithstanding the foregoing, it shall be the responsibility of each Owner of a Lot located adjacent to a Lake or Lake Area to maintain that portion of the bank of the Lake or Lake Area bordering such Owner's Lot, at such Owner's sole expense, in a manner to prevent erosion of the Lake bank and in accordance with rules and regulations to be promulgated by the Board of Directors of Association. The Board of Directors acting on a majority vote shall order all work to be done and shall pay for all expenses including all electricity consumed by the lighting located in the Common Areas and all other common expenses. All work pursuant to this Section and all expenses hereunder shall be paid for by such Association through assessments imposed in accordance with this Declaration. Nothing herein shall be construed as preventing the Association from delegating or transferring its maintenance obligations to the governmental authority under such terms and conditions as the Board of Directors may deem in the best interest of the Association.

Section 5. Additional Structures. Neither the Association nor any Owner or any group of Owners shall, without the prior written approval of Declarant, erect, construct or otherwise locate any structure or other improvement in the Common Areas.

Section 6. Delegation of Use.

(a) Family. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be exercised by members of the Owners' family who occupy the residence of the Owner within the properties.

(b) Tenants. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be delegated by the Owner to his tenants who occupy a residence within the Properties.

(c) Guests. Recreational facilities, if any, situated upon the Properties may be utilized by guests of an Owner accompanied by such Owner or tenants subject to the rules and regulations of the Association governing said use and as established by its Board of Directors.

Section 7. Rules and Regulations. The use of the Common Areas by an Owner or Owners, and all other parties authorized to use same, shall be at all times subject to such reasonable rules and regulations as may be prescribed and established by the Association governing such use, or which may hereafter be prescribed and established by the Association. Such rules and regulations shall include a limitation on use of amenities within Common Areas (including Lakes) to a designated Owner and such Owner's family and/or significant other in cases of Lots owned by multiple Owners who are not members of the same family. For purposes of this section, "family" shall mean and refer to a group of persons, each of whom is related to each other member of the group through blood or marriage either as siblings or in direct lines of ancestry or descent. Such designation of the Owner for purposes of use of the Common Areas may not be changed more often than six (6) months and shall be made in writing to Association.

Section 8. Easement for Utilities and Lake Maintenance. The Declarant reserves unto itself, its successors and assigns, a perpetual, alienable and reasonable easement and right of ingress and egress, over, upon, across and under the Setback areas and easement areas on each Lot as shown on the recorded map of the Properties and/or as set forth herein and over, upon, across and under the Common Area for the erection, maintenance, installation and use of electrical and telephone wires, cables, conduits, sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public convenience or utilities, including an easement for privately owned television and other communications cable and equipment and for the construction and maintenance of the Lakes and Lake Areas located (or to be located as shown on the recorded plats of the Property) upon the Property. The Declarant may further cut drainways for surface water when such action may appear to the Declarant to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any grading of soil, or to take any other similar action reasonably necessary to provide economical and safe utility or other installations and to maintain reasonable standards of health, safety and appearance. Declarant further reserves the right to locate wells, pumping stations, and tanks within residential areas on any Lot owned by Declarant. It shall not be necessary to obtain the consent of Owners of Lots adjoining the existing utilities and pump station. Such rights may be exercised by the licensee of the Declarant but this reservation shall not be considered an obligation of the Declarant to provide or maintain any such utility service. No structures or other items, including walls, fences, paving or planting shall be erected upon any part of the property which will interfere with the rights of ingress and egress provided for in this paragraph. Specifically, except as herein provided, no Owner shall erect any structure, including, without limitation, walls, fences, paving or planting within the areas designated on the Plat of the

Properties as a "Drainage Easement", "Lake Maintenance Easement" or words of similar import nor shall any Owner change the grade of any such easement area. In that regard, an easement for ingress and egress for the maintenance of the Lakes and Lake Areas is hereby reserved for the benefit of the Association over all Lake Maintenance Easements. However, nothing herein shall restrict or prevent the location of boat docking slips and bulkhead walls in accordance with plans approved by the Architectural Review Board within any such easement or setback area. In the event that any such approved boat docking slip is constructed within any Lake Maintenance Easement on any Lot, the Owner of such Lot shall make provision for such additional access around such boat docking slip as is reasonably necessary for the purpose of Lake Maintenance as is reasonably acceptable to Association. Each Owner shall keep drainage ditches and swales located on his/her Lot free and unobstructed and in good repair and shall provide for the installation of such culverts upon such Lot as may be reasonably required for proper drainage. Declarant may, at its sole option, convey any such drainage easements to an appropriate governmental entity and/or the Association. The easements referred to in this paragraph are, without limitation, those shown upon the recorded plat of the Properties; as set out in easements of record; upon the plans of the Development; or which are located on or under the ground.

In addition to the foregoing rights reserved to Declarant, and not in limitation thereof, Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable commercial easement and right of ingress and egress over, upon, across and under the Common Areas and all streets and roads within the Properties for the purpose of providing drainage and utility installation, construction, reconstruction, and maintenance to adjacent property now or hereafter owned by Declarant and for the installation and maintenance of any pipes, drainways or other installations necessary for the foregoing and further for the installation, maintenance, repair, replacement and operation of water lines and other utilities which serve or shall serve property presently owned by Declarant. Declarant, its agents, contractors, servants, employees and assignees may enter upon the easement areas for the purposes of maintaining, repairing, replacing and operating such water lines and other utilities and drainage facilities and for the purpose of installing additional utilities and drainage facilities. Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable easement and right-of-way over, under and across those areas designated as "Drainage Easement" or like wording on the plat of the Properties referred to in Exhibit "A" hereto for the purpose of providing drainage of the Properties and lands adjacent to the Properties and for the installation, repair and maintenance of pipes and other facilities necessary for such drainage. Declarant, its agents, contractors, servants, employees and assignees may enter upon any of the easement areas so designated on the recorded plat of the Properties for the purpose of maintaining, repairing, replacing and operating any of the drainage facilities, pipes, ditches, and drainage areas located thereon. The Owners of Lots on which such easements are located shall not interfere in any manner with such easements or any of the facilities located therein or the access thereto. Except for boat docking slips and bulkheads constructed in accordance with plans approved by the Architectural Review Board, no Owner shall erect any structure or fence within such easement areas without the prior written consent of Declarant. Declarant, its agents, employees and assignees shall have no liability for damage which may occur to any structures or other items which may be located in such utility and drainage easements and Declarant shall have no obligation to replace any such structures

which may be removed or damaged due to maintenance, repair or other work performed in such easement areas. Declarant further specifically reserves unto itself, its successors and assigns, a perpetual, alienable, commercial easement and right of ingress and egress over all Lots along an area 5 feet in width inside each boundary line of each Lot and along any Lot boundary line which adjoins any of the streets of the Project. This easement is for the purpose of installation, maintenance and repair of utilities and utility systems and access. This easement shall be in addition to, and not in limitation of, any and all other easements reserved unto the Declarant herein. Declarant further reserves an easement of ingress and egress over and across all streets and roads of the Project which such easements are and shall be for the purpose of ingress and egress to any property now owned or hereafter acquired by Declarant, its successors and assigns whether or not such property is made a part of the Project and whether or not such property adjoins the Project.

Section 9. Sidewalk Easements on Lots. Declarant reserves for itself and the Association, their successors, assigns and agents, a sidewalk easement ten (10) feet in width across all Lots for use and enjoyment by the Owners of Lots and others, only under such rules as may be promulgated by the Association from time to time. The sidewalk easement is ten (10) feet in width, lies on the Lots adjacent to the boundaries between Lots and all road rights-of-way, and includes the right to usual and necessary access for purposes of construction, maintenance, repair, removal and replacement of sidewalks. The provisions in this paragraph shall not be construed as an obligation on the part of Declarant or the Association to undertake construction of any sidewalks. In the event sidewalks are constructed on the easements reserved herein or in the road rights-of-way adjacent to the Lots, the Association shall be responsible for the maintenance and management of such sidewalks.

ARTICLE VI.

Assessments for the Maintenance and Operation of Common Areas and Facilities

Section 1. Initial Contribution. Upon the closing of the initial sale of each lot by the Declarant, the purchaser of each Lot shall pay an initial contribution to the Association of One Hundred and No/100 (\$100.00) Dollars to provide initial reserve funds for the Association. Such payment shall not in any way be considered a prepayment of any regular or special assessment. Such funds may be used by the Association in such manner as the board of directors thereof shall direct.

Section 2. Assessments, Liens and Personal Obligations Therefor, and Operation
Maintenance of Common Areas Solely by the Association.

(a) Each and every Owner of any Lot or Lots within the properties, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association: (1) annual assessments or charges; and, (2) special assessments for capital improvements, unique costs or expenses,

extraordinary budget or expense items and the like, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon the Lot or Lots against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall also be the personal obligation of the Owner of such lot or Lots at the time when the assessment fell due. Notwithstanding anything in this Declaration to the contrary, it is hereby declared that through December 31, 2010, each Lot within The Properties shall be exempt, at Declarant's option, from the assessments herein provided for (both annual and special) until such time as such Lot is conveyed by the Declarant to an Owner other than the Declarant. However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against Owners of Lots other than those owned by the Declarant. The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. Commencing January 1, 2011, the Declarant shall be subject to assessments as provided for in this Declaration so that it will pay assessments on the same basis provided for in this Declaration for other Lot Owners. In the event that additional phases are subjected to the provisions of this Declaration, then it is declared that until the later of: (1) January 1, 2011; or (5) five years after the date the amendments or supplemental declarations submitting such additional phase(s) are filed for record in the public records of Horry County, South Carolina, each Lot in such additional phase shall be exempt from the assessment created herein until such time as the lot is conveyed by the Declarant to an Owner other than the Declarant. Until such time as a lot in such additional phase is so conveyed, the Declarant shall be assessed and pay to Association, in lieu of an assessment, a sum equal to the actual amount of actual operating expenditures for that portion of the calendar year less an amount equal to the total assessments made by Association against Owners of Lots other than those owned by Declarant. Declarant may, however, at its option, elect to pay assessments on the same basis as other Lot Owners as opposed to the method referred to above. Such election may be made by Declarant at any time.

(b) The Assessment levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents of the Development, and in particular for the improvement and maintenance of the Common Areas, Lakes and Lake Areas, now or hereafter designated or existing, including, but not limited to, the payment of taxes and insurance thereon, and repair, replacement and additions thereof, the cost of labor, equipment, materials, management and supervision thereof, and the cost of lawn and landscaping maintenance, maintenance of the fencing and/or signage, the employment of attorneys to represent the Association when necessary and such other needs as may arise. In the event that Declarant performs any of the foregoing services for Association, including,

but not limited to, accounting and bookkeeping services, it shall have the right to receive a reasonable fee therefore and such shall not be deemed to be a conflict of interest.

Section 3. Amount and Payment of Annual Assessment. The Board of Directors of the Association shall at all times fix the amount of the annual Assessment at an amount sufficient to pay the costs of maintaining and operating the Common Areas and performing the other exterior maintenance required to be performed by the Association under this Declaration including adequate reserves. The Board shall also fix the date of commencement and the amount of the Assessment against each Lot for each Assessment period (which shall be based on a calendar year), and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto, which shall be kept in the Office of the Association and shall be open to inspection by any Owner. Written notice of the Assessment shall thereupon be sent to every Owner subject thereto. In the event that any Lot is subject to an assessment for only part of a calendar year, then the amount of such assessment shall be prorated based on the portion of the assessment period for which such Lot is subject to an assessment.

Each annual Assessment shall be fully payable in advance on the 1st day of January each year, but the Board of Directors of the Association shall have the option to permit monthly or quarterly payments. The exact amount of each annual Assessment shall be fixed by the Board of Directors of the Association.

The Association shall, upon demand at any time, furnish to any Owner liable for any assessment, a certificate in writing, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be in recordable form and shall be conclusive evidence of payment of any assessment therein stated to have been paid.

This Section shall not be amended as provided in this Declaration to eliminate or substantially impair the obligation to fix the assessment at an amount sufficient to properly maintain and operate the Common Areas and perform the exterior maintenance required to be performed by the Association under this Declaration.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Board of Directors of the Association, on behalf of the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto. The due date of any specified assessment shall be fixed in the Resolution of the Board of Directors authorizing such assessment.

Section 5. Paid Professional Manager. The Board of Directors of the Association may employ a professional manager or managerial firm to supervise all the work, labor, services and material required in the operation and maintenance of the Common Areas and in the discharge of the Association's duties throughout the Community.

Section 6. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner: The Lien. Remedies of Association. If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall, together with such interest thereon and cost of collection thereof as are hereinafter provided, continue as a lien on the Lot or Lots, which shall bind such Lot or Lots in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then Owner to pay such assessment or reimbursement, however, shall remain his personal obligation and will also pass on to his successor in title.

If the assessment or reimbursement is not paid within thirty (30) days after the due date, a late charge in an amount to be specified by the Board of Directors of the Association may be assessed and furthermore, the assessment shall bear interest from the date of delinquency at the rate of eighteen (18%) percent per annum. In addition, the Association may bring legal action against the then Owner personally obligated to pay the same or may enforce or foreclose the lien against the Lot or Lots in the same manner as a mortgage is foreclosed; and in the event a judgment is obtained, such judgment shall include interest on the assessment or reimbursement as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. The Association may further file a notice of lien in the office of the Register of Deeds for Horry County, South Carolina.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments (and reimbursement) provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon any Lot subject to assessment and reimbursement; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments or reimbursements thereafter becoming due, nor from the lien of any subsequent assessment or reimbursement.

Section 8. Exempt Property. All Common Areas subject to this Declaration shall be exempted from the assessments, charges and liens created herein.

ARTICLE VII.

Architectural and Landscape Control

Section 1. Architectural Review Board. The Architectural Review Board shall have the right to approve or disapprove all architectural and landscaping plans and the location of any proposed Improvements. The Architectural Review Board may, in its sole discretion, impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning or other governmental codes.

Section 2. The Architectural Review Board shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions of the Association. The Architectural Review Board shall consist of five (5) voting members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until termination of Declarant's Class B membership status in the Association, as defined in this Declaration, the Declarant shall have the right: to change the number of members on the Architectural Review Board provided, however, that the Architectural Review Board shall at all times consist of at least three (3) members; to appoint all members of the Architectural Review Board; and to remove and replace all members appointed to the Architectural Review Board. The Declarant shall determine which member of the Architectural Review Board shall serve as its Chairman, or which members of the Architectural Review Board shall serve as Co-Chairmen. In the event of the failure, refusal or inability to act of any of the members appointed by the Declarant, and in the event that the Declarant fails to fill any such vacancy within thirty (30) days of such occurrence, the remaining members of the Architectural Review Board shall fill such vacancy by appointment. At such time as Declarant's Class B membership status terminates or at such earlier date as Declarant may decide, the Declarant shall assign to the Association the rights, powers, duties and obligations of the Architectural Review Board, whereupon the Board of Directors shall determine how many persons shall serve on the Architectural Review Board, provided that the Architectural Review Board shall at all times consist of not less than three (3) members, shall appoint the members of the Architectural Review Board shall provide for the terms of the members of the Architectural Review Board, and shall determine which member of the Architectural Review Board shall serve as its Chairman. There shall be no requirement that any of the members of the Architectural Review Board be a member of either the Association or an Owner within Wild Wing Plantation. Any three (3) members of the Architectural Review Board shall constitute a quorum to transact business at any meeting, and the action of the majority present shall constitute the action of the Architectural Review Board.

Section 3. Buildings, fences, walls, etc. No building, fence, wall, boat docking slip, landscaping or other improvements, and no change in topography, landscaping or any other item originally approved by the Architectural Review Board shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change be made until the plans and specifications showing the nature, kind, texture, shape, height, materials, color and locations of the same shall have been submitted to and approved in writing as to the harmony of the external design and location in relation to the surrounding structures and topography by the Architectural Review Board. The right of approval herein reserved and granted shall include, without limitation, the right to designate or re-designate which Lot line shall be the "front" in the case where a Lot is bordered by more than one street. In the event the Architectural Review Board fails to approve or disapprove any request within sixty (60) days after complete plans and specifications have been submitted to it in accordance with the guidelines promulgated by the Architectural Review Board, the same shall be deemed approved, and this Article shall be deemed to have been fully complied with, provided, however, that no such failure to act shall be deemed an approval of any matters specifically prohibited by any other provision of this Declaration. Refusal of approval of plans, specifications and plot plans or any of them may be based on any grounds, including purely aesthetic grounds,

which in the sole and uncontrolled discretion of the Declarant or the Architectural Review Board may seem sufficient. Any change in exterior appearance of any building, wall, fence or other structural improvements, and any change in the appearance of the landscaping, shall be deemed an alteration requiring approval.

All construction of any nature shall further be subject to the provisions and requirements of Article XV RESTRICTIVE COVENANT.

Section 4. Lot Filling. No Lot may be cleared, graded cut or filled for any reason until the Architectural Review Board has reviewed and approved the application for approval of the proposed improvement. The site plan, along with the tree survey and other documents required by the Architectural Review Board, must clearly delineate the extent of clearing, grading, cutting and filling.

Section 5. Fee Schedule. The Architectural Review Board may adopt a schedule of reasonable fees for processing requests for approval. Such Fees, if any, shall be payable to the Association at the time that the plans and specifications and other documents are submitted to the Architectural Review Board. The payment of such fees, as well as other expenses of the Architectural Review Board required to be paid, shall be deemed to be an individual Assessment, enforceable against the Owner and the Lot as provided hereinabove. The Architectural Review Board is expressly reserved the right and power, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the Architectural Review Board in its review of any plans or specifications, and the cost of such consulting services shall be the responsibility of the respective applicant or Owner of the subject property.

Section 6. Defects or Damages. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be liable for any costs or damage incurred by an Owner or Association or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the Architectural Review Board in connection with the approval or disapproval of plans and specifications. Each Owner or Association and occupant of any property within Wild Wing Plantation agrees, as do their successors and assigns by acquiring title thereto or an interest therein, or by assuming possession thereof, that they shall not bring any action or suit against the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, or their respective agents, in order to recover any damages caused by the actions of the Architectural Review Board. The Association shall indemnify, defend and hold the Architectural Review Board and each of its members harmless from all costs, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the Architectural Review Board or its members. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans and specifications, nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

ARTICLE VIII.Exterior Maintenance, Reasonable Access
and Maintenance of Common Areas

Section 1. Exterior Maintenance. The Owner shall maintain the structures and grounds on each Lot at all times in a neat and attractive manner. Upon the Owner's failure to do so, the Declarant, or the Association (after the termination of Class B membership status of Declarant) may, at its option, after giving the Owner ten (10) days written notice sent to his last known address, or to the address of the subject premises, have the grass, weeds, shrubs and vegetation cut when and as often as the same is necessary in its judgment, and have dead trees, shrubs and plants removed from such Lot, and replaced, and may have any portion of the Lot resodded or landscaped, all of which shall not be deemed a trespass, and all expenses of the Association under this provision shall be a lien and charge against the Lot on which the work is done and the personal obligation of the then Owner of such Lot. The Declarant or the Association, and its assigns, may likewise, after giving the owner ten (10) days written notice sent as aforesaid, enter upon such Lot(s) to remove any trash, debris or garbage which has collected on said Lot(s) without such entrance and removal being deemed a trespass, all at the expense of the owner of said Lot. Upon the Owner's failure to maintain the exterior of any structure in good repair and appearance, the Association may, at its option, after giving the Owner thirty (30) days written notice sent to his last known address, make repairs and improve the appearance in a reasonable and workmanlike manner. The cost of any of the work performed by the Association upon the Owner's failure to do so shall be immediately due and owing from the Owner of the Lot and shall constitute an assessment against the Lot on which the work was performed, collectible in a lump sum secured by a lien against the Lot as herein provided.

Section 2. Access at Reasonable Hours. For the purpose of performing its function under this or any other Article of the Declaration, and to make necessary surveys in connection therewith, the Association, by its duly authorized agent and employees, or the Declarant during the period of development, shall have the right to enter upon any Lot at reasonable hours, on any day except Sundays and holidays, on reasonable prior notice.

Section 3. Maintenance of Common Areas. It shall be the responsibility of the Association to maintain the Common Areas. However, should the Declarant (prior to conveyance to the Association) or the Association (after the termination of the Class B status of Declarant), decide to transfer any portion or all of the areas designated or to become, by conveyance, Common Areas to governmental authority, as they have the right to do, such duty to maintain same shall cease as to that portion so transferred.

ARTICLE IX.Phased Development

Section 1. Phase I. The real property which is, and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Horry County, South Carolina, and is more particularly described on Exhibit "A" attached hereto and made a part and parcel hereof.

Section 2. Additional Phases. The Declarant may, at its option, from time to time bring other land under the provisions hereof by recording a Supplemental Declaration(s) or amendment stating its intention to so incorporate additional real estate. Declarant may incorporate such additional land under the provisions hereof in any number of additional phases as it may so desire. Such Supplemental Declaration(s) or amendment shall not require the vote or consent of the association or any Owner. Any such Supplemental Declaration(s) shall be effective upon the filing thereof in the public records of Horry County, South Carolina. Such Supplemental Declaration shall describe the real property to be brought under the provisions hereof. Any such property to be brought under the provisions of this Declaration must be contiguous or near to property already subjected to the provisions of this Declaration at that time and must be owned by Declarant or its successors and assigns as developer. Declarant may bring such additional real estate under the terms hereof either in whole or in part and may do so in multiple phases. Upon the Declarant's election to incorporate additional real estate hereunder, all of such real estate so incorporated shall be as fully covered hereby as if a part of the original Development. However, Declarant reserves the right unto itself to change or modify the restrictions applicable to such additional phases by such supplemental declaration, which changes or modifications may include, without limitation, increasing or decreasing the size of Lots within such phases(s), modifying the building setback lines within such phases(s) and changing architectural and material requirements and minimum home size requirements within such phase(s). Subject to the foregoing, all property so incorporated shall be subject to all the declarations, covenants, easements, liens, restrictions and duties as herein contained, together with such additional restrictions and obligations or modifications to these Restrictions as Declarant may impose on the land being submitted to the provisions of this Declaration by such Supplemental Declaration(s). Declarant shall have the unilateral right to transfer to any other person or entity the said right to submit additional property to the provisions of this Declaration. Declarant shall have no obligation to develop any land adjoining the Properties in accordance with this Declaration and may develop same in any manner it may desire and further, Declarant, in the event that it should decide to develop any additional land located adjacent to the Properties, in its sole discretion, shall have no obligation to make same a part of this Project or subject to this Declaration. THE DECLARANT SHALL BE UNDER NO OBLIGATION TO DEVELOP ADDITIONAL PHASES AND NONE OF THE REMAINING PORTION OF THE PROPERTY DESCRIBED HEREIN SHALL BE DEEMED A PART OF ANY SCHEME OF DEVELOPMENT UNTIL ACTUALLY BROUGHT UNDER THESE RESTRICTIONS AS HEREIN PROVIDED.

Section 3. Reservation of Additional Easements and Rights. Declarant reserves for itself and its successors and assigns as developer (and all conveyances by Declarant to Association of Common Areas shall be deemed to automatically reserve) easements over, under and across all Common Areas for ingress and egress and for construction and completion of construction and development of this phase and all future phases of the Development and/or for the construction and development of other property of Declarant, whether or not such other property is submitted to the terms and provisions of this Declaration, including, without limitation, easements for the installation, construction, reconstruction, repair, maintenance and operation of all utility services; said easements to be in addition to and not in lieu of any other rights or easements reserved by Declarant herein or in any supplement hereto or any other conveyance by or to Declarant or its predecessors in title.

ARTICLE X.

Rights of Mortgagees

Rights of Mortgagees or Third Parties. Should a mortgagee or third party acquire the rights of Declarant, by way of foreclosure or otherwise in adjoining or neighboring property contained within the property contiguous to the property subject to this declaration, as same may exist from time to time, it shall be allowed full use of all rights, easements, rights-of-way and utilities contained within The Properties for the purpose of serving such adjoining or neighboring areas. These rights shall also inure to the benefit of Declarant should it retain or be the Owner of any portion of said property. Any of such parties may elect to bring additional phases under this Declaration.

ARTICLE XI.

Insurance and Casualty Losses

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount (as determined by the insurance underwriter) sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

The Board shall also obtain a public liability policy covering the Common Area, Buffer area and any other areas Association is permitted to enter upon, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million and No/100 (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a One Million and No/100 (\$1,000,000.00) Dollars limit per occurrence, and a Five Hundred Thousand and No/100

(\$500,000.00) Dollar minimum property damage limit.

Cost of insurance coverage obtained by the Association for the Common Area shall be included in the Assessment.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association as Trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in South Carolina which holds a Best's rating of A or better as is assigned a financial size category of XI or larger as established by A.M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies on the Common Area and fencing referred to above shall be for the benefit of the Association and Declarant shall be named as additional insured.

(c) Exclusive authority to adjust losses under policies in force on the Common Areas and said fencing obtained by the Association shall be vested in the Association's Board of Directors.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

(ii) that no policy may be cancelled, invalidated, or suspended on account of the conduct of any Director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, its Owner, or mortgagee;

(iii) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(iv) That no policy may be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

Association, its successors and assigns, members, officers and directors do hereby knowingly and voluntarily forever release and discharge Declarant, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity, including, without limitation, indemnification and/or subrogation, in anyway arising from our related to conditions of the Property, accidents, personal injury, occurrences or the like, in anyway relating to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. However, no fidelity bond shall be required as long as the class B Member exists. The amount of fidelity coverage shall be determined in the directors' best business judgment but may not be less than three (3) months' assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

The Association may purchase officers and directors liability insurance, if reasonably available and the Board of Directors of the Association approves the purchase of same. However, every Director and every officer of the Property Owners Association shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been a Director or Officer of the Association, whether or not he is a Director or Officer at the time such expenses are incurred, except in such cases wherein the Director or Officer is adjudged guilty or willful misfeasance or malfeasance in the performance of his duties; provided, that in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or Officer seeking such reimbursement or indemnification, the indemnification herein shall only apply if the Board of Directors approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction to the Common Area or, in the event no repair or reconstruction is made, shall be retained by and for the benefit of the Association and placed in a capital improvements account.

(b) If it is determined, as provided for in Section 4 of this Article, that the damage or destruction to the Common Area for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner provided for excess proceeds in Section A above. However, repair or replacement of the affected Common Area must be made unless prevented by law or governmental rule or regulation.

Section 3. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Board of Directors of the Association, shall decide within thirty (30) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the Common Area damaged or destroyed shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Area shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

Section 4. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against all Owners in proportion to the number of Lots owned, provided, if the damage or destruction involves a Lot or Lots only Owners of the affected Lots shall be subject to such assessment. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Section 5. Declarant has contracted and paid for Pollution Legal Liability Policy #PLS 1959333 written by American International Specialty Lines Insurance Company (the "Policy", which term shall include substitute policies, renewals, replacement policies or the like), which such policy is procured responsive to portions of the Development, Project, Wild Wing, Community, Properties

or Property, as defined herein, having been determined by the United States Army Corps of Engineers to be within the former Conway Bombing and Gunnery Range. See Articles XV and XVI herein. The effective anniversary dates of the Policy are December 27, 2005 thru December 27, 2015, after which the Association Board of Directors may, in its discretion, elect to renew, extend, replace or discontinue such coverage. The Association Board of Directors shall not discontinue such coverage at any time prior to the expiration of the original effective anniversary date recited above.

The Policy has or shall be amended to include the Association as an Additional Named Insured. Immediately thereupon, The Association agrees and hereby does accept contractual liability obligations to indemnify and hold harmless Declarant, Members, Owners, their successors, heirs and assigns, their guests, licensees, invitees or others upon the Development, Project, Wild Wing, Community, Properties or Property, as defined herein, to the full extent coverage exists, and only to such extent, pursuant to the terms and conditions of the Policy.

The Association shall report, notice and facilitate the handling and management of any such claims and shall and hereby does assume responsibility for any Self Insured Retention (deductible) applicable thereto. Any and all Self Insured Retention amounts shall be borne by the Association and charged to the Members as a portion of Annual Assessments and/or Special Assessments as defined herein.

In the event Insurance Coverage in these regards is unavailable for any reason, including inapplicability, non-renewal, lapse or otherwise, Member and/or Owner, its, his, her or their (as the case may be) heirs, successors and assigns, do hereby knowingly and voluntarily forever release and discharge Association, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity in any way arising from or related to conditions of the Property, accidents, personal injury, occurrences or the like in any way related to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

ARTICLE XII.

General Provisions

Section 1. Time of Essence. It is agreed that time is of the essence with regard to these restrictions, protective covenants, limitations and conditions.

Section 2. Enforcement. In the event of a violation or breach of any of these restrictions by any Owner, or agent, or agent of such Owner, the Owners of Lots in the subdivision, or any of them, jointly or severally, the Declarant and/or the Association shall have the right to proceed at law or in equity to compel a compliance to the terms hereof or to prevent the violation or breach in any such event or to recover damages. In addition to the foregoing, the Declarant, its successors and assigns, shall have the right, but shall be under no obligation whenever there shall have been built

on any lot in the subdivision any structure which is in violation of these restrictions, to enter upon the property where such violation exists, and summarily abate or remove the same at the expense of the Owner, if, after thirty (30) days written notice of such violation, it shall not have been corrected by the Owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any rights, reservation, restriction or condition contained in this Declaration, however long continued, shall not be deemed a waiver of the rights to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. Should Declarant or Association employ Counsel to enforce any of the foregoing covenants, conditions, reservations or restrictions, because of a breach of the same, all costs incurred in such enforcement, including a reasonable fee for Declarant's Counsel shall be paid by the Owner of such lot or Lots in breach thereof. Any amount assessed hereunder shall constitute a lien on such lot and shall be enforceable as herein provided. Failure of Declarant, the Association or any Owner to enforce any covenant or restriction contained herein shall not be deemed a waiver of the right to do so thereafter.

Section 3. Responsibility of Declarant. The Declarant herein shall not in any way or manner be liable or responsible for any violation of these restrictions by any person other than itself. In addition, nothing contained in this Declaration shall be deemed to be a representation by Declarant with regard to the requirements of any governmental authority and it shall be the duty of each Owner to comply with any such requirements in addition to the provisions of this Declaration.

Section 4. Rule Against Perpetuities. In the event that any of the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective, then in that event, such term shall be reduced to a period of time which shall not violate the rule against perpetuities or any other law of the State of South Carolina, and such provision shall be fully effective for said reduced period of time.

Section 5. Binding Effect. All covenants, conditions, limitations, restrictions, easements and affirmative obligations set forth in this declaration shall be binding on the Owners of the Lots, and their respective heirs, successors and assigns and run with the land. All rights, easements and agreements reserved by or granted to Declarant shall inure to the benefit of Declarant, its successors and assigns including, without limitation, the right to develop and submit additional phases. Declarant reserves the right in addition to all other rights of Declarant, to assign its rights of consent and approval as set out in this Declaration and any amendment hereto or supplement hereof, to Association, or to any assignee of Declarant's development rights.

Section 6. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the Association, or the Owner of any land subject to this Declaration, and their respective legal representatives, heirs, successors and assigns.

Section 7. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered

or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in nowise effect any other provisions which shall remain in full force and effect.

Section 9. Amendment. In addition to any other manner herein provided for the amendment of this Declaration, the covenants, restrictions, easements, charges and liens of this agreement may be amended, changed, added to, derogated or deleted at any time and from time to time upon the execution and recordation of any instrument executed by Owners holding not less than two-thirds (2/3) vote of the membership in the Association, provided, that so long as the Declarant is the Owner of any Lot affected by this Declaration the Declarant's consent must be obtained. Provided, further, that the provisions for voting of Class A and Class B Members as hereinabove contained in this Declaration shall also be effective in voting for changes in this Declaration.

Section 10. Amendment Prior to Sale by Declarant. At any time prior to the closing of the first sale of a Lot by Declarant, the Declarant, and any mortgage holder, if any, may amend this Declaration by mutual consent. The closing of the first sale shall mean transfer of title and delivery of a deed and not execution of a Contract of Sale or a like document.

Section 11. Effective Date. This Declaration shall become effective upon its recordation in the Office of the Register of Deeds for Horry County, South Carolina.

Section 12. Plat. Reference to Exhibit A, "plat", "map" other term synonymous therewith shall mean and include Exhibit A as recorded herewith and all subsequent revisions thereof, together with any and all additional plats or maps filed as any additional phases, if any, are submitted to this Declaration as and when recorded in the Office of the Register of Deeds for Horry County, South Carolina.

ARTICLE XIII.

Additional Matters Dealing with Phased Development

Section 1. Voting Rights. As each phase, if any, is added to the Development, the Lots comprising such additional phase shall be counted for the purpose of voting rights.

ARTICLE XIVSpecial Restrictions for Golf Course Lots

Section 1. Golf Course Property. A golf course is currently located adjacent to portions of the Property. Although the golf course is currently owned by Declarant, the golf course is not, and is not intended to be, a Common Area of the Project. Purchase of property in the Subdivision does not guarantee or vest in the purchaser or Owner the right to use of the golf course. Each Owner, by acceptance of a deed to a Lot acknowledges that no Owner acquires any interest in the golf course by virtue of taking title to property within the Project. Each Owner acknowledges that no representations or warranties, either verbal or written have been made by the Declarant or any other person regarding the continued ownership or operation of, or rights in the golf course, or that the golf course will become Common Area to the Association.

Section 2. Easements. Until such time as a residence is constructed on a Lot bordering the golf course, Declarant hereby reserves unto itself, its successors and assigns, an easement to permit and authorize registered golf course players to enter upon such Lot to recover a ball or play a ball, without such entering and playing being deemed a trespass.

Every Lot bordering a golf course and any Common Area bordering the golf course are burdened with an easement to come upon the Lot or Common Area immediately adjacent to the golf course for the purposes related to the playing of golf and the normal operation of the golf course and for golfers at reasonable times and in a reasonable manner to come upon the exterior portions of such Lot or Common Area in order to retrieve errant golf balls. The existence of this easement shall not relieve golfers of liability for damage caused by errant golf balls. However, under no circumstances shall the Declarant or the Association be held liable for any damages or injury caused from errant golf balls or the exercise of this easement.

Section 3. Golf Course Maintenance. Each Owner, occupant or other person acquiring an interest in a Lot within the Project is hereby deemed to acknowledge being aware that for such period of time as the golf course is being used as a golf course, it can be expected that (a) maintenance activities on the golf course shall begin early in the morning and extend until late into the evening; (b) during certain periods of the year the golf course will be heavily fertilized; and (c) golf balls are not susceptible of being easily controlled and accordingly may land or strike beyond the golf course boundaries. Neither the Declarant, nor any employee or agent of the Declarant, shall be liable for personal injury or property damage caused by errant golf balls.

Section 4. Actions of Lot Owners. Owners or occupants of Lots bordering the golf course fairways shall be obligated to refrain from any actions which would detract from the playing qualities of the golf course or unreasonably distract golfers from the playing of golf.

ARTICLE XV

Restrictive Covenant

No excavation of any portions of the property shall be made which exceed four (4) feet in depth below the grade level of the property without the prior written approval of Declarant (or its assignee or designee). Furthermore, swimming pools or other similar improvements shall not be installed without the prior written approval of Declarant (or its assignee or designee). The approval of Declarant (or its assignee or designee) may be conditioned upon the Lot Owner providing Declarant (or its assignee or designee) with the written results of an examination of the area in which such excavation is to occur, which examination shall be performed by EODT (as hereafter defined, or such other party approved by Declarant or its assignee or designee), confirming that the area is clear of any ordnance or explosive materials.

ARTICLE XVI

Further, Seller has contracted with EODT to perform an additional Scope of Work toward further and more extensive investigation of Area A-1. The additional Scope of Work is available for inspection and copying at the office of Seller. However, Purchaser acknowledges that Seller makes no warranties or representations relative to the accuracy and results of such preliminary site investigation, Scope of Work and the work undertaken relative thereto and their recommendations, as well as any subsequent reports issued by EODT. Furthermore, Purchaser acknowledges and agrees that all construction activities on the Lot shall be undertaken by Purchaser in compliance with the provisions of the Report and its recommendations, as well as any subsequent reports issued by EODT and shall further be undertaken by Purchaser in compliance with the requirements of this Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation.

ARTICLE XVII

Within one hundred twenty (120) days thereafter, the Class "B" member shall call a meeting, as provided in Article II, Section 5, of these By-Laws for special meetings, to advise the membership of the termination of the Class "B" member's control or, in the alternative, shall notify each member by U. S. Mail that the Class B membership has terminated.

The Directors selected by the Class "B" member pursuant to this Section need not be Members as provided in Section 1 of this Article.

Section 3. Veto. This Section 3 may not be amended without the express, written consent of the Class "B" member, so long as the Class "B" membership exists.

So long as the Class "B" membership exists, the Class "B" member shall have a veto power over all actions of the Board and any committee, as is more fully provided in this Section. This veto power shall be exercisable only by the Class "B" member, its successors, and assigns who specifically take this power in a recorded instrument. The veto power shall be as follows:

No action authorized by the Board of Directors or any committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

(b) The Class "B" member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of the meeting relative to any prospective action, policy, or program to be implemented by the Board, any committee, or the Association. The Class "B" member and its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee and/or the Board. The Class "B" member shall have and is hereby granted a veto power over any such action, policy, or program authorized by any committee or the Board of Directors and to be taken by any committee or Board of the Association or any individual member of the Association if Board, committee, or Association approval is necessary for said action. This veto may be exercised by the Class "B" member, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. Any veto shall not extend to the requiring of any action or counteraction on behalf of any committee, or the Board or the Association.

Section 4. Number of Directors. The number of Directors in the Association shall not be less than three (3) nor more than five (5), as provided below. The initial Board shall consist of three (3) members as identified in the Articles of Incorporation.

The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association. The Nominating Committee

shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Voting Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each such annual meeting. Nominations shall be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

At the first annual meeting after the termination of Class B control, five (5) Directors shall be elected. Two (2) of the Directors, elected pursuant to this Section, shall be elected to serve for a term of three (3) years. Two (2) of the remaining Directors shall be elected to serve for a term of two (2) years, with the final Director elected to serve for a one (1) year term. Members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association. Directors may be elected to serve any number of consecutive terms. Each member elected thereafter shall be elected for a two (2) year term.

Section 7. Removal of Directors and Vacancies. Any Director of the Association may be removed, with or without cause, by a vote of the Voting Members with a majority vote of the membership. Any Director whose removal is sought will be given notice prior to any meeting called for that purpose. Upon removal of a Director, a successor shall then and there be elected to fill the vacancy by the Voting Members responsible for such removal.

Any Director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment for more than thirty (30) days may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board. In the event of the death, disability, or resignation of a Director, a vacancy may be declared by the Board and it may appoint a successor. Any Director appointed by the Board shall serve for the remainder of the term such successor was appointed to fill.

Section 8. Voting Procedure for Directors. At any election of Directors to the Board of Directors, each Voting Member may cast, in respect to each vacancy, as many votes as he or she is entitled to exercise under the Declaration. The candidates receiving the largest number of votes shall be elected.

B. Meetings.

Section 9. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 10. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to Directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 11. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or by a majority of Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (d) by telegram, charges prepaid. All such notices shall be given by use of the Director's telephone number or shall be sent to the Director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least three (3) days before the time set for the meeting.

Section 12. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 13. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors who are present at such meeting may adjourn the meeting until such time and place as they may determine. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 14. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by Members holding a majority of the total vote of the Association at a regular or special meeting of the Association; provided any Director may be

reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other Directors.

Section 15. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 16. Open Meetings. Subject to the provisions of Section 17 of this Article, all meetings of the Board shall be open to all Voting Members, but Voting Members other than Directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a Director. In such case, the President may limit the time any Voting Member may speak.

Section 17. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 18. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Voting Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

In addition to the duties imposed by these By-Laws or by any resolution of the Association that may be hereafter adopted, the Board of Directors shall have the power to and shall be responsible for the following, in way of explanation, but not limitation:

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the properties.

Section 19. Management Agent.

(a) The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these By-Laws, other than the powers set forth in subparagraphs (a), (b), (f), (g), and (i) of Section 18 of this Article. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee or penalty on ninety (90) days' or less written notice.

Section 20. Accounts and Reports. The following management standards of performance will be followed unless the Board by resolution specifically determines otherwise:

Section 22. Rights of the Association. With respect to the Common Areas, and in accordance with the Articles of Incorporation and By-Laws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or neighborhood and other Owners or residents associations, both within and without the properties. Such agreements shall require the consent of two-thirds (2/3) of all Directors of the Association.

Section 23. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's right to vote or to use the Common Area for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Lot. In the event that any occupant of a Lot violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the

Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder, except the suspension of voting rights for nonpayment of assessments, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) Hearing. If a hearing is requested in a timely manner, the hearing before the Covenants Committee shall be held in executive session affording the Owner a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty (30) days after the hearing date.

(d) Additional Enforcement Rights. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by resolution of the Board of Directors. Each committee shall operate in accordance with the terms of the resolution of the Board of Directors designating the committee or with rules adopted by the Board of Directors.

Section 2. Covenants Committee. In addition to any other committees which may be established by the Board pursuant to Section 1 of this Article, the Board of Directors may appoint a Covenants Committee consisting of at least five (5) and no more than seven (7) members. Acting in accordance with the provisions of the Declaration, these By-Laws, and resolutions the Board may adopt, the Covenants Committee, if established, shall be the hearing tribunal of the Association and conduct all hearings held pursuant to Article III, Section 23 of these By-Laws.

Article VI

Section 1. Fiscal Year. The fiscal year of the Association shall be set by resolution of the Board of Directors.

Section 2. Parliamentary Rules. Except as may be modified by Board resolution, Robert's Rules of Order (current edition) shall govern the conduct of Association proceedings when not in conflict with South Carolina law, the Articles of Incorporation, the Declaration, or these By-Laws.

Section 3. Conflicts. If there are conflicts or inconsistencies between the provisions of South Carolina law, the Articles of Incorporation, the Declaration, and these By-Laws, the provisions of South Carolina law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

Section 4. Books and Records.

(a) Inspection by Members and Mortgagees. The Declaration and By-Laws, membership register, books of account, and minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any Mortgagee, Member of the Association, or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the Properties as the Board shall prescribe.

(b) Rules for Inspection. The Board shall establish reasonable rules with respect to:

(a) if to a Member or Voting Member, at the address which the Member or Voting Member has designated in writing and filed with the Secretary or, if no such address has been designated, at the address of the Lot of such Member or Voting Member; or

Further, no amendment of any provision reserving a right specifically in favor of the Declarant may be amended without the Declarant's express consent. No amendment shall be effective until recorded in the public records of Horry County, South Carolina.

1 as a security company, it was more of a staffing
2 company for gated communities.

3 COURT REPORTER: For what?

4 MR. MILLER: Gated communities.

5 THE DEPONENT: Today we are association
6 management and the maintenance that goes
7 along with that, still doing the staffing,
8 but I sold the landscape company many years
9 ago.

10 BY MR. MILLER:

11 Q. Congratulations. Tired of replacing dead
12 palm trees, I presume.

13 So when you say "association management,"
14 would the accounting functions that Jane now
15 performs for you, would that be part of that
16 association management?

17 A. Correct. Yes. Bookkeeping for the
18 associations, doing their monthly financials, yes.

19 Q. And so your job, of course, is overseeing
20 all of your managers in charge of those different
21 functions. Is that fair?

22 A. Yes.

23 Q. You know that this deposition is about a
24 dispute at Wild Wing, do you not?

25 A. Yes.

1 someone raids from me, they've stolen from me, and
2 they don't intend to give it back or put it back.

3 Q. Okay. Any -- anything else? Any other
4 difference?

5 **A.** No.

6 Q. Okay. You testified earlier that when a
7 person is -- assumes a position on the board of an
8 HOA, they owe a fiduciary duty to the association;
9 is that right?

10 **A.** Yes.

11 Q. Even if that person was appointed by a
12 declarant?

13 **A.** Absolutely.

14 Q. Is that right?

15 **A.** Absolutely.

16 Q. And so what happens then to that person when
17 the interest of the declarant and the interest of
18 the HOA -- or let's say -- and by HOA, I mean, the
19 property owners who are not the declarant -- what
20 happens to the board member when those interests
21 conflict?

22 **A.** Well, it's the same thing that happens to
23 anyone else that serves on any board where they
24 have a fiduciary responsibility and their personal
25 or professional interests conflict. They either --

1 Does this help you recall that the board
2 sought the review by an auditor and got that
3 opinion?

4 **A.** Repeat that, please.

5 Q. Does reading this note here help refresh
6 your recollection about the board getting or the
7 finance committee getting the advice of a
8 professional auditor on this issue?

9 **A.** Other than Jim Corbett?

10 Q. No. He counts. He's a professional
11 auditor, is he not?

12 **A.** Yeah. Jim was the one at this time that I
13 can recall that was involved in these discussions
14 between Barry and, I guess, the board.

15 I really don't recall the results of those
16 that much, other than it was, to my understanding,
17 the way it had been handled by the same auditing
18 firm as multiple developer-controlled communities.

19 Q. Would the finance committee have recommended
20 a proposed developer contribution calculation up to
21 the board? Is that how it works?

22 **A.** That finance committee, at the time I worked
23 with them, offered a budget recommendation line by
24 line. My recollection is I presented a budget, and
25 it had them cut mustard for the finance committee

1 before it was presented to the board for approval.

2 And we went over that budget line by line.
3 I can't recall all the details. But it was a very
4 positive experience, learning experience for
5 everybody. And ultimately, we were both pretty
6 close, is my recall, on the budget to present for
7 that particular year.

8 Q. Okay.

9 A. Very sharp people on that finance committee.

10 Q. Good. I'll come back to those budgets.

11 Right now if you would pull up Exhibit
12 Number 2?

13 (EXHIBIT 2, Wild Wing 2011 Developer
14 Assessment Exposure, was marked for
15 identification.)

16 THE DEPONENT: All right.

17 BY MR. MILLER:

18 Q. And I realize some of those documents
19 predate your involvement. But those are what we're
20 calling the developer calculations. The developer
21 assessment exposures is what they call...

22 Have you seen these before?

23 A. Maybe.

24 Q. Okay. So these are a little bit different
25 than the budget, right?

1 inclusive up to the board --

2 **A.** Sorry. I recall is the finance committee
3 wanted Phillips out of there at that time and
4 another auditor in, and that's when Deborah Weir
5 came in.

6 Q. Okay.

7 **A.** Somewhere around '15, '16.

8 Q. So when you spoke earlier, you used the
9 words "an owner-generated request to change
10 auditors."

11 You're telling me that came from the finance
12 committee? That's what you're talking about?

13 **A.** Well, no. My recall is that that came from
14 Barry before there was a finance committee. The
15 committee process was still in early discussions.

16 Q. So "owner recommended," you're talking about
17 Barry Dykes?

18 **A.** That is correct. That's my recall.

19 Q. Okay.

20 MR. MILLER: Paul, we've been going
21 just over an hour. Do you want to take a
22 short break? Please say yes.

23 THE DEPONENT: Yes.

24 MR. MILLER: Thank you.

25 Y'all want to say -- we need to set a

1 see '14, that was done by Lisa Marie Rockwood. '15
2 would have been the first one that I was involved
3 with.

4 Q. Okay. Would it also have been the last one
5 you were involved with?

6 A. No. I should have been involved with '16
7 and '17 at that point, then.

8 Q. Okay. I've got Kristy Farley's name on
9 those, and then I see your name again on the 2018.

10 A. That was -- that was my parting gift, I
11 guess. I prepared the budget of 2018. I left at
12 the end of '17.

13 Q. Okay. Got it.

14 So walk me quickly through, how does the
15 budget process work? How does that go?

16 A. You know, you identify the expenses, past.
17 You identify expectations from your service
18 providers and utilities of what the prices may do
19 going forward. You put all the specific budget
20 items that are inflexible. I mean, they have to be
21 there. They're mandatory. You identify them. You
22 look at the items that are discretionary, identify
23 all of them as well.

24 And primarily based on expenses and
25 projections of funds to be expensed, put them all

1 together and, Voila, there's the budget.

2 Q. Okay. And as the property manager, you
3 prepare the first draft. Is that what you're
4 telling me?

5 A. I do, yes.

6 Q. And do you then present that to the finance
7 committee?

8 A. Hmm.

9 Q. And I'm talking about the Wild Wing project.
10 Would you present that to the finance committee?

11 (Indiscernible crosstalk.)

12 THE DEPONENT: -- probably both. My
13 first one may have presented only to the
14 board and advisor members that, you know,
15 they had invited or not. And then after the
16 committees were established and had their
17 charters, the first draft would go to the
18 finance committee. That's correct.

19 BY MR. MILLER:

20 Q. Okay. And then from there would the finance
21 committee, whenever they finally approve it,
22 recommend it up the line to the board of the POA?
23 Is that how it went?

24 A. In my case, they presented very expertly
25 both their recommendations and mine, like, side by

1 Q. Yeah. When you say they approved the
2 budget, the POA board approved the budget, did it
3 not?

4 A. Which was developer controlled, yes.

5 Q. Right. But it was the POA board, not the
6 developer board, correct?

7 A. POA board, yes, sir.

8 Q. Okay. And then I've got some correspondence
9 where you sent numbers over to a lady named Lisa
10 Mackley, you know, letting her know what the number
11 is for the developer contribution.

12 Do you remember that you would communicate
13 that over to the developer?

14 A. I'm sorry, David. Repeat that.

15 Q. Do you remember that upon approval by the
16 POA, you would let the developer know what their
17 requested contribution would be?

18 A. Yes.

19 Q. And so the end number is zero. When I'm
20 looking at these budgets, it always ends in zero?

21 A. Isn't that wonderful?

22 Q. Why is that?

23 A. Well, it was -- it was practice. When you
24 build a budget, you build a balanced budget. Now,
25 the budget is just a guess, a best guess based on

1 administration of the amendment of the same
2 amendments of 2011 to 2016, right?

3 Q. Well, that's what I'm getting ready to ask
4 you. So let me ask you this way.

5 Did the Wild Wing POA board call and notice
6 a special members' meeting for the purpose of
7 voting on this amendment?

8 A. Yes.

9 Q. And did you --

10 A. Probably -- it's probably in the minutes.

11 Q. And did you oversee ensuring that that
12 special meeting was called, noticed, and conducted
13 in accordance with the Declaration for Wild Wing,
14 the community documents?

15 A. Yes.

16 Q. Was it, in fact, called, noticed, and
17 conducted in accordance with the community
18 documents?

19 A. Well, it's here. It must have been.

20 Q. Okay. Is that your signature on the front
21 page of the Proof of Mailing?

22 A. Yes, and of the notice. That's my signature
23 on the notice as well.

24 Q. Okay. And then if you flip forward, there's
25 a copy of the amendment that was sent -- that was

1 Q. Mine, too.

2 Is this your tally sheet? Did you create
3 this and enter the numbers "1" beside or under
4 "pro" or "con"?

5 A. Although I would look at it periodically, my
6 assistant probably put this tally sheet together.
7 That's one of the things I had the benefit, luxury
8 of having when I was there, an assistant to receive
9 all these return proxies and put them in this type
10 of format.

11 Q. Would you review it and ensure its accuracy
12 and correctness?

13 A. I would. I said yes.

14 Q. Okay. Thank you.

15 Paul, I'm going to ask you about reserve
16 accounts a little bit.

17 There have been some allegations in the
18 formal pleadings of the lawsuit, and then also some
19 discussion in a deposition with Mr. Dykes, as to
20 whether the developer raided the reserve accounts
21 and used monies inappropriately.

22 If you would look at Exhibit Number 8 and
23 also Number 9. If you'll dig those out, please.

25 for identification.)

1 **A.** Yes, sir.

2 **Q.** Okay. Sounds like you're familiar with
3 their operation?

4 **A.** Very much.

5 **Q.** How would you rate them as among property
6 management companies on the beach?

7 **A.** Absolute best I've ever seen.

8 **Q.** Wow. High praise.

9 Let's talk more -- a little more
10 specifically.

11 So you told me that you did audit work --

12 **A.** Right.

13 **Q.** -- for Wild Wing?

14 **A.** (Moves head up and down.)

15 **Q.** And when I say "Wild Wing," I mean the
16 property owners association, because that's who you
17 worked for.

18 **A.** (Moves head up and down.)

19 **Q.** Did you also prepare calculations as to what
20 the developer's dues contribution should be?

21 **A.** Yes.

22 **Q.** Did you participate in analyzing the reserve
23 funding?

24 **A.** Yes.

25 **Q.** Anything else?

1 it's minutes of a Wild Wing POA finance committee
2 meeting. And just look it over and tell me if you
3 recognize that document.

4 **A.** Yes, sir.

5 Q. And I'm looking at the last page. And
6 mine's highlighted (indicating). If you'll see
7 this part right here is what I'm looking at.

8 **A.** Okay.

9 Q. And -- and it reads, and tell me if I read
10 this correctly: "Also, the auditor's formula for
11 determining the developer's contribution excludes
12 bad debt expense from the total expenses of the
13 POA. Barry" -- being Barry Dykes -- "strongly
14 questioned that approach and indicated there was no
15 support for that approach that he was aware of in
16 the community documents. The auditor agreed to
17 review that formula."

18 Did I read that correctly?

19 **A.** Yes, sir.

20 Q. Okay. My question is this: As the auditor
21 for the property owners association, what did you
22 do to review that formula?

23 **A.** I went back and looked at any prior years.
24 Plus I went in and read the covenants and how it's
25 calculated.

10:38AM

10:39AM

10:39AM

10:39AM

10:40AM

1 Q. The declaration?

2 A. Declaration, yeah.

3 Q. Did you meet with any other of the
4 professionals in your office about it?

5 A. Yes. It was discussed with myself and
6 Barbara Faircobb (phonetic). She's a CPA.

7 Q. What about Larry Phillips?

8 A. Larry would review any and all audits. If
9 first -- if Barb did an audit, I reviewed it, and
10 then it went to Larry. If I did one, it went to
11 Barbara, and then it would go down to Larry.

12 Q. Got it.

13 Did you look at any other sources of
14 information, such as generally accepted accounting
15 principles and those kind of things you guy rely
16 upon?

17 A. Yes, sir. GAAP. The financial statements
18 presented in the audit are GAAP.

19 Q. General accepted accounting principles?

20 A. Accounting principles.

21 Q. Got it. Okay.

22 A. They include bad debt expense as GAAP. Now
23 we've got a calculation. And over here on this
24 calculation, we would start with that GAAP number,
25 the number that was determined to be the income or

1 Q. This letter, if I look at the dates, this
2 follows by a couple of months the prior exhibit
3 where the -- the finance committee asked, where we
4 read the auditor agreed to review the matter?

5 A. Uh-huh.

6 Q. This is a couple of months later.

7 Is this the results of your having gone in
8 and done the review that you just outlined to me?

9 A. Yes. I remember sitting down with Jane
10 Atkinson, and we went back through years of
11 calculation. Jane, like I say, she's excellent.
12 And we were -- we were within dollars of each
13 other's calculation.

14 Q. Okay. So early you had testified that you
15 went back and looked at the declaration, you pulled
16 numbers. But now you're telling me, in addition to
17 that, you and the accountant at the -- at the
18 property owners management company worked together
19 to go back years and bring it all the way back
20 forward.

21 A. I do -- that -- what triggered it is seeing
22 this 119,918.89. Okay? I mean, I apologize.
23 That's four years. I'm 65 years old. I don't
24 remember a lot.

25 But no. I remember that number. So, yeah.

1 Q. All right. Are you --

2 A. I can have an expense, but I didn't
3 necessarily have to spend money.

4 Q. Okay. So your interpretation -- in your
5 interpretation under GAAP, expense and expenditure
6 mean two different things. Is that what you're
7 telling me?

8 A. That's my interpretation. I just see an
9 expenditure as somebody writing a check or reaching
10 in their pocket and paying for something.

11 Q. So when you look at this statement in the
12 declaration and you look at this sentence, you
13 wouldn't begin with actual operating expenses --
14 expenses from the financial statement.

15 Is that what you're telling me?

16 A. When we did our calculation?

17 Q. Yeah.

18 A. Yeah. We would begin with the net income or
19 loss for that period, and then the judgments were
20 made.

21 Q. And what about that sentence tells you --
22 about that sentence in the declaration tells you
23 you need to back out certain expenses?

24 A. What I asked David, somewhere there's a
25 permanent file, and I don't know if you have it,

1 In turn, it is extracted from the calculation
2 as that auditor prepared it, which reduces the
3 expense for the association.

4 Q. Understood. The language in the declaration
5 that we just read uses the phrase "actual amount of
6 actual operating expenditures incurred."

7 A. Right.

8 Q. In your world of association financial
9 management, would those words include bad debt or
10 would they exclude bad debt?

11 A. I have never seen it included.

12 Q. You have never --

13 A. The expenditures, to me, is what's going out
14 the door as payment of expense.

15 Q. And did you say that you've never seen it
16 included?

17 A. Unh-unh.

18 Q. In all of the associations that are more
19 than you can count, you've never seen it included?

20 A. No.

21 Q. There's an Exhibit Number 2.

22 A. Right.

23 Q. And it is what I call the "Developer
24 Contribution Calculations."

25 A. That's what it is, yes.

1 architectural review board fees and those type of
2 things, lot-mowing fees, recovery of prior year bad
3 debt --

4 **A.** Uh-huh.

5 **Q.** -- which are pretty predictable, do you know
6 why those are not included in the budget income?

7 **A.** They aren't a guaranteed source of income.

8 **Q.** Okay. So this is dealing with -- with more
9 of a known --

10 **A.** Yes.

11 **Q.** -- "bird in hand"?

12 **A.** The assessments weren't -- are assessed to
13 members to cover the expenses of the association.

14 **Q.** Okay. And since you said that, I note that
15 the bottom line is zero.

16 **A.** Yes.

17 **Q.** Is that consistent with your experience in
18 all of your associations over all of your years of
19 management?

20 **A.** Yes. It's a zero-based budget. There's no
21 profit.

22 **Q.** Understood.

23 **A.** Yes.

24 **Q.** There's a -- the second income item is
25 called "Developer Contribution." Do you know what

1 that is?

2 **A.** That is the contribution that would need to
3 be made in order to meet this budget.

4 Q. Do you know how that's calculated?

5 **A.** I can't tell you how that 38,484 was
6 calculated.

7 Q. Can you tell me where in the declaration
8 that's our Exhibit Number 1 -- or can you tell me
9 whether in our declaration that's Exhibit Number 1,
10 is it addressed that the developer is to agree to a
11 pre-year budget contribution?

12 **A.** No. That's a preference of the developer
13 board or the declarant board. I have some that
14 don't include it.

15 Q. Understood.

16 **A.** Their budget is based on the number of units
17 on the ground at the time.

18 Q. And in this association, though, is it your
19 recollection that the developer did, in fact, make
20 these requested contributions?

21 **A.** These were made. It was consistent with
22 this developer.

23 Q. Okay. And is the idea that it's so that the
24 dues don't have to go up for the lot owners?

25 **A.** The number of owners that are on the ground

1 to do the projects that are needed.

2 Q. And do you know whether the reserve funds at
3 Wild Wing are adequately funded?

4 A. I haven't reviewed the study to see if there
5 was a requirement to accelerate the funding or not. 11:08AM

6 Q. Can you look at this document and tell
7 whether the reserves are adequately funded?

8 A. Mm-hmm.

9 Q. "This document" being our Exhibit Number 9.

10 A. If I compared this to the level that was 11:08AM
11 required in the study, I probably could give you
12 that answer.

13 Q. Okay. And can you describe to me the study
14 that you're talking about?

15 A. Yes. It's an engineering study based on the 11:09AM
16 components that are included in Wild Wing's
17 Plantation. They go out and they do an analysis
18 and prepare a study. We then take that data and
19 put it on the sheet so that they can see what's
20 happening in the year, during the year to know what 11:09AM
21 expenses were done and what funding was done for
22 the year.

23 So included in that study are all of these
24 components and the likes and the replacement value
25 and when the projected expenses are going to come 11:09AM

3 **A.** No.

4 **Q.** Did you pay dues?

5 **A.** Yes.

6 **Q.** Were you subject to special assessments?

7 **A.** Yes.

8 **Q.** When did you buy into the Wild Wing project?

9 **A.** 2013.

10 **Q.** And have you been active in that property
11 owners' association?

12 **A.** Yes, I have.

13 **Q.** When did you become active in that POA?

14 **A.** 2014.

15 **Q.** And what did that consist of?

16 **A.** At the annual meeting in 2014, I was
17 appointed to the finance committee.

18 **Q.** And do you know when the annual meeting is
19 held?

20 **A.** Sometime in April.

21 **Q.** Did you miss the meeting and get appointed
22 in your absence, or did you volunteer?

23 **A.** No. I was present.

24 **Q.** Did you volunteer to serve?

25 **A.** Mrs. Eisenhardt volunteered me.

1 **A.** Okay.

2 **Q.** You've been on the finance committee for
3 nearly all that time. You got on shortly after you
4 bought in, correct?

5 **A.** Correct; about a year. Uh-huh.

6 **Q.** Okay. Are you aware that any creditor of
7 the POA, anybody that the POA owed a bill to for
8 anything, didn't get paid?

9 **A.** As far as I know, they've gotten paid. Some
10 may be late, but everyone's gotten paid, to my
11 knowledge.

12 **Q.** Are you aware of any lawsuit against the POA
13 by any creditor to collect a bill?

14 **A.** I am not aware of any.

15 **Q.** As a member of the finance committee, have
16 you investigated to see whether, in the history of
17 Wild Wing, any creditors have ever gone unpaid?

18 **A.** I haven't.

19 **Q.** Have you ever heard that or do you have any
20 evidence to indicate that there's ever been an
21 unpaid creditor of the Wild Wing POA?

22 **A.** I'm not aware.

23 **Q.** And you're also not aware that there's ever
24 been a lawsuit by any creditor to collect a bill
25 that was owed by the POA?

1 **A.** I'm not aware of any.

2 **Q.** Since you've been a member at Wild Wing, has
3 there ever been a special assessment?

4 **A.** No.

5 **Q.** Other than the regular annual dues as
6 established in the annual budgets?

7 **A.** No.

8 **Q.** As a member of the finance committee, have
9 you investigated to see whether, in the life of
10 Wild Wing, since its inception, there's ever been a
11 special assessment to any member other than the
12 ordinary annual dues per the annual budgets?

13 **A.** No. I haven't investigated that.

14 **Q.** Do you have any reason to believe there has
15 ever been a special assessment?

16 **A.** Not to my knowledge.

1 Q. How would you characterize what this
2 lawsuit's all about? That's a real broad question
3 to throw out there. We're going to look back at
4 your lawsuit and we'll go through that.

5 But how did it come up to start with? How
6 did this issue ever come up to begin with, that the
7 declarant may not be putting in enough money?

8 A. The time when the issue was raised was when
9 we -- it began when we met with the auditor to
10 review the draft audit report for -- it was
11 probably 2014. And in that, the auditor did a
12 calculation of the declarant's obligation.

13 And in their calculations, they removed bad
14 debt as an expense to the association, which seemed
15 to be inappropriate. That began to raise the
16 question of, what's going on here?

17 Q. When was that meeting?

18 A. That would have been, I believe, early,
19 maybe around April, in 2015, something like that.

20 Q. Are you aware that that had ever been raised
21 by anyone before?

22 A. No. To my knowledge, no one had ever met
23 with the auditor prior to that meeting.

24 Q. Who was in that meeting other than yourself
25 and the auditor?

1 Okay.

2 Q. Is it now your belief that you've got them
3 grouped into two sub-groups?

4 A. It looks like there's a second developer and
5 the third developer.

6 Q. Okay.

7 A. That's the way the first -- I guess it's
8 the -- it's at least the second and third. Maybe
9 the first is in there. I can't -- I can't tell.

10 Q. Let's do it this way.

11 At Paragraph 51, it groups SLF IV/SBI Wild
12 Wing LLC, Stratford Land Manager, SB Investments,
13 and Wild Wing Residential Development, correct?
14 Those are the four entities that are picked out in
15 that series of allegations of Paragraphs 51, 52,
16 and 53; is that correct?

17 A. Okay. That's to be true, yes.

18 Q. Okay. As to those four entities, what
19 evidence do you have that those entities, or any of
20 them, were grossly undercapitalized?

21 A. I don't recall anything specific.

22 Q. Do you have any evidence to show that any of
23 those entities were grossly undercapitalized?

24 A. I don't recall anything, no.

25 Q. What evidence do you have that any of those

1 entities failed to observe corporate formalities?

2 **A.** Because I can't find documents that would
3 show that they did.

4 **Q.** Where did you look?

5 **A.** Looked in the minutes and so forth that we
6 had of meetings, board meetings, and those kind of
7 things.

8 **Q.** Minutes of what entity? Are you talking
9 about the POA minutes?

10 **A.** Correct.

11 **Q.** So you looked in the POA minutes to see
12 whether these other entities observed corporate
13 formalities, and you didn't find any there, so you
14 sued them? Is that what you're saying?

15 **A.** I don't understand your question.

16 **Q.** I hope not.

17 **A.** I don't understand your question. What's
18 your question?

19 **Q.** I'm asking you, what evidence do you have
20 that any of these four entities that are identified
21 in Paragraphs 51, 52, and 53 failed to observe
22 corporate formalities?

23 **A.** I don't have any specific evidence. I
24 believe it to be true, but I don't have any
25 evidence to support that.

1 defendants that you've got in there, do you believe
2 that each group is responsible for its time that it
3 spent as the declarant?

4 **A.** I don't know.

5 Q. Well, are you alleging that somehow the
6 Founders Group is responsible for the time period
7 back when the Wild Wing Company was in charge?

8 **A.** They may be. I don't know.

9 Q. Do you know or -- if you're even alleging
10 that in this lawsuit or not?

11 **A.** It all depends on how assets and liabilities
12 were transferred, so I don't know the answer to
13 that. They may be. They may not be.

14 Q. You're the plaintiff.

15 **A.** Right.

16 Q. So you're the guy I get to question. Okay?

17 **A.** Okay.

18 Q. You're not just the plaintiff. You've
19 declared yourself to be a fair and adequate
20 representative of everybody out there at Wild Wing.

21 **A.** Uh-huh.

22 Q. And you don't what your theory of damages
23 is?

25 question.

1 obligation is calculated. So it is about the
2 specifics related to that calculation as well.

3 Q. Okay.

4 A. So I believe that those --

5 Q. Now have we covered --

6 A. -- I believe those four items, I think they
7 cover it.

8 Q. Got it.

9 Now, when you say "bad debt," what are you
10 talking about? What is the bad debt?

11 A. Bad debt is a -- some of the owners have an
12 obligation to pay the association. That is
13 recorded as income when they have the obligations.
14 And then a reserve is established against that to
15 account for some of those people we're never going
16 to collect from. Some of the people didn't pay us
17 or we're never going to collect from, which
18 eventually will either be written off or later
19 collected.

20 Q. Is your answer that you're talking about lot
21 owners not paying their dues? That's the bad debt?

22 A. The bad debt would be lot owners that do not
23 pay their dues. That is correct.

24 Q. That's what the bad -- so when we talk about
25 bad debt, what we're talking about is members of

1 A. That's how they present it and it seems like
2 that's how they operated, yes.

3 Q. Okay. Any other evidence other than that right
4 there?

5 A. Not that I recall off the top of my head.

6 Q. Okay. You kind of put them into groups under
7 that cause of action in the complaint. And your
8 first group included Wild Wing Company and
9 Sunstar. Are you familiar with those two
10 companies?

11 A. In general.

12 Q. Okay. And just going to lay out some questions
13 about these companies for you. Do you have any
14 evidence that either of those two companies were
15 undercapitalized?

16 A. I believe they said they were at one point.

17 Q. When do you believe they said that they were?

18 A. I think that's why they -- didn't they end up
19 selling or bringing in new investors.

20 Q. So other than new investors coming in, is there
21 any evidence that they were undercapitalized?

22 A. Off the top of my head, I'm not -- I can't point

1 A. Again, I can't point to a document.

2 Q. Okay. Do you have any evidence that either one
3 of them did not pay dividends?

4 A. I don't know whether they paid dividends or not.

5 Q. Okay. Any evidence as to whether either of these
6 two companies was insolvent?

7 A. I don't know. I -- to my knowledge -- well,
8 you're asking -- so is the question did they ever
9 become insolvent or what's your question?

10 Q. Were they insolvent -- were they insolvent at the
11 time that they were functioning?

12 A. At the time that they were functioning as a
13 declarant?

14 Q. For Wild Wing Company at the time that they were
15 functioning as the declarant, were they
16 insolvent?

17 A. Not to my knowledge.

18 Q. What about at the time of formation?

19 A. At the time that they formed?

20 Q. Correct.

21 A. I don't know. They'd know that. I don't know
22 that.

24 were formed do you have any evidence they were

4 A. I can't -- I can't point you to a document.

6 would result if they're not viewed as a single

8 A. Yes. To -- to the membership, in terms of if
9 there is a judgment in our favor, then -- then
10 all of them need to be considered one to collect
11 the judgment.

12 Q. So your evidence there is you don't believe that
13 if say you got a judgment against Wild Wing
14 Company that they would be able to pay it so you
15 have to include Sunstar to be able to find the
16 money basically?

17 A. Well, because it's the belief that they were
18 partners, they were involved together, there were
19 money transfers that went on, and several of the
20 principals of those who testified basically said
21 they didn't have any assets anymore, they

1 to collect from those companies. Am I
2 understanding that correctly?

3 A. Correct. Because -- because they've already
4 taken the money out, they've gotten the benefit
5 and they've distributed it out in different ways,
6 and we need to be able to get to the assets that
7 are there if we get a judgment.

8 Q. And your evidence for that you said was based off
9 of testimony?

10 A. Off of their depositions that they gave is what I
11 would say. Basically they said that that's what
12 they did.

13 Q. And that's for both Wild Wing Company and Sunstar
14 or one or the other?

15 A. Frankly, there -- there are so many of them and
16 they're so complex in a corporate way I can't
17 remember who the heck testified to what.

18 Q. Okay. All right. Without going through all of
19 those questions again, I'm just going to say same
20 question here for SLF-IV/SBI JV, do you have any
21 evidence of any of those questions I just asked
22 for that company?

23 A. Other than from their depositions.

24 Q. So just the deposition testimony is the evidence?

25 A. Their depositions. There were some -- there are

5 Q. So is that who you're representing, the
6 membership?

7 A. Correct.

8 Q. Okay. So have you spoken with other homeowners
9 to ask if they have this kind of language in
10 their deeds?

11 A. I've spoken to other homeowners. I haven't asked
12 the question about what their deeds say.

13 Q. Okay. So you haven't taken any efforts to find
14 out if they bought subject to the amendments
15 either?

16 A. I'm assuming we all bought on the same basis so
17 my guess is it's in everybody's deeds, but I
18 haven't undertaken any action to confirm that.

19 Q. So you've also included in this lawsuit the 2016
20 amendment to the declaration, correct?

21 A. Correct.

22 Q. Why exactly is that a part of this lawsuit?

23 A. Because that amendment extended the period on
24 which the declarant could pay an alternate in the

2 A. That was what the document says.

3 Q. If I represented to you that 32 members of the
4 association that were not the declarant voted in
5 favor of this amendment, would you dispute that?

6 A. I would -- I would wonder about that because my

8 roughly 800 votes.

9 Q. So if the declarant has roughly 800 votes but
10 there are only 771 for, I'm not following that
11 math.

12 A. That's why I believe that almost all the votes
13 were declarant votes.

14 Q. So let's say for sake of argument there were
15 homeowners that voted in favor of this amendment.

16 A. Okay.

17 Q. Would you seek to speak with these homeowners
18 about the fact that you're looking to overturn
19 the vote that they voted for?

20 A. No, I wouldn't do that.

21 Q. Why not?

22 A. Well, because -- because, as I said before, the
23 vote was perfunctory. It really had no impact
24 because the declarant had the right to

1 amendment, after you had taken all this time to
2 find out everything you can about it, you're not
3 sure if you would have attended that meeting?

4 A. I don't know that it was the kind of a meeting
5 that we were supposed to attend.

6 Q. Well, on the front notice, I believe it is
7 inviting you to that meeting.

8 A. I'm just looking at the exhibit.

9 Q. Right. That's the notice I'm talking about.

10 A. Yes, then I would say that I was at the meeting.

11 Q. Okay. And on the agenda it says that there --
12 this is on the second page -- that there was
13 supposed to be a discussion of and voting on the
14 amendments.

15 A. Right.

16 Q. So we've already talked about the discussion.
17 Was there a vote for the amendment?

18 A. I would say yes.

19 Q. Okay. How did you cast your vote?

20 A. Based on my recollection of the discussion about
21 why it was in our best interest to do that, I
22 would say that I probably voted to say then go
23 ahead and extend it out, as did other people that
24 heard the discussion about why it was in our best
25 interest.

Wild Wing POA
Finance Committee Minutes
May 12, 2015

Call to Order - The meeting was called to order by Bill King, Chairman, at 7:06 pm.

Attendance - Committee members present were Barb Eisenhardt, Barry Dykes and Bill King. Kathy Barbato was absent. No non-committee members of the POA were present.

Approval of Minutes: - The minutes of the April 14, 2015 meeting were approved as corrected.

March Financial Statements - The committee reviewed the Balance Sheet, Income Statement, and Check Disbursement reports for March 2015 along with Paul Skirchak's highlights. Specific items of discussion included the following:

- 1) **Why is bush-hogging still showing on the Balance Sheet as a liability?** - Our understanding is that the POA is not involved anymore in arranging for this service and merely check to see if it has been completed as required. If not, letters of non-compliance and appropriate fines are imposed. Therefore, unless deposits from last year are still in our accounts (or have not yet been paid), there should be no liability for this on the Balance Sheet.
- 2) **Bad Debt will be discussed under that agenda item.**
- 3) **Miscellaneous Revenue** - We would like more detail about what is included in line 4161 - Miscellaneous Revenue.
- 4) **A concern was again raised that we do not know actual collections from the reports, only the amounts billed and due.** - Jane Atkinson, Waccamaw's CFO will provide a supplemental report in the future including cash collections.

Review of Finance Committee report to the Board - Bill reviewed the report he provided to the Board at its March meeting which was previously distributed to the committee members and is attached to the minutes. Some of the highlights are:

- 1) Answers to the budget process and other questions are as follows:
 - We do obtain multiple bids for contracts and purchases
 - The developer contribution is detailed in the CC&Rs
 - Lots owned by Citizen's (Benchmark) do pay assessments
 - The Board will not support as requirement to build within 5 years
 - The Board will not support adding an escrow requirement
 - Yes, we will be more aggressive in collecting delinquent accounts and Bill King and Barry Dykes were authorized to receive the detailed delinquency report
 - A review of the developer Accounts Receivable will be performed
- 2) The Board authorized the Finance Committee to obtain bids to perform a formal reserve study.
- 3) Barb Eisenhardt has been authorized to review the actual bills/invoices and payments in detail with Waccamaw Management.

Old Business

- 1) Status of Bill review with Waccamaw - Barb reported that this has not been done yet but will be scheduled sometime in the next several months.
- 2) Bad Debt Forecasting
 - The committee discussed that we should wait to try to forecast bad debt for 2016 until at least July when we have more experience with the changes that were recently implemented including:
 - Monthly dues billing
 - A more structured collections process including 30, 60 90 day notices and a lien placed after 115 days.
 - A payment program for delinquent members.
 - We agreed that Bill will request that Waccamaw provide to us the formula they are currently using to determine the "Allowance for Doubtful Accounts"
 - Barry provided a summary report on the delinquent accounts. The highlights discussed include:
 - Total Receivables total \$175K with \$149K being more than 120 days delinquent.
 - 27 of the 62 delinquent accounts are more that \$1K and account for 96% of the outstanding receivables.
 - Of those 27, 14 have liens, 4 are listed as uncollectable, 3 are with the attorney, and 2 each are in bankruptcy, foreclosure, or a payment plan.
 - 7 accounts are from SC residents and account for 30% of our receivables, 6 from NY residents and account for 23% of our receivables. Other states have 2 or less accounts each.
 - We discussed some other actions that could be pursued including:
 - Reporting delinquent homeowners to the credit bureau's - we would like Waccamaw to advise on how best to do this.
 - Obtaining judgment's in SC and pursue the debtor's other assets - Paul had advised that Waccamaw is investigating of this
 - Obtaining judgment's in other states and pursue the debtor's other assets - Barry agreed to do some investigation of this
- 3) New Business
 - Auditor's Meeting - We met with Waccamaw management (Paul Skirchak and Jane Atkinson) and the auditor, Jim Corbett, on April 28th to review his draft of the 2014 Annual Audit. Specific items reviewed include the following:
 - Prepaid Bush-hogging on the balance sheet - Jane indicated that needed to be removed
 - Enhancements paid for by the developer - a list was provided by the developer but actual receipts will be required for the auditor to include those amounts as a developer contribution

- Calculation of the Developer Assessment and Account Receivable- there was much discussion about how this should be calculated. The developer claims that the prior owner went bankrupt and therefore, any amount owed should have been written off as bad debt at that time. They have not so far provided any documentation to support that claim. Also, the auditor's formula for determining the developer's contribution, excludes bad debt expense from the total expenses of the POA. Barry strongly questioned that approach and indicated there was no support for that approach that he was aware of in the community documents. The auditor agreed to review that formula.
- Barry indicated that subsequent to the meeting he did some research and the public news reports do not indicate bankruptcy of the prior developer. Also, through an exchange of emails, it does not look like the auditor intends to include bad debt in the expense line when calculation the developer's contribution. He did not provide any support for his "interpretation".
- **Reserve Study quotes** - The discussion of reserve study quotes was deferred until our next meeting.

Other Business -

- 1) **Front Fountains** - at the joint meeting with the Grounds Committee one item raised was the pump replacement for the lower waterfalls at the front entrance. It was deferred for review. Barry indicated he looked at the entrance and recommends we do NOT replace those pumps as you cannot even see that waterfall behind the shrubbery. The committee agreed. Also, the committee decided to review the cost of running all the existing pumps (particularly the one's that "shoot up") and potential alternatives.
- 2) The was no other business discussed.

Adjournment - The meeting was adjourned at 9:15 pm.

Respectfully Submitted,

C. Barry Dykes, Secretary

Also, attached is the Florida definition for developer contributions in lieu of assessments. I realize we're not in Florida, but the terminology is similar to our CC&R. Since Bad Debt expense/allowance is not EXCLUDED from the definition of "actual operating expenses", a reasonable person would conclude that, since it's a GAAP expense, that it has to be included in the calculation of the developer's alternative contribution amount.

I couldn't disagree more. Your explanation is precisely the reason the developer has 2 options - he can pay the assessments on only the lots he owns OR he can make up the operating deficit of the Association (which would include the cost of bad debts). The non-developer lot owners also do not have an obligation to pay the "unpaid" assessments any more than the developer - how can you justify making the other lot owners pay and not the developer?

Good meeting you as well. I enjoyed it
The financials are GAAP- no question.
Bad debt expense and the allowance is recognized in the financials.
Bad debt is an operating expense.

The developer calculation as you know is a separate issue.
In the master deed it states that the declarant is only responsible for assessments on lots he owns. Once they convey to the owner he is not responsible at all to pay their assessments. That is a personal obligation of the owner their assigns and heirs, etc...

The amount of the bad debt expense on the income statement represents "unpaid assessments" To include the amount in the calculation is effectively making the declarant pay those assessments the owners did not pay and he is only required to pay assessments on lots he owns.

I have spoken to several people and they agree to exclude it is appropriate. You cant make him pay assessments on lots he doesn't own.

Thanks Jim

Jim:

Thank you for meeting with us the other night to review the draft Audit report for the POA. I did some research on the treatment of bad debt following our meeting. I could not locate any specific reference in the CC&R documents or the By-laws specifically about bad debt (either that it should be included or excluded). Those documents did reference that the reserves are to be considered operating expenditures. The terms that are used in the documents are "actual operating expenses incurred by the Association"(Covenants, VI.2.a.), "All books and records shall be kept in accordance with generally accepted accounting principles"(Bylaws III.C.18.I.), and "accrual accounting, as defined by generally accepted accounting principles, shall be employed with regards to the annual audit, while the regular monthly accounting shall be on a cash basis"(Bylaws III.C.20.a.)

So the question seems to be whether GAAP considers bad debt expenses/allowances as an operating expense. Everything I see clearly treats bad debt expenses/allowances as an operating expense of operating the organization and therefore should be included in determining the Declarant's financial obligation to the POA. Attached are some references. Please let us know if you find anything different.

Thank you.

3 BY MR. LYLES:

4 Q. Yes, sir.

5 A. Only thing -- only other thing that I would
6 add, relative to our decision about that amendment,
7 is that all of the homeowners, lot owners, property
8 owners within wild wing benefited by the decision
9 that we made, because it made the entire community
10 marketable versus if that decision might not have
11 been made, it -- that that community could have
12 gone the other way. As Graeme said, it was some
13 unprecedented times in the real estate industry.

14 Q. Is it your testimony that it's possible that
15 SLF IV/SBI wild wing LLC and wild wing Residential
16 could have gone bankrupt?

17 A. Anything's possible.

18 Q. Well, I'm just -- I'm trying to understand
19 what the consequences would have been to not -- to
20 the owners, to the members of the POA, to not
21 making the change. And then I'm trying to
22 understand how likely those consequences were to
23 have occurred.

24 A. I can't answer that.

25 Q. There, I discussed with Mr. Black his

1 Q. What is required to amend that document?

2 A. A two-thirds vote of the membership of the
3 association, provided that so long as declarant is
4 the owner of any lot affected by the declaration,
5 the declarant's consent must be obtained.

6 Q. And does it say that the POA board can amend
7 that document?

8 A. It says the declarant.

9 Q. Right. I'm asking -- you were asked
10 questions about the amendment relative to your
11 position on the POA board by Mr. Lyles. Do you
12 remember that?

13 A. Right.

14 Q. Okay. Well, did the board amend that
15 document, or did the owners amend that document?

16 A. The declarant amended the document.

17 Q. And did the owners also vote?

18 A. There was a vote of the membership.

19 Q. The lot owners, correct?

20 A. Correct. There was a vote, and there was a
21 unanimous vote.

22 Q. Do you, as a member of the POA board, get a
23 vote?

24 A. The Class B members get a vote.

25 Q. I understand that. That's the declarant.

1 As it related to wild wing, and as I clearly
2 explained at the special meeting, it is important
3 that we do everything in our power to make this
4 asset saleable, marketable to a -- in the case of
5 wild wing, it would have been to a typical regional
6 or national homebuilder/developer.

7 What wild wing lacked at that point in time
8 and its primary problem were rooftops.

9 Q. What does that mean?

10 A. As Ms. Eisenhardt stated -- rooftops --
11 stated yesterday, there were very few homes.

12 Q. Okay. So --

13 A. There were a lot of --

14 Q. -- rooftop is a home?

15 A. Yes.

16 Q. Okay. I understand.

17 A. -- there were a lot of lot owners. There
18 weren't many homes. The community suffered as a
19 result of that. Our primary goal as the JV was to
20 make that asset as marketable as possible, which
21 included an investment of many millions of dollars
22 on the JV's part into the wild wing assets.

23 Just as important in the investment of the
24 money into that asset was to create the resetting
25 of the time period stated in the documents, which

1 were soon going to run out on a typical developer.
2 It was extremely important -- and we're very
3 experienced in this. We know -- we know what would
4 have been an issue for a typical national or
5 regional developer to come in with that kind of an
6 investment, quite a large investment, to purchase
7 that asset, would have been the time frames in the
8 documents. They were going to run out.

9 We had to reset it due to what the effect
10 was of the market meltdown of 2008, which basically
11 took off -- eviscerated off the calendar five, six,
12 seven years, which was not contemplated when those
13 original documents were created.

14 It's very important to reset the time
15 periods so that a developer could come in and
16 understand that it has control. Otherwise, there
17 would be no chance to market that property.

18 Q. And when you say "market the property," you
19 mean to market all of the undeveloped lots to a
20 regional or national builder?

21 A. To market all of our land assets, which
22 included raw land.

23 Q. And these were land assets that were owned
24 by the JV?

25 A. And Wild Wing Residential Development at

1 regard.

2 Q. I don't know what that means.

3 A. Everything I explained that night at that
4 special meeting that I predicted would happen, if
5 we were successful in marketing -- in polishing up
6 this asset, which involved many different efforts,
7 many millions of dollars of investment, as well as
8 making adjustment to documents, I predicted that
9 that would make us facilitate our success in
10 marketing and selling the asset. That occurred.

11 And today, that allowed wild wing to survive
12 to see the upswing in the market that eventually
13 came. Came later than we thought.

14 And today, I don't know what the numbers
15 are, but now the rooftops, the homes, have
16 materialized in wild wing, and I believe that they
17 benefited. Every homeowner, every property owner
18 in there, their property values have stabilized as
19 a result of that.

20 And so we were successful in doing exactly
21 what I -- what our goal was and what I stated that
22 our goal was at that special meeting. It did take,
23 I think, maybe a year or two, a little bit longer
24 than we projected, but it all materialized.

25 Q. would you agree with me that the effect of

1 Q. I'm still struggling with how you see
2 that it was a benefit to the Property Owners
3 Association to have that amendment passed.

4 A. Well, every lot that was sold and every
5 home that was built was purchased by somebody,
6 which then they had to pay their dues. They had
7 to pay their homeowners assessments. They had to
8 pay the other fees that were charged by the
9 homeowners association, and they became a
10 community.

11 When you get rooftops built, then more
12 people come in and build more because there's
13 activity. And before that, there was no
14 activity.

15 Q. How many homes were built out in 2015?

16 A. I can't answer that. I do not know. I
17 know that there was lots sold to developers, and
18 then they started building homes; but the exact
19 amount, I do not know.

20 Q. So what's the advantage to the Property
21 Owners Association financially if in 2016, the
22 developer was going to have to start paying the
23 per lot assessments?

24 A. Well, the developer who bought the
25 property had to pay the assessments.

Dear Property Owners:

The Founders Group Wild Wing, LLC hopes you all have had a great summer, now fall is here it's the best time to get out and play some golf.

We are very excited about the new greens on the Hummingbird nine; they have turned out to be fantastic.

If you have not been in the Club lately, please do so. There have been some great improvements, new paint job on the exterior and the Golf Shop is starting to get a well needed face lift. New merchandise is coming in daily. Come out and take a look.

If you have not noticed, we have purchased a couple of new pieces of equipment to mow the lots and maintain some common areas in an effort to keep landscape costs down for the HOA.

As you all know, the Real Estate market in our area in the past has not been strong. With an upturn in the real estate market, we feel that now the development activity at Wild Wing is ready to increase. I hope that is as exciting to you all as it is to us. We expect to have a thriving, successful community. We hope that this will result in increasing property values and make Wild Wing community the place to live in the Conway and Myrtle Beach area.

The Club will continue having social events, and also offer monthly theme dinners.

All these improvements are being made and will continue being made to enhance the value of all of our properties, and offer the property owners and guests a great place to play golf, have social events, and be proud to show off your investment to your friends.

Enclosed with this letter is an Amendment to the Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (the "Declaration"). As you are aware, the Declaration governs the operation of the Wild Wing Plantation Development. The Amendment recognizes that unforeseen economic conditions, affecting the economy of our country and the real estate market in particular, have changed the timing of the development of many communities, including Wild Wing. While this amendment extends the time during which the Declarant is not required to pay regular assessments, there are no plans for an increase in the Homeowners' Association Assessments for Wild Wing and Founders Wild Wing, LLC, as Declarant intends to continue its contributions as scheduled.

Thank you for the opportunity to make Wild Wing a premier community.

Respectfully,

Founders Group Wild Wing, LLC

1. Article VI, Section 2. Assessments, Liens and Personal Obligations Therefor, and Operation, Maintenance of Common Areas Solely by the Association, subsection (a) is hereby amended and restated as follows:

(A) Each and every Owner of any Lot or Lots within the properties, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association: (1) annual assessments or charges; and, (2) special assessments for capital improvements, unique costs or expenses, extraordinary budget or expense items and the like, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments together with such interest thereon and costs of collection thereof as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon the Lot or Lots against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall also be the personal obligation of the Owner of such Lot or Lots at the time when the assessment fell due. Notwithstanding anything in this Declaration to the contrary, it is hereby declared that through December 31, 2019, each Lot within Phase I of the Property shall be exempt, at Declarant's option, from the assessments herein provided for (Both annual and special) until such time as such Lot is conveyed by the Declarant to an Owner other than the Declarant. However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessment made by the Association against the Owners of Lots other than those owned by the Declarant. The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. Commencing January 1, 2020, the Declarant shall be subject to assessments as provided for in this Declaration for other Lot Owners. In the event that additional phases are subject to the provisions of this Declaration, then it is declared that until the later of: (1) December 31, 2019; or (10) ten years after the date the amendment or supplemental declarations submitting such additional phases(s) are filed for record in the public records of Horry County, South Carolina, each Lot in such additional phase shall be exempt from the assessment created herein until such time as the Lots are conveyed by the Declarant to an Owner other than the Declarant. Until such time as a lot in such additional phase is so conveyed, the Declarant shall be assessed and pay to Association, in lieu of an assessment, a sum equal to the actual amount of actual operating expenditures for that portion of the calendar year less an amount equal to the total assessments made by Association against Owners of Lots other than those owned by Declarant. Declarant may, however, at its option, elect to pay assessments on the same basis as other Lot Owners as opposed to the method referred to above. Such election may be made by Declarant at any time.

CASE SUMMARY

Wild Wing Plantation is a residential golf community situate within the City of Conway, South Carolina. Wild Wing Plantation Property Owners Association (hereinafter the “POA”) was established in 2006 by Defendant, Wild Wing Company, LLC. The POA was incorporated and organized as a Non-Profit Entity.¹

I. Declarant Succession

Wild Wing Company, LLC was the initial Developer and therefore served as the initial Declarant. There have since been three successor Declarants. The Declarant succession is as follows:

Declarant	Dates
Wild Wing Company, LLC	09/26/06 – 12/22/10
SLF IV/SBI Wild Wing, LLC	12/22/10 – 11/09/11
Wild Wing Residential Development, LLC	11/09/11 – 04/13/15
Founders Wild Wing, LLC	04/13/15 – Present

The initial development of this community by Wild Wing Company, LLC in late 2006/early 2007 proved to be unfortunate timing as the Great Recession hit soon thereafter. Wild Wing Company, LLC held on as long as it could before The National Bank of South Carolina (NBSC) threatened foreclosure proceedings in 2010.² As a result, the individuals involved in

Wild Wing Company, LLC joined with new investors to form the SLF IV/SBI entities.³ This group bought the note from NBSC and accepted a Deed in Lieu of Foreclosure to save Wild Wing Plantation and other projects throughout the Grand Strand.⁴ For each community this group bought, an entity was organized. The entity for the Wild Wing project was SLF IV/SBI Wild Wing, LLC, which became the second Declarant. A separate entity, Wild Wing Residential Development, LLC, was established in 2011 so that SLF IV/SBI Wild Wing could focus on managing the golf course while Wild Wing Residential Development focused on the development of the community. SLF IV/SBI Wild Wing, LLC assigned its Declarant rights to Wild Wing Residential Development, LLC, which became the third Declarant.

In 2015, SLF IV/SBI Wild Wing, LLC and Wild Wing Residential, LLC sold the Wild Wing property to an unrelated entity to continue the project. Founders Wild Wing, LLC purchased the Wild Wing development and became the fourth Declarant. Founders Wild Wing, LLC still serves as Declarant today.

Declarants' rights were transferred by written Assignments.⁵ There were no assumptions of Declarant contingent liabilities.

II. Administration of the POA

Wild Wing Company, LLC incorporated and organized the POA in 2006 as a Non-Profit entity. A Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (hereinafter the "Declaration") was filed of record September 27, 2006,

although actual operations did not get underway until 2007.⁶ The Declaration governs the administration of the POA. Membership in the POA is automatic upon purchasing a lot.

Pursuant to the Declaration, a Board of Directors is appointed by the Declarant to govern the affairs of the POA.⁷ Once these Directors are appointed to the POA Board, they take on a duty to the POA in their capacity as Board members.⁸ The Declaration provides that the POA Board is vested with certain powers and duties to administer the affairs of the POA.⁹ As a means to assist the Board with these numerous responsibilities, the Board has the ability to hire management agents and professionals, as well as establish committees comprised of POA lot owner members.¹⁰

The POA Board of Directors initially hired Wright Management and later Waccamaw Management to assist in management of the community. One of the main functions of these property management companies was to assist with the accounting and financial responsibilities, one specific duty being preparation of the proposed annual budget.¹¹

The POA Board of Directors, upon recommendation from the property management company, hired Phillips, Currin & Company, CPAs, LLC to audit the annual financials, calculate the Declarant dues obligations, and perform other financial responsibilities.¹² The Board of Directors later replaced Phillips, Currin & Company with Deborah M Weir, CPA, LLC (on recommendation of Plaintiff Dykes)¹³ who assumed these same roles with the exception of the calculation of the Declarant dues obligation. That duty was transferred to the property

management company. CPA Jim Corbett was the individual assigned to the Wild Wing account at both Phillips, Currin & Company and Deborah M Weir, as he changed firms with the account. Mr. Corbett and Plaintiff Dykes are the primary players in this dispute.

The Finance Committee is made up of members of the POA, including Plaintiffs Dykes and Eisenhardt, and assisted with all of these functions by providing review and recommendations.¹⁴

III. Financial Condition of the POA

Prior to the start of each year, the property manager presented a proposed budget to the Finance Committee.¹⁵ The Finance Committee and the property manager would go over the budget line by line.¹⁶ Once the budget was agreed upon, it was presented to the POA Board of Directors for approval.¹⁷ One of the line items in the budget was an Income item marked “Developer Contribution.” As with the other line items of the budget, “Developer Contribution” is first proposed by the property manager then reviewed with input from the Finance Committee before being approved by the POA Board of Directors.

The “Developer Contribution” is included in the budget to help keep dues of the Members constant. Dues and Developer Contribution are intended to offset expenses to create a net zero budget, as is usual practice and consistent with all associations managed by Waccamaw Management.¹⁸ Upon POA approval of the budget, the property manager would inform the

Declarant of its requested contribution and the Declarant typically paid in monthly or quarterly installments.¹⁹ This practice has been in place throughout the life of Wild Wing Plantation.

Despite the net zero budget, the POA has operated with a surplus of funds since 2014. In addition to this operating surplus:

- Lot owner dues have stayed consistent from 2006 to date;
- No special assessments have ever been levied from 2006 to date;
- No POA bills have ever gone unpaid; and
- The Reserve Fund of the POA is fully funded.²⁰

Wild Wing Plantation is a financially sound and well managed community.

IV. Plaintiffs' Claims

Despite the strong financial condition of the POA, Plaintiffs bring this lawsuit demanding Declarants pay additional monies to the POA. These two Plaintiffs allege failure of the four Declarants to pay POA dues in accordance with the Declaration. Plaintiffs' claims have two bases:

1. Plaintiffs contest the POA's math as to how the Declarant annual contribution to the POA, if any, is calculated; and
2. Plaintiffs contest two Amendments adopted by the POA extending the time frame within which the Declarant payment options exist, despite Plaintiff Eisenhardt having voted in favor of the first Amendment and Plaintiff Dykes having bought subsequently with record notice of the first Amendment. Many other POA Members bought subsequent to both Amendments being adopted and recorded of public record.

Plaintiffs are two lot owners within Wild Wing Plantation. Plaintiff Eisenhardt purchased her lot in 2007.²¹ Plaintiff Dykes purchased his lot in 2013.²² Plaintiffs presume to represent all members of the POA derivatively. Plaintiffs make this presumption despite the fact that Plaintiffs and other members of the POA are not similarly situated to one another. Just as these two Plaintiffs purchased at different times, virtually all members of the POA purchased at different times. Each member has thus paid a different amount of dues over different years depending on when they purchased. Additionally, some members were part of the POA for the vote on each Amendment and many cast votes in favor of one or more of the Amendments (including Plaintiff Eisenhardt).²³ Others (including Plaintiff Dykes) purchased after the disputed Amendments were adopted and filed in the Public Records of Horry County, South Carolina. These Members were on record notice of these Amendments at the time of their purchase. Each member of the POA has different interests, yet Plaintiffs claim to be similarly situated with all of them.

A. The Math

The Declaration provides the Declarant two options to assist in funding the POA. The Declarant could (1) pay regular assessments for each lot it owned, or (2) the Declarant could pay what is referred to as “the shortfall”. Making up the shortfall is a mechanism to ensure that any deficit of revenues over expenses gets funded and the POA is able to pay its bills. The Declaration provides a formula for the funding of the shortfall in Wild Wing.

²¹ Eisenhardt Dec. 5, 2018 10:7-8. Attached hereto as Exhibit L.

²² Dykes Dec. 5, 2018 14:8-9. Attached hereto as Exhibit J.

²³ Eisenhardt June 25, 2020 34:19-23. Attached hereto as Exhibit L.

However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, *a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against Owners of Lots other than those owned by the Declarant.* The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. (*Emphasis added*)²⁴

The “actual amount of actual operating expenditures incurred” unambiguously refers to the actual payment of an expense. These words do not include “paper expenses” such as depreciation or bad debt.²⁵ The CFO of Waccamaw Management testified that in 26 years of working with countless associations, she has never seen bad debt included.²⁶

Plaintiffs’ case centers on Mr. Dykes’ belief that bad debt should be included in the formula as an expense.²⁷ The bad debt at issue is the result of lot owners who did not pay their dues.²⁸ The issue over bad debt originated from a dispute between Plaintiff Dykes and the POA auditing accountant, Jim Corbett. On April 28, 2015, the POA Finance Committee met with Mr. Corbett to review the 2014 annual audit. Despite his recent appointment to the Finance Committee, Mr. Dykes took issue with the accountant’s calculation of the developer contribution. Mr. Dykes’ issue was that the calculation did not include bad debt as an “actual amount of actual operating expenditures incurred”.²⁹ In response, the POA Finance Committee commissioned Mr. Corbett to review the formula and the calculation such that the Finance Committee could make a sound decision based upon expert advice and opinion. Mr. Corbett reviewed the Declaration, discussed the issue with other CPAs, consulted GAAP, and met with

the CFO of Waccamaw Management.³⁰ As a result of his investigation and review, Mr. Corbett concluded that his original determination to exclude bad debt was correct. Mr. Corbett explained to Mr. Dykes that bad debt represents the unpaid assessments of other lot owners and including bad debt would charge the Declarant for the unpaid assessments of the members.³¹ The Finance Committee agreed with Mr. Corbett over Mr. Dykes' sole objection.

Two years later, Plaintiffs brought this lawsuit on the basis that Defendants failed to properly fund the POA because bad debt was not included as an "actual amount of actual operating expenditures incurred". As explained by Mr. Corbett, the bad debt Plaintiffs seek to include are the unpaid dues of other Members of the POA. In other words, Plaintiffs have filed a derivative action on behalf of dissimilar POA Members seeking to charge the Declarants with the very dues the POA Members themselves failed to pay. Furthermore, Plaintiffs seek damages from Defendants under this theory dating all the way back to 2008.

B. The Amendments

The Declaration specifically provides a process for amending.³² In both 2011 and 2016, the Declaration was amended pursuant to and in accordance with the procedure required by the Declaration. These Amendments extended the period of time the Declarant would enjoy the option to pay contributions according to the formula set forth in the Declaration.

Due to the Great Recession that substantially slowed development in Wild Wing Plantation, the community had very few constructed homes at the time of the Amendments. These Amendments were necessary to ensure the community continued its growth and to ensure

the stability of the POA. The Amendments made the property more marketable to builders who came in to continue development. This ultimately led to more homeowners in the community, benefitting the Declarant, the POA, and each individual lot owner.³³

Plaintiffs complain that the Amendments were unfair to the Members of the POA and only benefitted the Declarants. Plaintiffs fail to grasp the benefits the Amendments served to the community as a whole. This misunderstanding stems from the fact that Plaintiffs are not developers, they do not understand the process of developing a community, and they have not sought the opinion of any expert in this field. Declarants are developers with years of experience developing numerous communities. Declarants understand what is necessary to develop a successful community. The Amendments were necessary for the success of Wild Wing.

i. The 2011 Amendment

In 2011, the POA gave Notice that a Special Meeting of the Members was being called.³⁴ The Notice explained that the purpose of the meeting was to amend the Declaration. The Notice included a copy of the Amendment for each Member's review. On November 21, 2011, the Special Meeting of the Members was held. After Notice, and with a quorum present, a vote was held and the 2011 Amendment was passed unanimously.³⁵ Plaintiff Eisenhardt was in attendance and voted in favor of the 2011 Amendment.³⁶ After the vote passed, the 2011 Amendment was filed with the Horry County Register of Deeds on November 23, 2011.³⁷

In 2013, Plaintiff Dykes purchased Lot 97, Phase I in Wild Wing Plantation. Mr. Dykes' Deed and title insurance policy specify that his property is subject to the Declaration *and all amendments thereto*. (Emphasis added).³⁸ Mr. Dykes cannot now complain of a condition which existed of record at the time of his purchase.

ii. The 2016 Amendment

On October 21, 2016, the POA gave Notice to all Members that a Special Meeting would be held for the purpose of amending the Declaration.³⁹ Like the previous Notice, this Notice included the proposed Amendment for review by the Members. Additionally, this Notice included a letter from the Declarant setting forth the purpose and effect of the Amendment. The meeting was called, Noticed, and conducted in accordance with the Declaration.⁴⁰ The votes were then tallied and the accuracy of the tallies was ensured by the property manager.⁴¹ Once again, the vote passed with the two-thirds majority required by the Declaration.

Both Amendments were passed in accordance with the Declaration. Notice was given providing members with all necessary information. Special meetings were held with a quorum present or by proxy. Lot Owner votes were taken with a majority in favor.

Still, Plaintiffs dispute the validity of these Amendments on the basis of their own personal speculation and misperception of the benefit to the community. Plaintiffs are not developers and have not hired or consulted with an expert developer about these Amendments. Plaintiffs challenge these Amendments even though the first Amendment happened nine years ago, both were conducted in accordance with the Declaration, and both were passed with a two-

thirds majority vote. Plaintiff Dykes has testified that even though a majority of homeowners, which Plaintiffs presume to represent, voted in favor of the Amendments, he would still seek to overturn and would not bother to even speak with those homeowners about the matter.⁴²

V. Primary and Secondary Defendants

In addition to the Declarants, Plaintiffs have also sued multiple individuals and numerous other entities upon these very same allegations. Plaintiffs have taken the alleged bad acts of four Declarants and six board members (hereinafter “Primary Defendants”) and claim that 11 additional Defendants (hereinafter “Secondary Defendants”) should bear responsibility for the actions of the others. These Secondary Defendants consist of members, managers, and members of members of the Declarants as well as entities without any direct relationship to the Declarants.

Plaintiffs have joined Secondary Defendants upon theories of Veil Piercing, Alter Ego, and Amalgamation. On December 5, 2018, Plaintiff Dykes was tediously asked to identify evidence as to each and every required element of these allegations. Plaintiff Dykes’ responses included statements such as:

- “I don’t have any specific evidence. I believe it to be true, but I don’t have any evidence to support that;”⁴³ and
- “I don’t recall anything specific.”⁴⁴

Over a year and a half later, Plaintiff Dykes was deposed again after amending the Complaint to include even more Defendants. Once again he was asked to identify evidence to support these allegations. Still, his responses were:

⁴⁴ Id. at 71:18-21. Attached hereto as Exhibit J.

- “I can’t point to a document;”⁴⁵ and
- “I don’t know.”⁴⁶

In fact, Plaintiff Dykes explained that the Secondary Defendants have been included simply to ensure that a potential judgment against Primary Defendants can be satisfied.⁴⁷

RELEVANT FACTS

Based on the most recent financial statements of the POA, the non-profit POA is operating at a surplus and the reserve fund is fully funded.⁴⁸ Plaintiff Dykes has testified that all the bills of the POA have been paid and that there have not been any claims of creditors or lawsuits to collect from the POA.⁴⁹ Instead, Plaintiffs contend that it is the members of the POA who have suffered because of the alleged underpayment of the Declarants.⁵⁰ This contention is made despite the fact that there have been no special assessments of the members⁵¹ and dues have remained constant throughout the life of Wild Wing.⁵² The dissimilarity of the members renders damages impossible to allocate.

the trial standard by Your Honor as the trier of fact. If Your Honor finds these arguments do not meet the standards for Dismissal or Summary Judgment, please allow these arguments to serve as partial or absolute defenses under the trial standard.

I. Rule 12(b)(1), SCRCF Motion to Dismiss

“The question of subject matter jurisdiction is a question of law for the court.” Murphy v. Owens-Corning Fiberglas Corp., 346 S.C. 37, 43, 550 S.E.2d 589, 592 (Ct. App. 2001) (citing Woodard v. Westvaco Corp., 315 S.C. 329, 433 S.E.2d 890 (Ct. App. 1993), vacated on other grounds by, 319 S.C. 240, 460 S.E.2d 392 (1995)). “Subject matter jurisdiction can be raised at any time and by any means.” Hammer v. Hammer, 399 S.C. 100, 106, 730 S.E.2d 874, 877 (Ct. App. 2012). “Rule 12(h)(3), SCRCF provides, ‘[w]henver it appears by suggestion of the parties or otherwise that the court lacks jurisdiction of the subject matter, the court shall dismiss the case.’” Id. “In determining whether to dismiss based on lack of jurisdiction, the court may consider ‘affidavits and other evidence outside the pleadings . . .’ without converting the motion into one for summary judgment.” Murphy, 550 S.E.2d at 592 (quoting Baird v. Charleston County, 333 S.C. 519, 529, 511 S.E.2d 69, 74 (1999)).

II. Rule 56, SCRCF Motion for Summary Judgment

“Summary judgment is proper when there is no genuine issue as to any material fact and the moving party is entitled to a judgment as a matter of law.” Rule 56, SCRCF; South Carolina Prop. & Cas. Guar. Ass’n. v. Yensen, 345 S.C. 512, 518, 548 S.E.2d 880, 883 (Ct. App. 2001). “When ruling on a motion for summary judgment, the trial judge must consider all of the documents and evidence within the record, including the pleadings, depositions, answers to

interrogatories, admissions on file, and affidavits.” Higgins v. Med. Univ., 326 S.C. 592, 599, 486 S.E.2d 269, 272 (Ct. App. 1997). In determining whether any triable issue of fact exists, the evidence and all inferences which can reasonably be drawn therefrom must be viewed in the light most favorable to the nonmoving party. Medical Univ. of South Carolina v. Arnaud, 360 S.C. 615, 619, 602 S.E.2d 747 (2004); McNair v. Rainsford, 330 S.C. 332, 341, 499 S.E.2d 488, 493 (Ct. App. 1998). A party opposing a properly supported Motion for Summary Judgment may not rest on the mere allegations or denials of its pleading, but must set forth or point to specific facts showing there is a genuine issue of material fact. Dickert v. Metro. Life Ins. Co., 306 S.C. 311, 313, 411 S.E.2d 672, 673 (Ct. App. 1991). The existence of a mere scintilla of evidence in support of the nonmoving party’s position is not sufficient to overcome a Motion for Summary judgment. Id.

III. Trial Standard

“In all actions tried upon the facts without a jury... the court shall find the facts specially and state separately its conclusions of law thereon.” Mathis v. Brown & Brown of S.C., Inc., 389 S.C. 299, 320, 698 S.E.2d 773, 784 (2010) (citing Rule 52, SCRCp).

ARGUMENT

I. The POA has not suffered harm and thus lacks standing to bring this action.

Plaintiffs Dykes and Eisenhardt presume to represent the POA derivatively as the Board of Directors of the POA refused to sue the Declarants following Plaintiff Dykes’ letter demanding they do so. Therefore, the POA must have standing as an entity in order for Plaintiffs to go forward.

It is fundamental that before the Court can exercise jurisdiction over a case, the party bringing suit must have standing to do so. See Anders v. S.C. Parole & Cmty. Corr. Bd., 279 S.C. 206, 211, 305 S.E.2d 229, 231 (1983). To possess standing, either the POA itself must have suffered a concrete, particularized injury or its members must have suffered such an injury and the other elements of associational standing must be satisfied. Carnival Corp. v. Historic Ansonborough Neighborhood Ass'n, 407 S.C. 67, 753 S.E.2d 846 (2014). The POA cannot satisfy the requirements to have standing on its own or for associational standing on behalf of its members.

A. Standing of the POA Itself

For a plaintiff to possess standing three elements must be satisfied:

1. The plaintiff must have suffered an injury-in-fact;
 2. A causal connection must exist between the injury and the challenged conduct; and
 3. It must be likely that a favorable decision will redress the injury.
- Id.

The POA itself does not possess standing because it cannot satisfy the first element. The POA has not suffered an injury-in-fact. No creditors of the POA have ever been left unpaid and no lawsuits have ever been filed against the POA.⁵³

Plaintiffs' only allegation regarding harm to the POA is that Reserves have not been funded. This claim fails because the Reserves are fully funded and Declarants have not turned over control to the POA.

⁵³ Dykes Dec. 5, 2018 29:12 – 30:1. Attached hereto as Exhibit J.

The Reserve Fund is funded in compliance with a Reserve Study approved by the Board of Directors of the POA.⁵⁴ In 2015, the POA commissioned Superior Reserve to conduct a Reserve Study at Wild Wing Plantation.⁵⁵ The Reserve Study sets forth the Recommended Ending Reserve Balance by year. Since 2016, the amount held in the Reserve Fund of the POA has exceeded the Recommended Ending Reserve Balance.⁵⁶

Even if the Reserve Fund was not fully funded at this time, the POA has not suffered injury as the Declarant has not yet turned over control of the POA to the members. South Carolina law provides that the developer has a responsibility to insure that the common areas are in good repair or to provide the association with funds sufficient to effectuate any needed repairs to those areas *at the time they are conveyed*. Concerned Dunes W. Residents v. Ga.-Pacific Corp., 349 S.C. 251, 562 S.E.2d 633 (2002) (Emphasis added). The Declarant has not yet turned over control to the POA, thus the Declarant has not breached any duty to turn over an adequately funded Reserve.

B. Associational Standing

An association may possess standing by virtue of associational standing on behalf of its members. The three part test for associational standing requires that:

1. An association's members would otherwise have standing to sue in their own right;
2. The interests at stake are germane to the organization's purpose; and
3. Neither the claim asserted nor the relief requested requires the participation of individual members in the lawsuit.

Carnival Corp., 753 S.E.2d at 851.

Attached hereto as Exhibit W.; Notes to 2018 Financial Statement BLF-WW-2455. Attached hereto as Exhibit W.

The POA also fails to satisfy associational standing because it cannot meet the first or the third requirements.

The first requirement for associational standing cannot be met because the POA members have not suffered an injury-in-fact necessary to establish standing in their own right. Since the inception of the POA in 2006, lot owner dues have stayed consistent and no special assessments have ever been levied.⁵⁷

The Supreme Court assessed the third factor of associational standing in Pres. Soc'y of Charleston v. S.C. Dep't of Health & Env'tl. Control, 845 S.E.2d 481(S.C. 2020) and noted that Petitioners were able to satisfy the third factor because they did not seek monetary damages on behalf of their members. Id. An organization generally lacks standing to sue for money damages on behalf of its members if the damage claims are not common to the entire membership, nor shared equally, so that the fact and extent of injury would require individualized proof. Warth v. Seldin, 422 U.S. 490, 45 L.Ed.2d 343, 95 S. Ct. 2197 (1975).

Plaintiff Dykes has testified that the Plaintiffs are seeking monetary damages in this lawsuit.⁵⁸ Plaintiff Dykes explained that other than his contention regarding reserves, the other main issue is that the members have had to pay significantly more in assessments.⁵⁹ This contention is made despite his testimony that there have been no special assessments⁶⁰ and assessments have stayed constant in Wild Wing.⁶¹ However, even if the members had been required to pay more in assessments, these “damages” are not shared equally among the

membership. As noted earlier, each member joined the POA at a different time and thus has paid a different amount in assessments based on the time they joined.

REQUESTED RELIEF

Based upon the foregoing, Defendants respectfully request that this Honorable Court rule:

- a. The POA has not suffered an injury in fact;
- b. Plaintiffs' damage claims are not common to the entire membership, nor shared equally;
- c. The POA lacks standing on its own or associational standing to bring this action;
- d. The POA's lack of standing renders the Court without subject matter jurisdiction; and
- e. Plaintiffs' claims are dismissed with prejudice.

1 people in the Wild Wing Company and in others into
 2 the new entity that ended up with the Wild Wing
 3 property.
 4 Q. When you were beginning your explaining to
 5 me what resulted in that transaction, you said that
 6 they were threatening foreclosure. Do you mean
 7 NBSC?
 8 A. Yes, NBSC.
 9 Q. Because NBSC had loaned somebody the money
 10 to purchase the property and ultimately start the
 11 Wild Wing Company development; is that right?
 12 A. Yes, sir.
 13 Q. As I understand it, the people who you
 14 named as being members of Wild Wing Company, LLC,
 15 were also signatories on that NBSC note?
 16 A. Yes, sir.
 17 Q. So at some point NBSC wanted their money,
 18 and an agreement was reached with an entity
 19 affiliated with Stratford Land to come in and
 20 provide capital to pay off the NBSC note?
 21 A. Stratford brought their money to the
 22 table, and then our interests brought -- the
 23 ultimate interests of the other side, the SBI side,
 24 brought their capital in, and then together with
 25 all that money they bought the asset. Stratford

Page 15

1 IV/SBI Wild Wing, LLC, were funded?
 2 A. I was not involved in the accounting
 3 day-to-day operations of that, so I'm not sure of
 4 that.
 5 Q. Would you rely on the accountants to do
 6 the accounting?
 7 A. Uh-huh.
 8 Q. Is that a yes?
 9 A. Yes. I'm sorry.
 10 Q. That's okay.
 11 Who would you rely on in terms of helping
 12 you establish what entities you needed to establish
 13 and what -- go ahead.
 14 A. Stratford's attorneys, SBI's attorneys,
 15 Stratford's accountants, and SBI's accounting firm
 16 together set the transaction and then the
 17 subsequent entities up, and so every entity paid
 18 taxes. It was all separate entities, but they
 19 initially set it up. Gilford Edwards, our
 20 controller, with oversight from Stratford handled
 21 the day-to-day paying of any bills associated with
 22 that.
 23 Q. And you don't know what the source of
 24 those funds was?
 25 A. No.

Page 14

1 wasn't the only person.
 2 Q. When you say "bought the asset," you mean
 3 what happened was those two entities or Stratford
 4 Land and the SBI crowd paid off the NBSC note?
 5 A. I don't know the technical way it was
 6 structured. It was basically a deed in lieu, and
 7 it wasn't for that particular piece of property.
 8 It was a bigger group of properties that were
 9 assembled.
 10 Q. The entity SLF IV/SBI Wild Wing, LLC, if
 11 we can focus just on that discrete entity --
 12 A. One more time.
 13 Q. SLF IV/SBI Wild Wing, LLC. I understand
 14 that at some point there was a joint venture with a
 15 similar name. Does that ring a bell to you?
 16 A. Can you tell me the similar name?
 17 Q. Yes, sir. SLF IV/SBI JV, LLC. Does that
 18 ring a bell?
 19 A. I don't know if that was the parent
 20 company that it closed under or not. I don't
 21 remember.
 22 Q. Do you know whether or not the company SLF
 23 IV/SBI Wild Wing, LLC, ever had any assets?
 24 A. I don't know.
 25 Q. Do you know how the obligations of SLF

Page 16

1 Q. Going back to the first declarant, to your
 2 knowledge did Wild Wing Company, LLC, ever do any
 3 business other than act as the declarant for the
 4 Wild Wing project?
 5 A. As a company?
 6 Q. Yes, sir.
 7 A. I don't remember that it did or didn't.
 8 Q. Is it still in business or do you know?
 9 A. I don't know.
 10 Q. At the time that the Wild Wing Company,
 11 LLC, conveyed its interest in the Wild Wing project
 12 to SLF IV/SBI Wild Wing, LLC -- at the time of that
 13 conveyance did the Wild Wing Company, LLC, retain
 14 any assets?
 15 A. I don't know.
 16 Q. In the filing that your lawyers made the
 17 time period that SLF IV/SBI Wild Wing, LLC, was the
 18 declarant is listed as December 22, 2010, to
 19 11/09/2011, so a little under a year. At that
 20 point there was a third declarant, Wild Wing
 21 Residential Development, LLC. Is that a company
 22 that rings a bell to you?
 23 A. No, sir.
 24 Q. Do you know whether or not Wild Wing
 25 Residential Development, LLC, ever had any assets?

Page 33

1 buy that property because without the declarant
2 control, I don't know of an issue -- I've never
3 been involved in anything in my 30 years or seen or
4 heard of anybody doing that as a developer.

5 Q. You mean anybody coming in and buying
6 development rights when the developer or the
7 declarant didn't have control?

8 A. We've never had that that I'm aware of.
9 We wouldn't be a part of that, and I don't think
10 anybody else -- a professional or any other
11 developer would.

12 Q. If you can for a minute, I want to ask
13 this question in a particular context. What I want
14 to try to understand from you is this: Can you
15 quantify the benefit that you believed that the
16 members of the POA received because of the
17 extension of development rights, declarant rights?
18 Can you tell me what the individual homeowners,
19 members of the POA got out of that?

20 A. I can't tell you, but I do know that it
21 stabilized the community. There are a lot of cases
22 around this town where similar communities'
23 property values went to 5, 6 thousand dollars a
24 lot. Because of what was done there, that saved
25 that community and it saved everybody invested in

Page 35

1 wouldn't have been as positive for everybody as
2 what transpired.

3 Q. The extension of declarant rights
4 including the funding option right occurred after
5 SLF/SBI purchased the asset. Okay?

6 A. Okay.

7 Q. Can you tell me how the extension of
8 developer rights once SLF/SBI had the asset -- how
9 did that extension of declarant rights benefit the
10 owners?

11 A. In my mind it made it a marketable
12 community. It stabilized everybody's values and
13 opened the door for -- because the declarant rights
14 were intact, it stabilized that community and made
15 it a more marketable community.

16 Q. How did the owners benefit because the
17 community was more marketable?

18 A. If they didn't have it, if the declarant
19 rights weren't intact, I don't believe there would
20 have been a buyer for that community.

21 Q. How did the owners benefit from a buyer?

22 A. If it had gone into foreclosure, it would
23 have pushed everybody's property values down in my
24 opinion.

25 Q. Was there ever a risk that SLF IV/SBI Wild

Page 34

1 that community and it saved their property values
2 and gave them a successful, viable community,
3 whereas a lot around here didn't have that. To
4 quantify, I can't tell you exactly what it is
5 dollarwise, but it was a good thing what we did for
6 that community.

7 Q. What was the good thing?

8 A. By buying that asset and stabilizing it
9 and finishing it like we did.

10 Q. When you say "buying that asset," you mean
11 buying the Wild Wing project generally?

12 A. We bought that whole asset.

13 Q. And you bought it from a Japanese entity?
14 Who bought the asset?

15 A. I'm talking about when SLF bought the
16 asset.

17 Q. From Wild Wing --

18 A. Company, LLC.

19 Q. I got you.

20 If SLF/SBI had not bought the asset, what
21 would have happened?

22 A. There would have been a dispute between
23 NBSC and the Wild Wing Company that would have had
24 to play out however it played out. I don't know
25 how it would have played out. I suspect it

Page 36

1 Wing, LLC, was not going to be able to pay off its
2 obligations?

3 A. One more time.

4 Q. Was there ever a risk that SLF IV/SBI Wild
5 Wing, LLC, would not have been able to pay its
6 obligations?

7 A. No, sir.

8 Q. Prior to the conveyance to Founders Wild
9 Wing Residential Development, LLC, was the
10 declarant, and that was the one that we talked
11 about from November 9, 2011, to April 13, 2015.

12 Is there any evidence that you can point
13 me to that indicates that that declarant was ever
14 unable to pay its bills?

15 A. "That declarant" being?

16 Q. Wild Wing Residential Development, LLC.

17 A. No, sir.

18 Q. How did the members of the POA -- I'm
19 speaking specifically to individual property
20 owners -- how did they benefit from the sale to
21 Founders?

22 A. I think they benefited from the sale to
23 Founders and from SBI because a stable company came
24 in there and continued to develop that property
25 increasing and helping to stabilize everybody's

Declarant reserves the right, but shall be under no obligation, to build a swimming pool, clubhouse, playground, two (2) tennis courts, beach area, boat docking slips and boat landing, as well as such other amenities as Declarant may, in its sole discretion, determine to construct and dedicate same as a Common Area. As to all conveyances of Common Areas by Declarant to Association, Association agrees to accept title to such areas upon execution and delivery of a quit-claim deed of conveyance provided (i) said Common Areas have been completed and are, subject to normal wear and tear, in reasonable repair and condition, and (ii) reasonable provisions have been made for the establishment of a reserve fund budgeted for normal maintenance thereof which such fund has been turned over to the Association.

Provided however, the recording and reference to said plat shall not in and of itself be construed as creating any dedications, rights or easements (negative reciprocal or otherwise), all such dedications, rights and/or easements being made only specifically by this Declaration, any amendment or supplement hereto or any deed of conveyance from Declarant, its successors or assigns, as developer.

(e) "Declarant" shall mean and refer to Wild Wing Company, LLC, its Successors and Assigns in the development of the Properties, but shall not include an Owner of an individual Lot located within the Properties.

(f) "Declaration" shall mean and refer to this Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation.

(g) "Design Criteria", "Plans", and "Specifications", and such like terms shall refer to and encompass the Plans, Specifications, Elevations, and Designs, including but not limited to, exterior finishes and textures, and exterior colors and materials for dwellings and improvements to be constructed upon Lots within the Project as well as setbacks, locations, etc. contained hereinafter in this Declaration.

(h) "Development", "Project" "Wild Wing" and "Community" shall all mean and refer to the project known as Wild Wing Plantation as hereafter developed by the Declarant.

(i) "Lot" shall mean and refer to any plot of land intended for residential use, with delineated boundary lines appearing on any recorded subdivision map of the Properties with the exception of any Common Area shown on a recorded map. In the event any Lot is increased or decreased in size by resubdivision, the same shall nevertheless be and remain a Lot for the purpose of this Declaration. This definition shall not imply, however, that a Lot may be subdivided if prohibited elsewhere in this Declaration. In the event that an Owner desires to combine two (2) or more adjoining Lots for the purpose of constructing and maintaining a single residence thereon, the resulting combined Lots shall from that date forward be deemed one (1) Lot for the purposes of this Declaration, including for the purpose of determining Assessments in accordance with this Declaration.

(j) "Lake" and "Lake Areas" means any Common Area or portion of a Lot or Lots on which a Lake now exists or is later constructed by Declarant and "Lake" means a body of water which now exists or is later constructed by Declarant and so designated.

(k) "Lake Maintenance Easement" means those areas identified on the recorded plat(s) of the Property as "Lake Access/Maint Easmt (typ)" or similar designation which shall be reserved to the Association for the purpose of performing maintenance of the Lakes in accordance with the terms and provisions of this Declaration.

- (l) "Member" shall mean and refer to all those Owners who are members of the Association, as provided in Article IV hereof.
- (m) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee-simple title to any Lot(s), but shall not mean or refer to any mortgagee or subsequent holder of a mortgage, unless and until such mortgagee or holder has acquired title pursuant to foreclosure or any proceedings in lieu of foreclosure. Said term "Owner" shall also refer to the heirs, successors and assigns of any Owner.
- (n) "Properties" or "Property" shall mean and refer to all property including Lots and Common Areas, as are subject to this Declaration, and which are described in Exhibit "A" together with any additional phases that may be developed and specifically submitted to the provisions of this Declaration pursuant hereto.
- (o) "Personal watercraft" means a boat less than sixteen feet in length which: (i) has an outboard motor or an inboard motor which uses an internal combustion engine powering a water jet pump as its primary source of motive propulsion, (ii) is designed with the concept that the operator and passenger ride on the outside surfaces of the vessel as opposed to riding inside the vessel; (iii) has the probability that the operator and passenger, in the normal course of use, may fall overboard. Personal watercraft includes, without limitation, a vessel where the operator and passenger ride on the outside surfaces of the vessel, even if the primary source of motive propulsion is a propeller, and a vessel commonly known as a "jet ski".
- (p) "Setback" shall mean an area along the boundary of a Lot where no building or other structures such as swimming pools or decks shall be permitted, without the express written permission of Declarant or the Architectural Review Board. However, the location of normal air handling and heat, ventilation and air conditioning units (and the associated approved screening for such units) within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure located on a Lot.
- (q) "Subsequent Amendment" or "Supplemental Declaration" shall mean an amendment to this Declaration which adds property to this Declaration and makes it subject to the Declaration. Such Subsequent Amendment may, but is not required to, impose, expressly or by reference, additional restrictions and obligations and/or modifications to these Restrictions on the land submitted by that Subsequent Amendment to the provisions of the Declaration.
- (r) "Special Assessments" shall mean an assessment established by the Board of Directors from time to time for capital improvements, unique costs or expenses, extraordinary budget or expense items and the like.

ARTICLE IIUses of Property

Section 1. Conformity and Approval of Structures. No structure, fence, sidewalk, wall, swimming pool, boat docking slip, bulkhead wall, landscaping (other than replacement of landscaping in accordance with an approved plan) or other improvement shall be placed or altered on any Lot except in accordance with the provisions of this Declaration and after approval of the Architectural Review Board as hereinafter provided in Article VII of this Declaration.

Section 2. Subdivision of Lot. No Lot shall be subdivided except as hereinafter provided and no building or residence, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the building lines as hereinafter established except as herein provided. Provided, however, two or more Lots may be combined to provide one building site in accordance with this Declaration, subject to the limitations contained in Article I of this Declaration.

Section 3. Increased Size of Lots. A Lot or Lots may only be subdivided provided the effect is to increase the size of both of the adjoining Lots. In such cases, the Declarant may alter the building lines to conform. Should the Owner or Owners of any Lots and/or portions of Lots which have been combined for a single building site subsequently wish to revert to the original plan of subdivision, or make any other combination which would not be in violation of this restriction, such may be done only if the written consent of the Declarant is first had and obtained. In such instances, the adjoining Lot Owners, or other Owners in the subdivision do not have the right to review, pass on or interfere with such rearrangement of Lots, as such rights shall be exclusively that of the Declarant or any successors or assigns to whom the Declarant may expressly have transferred such rights, but the purchaser of any other Lot in the subdivision does not, by virtue of his status as a purchaser, become any such successor or assign.

Section 4. Alteration of Setback Lines in the Best Interest of Development. Where because of size of Lot, shape of Lot, natural terrain, or any other reason in the sole opinion of the Declarant, that the Setback lines of any Lot(s) should be altered or changed, then the Declarant reserves unto itself, its successors or assigns, and no other, the right to change said Setback lines to meet such conditions. The Declarant specifically reserves the right to transfer and assign this right of approval to the Architectural Review Board hereinafter established.

Section 5. Completion of Improvements. The exterior of all dwellings and other structures constructed upon any Lot must be completed within one (1) year after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder due to strikes, fires, national emergencies or natural calamities. No building under initial construction shall be occupied until construction is completed, and all necessary approvals of any governmental authorities have been obtained, and the Architectural

Review Board has issued its certificate of completion in accordance with guidelines promulgated by the Architectural Review Board.

Section 6. Residential Use of Lots. Except as provided herein, all Lots shall be used for residential purposes exclusively. No structures, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on any Lot other than one (1) detached single family dwelling constructed in accordance with the Plans and Specifications herein defined in Article III. No timesharing, interval ownership or other related ownership scheme shall be permitted. No separate storage or other out building shall be permitted; all storage rooms must be attached to, form a part of and conform to the architectural scheme and appearance of the dwelling. In addition, no leasing or rental of any dwelling shall be permitted having a duration of less than six (6) months. However, Declarant or its assignee may maintain sales offices, models and construction offices upon one or more Lots until all Lots located or to be located within the Properties (including all subsequent phases) have been sold to third parties or Declarant no longer has the right to incorporate additional property under the terms of this Declaration. Easements are hereby reserved through the Common Area, including, without limitation, the easements shown on the plat (s) of the Property for use by Developer, for its use and the use of its agents, employees, licensees and invitees, for all purposes in connection with the use, development and sales of the Property, including, without limitation, for the erection and maintenance of signage.

Section 7. Maintenance of Lots. It shall be the responsibility of each Lot Owner to prevent the development of any unclean, unsightly, or unkept condition of buildings or grounds on such Lot which shall tend to substantially decrease the beauty of the neighborhood as a whole or the specific area. Each Owner shall maintain his Lot and shall keep underbrush and weeds mowed, which shall include, without limitation, the mowing of Lots on which no residence has been built not less than twice annually in October and May of each year.

Section 8. Nuisances. No noxious, unlawful or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or a nuisance to the neighborhood. No plants, poultry, animals (other than household pets) or devices or things of any sort, the normal activities or existence of which are in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of other property in the neighborhood shall be placed, kept or maintained on any Lot. Without limiting the foregoing, exterior lighting may not be so installed on any Lot as to illuminate any portion of a neighboring Lot or to shine into any window or otherwise enter a dwelling located on an adjoining Lot. Garage doors must be closed except when in use.

Section 9. Exclusion of Above Ground Utilities. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead. No exposed or exterior radio or television transmission or receiving antenna shall be erected, placed or maintained on any part of the premises. Provided, however, that the normal service pedestals, and similar equipment, used in conjunction with such underground utilities shall be permitted within the development. Overhead utilities shall be permitted during the construction period and until utility

companies can place them underground. Except as hereinafter provided, no Owner shall install any receiving or transmitting device which requires any exterior protrusion, nor shall any antennas or other receiving or transmitting devices be located on any Lot. Notwithstanding the foregoing, the following types of antennas may be installed, but only in accordance with reasonable rules and regulations to be promulgated by the Architectural Review Board, which rules and regulations shall include, without limitation, restrictions as to location, color and screening:

a dish antenna that is one (1) meter or less in diameter and is designed to receive direct broadcast satellite service, including direct to home satellite service; (B) an antenna that is one (1) meter or less in diameter or diagonal measurement and is designed to receive video programming services via multi-channel multi-point distribution (wireless cable) providers (MMDS); or (C) an antenna that is designed to receive television broadcast signals.

Section 10. Signs. Except as required by law, no billboards, posters or advertising signs of any kind or character (specifically including "for sale" or "for rent" signs or posters) shall be erected, placed, permitted, maintained or allowed to remain on any lot or improvement thereon (including in any window) except for signs designating the Lot Owner and contractor on any Lot on which a residence is then under construction. Such signs shall be of a uniform type and color as approved by the Architectural Review Board and shall be supplied by Association upon payment of a fee for same by Owner. However, it shall be permissible for the Association to have a sign located on the Common Area, if the design, size and location of such sign is approved by Declarant, prior to its erection. No other sign of any kind or design shall be allowed. Declarant reserves the right to erect temporary or permanent signs identifying and/or advertising the Project on the Common Area.

Section 11. Prohibition Against Business Activity. Except as hereinafter provided, no business activity, including but not limited to, a rooming house, boarding house, gift shop, antique shop, professional office or beauty shop or the like or any trade of any kind whatsoever shall be carried on upon a Lot or Lots. Nothing herein shall be construed to prevent a "home office" so long as all activities are conducted within the residence and no customers, employees, clients or others enter the Properties relative to such business activity. Provided, however, that nothing contained herein shall be construed so as to prohibit the construction of houses to be sold on said Lots or the showing of said houses for the purpose of selling houses in the subdivision. Nothing herein shall be construed to prevent the Declarant from erecting, placing or maintaining signs, structures and offices as it may deem necessary for its operation and sales in the subdivision.

Section 12. Mining and Drilling. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the premises, nor shall any oil, natural gas, petroleum, asphalt or hydrocarbon products or materials of any kind be produced or extracted from the premises.

Section 13. Garbage Disposal. Each Lot Owner shall provide garbage receptacles or

similar facilities in accordance with reasonable standards established by the Declarant, or a roll-out garbage rack of the type approved by the Declarant, which shall be visible from the streets on garbage pickup days only. No garbage or trash incinerator shall be permitted upon the premises. No burning, burying or other disposal of garbage on any Lot or within the Project shall be permitted. Provided that the Declarant shall be permitted to modify the requirements of this Section 13 where necessary to comply with orders of governing bodies.

Section 14. Temporary Structures. No structure of a temporary character shall be placed upon any Lot at any time, provided, however, that this prohibition shall not apply to shelters used by the contractors during construction of the main dwelling house, it being clearly understood that the latter temporary shelters may not, at any time, be used for a residence or permitted to remain on the Lot after completion of construction.

Section 15. Other Structures. No home, tent (other than small overnight tents used by children which remain in place for less than 24 hours), barn, tree house or other similar out-building or structure shall be placed on any Lot at any time either temporarily or permanently, except as provided in Section 14 above.

Section 16. Storage Receptacles. No fuel tanks or similar storage receptacles may be located on the Lots (with the exception of small portable tanks for supplying fuel to gas grills and gas logs for fireplace) nor may any such tanks or storage receptacles be buried underground.

Section 17. Clotheslines. No clotheslines or drying yards shall be located upon the premises so as to be visible from any Common Area or from any adjoining property or Lot.

Section 18. Water and Irrigation Systems. No individual water supply system shall be permitted upon any Lot. Furthermore, no wells may be drilled upon any Lot or Common Area for supplying water, whether the same shall be used for lawn irrigation or otherwise. No drawing of water from any lake or pond shall be permitted.

Section 19. Off-Street Parking. Adequate off-street parking shall be provided by the Lot Owner herein for the parking of automobiles or other vehicles owned by said Owner and said Owner agrees not to park his automobile or other vehicles on the Streets or Common Areas in the subdivision. No travel trailers or mobile homes, campers or other habitable motor vehicles of any kind, whether self-propelled or not, school buses, trucks (other than non-commercial pickup trucks) or commercial vehicles, or boat trailers or boats shall be kept, stored or parked overnight, either on any Common Area, any streets, or any Lot, except within enclosed approved garages or sheltered from view from neighboring Lots, any adjacent property which is not part of the project or Common Areas or within a portion of the Common Areas which may be hereafter specifically designated for such use. Furthermore, no non-operative or junked vehicles (or parts thereof) may be kept on the Properties. It shall not be permissible to make repairs to or "work on" vehicles, boats or other watercraft while same are located on the Properties.

Section 20. Sewer System. No surface toilets are permitted on the Properties. The Grantee of any Lot assumes all responsibility for obtaining the necessary permits for attaching to the public sanitary sewer and water system for the project, developer making no warranties or representations thereabout.

Section 21. Firearms and Fireworks. No firearms or fireworks of any variety shall be discharged upon the Lots or Common Areas.

Section 22. Pets. No pet shall be permitted off of its owner's Lot when not on a leash.

Section 23. Lakes and Lake Area(s). Subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration and except as otherwise provided, no individual using a Lake, has the right to cross another Lot or trespass upon shoreline not within a Common Area owned by the Association or within a Lake Area. Notwithstanding the foregoing, Declarant, the Association and each and every Owner (subject to restrictions contained in this Declaration with regard to the simultaneous use of Common Areas by multiple Owners of a single Lot), their respective successors, heirs and assigns, shall have a right and easement over all Lakes and Lake Areas for entry thereon and the use thereof by Declarant or any Owner and such Owner's guest(s) when accompanied by an Owner in accordance with the Association's rules and regulations, whether or not such Lake or Lake Area (or portions thereof) is actually located upon a Lot or Lots. No Owner shall have the right to exclude Declarant or any Owner and such Owner's accompanied guest(s) from any Lake or Lake Area because of such Lake or Lake Area being partially located within the bounds of any Lot(s). Such easements shall be appurtenant to, and pass with, the title to each Lot. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. No docks, piers or other structures may be erected in, over or adjoining any Lake, except for a boat dock slip and associated bulkhead walls constructed in strict accordance with guidelines promulgated by the Architectural Review Board. Furthermore, no Lake may be used by any Owner for the purpose of providing water for irrigation purposes. A Lake may be used for swimming, boating, and other recreational purposes only in accordance with rules and regulations promulgated by Association, as such rules and regulations may now or hereafter be adopted, amended and/or modified. Such rules and regulations may include restrictions as to type, length and horsepower of any boats to be used upon such Lake(s). Furthermore, no personal watercraft (as defined in this Declaration) may be used or located upon any Lake or Lake Areas. Lakes and Lake Areas may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Declarant reserves unto itself, its designated successors and assigns, the right to increase or decrease the level of the waters of any Lake, from time to time, without obtaining the consent or approval of Association or any Owner(s) and without liability for such actions.

ARTICLE III

Construction in Accordance with Plans and Specifications

Section 1. General. All structures of every type and description shall be constructed, placed or erected within the Development in accordance with the provisions of this Article III together with other applicable provisions of this Declaration.

Section 2. Size of Residences and Lot Coverage. All residences to be constructed upon any Lot shall have a minimum of 2,000 square feet of enclosed heated floor space for single level dwellings, exclusive of porches, decks and garages, and a minimum of 2,400 square feet of enclosed heated floor space in multi-level dwellings (with not less than 1,600 square feet of enclosed heated floor space on the first level), exclusive of porches, decks and garages as herein defined. For purposes of this Declaration, a single level or one story dwelling shall be a dwelling having living areas on only one level while a multi-level or two story dwelling shall be a dwelling having living areas located on more than one level within the dwelling. In addition, each residence must include an enclosed garage. While Declarant may not modify the provisions of this Section with regard to the Property being hereby submitted to the terms and provisions of this Declaration as Phase I, Declarant expressly reserves the right, in its sole discretion, to modify the terms of this Section as to any subsequent property submitted to the terms of this Declaration as additional phase(s) by subsequent amendment or supplemental declaration. Such subsequent amendment or supplemental declaration shall specify the modifications of this Section (if any) applicable to such additional property or phase so incorporated under the terms of this Declaration.

Section 3. Setbacks. No building or structure, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the Setback lines so as to be nearer to the Lot boundary line than such Setback line. The Setback lines for each Lot shall be as follows:

Front Setback Line - 35 feet from front Lot Boundary Line
(As to all Lots except as otherwise specifically provided in this section)

Front Setback Line
(Lots 248 through 251,
Lots 265 through 297 and Lots
305 through 331, inclusive) - 20 feet from front Lot Boundary Line

EXHIBIT D

Side Setback Line - 10 feet from each side Boundary Line of the Lot
(As to all Lots except as otherwise specifically provided in this section)

Rear Setback Line - 35 feet from the Rear Lot Boundary Line
(On Lots which do not adjoin a Lake or Lake Area and are not otherwise specifically provided for in this section)

Rear Setback Line - 23 feet measured from the Lake Maintenance Easement boundary line on the upland or high ground side of the Lake Maintenance Easement
(On Lots which adjoin a Lake or Lake Area and are not otherwise specifically provided for in this section)

Rear Setback Line (Lots 248 through 251, Lots 265 through 297 and Lots 305-331, inclusive) - 20 feet measured from the Lake Maintenance Easement boundary line on the upland or high ground side of the Lake Easement

However, (a) the location of normal air handling and heat, ventilation and air conditioning units and associated approved screening within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure on said Lot, (b) roof overhangs not to exceed twenty-four (24") inches from and as a part of the main dwelling may extend unto the Setback area, and (c) boat dock slips and bulkheads constructed in strict accordance with plans approved by the Architectural Review Board may extend into setback and Lake maintenance easement areas.

Notwithstanding the foregoing, Declarant reserves the rights provided in Article II, Section 4 of this Declaration to modify said setback lines.

ARTICLE IV

Membership and Voting Rights in the Association

Section 1. Membership. Every person or entity who is an Owner of any Lot which is subjected by this Declaration to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to Assessment.

Section 2. Articles of Incorporation and Bylaws. A copy of the Articles of Incorporation of the Association and Bylaws of the Association are attached hereto as Exhibit "B" and Exhibit "C", respectively, and made a part and parcel hereof.

Section 3. Voting Rights. The Association shall have two (2) classes of voting membership.

Class A. Class A Members shall be all Owners excepting the Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Section 1 above. When more than one person holds such interest or interests in any Lot, the vote attributable to such Lot shall be exercised as such persons mutually determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

Class B. The sole Class B Member shall be the Declarant. The Class B Member shall be entitled to total votes in an amount equal to twice the number of the class A votes plus one. The Class B membership shall cease and become converted to Class A membership upon the conveyance to Lot Owners of all Lots subject to this Declaration, or December 31, 2015, whichever first occurs. In addition, Declarant may terminate the Class B membership upon written notice to Association.

When a purchaser of an individual Lot or Lots takes title thereto from the Declarant, he automatically becomes a Class A Member.

ARTICLE V.

Property Rights in the Common Areas

Section 1. Member's Easements of Enjoyment. Subject to the provisions of Section 3 of this Article, every Member shall have a right and easement of enjoyment in and to the Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot. This right and easement shall be for use in common with all other such members, their tenants, guests and invitees. In the event that Declarant incorporates additional land under the provisions of this

Declaration pursuant to Article IX of this Declaration, all Owners of Lots within such additional phases shall have the same rights and privileges with regard to use of the Common Areas as the Owners of Lots originally made subject to this Declaration.

Furthermore, and notwithstanding anything in this Declaration to the contrary, any owner of a lot within the subdivision located near to the Property which is known as "The Sanctuary at Wild Wing" (the "Sanctuary") may use the swimming pool, tennis court(s) and Owner's Clubhouse facilities (at such time as the same may be constructed) located within the Common Areas of the Development upon payment by such owner of an annual fee to the Association, which fee shall be equal to thirty-five (35%) percent of the regular annual assessment assessed by the Association against each Lot (and the Owner thereof) within the Development, as the same changes from time to time. Such usage shall be in accordance with the rules and regulations promulgated by the

Association for the members thereof. However, nothing herein shall create any ownership or membership rights in the owners of lots within the Sanctuary nor shall any of such owners within the Sanctuary have any rights to vote or otherwise manage the Association of the Common Areas.

Section 2. Title to Common Areas. Subject to the provisions of Article I, Section C, the Declarant hereby covenants for itself, its successors and assigns, it will convey to the Association, by Quit-Claim Deed, fee simple title to the Common Areas (excluding any portions of Lakes and Lake Areas which are located within the bounds of any Lot) upon the conditions set forth herein, free and clear of all encumbrances and liens, except those created by or pursuant to this Declaration and except for those rights reserved unto the Developer pursuant to this Declaration. Association shall accept such conveyance of the Common Areas (which may include streets, roads and drainage facilities).

In lieu of the conveyance provided for herein with regard to the streets, roads, and/or drainage facilities. Declarant may cause such streets, roads and/or drainage facilities to be dedicated to any governmental entity, as provided for in Section 3(a) hereof.

Section 3. Extent of Member's Easements. The rights and easements created hereby shall be subject to the following:

- (a) The right of the Declarant, and/or of the Association, to dedicate, transfer or convey all or any part of the Common Areas, with or without consideration, to any governmental body, district, agency or authority, or to any utility company, provided that no such dedication, transfer or conveyance shall adversely limit the use of the Common Areas by the Members of the Association;
- (b) The right of the Declarant, and/or of the Association, to grant and reserve easements and rights-of-way through, under, over and across the Common Areas, for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage and other utilities and services, including, without limitation, a cable (CATV) or community antenna television system and irrigation or lawn sprinkler systems, and the right of the Declarant to grant and reserve easements and rights-of-way through, over and upon and across the Common Areas for the completion of the Development, and for the operation and maintenance of the Common Areas;
- (c) The right of the Association, as provided in its By-Laws, to suspend the enjoyment rights of any Owner in the Common Areas for any period during which any assessment remains unpaid, and for any period during which the Owner is in violation of this Declaration or the rules and regulations of the Association and in addition thereto (and without limiting the foregoing periods) for a period not to exceed thirty (30) days for any infraction of its published rules and regulations.

- (d) The rights of the Association, in accordance with law, its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Areas and in pursuance thereof, to mortgage the same.
- (e) Restrictions and easements contained on any plat or other instrument filed of record with respect to the Properties.
- (f) The right of Declarant to grant and/or dedicate non-exclusive easements across the Common Area in favor of other property of Declarant.
- (g) The right of Declarant to develop Wild Wing Plantation, which may or may not include additional property, in such manner as it may determine, in its sole discretion.

Section 4. Maintenance. Subject to the provisions herein contained, the Association shall at all times maintain all Common Areas, Lakes and Lake Areas in good repair, and shall repair or replace as often as necessary, the paving, drainage structures, street lighting fixtures, landscaping, entrance signage, and other amenities (except utilities) situated on the Common Areas. Association shall also cause the landscaping, entrance features and signage at the entrance to the Property to be maintained at Association's expense. Notwithstanding the foregoing, it shall be the responsibility of each Owner of a Lot located adjacent to a Lake or Lake Area to maintain that portion of the bank of the Lake or Lake Area bordering such Owner's Lot, at such Owner's sole expense, in a manner to prevent erosion of the Lake bank and in accordance with rules and regulations to be promulgated by the Board of Directors of Association. The Board of Directors acting on a majority vote shall order all work to be done and shall pay for all expenses including all electricity consumed by the lighting located in the Common Areas and all other common expenses. All work pursuant to this Section and all expenses hereunder shall be paid for by such Association through assessments imposed in accordance with this Declaration. Nothing herein shall be construed as preventing the Association from delegating or transferring its maintenance obligations to the governmental authority under such terms and conditions as the Board of Directors may deem in the best interest of the Association.

Section 5. Additional Structures. Neither the Association nor any Owner or any group of Owners shall, without the prior written approval of Declarant, erect, construct or otherwise locate any structure or other improvement in the Common Areas.

Section 6. Delegation of Use.

(a) Family. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be exercised by members of the Owners' family who occupy the residence of the Owner within the properties.

(b) Tenants. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be delegated by the Owner to his tenants who occupy a residence within the Properties.

(c) Guests. Recreational facilities, if any, situated upon the Properties may be utilized by guests of an Owner accompanied by such Owner or tenants subject to the rules and regulations of the Association governing said use and as established by its Board of Directors.

Section 7. Rules and Regulations. The use of the Common Areas by an Owner or Owners, and all other parties authorized to use same, shall be at all times subject to such reasonable rules and regulations as may be prescribed and established by the Association governing such use, or which may hereafter be prescribed and established by the Association. Such rules and regulations shall include a limitation on use of amenities within Common Areas (including Lakes) to a designated Owner and such Owner's family and/or significant other in cases of Lots owned by multiple Owners who are not members of the same family. For purposes of this section, "family" shall mean and refer to a group of persons, each of whom is related to each other member of the group through blood or marriage either as siblings or in direct lines of ancestry or descent. Such designation of the Owner for purposes of use of the Common Areas may not be changed more often than six (6) months and shall be made in writing to Association.

Section 8. Easement for Utilities and Lake Maintenance. The Declarant reserves unto itself, its successors and assigns, a perpetual, alienable and reasonable easement and right of ingress and egress, over, upon, across and under the Setback areas and easement areas on each Lot as shown on the recorded map of the Properties and/or as set forth herein and over, upon, across and under the Common Area for the erection, maintenance, installation and use of electrical and telephone wires, cables, conduits, sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public convenience or utilities, including an easement for privately owned television and other communications cable and equipment and for the construction and maintenance of the Lakes and Lake Areas located (or to be located as shown on the recorded plats of the Property) upon the Property. The Declarant may further cut drainways for surface water when such action may appear to the Declarant to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any grading of soil, or to take any other similar action reasonably necessary to provide economical and safe utility or other installations and to maintain reasonable standards of health, safety and appearance. Declarant further reserves the right to locate wells, pumping stations, and tanks within residential areas on any Lot owned by Declarant. It shall not be necessary to obtain the consent of Owners of Lots adjoining the existing utilities and pump station. Such rights may be exercised by the licensee of the Declarant but this reservation shall not be considered an obligation of the Declarant to provide or maintain any such utility service. No structures or other items, including walls, fences, paving or planting shall be erected upon any part of the property which will interfere with the rights of ingress and egress provided for in this paragraph. Specifically, except as herein provided, no Owner shall erect any structure, including, without limitation, walls, fences, paving or planting within the areas designated on the Plat of the

Properties as a "Drainage Easement", "Lake Maintenance Easement" or words of similar import nor shall any Owner change the grade of any such easement area. In that regard, an easement for ingress and egress for the maintenance of the Lakes and Lake Areas is hereby reserved for the benefit of the Association over all Lake Maintenance Easements. However, nothing herein shall restrict or prevent the location of boat docking slips and bulkhead walls in accordance with plans approved by the Architectural Review Board within any such easement or setback area. In the event that any such approved boat docking slip is constructed within any Lake Maintenance Easement on any Lot, the Owner of such Lot shall make provision for such additional access around such boat docking slip as is reasonably necessary for the purpose of Lake Maintenance as is reasonably acceptable to Association. Each Owner shall keep drainage ditches and swales located on his/her Lot free and unobstructed and in good repair and shall provide for the installation of such culverts upon such Lot as may be reasonably required for proper drainage. Declarant may, at its sole option, convey any such drainage easements to an appropriate governmental entity and/or the Association. The easements referred to in this paragraph are, without limitation, those shown upon the recorded plat of the Properties; as set out in easements of record; upon the plans of the Development; or which are located on or under the ground.

In addition to the foregoing rights reserved to Declarant, and not in limitation thereof, Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable commercial easement and right of ingress and egress over, upon, across and under the Common Areas and all streets and roads within the Properties for the purpose of providing drainage and utility installation, construction, reconstruction, and maintenance to adjacent property now or hereafter owned by Declarant and for the installation and maintenance of any pipes, drainways or other installations necessary for the foregoing and further for the installation, maintenance, repair, replacement and operation of water lines and other utilities which serve or shall serve property presently owned by Declarant. Declarant, its agents, contractors, servants, employees and assignees may enter upon the easement areas for the purposes of maintaining, repairing, replacing and operating such water lines and other utilities and drainage facilities and for the purpose of installing additional utilities and drainage facilities. Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable easement and right-of-way over, under and across those areas designated as "Drainage Easement" or like wording on the plat of the Properties referred to in Exhibit "A" hereto for the purpose of providing drainage of the Properties and lands adjacent to the Properties and for the installation, repair and maintenance of pipes and other facilities necessary for such drainage. Declarant, its agents, contractors, servants, employees and assignees may enter upon any of the easement areas so designated on the recorded plat of the Properties for the purpose of maintaining, repairing, replacing and operating any of the drainage facilities, pipes, ditches, and drainage areas located thereon. The Owners of Lots on which such easements are located shall not interfere in any manner with such easements or any of the facilities located therein or the access thereto. Except for boat docking slips and bulkheads constructed in accordance with plans approved by the Architectural Review Board, no Owner shall erect any structure or fence within such easement areas without the prior written consent of Declarant. Declarant, its agents, employees and assignees shall have no liability for damage which may occur to any structures or other items which may be located in such utility and drainage easements and Declarant shall have no obligation to replace any such structures

which may be removed or damaged due to maintenance, repair or other work performed in such easement areas. Declarant further specifically reserves unto itself, its successors and assigns, a perpetual, alienable, commercial easement and right of ingress and egress over all Lots along an area 5 feet in width inside each boundary line of each Lot and along any Lot boundary line which adjoins any of the streets of the Project. This easement is for the purpose of installation, maintenance and repair of utilities and utility systems and access. This easement shall be in addition to, and not in limitation of, any and all other easements reserved unto the Declarant herein. Declarant further reserves an easement of ingress and egress over and across all streets and roads of the Project which such easements are and shall be for the purpose of ingress and egress to any property now owned or hereafter acquired by Declarant, its successors and assigns whether or not such property is made a part of the Project and whether or not such property adjoins the Project.

Section 9. Sidewalk Easements on Lots. Declarant reserves for itself and the Association, their successors, assigns and agents, a sidewalk easement ten (10) feet in width across all Lots for use and enjoyment by the Owners of Lots and others, only under such rules as may be promulgated by the Association from time to time. The sidewalk easement is ten (10) feet in width, lies on the Lots adjacent to the boundaries between Lots and all road rights-of-way, and includes the right to usual and necessary access for purposes of construction, maintenance, repair, removal and replacement of sidewalks. The provisions in this paragraph shall not be construed as an obligation on the part of Declarant or the Association to undertake construction of any sidewalks. In the event sidewalks are constructed on the easements reserved herein or in the road rights-of-way adjacent to the Lots, the Association shall be responsible for the maintenance and management of such sidewalks.

ARTICLE VI.

Assessments for the Maintenance and Operation of Common Areas and Facilities

Section 1. Initial Contribution. Upon the closing of the initial sale of each lot by the Declarant, the purchaser of each Lot shall pay an initial contribution to the Association of One Hundred and No/100 (\$100.00) Dollars to provide initial reserve funds for the Association. Such payment shall not in any way be considered a prepayment of any regular or special assessment. Such funds may be used by the Association in such manner as the board of directors thereof shall direct.

Section 2. Assessments, Liens and Personal Obligations Therefor, and Operation
Maintenance of Common Areas Solely by the Association.

(a) Each and every Owner of any Lot or Lots within the properties, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association: (1) annual assessments or charges; and, (2) special assessments for capital improvements, unique costs or expenses,

extraordinary budget or expense items and the like, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon the Lot or Lots against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall also be the personal obligation of the Owner of such lot or Lots at the time when the assessment fell due. Notwithstanding anything in this Declaration to the contrary, it is hereby declared that through December 31, 2010, each Lot within The Properties shall be exempt, at Declarant's option, from the assessments herein provided for (both annual and special) until such time as such Lot is conveyed by the Declarant to an Owner other than the Declarant. However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against Owners of Lots other than those owned by the Declarant. The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. Commencing January 1, 2011, the Declarant shall be subject to assessments as provided for in this Declaration so that it will pay assessments on the same basis provided for in this Declaration for other Lot Owners. In the event that additional phases are subjected to the provisions of this Declaration, then it is declared that until the later of: (1) January 1, 2011; or (5) five years after the date the amendments or supplemental declarations submitting such additional phase(s) are filed for record in the public records of Horry County, South Carolina, each Lot in such additional phase shall be exempt from the assessment created herein until such time as the lot is conveyed by the Declarant to an Owner other than the Declarant. Until such time as a lot in such additional phase is so conveyed, the Declarant shall be assessed and pay to Association, in lieu of an assessment, a sum equal to the actual amount of actual operating expenditures for that portion of the calendar year less an amount equal to the total assessments made by Association against Owners of Lots other than those owned by Declarant. Declarant may, however, at its option, elect to pay assessments on the same basis as other Lot Owners as opposed to the method referred to above. Such election may be made by Declarant at any time.

(b) The Assessment levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents of the Development, and in particular for the improvement and maintenance of the Common Areas, Lakes and Lake Areas, now or hereafter designated or existing, including, but not limited to, the payment of taxes and insurance thereon, and repair, replacement and additions thereof, the cost of labor, equipment, materials, management and supervision thereof, and the cost of lawn and landscaping maintenance, maintenance of the fencing and/or signage, the employment of attorneys to represent the Association when necessary and such other needs as may arise. In the event that Declarant performs any of the foregoing services for Association, including,

but not limited to, accounting and bookkeeping services, it shall have the right to receive a reasonable fee therefore and such shall not be deemed to be a conflict of interest.

Section 3. Amount and Payment of Annual Assessment. The Board of Directors of the Association shall at all times fix the amount of the annual Assessment at an amount sufficient to pay the costs of maintaining and operating the Common Areas and performing the other exterior maintenance required to be performed by the Association under this Declaration including adequate reserves. The Board shall also fix the date of commencement and the amount of the Assessment against each Lot for each Assessment period (which shall be based on a calendar year), and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto, which shall be kept in the Office of the Association and shall be open to inspection by any Owner. Written notice of the Assessment shall thereupon be sent to every Owner subject thereto. In the event that any Lot is subject to an assessment for only part of a calendar year, then the amount of such assessment shall be prorated based on the portion of the assessment period for which such Lot is subject to an assessment.

Each annual Assessment shall be fully payable in advance on the 1st day of January each year, but the Board of Directors of the Association shall have the option to permit monthly or quarterly payments. The exact amount of each annual Assessment shall be fixed by the Board of Directors of the Association.

The Association shall, upon demand at any time, furnish to any Owner liable for any assessment, a certificate in writing, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be in recordable form and shall be conclusive evidence of payment of any assessment therein stated to have been paid.

This Section shall not be amended as provided in this Declaration to eliminate or substantially impair the obligation to fix the assessment at an amount sufficient to properly maintain and operate the Common Areas and perform the exterior maintenance required to be performed by the Association under this Declaration.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Board of Directors of the Association, on behalf of the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto. The due date of any specified assessment shall be fixed in the Resolution of the Board of Directors authorizing such assessment.

Section 5. Paid Professional Manager. The Board of Directors of the Association may employ a professional manager or managerial firm to supervise all the work, labor, services and material required in the operation and maintenance of the Common Areas and in the discharge of the Association's duties throughout the Community.

Section 6. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner: The Lien. Remedies of Association. If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall, together with such interest thereon and cost of collection thereof as are hereinafter provided, continue as a lien on the Lot or Lots, which shall bind such Lot or Lots in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then Owner to pay such assessment or reimbursement, however, shall remain his personal obligation and will also pass on to his successor in title.

If the assessment or reimbursement is not paid within thirty (30) days after the due date, a late charge in an amount to be specified by the Board of Directors of the Association may be assessed and furthermore, the assessment shall bear interest from the date of delinquency at the rate of eighteen (18%) percent per annum. In addition, the Association may bring legal action against the then Owner personally obligated to pay the same or may enforce or foreclose the lien against the Lot or Lots in the same manner as a mortgage is foreclosed; and in the event a judgment is obtained, such judgment shall include interest on the assessment or reimbursement as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. The Association may further file a notice of lien in the office of the Register of Deeds for Horry County, South Carolina.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments (and reimbursement) provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon any Lot subject to assessment and reimbursement; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments or reimbursements thereafter becoming due, nor from the lien of any subsequent assessment or reimbursement.

Section 8. Exempt Property. All Common Areas subject to this Declaration shall be exempted from the assessments, charges and liens created herein.

ARTICLE VII.

Architectural and Landscape Control

Section 1. Architectural Review Board. The Architectural Review Board shall have the right to approve or disapprove all architectural and landscaping plans and the location of any proposed Improvements. The Architectural Review Board may, in its sole discretion, impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning or other governmental codes.

Section 2. The Architectural Review Board shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions of the Association. The Architectural Review Board shall consist of five (5) voting members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until termination of Declarant's Class B membership status in the Association, as defined in this Declaration, the Declarant shall have the right: to change the number of members on the Architectural Review Board provided, however, that the Architectural Review Board shall at all times consist of at least three (3) members; to appoint all members of the Architectural Review Board; and to remove and replace all members appointed to the Architectural Review Board. The Declarant shall determine which member of the Architectural Review Board shall serve as its Chairman, or which members of the Architectural Review Board shall serve as Co-Chairmen. In the event of the failure, refusal or inability to act of any of the members appointed by the Declarant, and in the event that the Declarant fails to fill any such vacancy within thirty (30) days of such occurrence, the remaining members of the Architectural Review Board shall fill such vacancy by appointment. At such time as Declarant's Class B membership status terminates or at such earlier date as Declarant may decide, the Declarant shall assign to the Association the rights, powers, duties and obligations of the Architectural Review Board, whereupon the Board of Directors shall determine how many persons shall serve on the Architectural Review Board, provided that the Architectural Review Board shall at all times consist of not less than three (3) members, shall appoint the members of the Architectural Review Board shall provide for the terms of the members of the Architectural Review Board, and shall determine which member of the Architectural Review Board shall serve as its Chairman. There shall be no requirement that any of the members of the Architectural Review Board be a member of either the Association or an Owner within Wild Wing Plantation. Any three (3) members of the Architectural Review Board shall constitute a quorum to transact business at any meeting, and the action of the majority present shall constitute the action of the Architectural Review Board.

Section 3. Buildings, fences, walls, etc. No building, fence, wall, boat docking slip, landscaping or other improvements, and no change in topography, landscaping or any other item originally approved by the Architectural Review Board shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change be made until the plans and specifications showing the nature, kind, texture, shape, height, materials, color and locations of the same shall have been submitted to and approved in writing as to the harmony of the external design and location in relation to the surrounding structures and topography by the Architectural Review Board. The right of approval herein reserved and granted shall include, without limitation, the right to designate or re-designate which Lot line shall be the "front" in the case where a Lot is bordered by more than one street. In the event the Architectural Review Board fails to approve or disapprove any request within sixty (60) days after complete plans and specifications have been submitted to it in accordance with the guidelines promulgated by the Architectural Review Board, the same shall be deemed approved, and this Article shall be deemed to have been fully complied with, provided, however, that no such failure to act shall be deemed an approval of any matters specifically prohibited by any other provision of this Declaration. Refusal of approval of plans, specifications and plot plans or any of them may be based on any grounds, including purely aesthetic grounds,

which in the sole and uncontrolled discretion of the Declarant or the Architectural Review Board may seem sufficient. Any change in exterior appearance of any building, wall, fence or other structural improvements, and any change in the appearance of the landscaping, shall be deemed an alteration requiring approval.

All construction of any nature shall further be subject to the provisions and requirements of Article XV RESTRICTIVE COVENANT.

Section 4. Lot Filling. No Lot may be cleared, graded cut or filled for any reason until the Architectural Review Board has reviewed and approved the application for approval of the proposed improvement. The site plan, along with the tree survey and other documents required by the Architectural Review Board, must clearly delineate the extent of clearing, grading, cutting and filling.

Section 5. Fee Schedule. The Architectural Review Board may adopt a schedule of reasonable fees for processing requests for approval. Such Fees, if any, shall be payable to the Association at the time that the plans and specifications and other documents are submitted to the Architectural Review Board. The payment of such fees, as well as other expenses of the Architectural Review Board required to be paid, shall be deemed to be an individual Assessment, enforceable against the Owner and the Lot as provided hereinabove. The Architectural Review Board is expressly reserved the right and power, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the Architectural Review Board in its review of any plans or specifications, and the cost of such consulting services shall be the responsibility of the respective applicant or Owner of the subject property.

Section 6. Defects or Damages. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be liable for any costs or damage incurred by an Owner or Association or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the Architectural Review Board in connection with the approval or disapproval of plans and specifications. Each Owner or Association and occupant of any property within Wild Wing Plantation agrees, as do their successors and assigns by acquiring title thereto or an interest therein, or by assuming possession thereof, that they shall not bring any action or suit against the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, or their respective agents, in order to recover any damages caused by the actions of the Architectural Review Board. The Association shall indemnify, defend and hold the Architectural Review Board and each of its members harmless from all costs, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the Architectural Review Board or its members. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans and specifications, nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

ARTICLE VIII.Exterior Maintenance, Reasonable Access
and Maintenance of Common Areas

Section 1. Exterior Maintenance. The Owner shall maintain the structures and grounds on each Lot at all times in a neat and attractive manner. Upon the Owner's failure to do so, the Declarant, or the Association (after the termination of Class B membership status of Declarant) may, at its option, after giving the Owner ten (10) days written notice sent to his last known address, or to the address of the subject premises, have the grass, weeds, shrubs and vegetation cut when and as often as the same is necessary in its judgment, and have dead trees, shrubs and plants removed from such Lot, and replaced, and may have any portion of the Lot resodded or landscaped, all of which shall not be deemed a trespass, and all expenses of the Association under this provision shall be a lien and charge against the Lot on which the work is done and the personal obligation of the then Owner of such Lot. The Declarant or the Association, and its assigns, may likewise, after giving the owner ten (10) days written notice sent as aforesaid, enter upon such Lot(s) to remove any trash, debris or garbage which has collected on said Lot(s) without such entrance and removal being deemed a trespass, all at the expense of the owner of said Lot. Upon the Owner's failure to maintain the exterior of any structure in good repair and appearance, the Association may, at its option, after giving the Owner thirty (30) days written notice sent to his last known address, make repairs and improve the appearance in a reasonable and workmanlike manner. The cost of any of the work performed by the Association upon the Owner's failure to do so shall be immediately due and owing from the Owner of the Lot and shall constitute an assessment against the Lot on which the work was performed, collectible in a lump sum secured by a lien against the Lot as herein provided.

Section 2. Access at Reasonable Hours. For the purpose of performing its function under this or any other Article of the Declaration, and to make necessary surveys in connection therewith, the Association, by its duly authorized agent and employees, or the Declarant during the period of development, shall have the right to enter upon any Lot at reasonable hours, on any day except Sundays and holidays, on reasonable prior notice.

Section 3. Maintenance of Common Areas. It shall be the responsibility of the Association to maintain the Common Areas. However, should the Declarant (prior to conveyance to the Association) or the Association (after the termination of the Class B status of Declarant), decide to transfer any portion or all of the areas designated or to become, by conveyance, Common Areas to governmental authority, as they have the right to do, such duty to maintain same shall cease as to that portion so transferred.

ARTICLE IX.Phased Development

Section 1. Phase I. The real property which is, and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Horry County, South Carolina, and is more particularly described on Exhibit "A" attached hereto and made a part and parcel hereof.

Section 2. Additional Phases. The Declarant may, at its option, from time to time bring other land under the provisions hereof by recording a Supplemental Declaration(s) or amendment stating its intention to so incorporate additional real estate. Declarant may incorporate such additional land under the provisions hereof in any number of additional phases as it may so desire. Such Supplemental Declaration(s) or amendment shall not require the vote or consent of the association or any Owner. Any such Supplemental Declaration(s) shall be effective upon the filing thereof in the public records of Horry County, South Carolina. Such Supplemental Declaration shall describe the real property to be brought under the provisions hereof. Any such property to be brought under the provisions of this Declaration must be contiguous or near to property already subjected to the provisions of this Declaration at that time and must be owned by Declarant or its successors and assigns as developer. Declarant may bring such additional real estate under the terms hereof either in whole or in part and may do so in multiple phases. Upon the Declarant's election to incorporate additional real estate hereunder, all of such real estate so incorporated shall be as fully covered hereby as if a part of the original Development. However, Declarant reserves the right unto itself to change or modify the restrictions applicable to such additional phases by such supplemental declaration, which changes or modifications may include, without limitation, increasing or decreasing the size of Lots within such phases(s), modifying the building setback lines within such phases(s) and changing architectural and material requirements and minimum home size requirements within such phase(s). Subject to the foregoing, all property so incorporated shall be subject to all the declarations, covenants, easements, liens, restrictions and duties as herein contained, together with such additional restrictions and obligations or modifications to these Restrictions as Declarant may impose on the land being submitted to the provisions of this Declaration by such Supplemental Declaration(s). Declarant shall have the unilateral right to transfer to any other person or entity the said right to submit additional property to the provisions of this Declaration. Declarant shall have no obligation to develop any land adjoining the Properties in accordance with this Declaration and may develop same in any manner it may desire and further, Declarant, in the event that it should decide to develop any additional land located adjacent to the Properties, in its sole discretion, shall have no obligation to make same a part of this Project or subject to this Declaration. THE DECLARANT SHALL BE UNDER NO OBLIGATION TO DEVELOP ADDITIONAL PHASES AND NONE OF THE REMAINING PORTION OF THE PROPERTY DESCRIBED HEREIN SHALL BE DEEMED A PART OF ANY SCHEME OF DEVELOPMENT UNTIL ACTUALLY BROUGHT UNDER THESE RESTRICTIONS AS HEREIN PROVIDED.

Section 3. Reservation of Additional Easements and Rights. Declarant reserves for itself and its successors and assigns as developer (and all conveyances by Declarant to Association of Common Areas shall be deemed to automatically reserve) easements over, under and across all Common Areas for ingress and egress and for construction and completion of construction and development of this phase and all future phases of the Development and/or for the construction and development of other property of Declarant, whether or not such other property is submitted to the terms and provisions of this Declaration, including, without limitation, easements for the installation, construction, reconstruction, repair, maintenance and operation of all utility services; said easements to be in addition to and not in lieu of any other rights or easements reserved by Declarant herein or in any supplement hereto or any other conveyance by or to Declarant or its predecessors in title.

ARTICLE X.

Rights of Mortgagees

Rights of Mortgagees or Third Parties. Should a mortgagee or third party acquire the rights of Declarant, by way of foreclosure or otherwise in adjoining or neighboring property contained within the property contiguous to the property subject to this declaration, as same may exist from time to time, it shall be allowed full use of all rights, easements, rights-of-way and utilities contained within The Properties for the purpose of serving such adjoining or neighboring areas. These rights shall also inure to the benefit of Declarant should it retain or be the Owner of any portion of said property. Any of such parties may elect to bring additional phases under this Declaration.

ARTICLE XI.

Insurance and Casualty Losses

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount (as determined by the insurance underwriter) sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

The Board shall also obtain a public liability policy covering the Common Area, Buffer area and any other areas Association is permitted to enter upon, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million and No/100 (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a One Million and No/100 (\$1,000,000.00) Dollars limit per occurrence, and a Five Hundred Thousand and No/100

(\$500,000.00) Dollar minimum property damage limit.

Cost of insurance coverage obtained by the Association for the Common Area shall be included in the Assessment.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association as Trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in South Carolina which holds a Best's rating of A or better as is assigned a financial size category of XI or larger as established by A.M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies on the Common Area and fencing referred to above shall be for the benefit of the Association and Declarant shall be named as additional insured.

(c) Exclusive authority to adjust losses under policies in force on the Common Areas and said fencing obtained by the Association shall be vested in the Association's Board of Directors.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

(ii) that no policy may be cancelled, invalidated, or suspended on account of the conduct of any Director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, its Owner, or mortgagee;

(iii) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(iv) That no policy may be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

Association, its successors and assigns, members, officers and directors do hereby knowingly and voluntarily forever release and discharge Declarant, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity, including, without limitation, indemnification and/or subrogation, in anyway arising from our related to conditions of the Property, accidents, personal injury, occurrences or the like, in anyway relating to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. However, no fidelity bond shall be required as long as the class B Member exists. The amount of fidelity coverage shall be determined in the directors' best business judgment but may not be less than three (3) months' assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

The Association may purchase officers and directors liability insurance, if reasonably available and the Board of Directors of the Association approves the purchase of same. However, every Director and every officer of the Property Owners Association shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been a Director or Officer of the Association, whether or not he is a Director or Officer at the time such expenses are incurred, except in such cases wherein the Director or Officer is adjudged guilty or willful misfeasance or malfeasance in the performance of his duties; provided, that in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or Officer seeking such reimbursement or indemnification, the indemnification herein shall only apply if the Board of Directors approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction to the Common Area or, in the event no repair or reconstruction is made, shall be retained by and for the benefit of the Association and placed in a capital improvements account.

(b) If it is determined, as provided for in Section 4 of this Article, that the damage or destruction to the Common Area for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner provided for excess proceeds in Section A above. However, repair or replacement of the affected Common Area must be made unless prevented by law or governmental rule or regulation.

Section 3. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Board of Directors of the Association, shall decide within thirty (30) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the Common Area damaged or destroyed shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Area shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

Section 4. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against all Owners in proportion to the number of Lots owned, provided, if the damage or destruction involves a Lot or Lots only Owners of the affected Lots shall be subject to such assessment. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Section 5. Declarant has contracted and paid for Pollution Legal Liability Policy #PLS 1959333 written by American International Specialty Lines Insurance Company (the "Policy", which term shall include substitute policies, renewals, replacement policies or the like), which such policy is procured responsive to portions of the Development, Project, Wild Wing, Community, Properties

or Property, as defined herein, having been determined by the United States Army Corps of Engineers to be within the former Conway Bombing and Gunnery Range. See Articles XV and XVI herein. The effective anniversary dates of the Policy are December 27, 2005 thru December 27, 2015, after which the Association Board of Directors may, in its discretion, elect to renew, extend, replace or discontinue such coverage. The Association Board of Directors shall not discontinue such coverage at any time prior to the expiration of the original effective anniversary date recited above.

The Policy has or shall be amended to include the Association as an Additional Named Insured. Immediately thereupon, The Association agrees and hereby does accept contractual liability obligations to indemnify and hold harmless Declarant, Members, Owners, their successors, heirs and assigns, their guests, licensees, invitees or others upon the Development, Project, Wild Wing, Community, Properties or Property, as defined herein, to the full extent coverage exists, and only to such extent, pursuant to the terms and conditions of the Policy.

The Association shall report, notice and facilitate the handling and management of any such claims and shall and hereby does assume responsibility for any Self Insured Retention (deductible) applicable thereto. Any and all Self Insured Retention amounts shall be borne by the Association and charged to the Members as a portion of Annual Assessments and/or Special Assessments as defined herein.

In the event Insurance Coverage in these regards is unavailable for any reason, including inapplicability, non-renewal, lapse or otherwise, Member and/or Owner, its, his, her or their (as the case may be) heirs, successors and assigns, do hereby knowingly and voluntarily forever release and discharge Association, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity in any way arising from or related to conditions of the Property, accidents, personal injury, occurrences or the like in any way related to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

ARTICLE XII.

General Provisions

Section 1. Time of Essence. It is agreed that time is of the essence with regard to these restrictions, protective covenants, limitations and conditions.

Section 2. Enforcement. In the event of a violation or breach of any of these restrictions by any Owner, or agent, or agent of such Owner, the Owners of Lots in the subdivision, or any of them, jointly or severally, the Declarant and/or the Association shall have the right to proceed at law or in equity to compel a compliance to the terms hereof or to prevent the violation or breach in any such event or to recover damages. In addition to the foregoing, the Declarant, its successors and assigns, shall have the right, but shall be under no obligation whenever there shall have been built

on any lot in the subdivision any structure which is in violation of these restrictions, to enter upon the property where such violation exists, and summarily abate or remove the same at the expense of the Owner, if, after thirty (30) days written notice of such violation, it shall not have been corrected by the Owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any rights, reservation, restriction or condition contained in this Declaration, however long continued, shall not be deemed a waiver of the rights to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. Should Declarant or Association employ Counsel to enforce any of the foregoing covenants, conditions, reservations or restrictions, because of a breach of the same, all costs incurred in such enforcement, including a reasonable fee for Declarant's Counsel shall be paid by the Owner of such lot or Lots in breach thereof. Any amount assessed hereunder shall constitute a lien on such lot and shall be enforceable as herein provided. Failure of Declarant, the Association or any Owner to enforce any covenant or restriction contained herein shall not be deemed a waiver of the right to do so thereafter.

Section 3. Responsibility of Declarant. The Declarant herein shall not in any way or manner be liable or responsible for any violation of these restrictions by any person other than itself. In addition, nothing contained in this Declaration shall be deemed to be a representation by Declarant with regard to the requirements of any governmental authority and it shall be the duty of each Owner to comply with any such requirements in addition to the provisions of this Declaration.

Section 4. Rule Against Perpetuities. In the event that any of the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective, then in that event, such term shall be reduced to a period of time which shall not violate the rule against perpetuities or any other law of the State of South Carolina, and such provision shall be fully effective for said reduced period of time.

Section 5. Binding Effect. All covenants, conditions, limitations, restrictions, easements and affirmative obligations set forth in this declaration shall be binding on the Owners of the Lots, and their respective heirs, successors and assigns and run with the land. All rights, easements and agreements reserved by or granted to Declarant shall inure to the benefit of Declarant, its successors and assigns including, without limitation, the right to develop and submit additional phases. Declarant reserves the right in addition to all other rights of Declarant, to assign its rights of consent and approval as set out in this Declaration and any amendment hereto or supplement hereof, to Association, or to any assignee of Declarant's development rights.

Section 6. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the Association, or the Owner of any land subject to this Declaration, and their respective legal representatives, heirs, successors and assigns.

Section 7. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered

or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in nowise effect any other provisions which shall remain in full force and effect.

Section 9. Amendment. In addition to any other manner herein provided for the amendment of this Declaration, the covenants, restrictions, easements, charges and liens of this agreement may be amended, changed, added to, derogated or deleted at any time and from time to time upon the execution and recordation of any instrument executed by Owners holding not less than two-thirds (2/3) vote of the membership in the Association, provided, that so long as the Declarant is the Owner of any Lot affected by this Declaration the Declarant's consent must be obtained. Provided, further, that the provisions for voting of Class A and Class B Members as hereinabove contained in this Declaration shall also be effective in voting for changes in this Declaration.

Section 10. Amendment Prior to Sale by Declarant. At any time prior to the closing of the first sale of a Lot by Declarant, the Declarant, and any mortgage holder, if any, may amend this Declaration by mutual consent. The closing of the first sale shall mean transfer of title and delivery of a deed and not execution of a Contract of Sale or a like document.

Section 11. Effective Date. This Declaration shall become effective upon its recordation in the Office of the Register of Deeds for Horry County, South Carolina.

Section 12. Plat. Reference to Exhibit A, "plat", "map" other term synonymous therewith shall mean and include Exhibit A as recorded herewith and all subsequent revisions thereof, together with any and all additional plats or maps filed as any additional phases, if any, are submitted to this Declaration as and when recorded in the Office of the Register of Deeds for Horry County, South Carolina.

ARTICLE XIII.

Additional Matters Dealing with Phased Development

Section 1. Voting Rights. As each phase, if any, is added to the Development, the Lots comprising such additional phase shall be counted for the purpose of voting rights.

ARTICLE XIVSpecial Restrictions for Golf Course Lots

Section 1. Golf Course Property. A golf course is currently located adjacent to portions of the Property. Although the golf course is currently owned by Declarant, the golf course is not, and is not intended to be, a Common Area of the Project. Purchase of property in the Subdivision does not guarantee or vest in the purchaser or Owner the right to use of the golf course. Each Owner, by acceptance of a deed to a Lot acknowledges that no Owner acquires any interest in the golf course by virtue of taking title to property within the Project. Each Owner acknowledges that no representations or warranties, either verbal or written have been made by the Declarant or any other person regarding the continued ownership or operation of, or rights in the golf course, or that the golf course will become Common Area to the Association.

Section 2. Easements. Until such time as a residence is constructed on a Lot bordering the golf course, Declarant hereby reserves unto itself, its successors and assigns, an easement to permit and authorize registered golf course players to enter upon such Lot to recover a ball or play a ball, without such entering and playing being deemed a trespass.

Every Lot bordering a golf course and any Common Area bordering the golf course are burdened with an easement to come upon the Lot or Common Area immediately adjacent to the golf course for the purposes related to the playing of golf and the normal operation of the golf course and for golfers at reasonable times and in a reasonable manner to come upon the exterior portions of such Lot or Common Area in order to retrieve errant golf balls. The existence of this easement shall not relieve golfers of liability for damage caused by errant golf balls. However, under no circumstances shall the Declarant or the Association be held liable for any damages or injury caused from errant golf balls or the exercise of this easement.

Section 3. Golf Course Maintenance. Each Owner, occupant or other person acquiring an interest in a Lot within the Project is hereby deemed to acknowledge being aware that for such period of time as the golf course is being used as a golf course, it can be expected that (a) maintenance activities on the golf course shall begin early in the morning and extend until late into the evening; (b) during certain periods of the year the golf course will be heavily fertilized; and (c) golf balls are not susceptible of being easily controlled and accordingly may land or strike beyond the golf course boundaries. Neither the Declarant, nor any employee or agent of the Declarant, shall be liable for personal injury or property damage caused by errant golf balls.

Section 4. Actions of Lot Owners. Owners or occupants of Lots bordering the golf course fairways shall be obligated to refrain from any actions which would detract from the playing qualities of the golf course or unreasonably distract golfers from the playing of golf.

ARTICLE XV

Restrictive Covenant

No excavation of any portions of the property shall be made which exceed four (4) feet in depth below the grade level of the property without the prior written approval of Declarant (or its assignee or designee). Furthermore, swimming pools or other similar improvements shall not be installed without the prior written approval of Declarant (or its assignee or designee). The approval of Declarant (or its assignee or designee) may be conditioned upon the Lot Owner providing Declarant (or its assignee or designee) with the written results of an examination of the area in which such excavation is to occur, which examination shall be performed by EODT (as hereafter defined, or such other party approved by Declarant or its assignee or designee), confirming that the area is clear of any ordnance or explosive materials.

ARTICLE XVI

The Directors selected by the Class "B" member pursuant to this Section need not be Members as provided in Section 1 of this Article.

Section 3. Veto. This Section 3 may not be amended without the express, written consent of the Class "B" member, so long as the Class "B" membership exists.

So long as the Class "B" membership exists, the Class "B" member shall have a veto power over all actions of the Board and any committee, as is more fully provided in this Section. This veto power shall be exercisable only by the Class "B" member, its successors, and assigns who specifically take this power in a recorded instrument. The veto power shall be as follows:

No action authorized by the Board of Directors or any committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

(a) The Class "B" member shall have been given written notice of all meetings and proposed actions approved at meetings of the Board or any committee by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies as to the Board of Directors meetings with Article III, Sections 10 and 11, of these By-Laws as to regular and special meetings of the Directors and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) The Class "B" member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of the meeting relative to any prospective action, policy, or program to be implemented by the Board, any committee, or the Association. The Class "B" member and its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee and/or the Board. The Class "B" member shall have and is hereby granted a veto power over any such action, policy, or program authorized by any committee or the Board of Directors and to be taken by any committee or Board of the Association or any individual member of the Association if Board, committee, or Association approval is necessary for said action. This veto may be exercised by the Class "B" member, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. Any veto shall not extend to the requiring of any action or counteraction on behalf of any committee, or the Board or the Association.

Section 4. Number of Directors. The number of Directors in the Association shall not be less than three (3) nor more than five (5), as provided below. The initial Board shall consist of three (3) members as identified in the Articles of Incorporation.

Section 5. Nomination of Directors. Except with respect to Directors selected by the Class "B" Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and three (3) or more Members of the Association. The Nominating Committee

shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Voting Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each such annual meeting. Nominations shall be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

Section 6. Election and Term of Office. Notwithstanding any other provision contained herein:

At the first annual meeting after the termination of Class B control, five (5) Directors shall be elected. Two (2) of the Directors, elected pursuant to this Section, shall be elected to serve for a term of three (3) years. Two (2) of the remaining Directors shall be elected to serve for a term of two (2) years, with the final Director elected to serve for a one (1) year term. Members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association. Directors may be elected to serve any number of consecutive terms. Each member elected thereafter shall be elected for a two (2) year term.

Section 7. Removal of Directors and Vacancies. Any Director of the Association may be removed, with or without cause, by a vote of the Voting Members with a majority vote of the membership. Any Director whose removal is sought will be given notice prior to any meeting called for that purpose. Upon removal of a Director, a successor shall then and there be elected to fill the vacancy by the Voting Members responsible for such removal.

Any Director who has three (3) consecutive unexcused absences from Board meetings or who is delinquent in the payment of any assessment for more than thirty (30) days may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board. In the event of the death, disability, or resignation of a Director, a vacancy may be declared by the Board and it may appoint a successor. Any Director appointed by the Board shall serve for the remainder of the term such successor was appointed to fill.

Section 8. Voting Procedure for Directors. At any election of Directors to the Board of Directors, each Voting Member may cast, in respect to each vacancy, as many votes as he or she is entitled to exercise under the Declaration. The candidates receiving the largest number of votes shall be elected.

B. Meetings.

Section 9. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 10. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to Directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 11. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or by a majority of Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (d) by telegram, charges prepaid. All such notices shall be given by use of the Director's telephone number or shall be sent to the Director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least three (3) days before the time set for the meeting.

Section 12. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 13. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors who are present at such meeting may adjourn the meeting until such time and place as they may determine. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 14. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by Members holding a majority of the total vote of the Association at a regular or special meeting of the Association; provided any Director may be

reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other Directors.

Section 15. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings.

Section 16. Open Meetings. Subject to the provisions of Section 17 of this Article, all meetings of the Board shall be open to all Voting Members, but Voting Members other than Directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a Director. In such case, the President may limit the time any Voting Member may speak.

Section 17. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 18. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Voting Members or the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

In addition to the duties imposed by these By-Laws or by any resolution of the Association that may be hereafter adopted, the Board of Directors shall have the power to and shall be responsible for the following, in way of explanation, but not limitation:

(a) preparation and adoption of an annual budget in which there shall be established the contribution of each Owner to the Common Expenses;

(b) making assessments to defray the Common Expenses, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of the annual assessment; provided, unless otherwise determined by the Board of Directors, the annual assessment for each Declaration's proportionate share of the Common Expenses shall be payable in equal monthly installments, or as determined by the Board of Directors;

(c) providing for the operation, care, upkeep, and maintenance of all of the Common Areas;

(d) designating, hiring, and dismissing the personnel necessary for the maintenance, operation, repair, and replacement of the Association, its property, and the Common Areas and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the Association; provided, any reserve fund may be deposited, in the Directors' best business judgment, in depositories other than banks;

(f) making and amending rules and regulations;

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the Common Area in accordance with the other provisions of the Declaration and these By-Laws after damage or destruction by fire or other casualty;

(i) enforcing by legal means the provisions of the Declaration, these By-Laws, and the rules and regulations adopted by it and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association;

(j) obtaining and carrying insurance against casualties and liabilities, as provided in the Declaration, and paying the premium cost thereof;

(k) paying the cost of all services rendered to the Association or its Members and not chargeable to Owners;

(l) keeping books with detailed accounts of the receipts and expenditures affecting the Association and its administration, specifying the maintenance and repair expenses and any other expenses incurred. The said books and vouchers accrediting the entries thereupon shall be available for examination by the Owners and mortgagees, their duly authorized agents, accountants, or attorneys, during general business hours on working days at the time and in a manner that shall be set and announced by the Board of Directors for the general knowledge of the Owners. All books and records shall be kept in accordance with generally accepted accounting principles;

(m) making available to any prospective purchaser of a Lot, any Owner of a Lot, any first Mortgagee, and the holders, insurers, and guarantors of a first Mortgage on any Lot, current copies of the Declaration, the By-Laws, rules governing the Lot, and all other books, records, and financial statements of the Association; and

(n) permitting utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the properties.

Section 19. Management Agent.

(a) The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these By-Laws, other than the powers set forth in subparagraphs (a), (b), (f), (g), and (i) of Section 18 of this Article. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee or penalty on ninety (90) days' or less written notice.

Section 20. Accounts and Reports. The following management standards of performance will be followed unless the Board by resolution specifically determines otherwise:

(a) accrual accounting, as defined by generally accepted accounting principles, shall be employed with regard to the annual audit, while the regular monthly accounting shall be on a cash basis;

(b) accounting and controls shall conform to generally accepted accounting principles;

(c) cash accounts of the Association shall not be commingled with any other accounts;

(d) no remuneration shall be accepted by the managing agent from vendors, independent contractors, or others providing goods or services to the Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts, or otherwise unless it benefits the Association;

(e) any financial or other interest which the managing agent may have in any firm providing goods or services to the Association shall be disclosed promptly to the Board of Directors;

(f) commencing at the end of the month in which the first Lot is sold and closed, financial reports shall be prepared for the Association at least quarterly containing:

(i) an income statement reflecting all income and expense activity for the preceding period on an accrual basis;

(ii) a variance report reflecting the status of all Association ledger accounts in an "actual" versus "approved" budget format;

(iii) a balance sheet as of the last day of the preceding period; and

(iv) a delinquency report listing all Owners who are delinquent in paying the assessments at the time of the report and describing the status of any action to collect such installments which remain delinquent (A monthly installment of the assessment shall be considered to be delinquent on the fifteenth (15th) day of each month unless otherwise determined by the Board of Directors); and

(g) an annual report as of the end of the fiscal year consisting of at least the following shall be distributed to all Members within one hundred twenty (120) days after the close of the fiscal year: (1) a balance sheet; (2) an operating (income) statement; and (3) a statement of changes in financial position for the fiscal year. The annual report referred to above shall be prepared on an audited basis, by an independent certified public accountant for each fiscal year.

Section 21. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of repair or restoration of the Common Areas or for the purpose of funding budgetary shortfalls, without the approval of the membership; provided, however, the Board shall obtain Voting Member approval by majority vote for special assessments in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities, and the total amount of such borrowing exceeds or would exceed five (5%) percent of the budgeted gross expenses of the Association for that fiscal year.

Section 22. Rights of the Association. With respect to the Common Areas, and in accordance with the Articles of Incorporation and By-Laws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or neighborhood and other Owners or residents associations, both within and without the properties. Such agreements shall require the consent of two-thirds (2/3) of all Directors of the Association.

Section 23. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's right to vote or to use the Common Area for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Lot. In the event that any occupant of a Lot violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the

Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder, except the suspension of voting rights for nonpayment of assessments, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) Hearing. If a hearing is requested in a timely manner, the hearing before the Covenants Committee shall be held in executive session affording the Owner a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

(c) Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President, or Secretary of the Association within thirty (30) days after the hearing date.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

Article IV Officers

Section 1. Officers. The officers of the Association shall be a President, Vice President, Secretary, and Treasurer, to be elected from among the members of the Board. The Board of Directors may appoint such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have the authority and perform

The President shall be the chief executive officer of the Association. The Treasurer shall have the responsibility for the preparation of the budget as provided for in the Declaration.

Section 5. Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Section 6. Agreements, Contracts, Deeds, Leases, Checks, Etc. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by resolution of the Board of Directors. Provided however, agreements, contracts and checks may be executed by the Management Agent.

Each committee shall operate in accordance with the terms of the resolution of the Board of Directors designating the committee or with rules adopted by the Board of Directors.

Section 2. Covenants Committee. In addition to any other committees which may be established by the Board pursuant to Section 1 of this Article, the Board of Directors may appoint a Covenants Committee consisting of at least five (5) and no more than seven (7) members. Section 4. Books and Records.

(a) Inspection by Members and Mortgagees. The Declaration and By-Laws, membership register, books of account, and minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any Mortgagee, Member of the Association, or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the Properties as the Board shall prescribe.

3 COURT REPORTER: For what?

4 MR. MILLER: Gated communities.

5 THE DEPONENT: Today we are association
6 management and the maintenance that goes
7 along with that, still doing the staffing,
8 but I sold the landscape company many years
9 ago.

10 BY MR. MILLER:

11 Q. Congratulations. Tired of replacing dead
12 palm trees, I presume.

13 So when you say "association management,"
14 would the accounting functions that Jane now
15 performs for you, would that be part of that
16 association management?

17 A. Correct. Yes. Bookkeeping for the
18 associations, doing their monthly financials, yes.

19 Q. And so your job, of course, is overseeing
20 all of your managers in charge of those different
21 functions. Is that fair?

22 A. Yes.

23 Q. You know that this deposition is about a
24 dispute at Wild Wing, do you not?

25 A. Yes.

1 someone raids from me, they've stolen from me, and
2 they don't intend to give it back or put it back.

3 Q. Okay. Any -- anything else? Any other
4 difference?

5 **A.** No.

6 Q. Okay. You testified earlier that when a
7 person is -- assumes a position on the board of an
8 HOA, they owe a fiduciary duty to the association;
9 is that right?

10 **A.** Yes.

11 Q. Even if that person was appointed by a
12 declarant?

13 **A.** Absolutely.

14 Q. Is that right?

15 **A.** Absolutely.

16 Q. And so what happens then to that person when
17 the interest of the declarant and the interest of
18 the HOA -- or let's say -- and by HOA, I mean, the
19 property owners who are not the declarant -- what
20 happens to the board member when those interests
21 conflict?

22 **A.** Well, it's the same thing that happens to
23 anyone else that serves on any board where they
24 have a fiduciary responsibility and their personal
25 or professional interests conflict. They either --

1 Does this help you recall that the board
2 sought the review by an auditor and got that
3 opinion?

4 **A.** Repeat that, please.

5 Q. Does reading this note here help refresh
6 your recollection about the board getting or the
7 finance committee getting the advice of a
8 professional auditor on this issue?

9 **A.** Other than Jim Corbett?

10 Q. No. He counts. He's a professional
11 auditor, is he not?

12 **A.** Yeah. Jim was the one at this time that I
13 can recall that was involved in these discussions
14 between Barry and, I guess, the board.

15 I really don't recall the results of those
16 that much, other than it was, to my understanding,
17 the way it had been handled by the same auditing
18 firm as multiple developer-controlled communities.

19 Q. Would the finance committee have recommended
20 a proposed developer contribution calculation up to
21 the board? Is that how it works?

22 **A.** That finance committee, at the time I worked
23 with them, offered a budget recommendation line by
24 line. My recollection is I presented a budget, and
25 it had them cut mustard for the finance committee

10:50 AM

1 before it was presented to the board for approval.

2 And we went over that budget line by line.
3 I can't recall all the details. But it was a very
4 positive experience, learning experience for
5 everybody. And ultimately, we were both pretty
6 close, is my recall, on the budget to present for
7 that particular year.

8 Q. Okay.

9 A. Very sharp people on that finance committee.

10 Q. Good. I'll come back to those budgets.

11 Right now if you would pull up Exhibit
12 Number 2?

13 (EXHIBIT 2, Wild Wing 2011 Developer
14 Assessment Exposure, was marked for
15 identification.)

16 THE DEPONENT: All right.

17 BY MR. MILLER:

18 Q. And I realize some of those documents
19 predate your involvement. But those are what we're
20 calling the developer calculations. The developer
21 assessment exposures is what they call...

22 Have you seen these before?

23 A. Maybe.

24 Q. Okay. So these are a little bit different
25 than the budget, right?

1 inclusive up to the board --

2 **A.** Sorry. I recall is the finance committee
3 wanted Phillips out of there at that time and
4 another auditor in, and that's when Deborah Weir
5 came in.

6 Q. Okay.

7 **A.** Somewhere around '15, '16.

8 Q. So when you spoke earlier, you used the
9 words "an owner-generated request to change
10 auditors."

11 You're telling me that came from the finance
12 committee? That's what you're talking about?

13 **A.** Well, no. My recall is that that came from
14 Barry before there was a finance committee. The
15 committee process was still in early discussions.

16 Q. So "owner recommended," you're talking about
17 Barry Dykes?

18 **A.** That is correct. That's my recall.

19 Q. Okay.

20 MR. MILLER: Paul, we've been going
21 just over an hour. Do you want to take a
22 short break? Please say yes.

23 THE DEPONENT: Yes.

24 MR. MILLER: Thank you.

25 Y'all want to say -- we need to set a

1 see '14, that was done by Lisa Marie Rockwood. '15
2 would have been the first one that I was involved
3 with.

4 Q. Okay. Would it also have been the last one
5 you were involved with?

6 A. No. I should have been involved with '16
7 and '17 at that point, then.

8 Q. Okay. I've got Kristy Farley's name on
9 those, and then I see your name again on the 2018.

10 A. That was -- that was my parting gift, I
11 guess. I prepared the budget of 2018. I left at
12 the end of '17.

13 Q. Okay. Got it.

14 So walk me quickly through, how does the
15 budget process work? How does that go?

16 A. You know, you identify the expenses, past.
17 You identify expectations from your service
18 providers and utilities of what the prices may do
19 going forward. You put all the specific budget
20 items that are inflexible. I mean, they have to be
21 there. They're mandatory. You identify them. You
22 look at the items that are discretionary, identify
23 all of them as well.

24 And primarily based on expenses and
25 projections of funds to be expensed, put them all

1 together and, Voila, there's the budget.

2 Q. Okay. And as the property manager, you
3 prepare the first draft. Is that what you're
4 telling me?

5 A. I do, yes.

6 Q. And do you then present that to the finance
7 committee?

8 A. Hmm.

9 Q. And I'm talking about the Wild Wing project.
10 Would you present that to the finance committee?

11 (Indiscernible crosstalk.)

12 THE DEPONENT: -- probably both. My
13 first one may have presented only to the
14 board and advisor members that, you know,
15 they had invited or not. And then after the
16 committees were established and had their
17 charters, the first draft would go to the
18 finance committee. That's correct.

19 BY MR. MILLER:

20 Q. Okay. And then from there would the finance
21 committee, whenever they finally approve it,
22 recommend it up the line to the board of the POA?
23 Is that how it went?

24 A. In my case, they presented very expertly
25 both their recommendations and mine, like, side by

1 Q. Yeah. When you say they approved the
2 budget, the POA board approved the budget, did it
3 not?

4 A. Which was developer controlled, yes.

5 Q. Right. But it was the POA board, not the
6 developer board, correct?

7 A. POA board, yes, sir.

8 Q. Okay. And then I've got some correspondence
9 where you sent numbers over to a lady named Lisa
10 Mackley, you know, letting her know what the number
11 is for the developer contribution.

12 Do you remember that you would communicate
13 that over to the developer?

14 A. I'm sorry, David. Repeat that.

15 Q. Do you remember that upon approval by the
16 POA, you would let the developer know what their
17 requested contribution would be?

18 A. Yes.

19 Q. And so the end number is zero. When I'm
20 looking at these budgets, it always ends in zero?

21 A. Isn't that wonderful?

22 Q. Why is that?

23 A. Well, it was -- it was practice. When you
24 build a budget, you build a balanced budget. Now,
25 the budget is just a guess, a best guess based on

1 administration of the amendment of the same
2 amendments of 2011 to 2016, right?

3 Q. Well, that's what I'm getting ready to ask
4 you. So let me ask you this way.

5 Did the Wild Wing POA board call and notice
6 a special members' meeting for the purpose of
7 voting on this amendment?

8 A. Yes.

9 Q. And did you --

10 A. Probably -- it's probably in the minutes.

11 Q. And did you oversee ensuring that that
12 special meeting was called, noticed, and conducted
13 in accordance with the Declaration for Wild Wing,
14 the community documents?

15 A. Yes.

16 Q. Was it, in fact, called, noticed, and
17 conducted in accordance with the community
18 documents?

19 A. Well, it's here. It must have been.

20 Q. Okay. Is that your signature on the front
21 page of the Proof of Mailing?

22 A. Yes, and of the notice. That's my signature
23 on the notice as well.

24 Q. Okay. And then if you flip forward, there's
25 a copy of the amendment that was sent -- that was

1 Q. Mine, too.

2 Is this your tally sheet? Did you create
3 this and enter the numbers "1" beside or under
4 "pro" or "con"?

5 A. Although I would look at it periodically, my
6 assistant probably put this tally sheet together.
7 That's one of the things I had the benefit, luxury
8 of having when I was there, an assistant to receive
9 all these return proxies and put them in this type
10 of format.

11 Q. Would you review it and ensure its accuracy
12 and correctness?

13 A. I would. I said yes.

14 Q. Okay. Thank you.

15 Paul, I'm going to ask you about reserve
16 accounts a little bit.

17 There have been some allegations in the
18 formal pleadings of the lawsuit, and then also some
19 discussion in a deposition with Mr. Dykes, as to
20 whether the developer raided the reserve accounts
21 and used monies inappropriately.

22 If you would look at Exhibit Number 8 and
23 also Number 9. If you'll dig those out, please.

25 for identification.)

1 **A.** Yes, sir.

2 **Q.** Okay. Sounds like you're familiar with
3 their operation?

4 **A.** Very much.

5 **Q.** How would you rate them as among property
6 management companies on the beach?

7 **A.** Absolute best I've ever seen.

8 **Q.** Wow. High praise.

9 Let's talk more -- a little more
10 specifically.

11 So you told me that you did audit work --

12 **A.** Right.

13 **Q.** -- for Wild Wing?

14 **A.** (Moves head up and down.)

15 **Q.** And when I say "Wild Wing," I mean the
16 property owners association, because that's who you
17 worked for.

18 **A.** (Moves head up and down.)

19 **Q.** Did you also prepare calculations as to what
20 the developer's dues contribution should be?

21 **A.** Yes.

22 **Q.** Did you participate in analyzing the reserve
23 funding?

24 **A.** Yes.

25 **Q.** Anything else?

1 it's minutes of a Wild Wing POA finance committee
2 meeting. And just look it over and tell me if you
3 recognize that document.

4 **A.** Yes, sir.

5 Q. And I'm looking at the last page. And
6 mine's highlighted (indicating). If you'll see
7 this part right here is what I'm looking at.

8 **A.** Okay.

9 Q. And -- and it reads, and tell me if I read
10 this correctly: "Also, the auditor's formula for
11 determining the developer's contribution excludes
12 bad debt expense from the total expenses of the
13 POA. Barry" -- being Barry Dykes -- "strongly
14 questioned that approach and indicated there was no
15 support for that approach that he was aware of in
16 the community documents. The auditor agreed to
17 review that formula."

18 Did I read that correctly?

19 **A.** Yes, sir.

20 Q. Okay. My question is this: As the auditor
21 for the property owners association, what did you
22 do to review that formula?

23 **A.** I went back and looked at any prior years.
24 Plus I went in and read the covenants and how it's
25 calculated.

1 Q. The declaration?

2 A. Declaration, yeah.

3 Q. Did you meet with any other of the
4 professionals in your office about it?

5 A. Yes. It was discussed with myself and
6 Barbara Faircobb (phonetic). She's a CPA.

7 Q. What about Larry Phillips?

8 A. Larry would review any and all audits. If
9 first -- if Barb did an audit, I reviewed it, and
10 then it went to Larry. If I did one, it went to
11 Barbara, and then it would go down to Larry.

12 Q. Got it.

13 Did you look at any other sources of
14 information, such as generally accepted accounting
15 principles and those kind of things you guy rely
16 upon?

17 A. Yes, sir. GAAP. The financial statements
18 presented in the audit are GAAP.

19 Q. General accepted accounting principles?

20 A. Accounting principles.

21 Q. Got it. Okay.

22 A. They include bad debt expense as GAAP. Now
23 we've got a calculation. And over here on this
24 calculation, we would start with that GAAP number,
25 the number that was determined to be the income or

10:40AM

10:40AM

10:40AM

10:41AM

10:41AM

1 Q. This letter, if I look at the dates, this
2 follows by a couple of months the prior exhibit
3 where the -- the finance committee asked, where we
4 read the auditor agreed to review the matter?

5 A. Uh-huh.

6 Q. This is a couple of months later.

7 Is this the results of your having gone in
8 and done the review that you just outlined to me?

9 A. Yes. I remember sitting down with Jane
10 Atkinson, and we went back through years of
11 calculation. Jane, like I say, she's excellent.
12 And we were -- we were within dollars of each
13 other's calculation.

14 Q. Okay. So early you had testified that you
15 went back and looked at the declaration, you pulled
16 numbers. But now you're telling me, in addition to
17 that, you and the accountant at the -- at the
18 property owners management company worked together
19 to go back years and bring it all the way back
20 forward.

21 A. I do -- that -- what triggered it is seeing
22 this 119,918.89. Okay? I mean, I apologize.
23 That's four years. I'm 65 years old. I don't
24 remember a lot.

25 But no. I remember that number. So, yeah.

1 Q. All right. Are you --

2 A. I can have an expense, but I didn't
3 necessarily have to spend money.

4 Q. Okay. So your interpretation -- in your
5 interpretation under GAAP, expense and expenditure
6 mean two different things. Is that what you're
7 telling me?

8 A. That's my interpretation. I just see an
9 expenditure as somebody writing a check or reaching
10 in their pocket and paying for something.

11 Q. So when you look at this statement in the
12 declaration and you look at this sentence, you
13 wouldn't begin with actual operating expenses --
14 expenses from the financial statement.

15 Is that what you're telling me?

16 A. When we did our calculation?

17 Q. Yeah.

18 A. Yeah. We would begin with the net income or
19 loss for that period, and then the judgments were
20 made.

21 Q. And what about that sentence tells you --
22 about that sentence in the declaration tells you
23 you need to back out certain expenses?

24 A. What I asked David, somewhere there's a
25 permanent file, and I don't know if you have it,

1 **A.** Okay.

2 **Q.** In your eight years with Wild Wing, has
3 there ever been a time where the -- where bills
4 went unpaid? Or have the bills always been paid?

5 **A.** I can't recall if they've been unpaid.

6 **Q.** Okay. Are --

7 **A.** We submit -- they submit AP every week. We
8 process every week.

9 **Q.** Okay. I'm asking, can you remember a time
10 where some creditor didn't get paid and brought a
11 lawsuit to collect money or anything like that?

12 **A.** No, not that I know of.

13 **Q.** Okay. Are you familiar with the dues
14 structure? Does your job include --

15 **A.** You'll have to repeat that. Sorry, the --

16 **Q.** The dues, d-u-e-s, the dues that are
17 assessed --

18 **A.** The assessments?

19 **Q.** Yeah, the assessments.

20 **A.** Yes.

21 **Q.** Are you familiar with the assessments?

22 **A.** Yes.

23 **Q.** Okay. Have those assessments remained level
24 or the same over the eight-year period that you've
25 been involved, or have there been changes to the

1 assessments?

2 **A.** There's been changes. The structure was
3 quarterly at first, and then it went to monthly, a
4 monthly assessment structure. And I think that
5 there was a reduction and then an increase in the
6 assessments. I don't think it was a large change.

7 **Q.** For the most part, have they been constant
8 over those eight years?

9 **A.** Yes. Uh-huh.

10 **Q.** And you said maybe there was a slight
11 reduction and then a slight increase back up?

12 **A.** Yes. I think they stayed the same for about
13 four years, four or five years --

14 **Q.** Okay.

15 **A.** -- and then reduced last year, I think, by a
16 dollar.

17 **Q.** By one dollar?

18 **A.** Yes.

19 **Q.** Well, that would be a small adjustment,
20 wouldn't it?

21 Do you know whether there's ever been any
22 special assessments levied against the owners?

23 **A.** I don't think so.

24 **Q.** Okay. I'm going to look at the stack of
25 documents, the exhibits that you've got there, and

1 In turn, it is extracted from the calculation
2 as that auditor prepared it, which reduces the
3 expense for the association.

4 Q. Understood. The language in the declaration
5 that we just read uses the phrase "actual amount of
6 actual operating expenditures incurred."

7 A. Right.

8 Q. In your world of association financial
9 management, would those words include bad debt or
10 would they exclude bad debt?

11 A. I have never seen it included.

12 Q. You have never --

13 A. The expenditures, to me, is what's going out
14 the door as payment of expense.

15 Q. And did you say that you've never seen it
16 included?

17 A. Unh-unh.

18 Q. In all of the associations that are more
19 than you can count, you've never seen it included?

20 A. No.

21 Q. There's an Exhibit Number 2.

22 A. Right.

23 Q. And it is what I call the "Developer
24 Contribution Calculations."

25 A. That's what it is, yes.

1 architectural review board fees and those type of
2 things, lot-mowing fees, recovery of prior year bad
3 debt --

4 **A.** Uh-huh.

5 **Q.** -- which are pretty predictable, do you know
6 why those are not included in the budget income?

7 **A.** They aren't a guaranteed source of income.

8 **Q.** Okay. So this is dealing with -- with more
9 of a known --

10 **A.** Yes.

11 **Q.** -- "bird in hand"?

12 **A.** The assessments weren't -- are assessed to
13 members to cover the expenses of the association.

14 **Q.** Okay. And since you said that, I note that
15 the bottom line is zero.

16 **A.** Yes.

17 **Q.** Is that consistent with your experience in
18 all of your associations over all of your years of
19 management?

20 **A.** Yes. It's a zero-based budget. There's no
21 profit.

22 **Q.** Understood.

23 **A.** Yes.

24 **Q.** There's a -- the second income item is
25 called "Developer Contribution." Do you know what

1 that is?

2 **A.** That is the contribution that would need to
3 be made in order to meet this budget.

4 Q. Do you know how that's calculated?

5 **A.** I can't tell you how that 38,484 was
6 calculated.

7 Q. Can you tell me where in the declaration
8 that's our Exhibit Number 1 -- or can you tell me
9 whether in our declaration that's Exhibit Number 1,
10 is it addressed that the developer is to agree to a
11 pre-year budget contribution?

12 **A.** No. That's a preference of the developer
13 board or the declarant board. I have some that
14 don't include it.

15 Q. Understood.

16 **A.** Their budget is based on the number of units
17 on the ground at the time.

18 Q. And in this association, though, is it your
19 recollection that the developer did, in fact, make
20 these requested contributions?

21 **A.** These were made. It was consistent with
22 this developer.

23 Q. Okay. And is the idea that it's so that the
24 dues don't have to go up for the lot owners?

25 **A.** The number of owners that are on the ground

1 Q. All right. It's the different things that
2 are going to wear out over time?

3 A. Yes.

4 Q. The roof, the asphalt in the parking lot,
5 those kinds of things?

6 A. Uh-huh.

7 Q. Okay. And then the next category is called
8 "Estimated Cost to Replace."

9 A. Uh-huh.

10 Q. And that total is \$1,391,700; is that
11 correct?

12 A. Correct.

13 Q. Does that mean that the reserve account
14 should at all times have \$1,391,700 in it?

15 A. No.

16 Q. How do you figure out how much you should
17 have on hand in the reserve account -- and that,
18 you know, the far right is a column that says
19 "Funds on Hand."

20 How do you know how much you should have on
21 hand in order to be current?

22 A. If the board has approved a reserve study
23 and they're following that funding plan and
24 expenditure plan, it's denoted in that study as to
25 what level of cash needs to be available in order

1 to do the projects that are needed.

2 Q. And do you know whether the reserve funds at
3 Wild Wing are adequately funded?

4 A. I haven't reviewed the study to see if there
5 was a requirement to accelerate the funding or not. 11:08AM

6 Q. Can you look at this document and tell
7 whether the reserves are adequately funded?

8 A. Mm-hmm.

9 Q. "This document" being our Exhibit Number 9.

10 A. If I compared this to the level that was 11:08AM
11 required in the study, I probably could give you
12 that answer.

13 Q. Okay. And can you describe to me the study
14 that you're talking about?

15 A. Yes. It's an engineering study based on the 11:09AM
16 components that are included in Wild Wing's
17 Plantation. They go out and they do an analysis
18 and prepare a study. We then take that data and
19 put it on the sheet so that they can see what's
20 happening in the year, during the year to know what 11:09AM
21 expenses were done and what funding was done for
22 the year.

23 So included in that study are all of these
24 components and the likes and the replacement value
25 and when the projected expenses are going to come 11:09AM

12 Q. Jane, this is David. Let me ask you about
13 one more thing.

14 A. Okay.

15 Q. We were talking about the reserve accounts.

16 A. Uh-huh.

17 Q. And it's been stated in some of the earlier
18 depositions that somebody at Waccamaw told
19 Mr. Dykes that the reserves had been raided,
20 r-a-i-d-e-d.

21 Did you ever tell anybody that?

22 A. I would not -- I didn't make that statement.

23 Q. Are you aware of any facts or circumstances
24 where the reserves were somehow raided by anyone?

25 A. No, no.

12 **A.** Yes, I have.

13 **Q.** When did you become active in that POA?

14 **A.** 2014.

15 **Q.** And what did that consist of?

16 **A.** At the annual meeting in 2014, I was
17 appointed to the finance committee.

18 **Q.** And do you know when the annual meeting is
19 held?

20 **A.** Sometime in April.

21 **Q.** Did you miss the meeting and get appointed

1 **A.** Okay.

2 **Q.** You've been on the finance committee for
3 nearly all that time. You got on shortly after you
4 bought in, correct?

5 **A.** Correct; about a year. Uh-huh.

6 **Q.** Okay. Are you aware that any creditor of
7 the POA, anybody that the POA owed a bill to for
8 anything, didn't get paid?

9 **A.** As far as I know, they've gotten paid. Some
10 may be late, but everyone's gotten paid, to my
11 knowledge.

12 **Q.** Are you aware of any lawsuit against the POA
13 by any creditor to collect a bill?

14 **A.** I am not aware of any.

15 **Q.** As a member of the finance committee, have
16 you investigated to see whether, in the history of
17 Wild Wing, any creditors have ever gone unpaid?

18 **A.** I haven't.

19 **Q.** Have you ever heard that or do you have any
20 evidence to indicate that there's ever been an
21 unpaid creditor of the Wild Wing POA?

22 **A.** I'm not aware.

23 **Q.** And you're also not aware that there's ever
24 been a lawsuit by any creditor to collect a bill
25 that was owed by the POA?

1 **A.** I'm not aware of any.

2 **Q.** Since you've been a member at Wild Wing, has
3 there ever been a special assessment?

4 **A.** No.

5 **Q.** Other than the regular annual dues as
6 established in the annual budgets?

7 **A.** No.

8 **Q.** As a member of the finance committee, have
9 you investigated to see whether, in the life of
10 Wild Wing, since its inception, there's ever been a
11 special assessment to any member other than the
12 ordinary annual dues per the annual budgets?

13 **A.** No. I haven't investigated that.

14 **Q.** Do you have any reason to believe there has
15 ever been a special assessment?

16 **A.** Not to my knowledge.

1 Q. How would you characterize what this
2 lawsuit's all about? That's a real broad question
3 to throw out there. We're going to look back at
4 your lawsuit and we'll go through that.

5 But how did it come up to start with? How
6 did this issue ever come up to begin with, that the
7 declarant may not be putting in enough money?

8 A. The time when the issue was raised was when
9 we -- it began when we met with the auditor to
10 review the draft audit report for -- it was
11 probably 2014. And in that, the auditor did a
12 calculation of the declarant's obligation.

13 And in their calculations, they removed bad
14 debt as an expense to the association, which seemed
15 to be inappropriate. That began to raise the
16 question of, what's going on here?

17 Q. When was that meeting?

18 A. That would have been, I believe, early,
19 maybe around April, in 2015, something like that.

20 Q. Are you aware that that had ever been raised
21 by anyone before?

22 A. No. To my knowledge, no one had ever met
23 with the auditor prior to that meeting.

24 Q. Who was in that meeting other than yourself
25 and the auditor?

1 Let me finish, please.

2 **A.** Okay.

3 Q. I'm talking about that the bills get paid
4 every year and always have. And you're talking
5 about looking in hindsight in application of a
6 formula; is that correct?

7 **A.** That's part of the issue.

8 Q. Okay. What's the other part?

9 **A.** Once I became aware, we became aware that
10 there were some issues there, we began to ask the
11 question: Do we have a cash flow problem? What
12 goes on?

13 And over the course of time developed a
14 fuller understanding of what we believe took place.
15 And it came to light, and was admitted by the CFO
16 at Waccamaw, that money that had been intended and
17 budgeted for the reserve fund had instead been used
18 to pay operational expenses, which means that they
19 were raiding money that's supposed to be set aside
20 for future needs of the organization to pay current
21 bills unbeknownst to the organization.

22 Q. Anything else?

23 **A.** There may be. What do you mean?

24 Q. Well, you've told me that you didn't like
25 the way bad debt expense was being treated?

1 Okay.

2 Q. Is it now your belief that you've got them
3 grouped into two sub-groups?

4 A. It looks like there's a second developer and
5 the third developer.

6 Q. Okay.

7 A. That's the way the first -- I guess it's
8 the -- it's at least the second and third. Maybe
9 the first is in there. I can't -- I can't tell.

10 Q. Let's do it this way.

11 At Paragraph 51, it groups SLF IV/SBI Wild
12 Wing LLC, Stratford Land Manager, SB Investments,
13 and Wild Wing Residential Development, correct?
14 Those are the four entities that are picked out in
15 that series of allegations of Paragraphs 51, 52,
16 and 53; is that correct?

17 A. Okay. That's to be true, yes.

18 Q. Okay. As to those four entities, what
19 evidence do you have that those entities, or any of
20 them, were grossly undercapitalized?

21 A. I don't recall anything specific.

22 Q. Do you have any evidence to show that any of
23 those entities were grossly undercapitalized?

24 A. I don't recall anything, no.

25 Q. What evidence do you have that any of those

1 entities failed to observe corporate formalities?

2 **A.** Because I can't find documents that would
3 show that they did.

4 **Q.** Where did you look?

5 **A.** Looked in the minutes and so forth that we
6 had of meetings, board meetings, and those kind of
7 things.

8 **Q.** Minutes of what entity? Are you talking
9 about the POA minutes?

10 **A.** Correct.

11 **Q.** So you looked in the POA minutes to see
12 whether these other entities observed corporate
13 formalities, and you didn't find any there, so you
14 sued them? Is that what you're saying?

15 **A.** I don't understand your question.

16 **Q.** I hope not.

17 **A.** I don't understand your question. What's
18 your question?

19 **Q.** I'm asking you, what evidence do you have
20 that any of these four entities that are identified
21 in Paragraphs 51, 52, and 53 failed to observe
22 corporate formalities?

23 **A.** I don't have any specific evidence. I
24 believe it to be true, but I don't have any
25 evidence to support that.

1 obligation is calculated. So it is about the
2 specifics related to that calculation as well.

3 Q. Okay.

4 A. So I believe that those --

5 Q. Now have we covered --

6 A. -- I believe those four items, I think they
7 cover it.

8 Q. Got it.

9 Now, when you say "bad debt," what are you
10 talking about? What is the bad debt?

11 A. Bad debt is a -- some of the owners have an
12 obligation to pay the association. That is
13 recorded as income when they have the obligations.
14 And then a reserve is established against that to
15 account for some of those people we're never going
16 to collect from. Some of the people didn't pay us
17 or we're never going to collect from, which
18 eventually will either be written off or later
19 collected.

20 Q. Is your answer that you're talking about lot
21 owners not paying their dues? That's the bad debt?

22 A. The bad debt would be lot owners that do not
23 pay their dues. That is correct.

24 Q. That's what the bad -- so when we talk about
25 bad debt, what we're talking about is members of

1 A. That's how they present it and it seems like
2 that's how they operated, yes.

3 Q. Okay. Any other evidence other than that right
4 there?

5 A. Not that I recall off the top of my head.

6 Q. Okay. You kind of put them into groups under
7 that cause of action in the complaint. And your
8 first group included Wild Wing Company and
9 Sunstar. Are you familiar with those two
10 companies?

11 A. In general.

12 Q. Okay. And just going to lay out some questions
13 about these companies for you. Do you have any
14 evidence that either of those two companies were
15 undercapitalized?

16 A. I believe they said they were at one point.

17 Q. When do you believe they said that they were?

18 A. I think that's why they -- didn't they end up
19 selling or bringing in new investors.

20 Q. So other than new investors coming in, is there
21 any evidence that they were undercapitalized?

22 A. Off the top of my head, I'm not -- I can't point
23 you to a document that I -- I --

24 Q. Okay. Any evidence that they failed to observe
25 corporate formalities?

C. BARRY DYKES

ELECTRONICALLY FILED - 2020 Oct 29 2:48 PM - HORRY - COMMON PLEAS - CASE#2017CP2604187

1 A. Again, I can't point to a document.

2 Q. Okay. Do you have any evidence that either one
3 of them did not pay dividends?

4 A. I don't know whether they paid dividends or not.

5 Q. Okay. Any evidence as to whether either of these
6 two companies was insolvent?

7 A. I don't know. I -- to my knowledge -- well,
8 you're asking -- so is the question did they ever
9 become insolvent or what's your question?

10 Q. Were they insolvent -- were they insolvent at the
11 time that they were functioning?

12 A. At the time that they were functioning as a
13 declarant?

14 Q. For Wild Wing Company at the time that they were
15 functioning as the declarant, were they
16 insolvent?

17 A. Not to my knowledge.

18 Q. What about at the time of formation?

19 A. At the time that they formed?

20 Q. Correct.

21 A. I don't know. They'd know that. I don't know
22 that.

23 Q. And what about Sunstar, at the time that they
24 were formed do you have any evidence they were
25 insolvent?

6/25/2020

C. BARRY DYKES

1 from the alleged intertwining of these companies?

2 A. Again, between those two?

3 Q. Between those two.

4 A. I can't -- I can't point you to a document.

5 Q. Okay. Do you have any evidence that injustice
6 would result if they're not viewed as a single
7 business?

8 A. Yes. To -- to the membership, in terms of if
9 there is a judgment in our favor, then -- then
10 all of them need to be considered one to collect
11 the judgment.

12 Q. So your evidence there is you don't believe that
13 if say you got a judgment against Wild Wing
14 Company that they would be able to pay it so you
15 have to include Sunstar to be able to find the
16 money basically?

17 A. Well, because it's the belief that they were
18 partners, they were involved together, there were
19 money transfers that went on, and several of the
20 principals of those who testified basically said
21 they didn't have any assets anymore, they
22 intentionally depleted all the assets out of
23 those companies.

24 Q. Okay. So the injustice that would result is if
25 there was a judgment, then you wouldn't be able

6/25/2020

C. BARRY DYKES

ELECTRONICALLY FILED - 2020 Oct 29 2:48 PM - HORRY - COMMON PLEAS - CASE#2017CP2604187

1 to collect from those companies. Am I
2 understanding that correctly?

3 A. Correct. Because -- because they've already
4 taken the money out, they've gotten the benefit
5 and they've distributed it out in different ways,
6 and we need to be able to get to the assets that
7 are there if we get a judgment.

8 Q. And your evidence for that you said was based off
9 of testimony?

10 A. Off of their depositions that they gave is what I
11 would say. Basically they said that that's what
12 they did.

13 Q. And that's for both Wild Wing Company and Sunstar
14 or one or the other?

15 A. Frankly, there -- there are so many of them and
16 they're so complex in a corporate way I can't
17 remember who the heck testified to what.

18 Q. Okay. All right. Without going through all of
19 those questions again, I'm just going to say same
20 question here for SLF-IV/SBI JV, do you have any
21 evidence of any of those questions I just asked
22 for that company?

23 A. Other than from their depositions.

24 Q. So just the deposition testimony is the evidence?

25 A. Their depositions. There were some -- there are

6/25/2020

C. BARRY DYKES

1 votes in favor, would you dispute that?

2 A. That was what the document says.

3 Q. If I represented to you that 32 members of the
4 association that were not the declarant voted in
5 favor of this amendment, would you dispute that?

6 A. I would -- I would wonder about that because my
7 rough calculation says that the declarant has
8 roughly 800 votes.

9 Q. So if the declarant has roughly 800 votes but
10 there are only 771 for, I'm not following that
11 math.

12 A. That's why I believe that almost all the votes
13 were declarant votes.

14 Q. So let's say for sake of argument there were
15 homeowners that voted in favor of this amendment.

16 A. Okay.

17 Q. Would you seek to speak with these homeowners
18 about the fact that you're looking to overturn
19 the vote that they voted for?

20 A. No, I wouldn't do that.

21 Q. Why not?

22 A. Well, because -- because, as I said before, the
23 vote was perfunctory. It really had no impact
24 because the declarant had the right to
25 essentially outvote everybody and pass the

1 of cash and there was a process that was done to
2 borrow money from the reserve fund to pay the
3 bill and then pay it back in the reserve fund
4 later. That's the only time I was aware that
5 there was a cash flow problem. Now --

6 Q. So that bill got paid?

7 A. So that bill got paid. Now, I don't believe that
8 contributions were always made to the reserve
9 fund as budgeted, but as far as I know, the bills
10 got paid.

11 Q. So the bills were paid and there's no lawsuits to
12 collect from the POA. So is your contention, the
13 main issue here, is that reserves weren't being
14 funded?

15 A. Well, that's part of it; that I believe that the
16 reserves are underfunded. But the other part of
17 it is that the -- the declarant, the developer,
18 had an obligation to contribute to the POA and
19 they didn't and as a result of that, the members,
20 the rest of us, ended up paying more than we
21 otherwise would have, significantly more. So,
22 essentially, what they did was all the money to
23 pay all the bills came from everybody but the
24 declarant. Like I said, if you look back, you'll
25 find that there was essentially no declarant

1 contribution from 2012 forward.

2 Q. So the homeowners took the brunt of this
3 underpayment?

4 A. So the homeowners paid it and that's why there
5 was the cash to pay the bills; because we were
6 over-assessed.

7 Q. Are you seeking monetary damages in this lawsuit?

8 A. Yes.

9 Q. So if you're able to recover, where do those
10 funds go?

11 A. They'll go to the HOA.

12 Q. Have you discussed that with the other members of
13 the HOA?

14 A. What other members am I supposed to have that
15 conversation with?

16 Q. Well, you represent the members of the HOA. I'm
17 sure you want to make sure you adequately
18 represent their interests and what they want
19 done. So I'm assuming that you've spoken with
20 them and gotten authority to say where the money
21 is going to go?

22 A. No, there hasn't been any decision about where
23 that money would go. I believe that once that
24 money comes and ultimately it will be up to the
25 board, hopefully an elected board of the HOA, to

1 amendment, after you had taken all this time to
2 find out everything you can about it, you're not
3 sure if you would have attended that meeting?

4 A. I don't know that it was the kind of a meeting
5 that we were supposed to attend.

6 Q. Well, on the front notice, I believe it is
7 inviting you to that meeting.

8 A. I'm just looking at the exhibit.

9 Q. Right. That's the notice I'm talking about.

10 A. Yes, then I would say that I was at the meeting.

11 Q. Okay. And on the agenda it says that there --
12 this is on the second page -- that there was
13 supposed to be a discussion of and voting on the
14 amendments.

15 A. Right.

16 Q. So we've already talked about the discussion.
17 Was there a vote for the amendment?

18 A. I would say yes.

19 Q. Okay. How did you cast your vote?

20 A. Based on my recollection of the discussion about
21 why it was in our best interest to do that, I
22 would say that I probably voted to say then go
23 ahead and extend it out, as did other people that
24 heard the discussion about why it was in our best
25 interest.

Wild Wing POA
Finance Committee Minutes
May 12, 2015

Call to Order - The meeting was called to order by Bill King, Chairman, at 7:06 pm.

Attendance - Committee members present were Barb Eisenhardt, Barry Dykes and Bill King. Kathy Barbato was absent. No non-committee members of the POA were present.

Approval of Minutes: - The minutes of the April 14, 2015 meeting were approved as corrected.

March Financial Statements - The committee reviewed the Balance Sheet, Income Statement, and Check Disbursement reports for March 2015 along with Paul Skirchak's highlights. Specific items of discussion included the following:

- 1) **Why is bush-hogging still showing on the Balance Sheet as a liability?** - Our understanding is that the POA is not involved anymore in arranging for this service and merely check to see if it has been completed as required. If not, letters of non-compliance and appropriate fines are imposed. Therefore, unless deposits from last year are still in our accounts (or have not yet been paid), there should be no liability for this on the Balance Sheet.
- 2) **Bad Debt will be discussed under that agenda item.**
- 3) **Miscellaneous Revenue** - We would like more detail about what is included in line 4161 - Miscellaneous Revenue.
- 4) **A concern was again raised that we do not know actual collections from the reports, only the amounts billed and due.** - Jane Atkinson, Waccamaw's CFO will provide a supplemental report in the future including cash collections.

Review of Finance Committee report to the Board - Bill reviewed the report he provided to the Board at its March meeting which was previously distributed to the committee members and is attached to the minutes. Some of the highlights are:

- 1) Answers to the budget process and other questions are as follows:
 - We do obtain multiple bids for contracts and purchases
 - The developer contribution is detailed in the CC&Rs
 - Lots owned by Citizen's (Benchmark) do pay assessments
 - The Board will not support as requirement to build within 5 years
 - The Board will not support adding an escrow requirement
 - Yes, we will be more aggressive in collecting delinquent accounts and Bill King and Barry Dykes were authorized to receive the detailed delinquency report
 - A review of the developer Accounts Receivable will be performed
- 2) The Board authorized the Finance Committee to obtain bids to perform a formal reserve study.
- 3) Barb Eisenhardt has been authorized to review the actual bills/invoices and payments in detail with Waccamaw Management.

Old Business

- 1) Status of Bill review with Waccamaw - Barb reported that this has not been done yet but will be scheduled sometime in the next several months.
- 2) Bad Debt Forecasting
 - The committee discussed that we should wait to try to forecast bad debt for 2016 until at least July when we have more experience with the changes that were recently implemented including:
 - Monthly dues billing
 - A more structured collections process including 30, 60 90 day notices and a lien placed after 115 days.
 - A payment program for delinquent members.
 - We agreed that Bill will request that Waccamaw provide to us the formula they are currently using to determine the "Allowance for Doubtful Accounts"
 - Barry provided a summary report on the delinquent accounts. The highlights discussed include:
 - Total Receivables total \$175K with \$149K being more than 120 days delinquent.
 - 27 of the 62 delinquent accounts are more that \$1K and account for 96% of the outstanding receivables.
 - Of those 27, 14 have liens, 4 are listed as uncollectable, 3 are with the attorney, and 2 each are in bankruptcy, foreclosure, or a payment plan.
 - 7 accounts are from SC residents and account for 30% of our receivables, 6 from NY residents and account for 23% of our receivables. Other states have 2 or less accounts each.
 - We discussed some other actions that could be pursued including:
 - Reporting delinquent homeowners to the credit bureau's - we would like Waccamaw to advise on how best to do this.
 - Obtaining judgment's in SC and pursue the debtor's other assets - Paul had advised that Waccamaw is investigating of this
 - Obtaining judgment's in other states and pursue the debtor's other assets - Barry agreed to do some investigation of this
- 3) New Business
 - Auditor's Meeting - We met with Waccamaw management (Paul Skirchak and Jane Atkinson) and the auditor, Jim Corbett, on April 28th to review his draft of the 2014 Annual Audit. Specific items reviewed include the following:
 - Prepaid Bush-hogging on the balance sheet - Jane indicated that needed to be removed
 - Enhancements paid for by the developer - a list was provided by the developer but actual receipts will be required for the auditor to include those amounts as a developer contribution

- Calculation of the Developer Assessment and Account Receivable- there was much discussion about how this should be calculated. The developer claims that the prior owner went bankrupt and therefore, any amount owed should have been written off as bad debt at that time. They have not so far provided any documentation to support that claim. Also, the auditor's formula for determining the developer's contribution, excludes bad debt expense from the total expenses of the POA. Barry strongly questioned that approach and indicated there was no support for that approach that he was aware of in the community documents. The auditor agreed to review that formula.
- Barry indicated that subsequent to the meeting he did some research and the public news reports do not indicate bankruptcy of the prior developer. Also, through an exchange of emails, it does not look like the auditor intends to include bad debt in the expense line when calculation the developer's contribution. He did not provide any support for his "interpretation".
- **Reserve Study quotes** - The discussion of reserve study quotes was deferred until our next meeting.

Other Business -

- 1) **Front Fountains** - at the joint meeting with the Grounds Committee one item raised was the pump replacement for the lower waterfalls at the front entrance. It was deferred for review. Barry indicated he looked at the entrance and recommends we do NOT replace those pumps as you cannot even see that waterfall behind the shrubbery. The committee agreed. Also, the committee decided to review the cost of running all the existing pumps (particularly the one's that "shoot up") and potential alternatives.
- 2) The was no other business discussed.

Adjournment - The meeting was adjourned at 9:15 pm.

Respectfully Submitted,

C. Barry Dykes, Secretary

Also, attached is the Florida definition for developer contributions in lieu of assessments. I realize we're not in Florida, but the terminology is similar to our CC&R. Since Bad Debt expense/allowance is not EXCLUDED from the definition of "actual operating expenses", a reasonable person would conclude that, since it's a GAAP expense, that it has to be included in the calculation of the developer's alternative contribution amount.

Jim:

I couldn't disagree more. Your explanation is precisely the reason the developer has 2 options - he can pay the assessments on only the lots he owns OR he can make up the operating deficit of the Association (which would include the cost of bad debts). The non-developer lot owners also do not have an obligation to pay the "unpaid" assessments any more than the developer - how can you justify making the other lot owners pay and not the developer?

Barry
Good meeting you as well. I enjoyed it
The financials are GAAP- no question.
Bad debt expense and the allowance is recognized in the financials.
Bad debt is an operating expense.

The developer calculation as you know is a separate issue.
In the master deed it states that the declarant is only responsible for assessments on lots he owns. Once they convey to the owner he is not responsible at all to pay their assessments. That is a personal obligation of the owner their assigns and heirs, etc...

The amount of the bad debt expense on the income statement represents "unpaid assessments" To include the amount in the calculation is effectively making the declarant pay those assessments the owners did not pay and he is only required to pay assessments on lots he owns.

I have spoken to several people and they agree to exclude it is appropriate. You cant make him pay assessments on lots he doesn't own.

Thanks Jim

Jim:

Thank you for meeting with us the other night to review the draft Audit report for the POA. I did some research on the treatment of bad debt following our meeting. I could not locate any specific reference in the CC&R documents or the By-laws specifically about bad debt (either that it should be included or excluded). Those documents did reference that the reserves are to be considered operating expenditures. The terms that are used in the documents are "actual operating expenses incurred by the Association"(Covenants, VI.2.a.), "All books and records shall be kept in accordance with generally accepted accounting principles"(Bylaws III.C.18.I.), and "accrual accounting, as defined by generally accepted accounting principles, shall be employed with regards to the annual audit, while the regular monthly accounting shall be on a cash basis"(Bylaws III.C.20.a.)

So the question seems to be whether GAAP considers bad debt expenses/allowances as an operating expense. Everything I see clearly treats bad debt expenses/allowances as an operating expense of operating the organization and therefore should be included in determining the Declarant's financial obligation to the POA. Attached are some references. Please let us know if you find anything different.

Thank you.

3 BY MR. LYLES:

4 Q. Yes, sir.

5 A. Only thing -- only other thing that I would
6 add, relative to our decision about that amendment,
7 is that all of the homeowners, lot owners, property
8 owners within wild wing benefited by the decision
9 that we made, because it made the entire community
10 marketable versus if that decision might not have
11 been made, it -- that that community could have
12 gone the other way. As Graeme said, it was some
13 unprecedented times in the real estate industry.

14 Q. Is it your testimony that it's possible that
15 SLF IV/SBI wild wing LLC and wild wing Residential
16 could have gone bankrupt?

17 A. Anything's possible.

18 Q. Well, I'm just -- I'm trying to understand
19 what the consequences would have been to not -- to
20 the owners, to the members of the POA, to not
21 making the change. And then I'm trying to
22 understand how likely those consequences were to
23 have occurred.

24 A. I can't answer that.

1 Q. What is required to amend that document?

2 A. A two-thirds vote of the membership of the
3 association, provided that so long as declarant is
4 the owner of any lot affected by the declaration,
5 the declarant's consent must be obtained.

6 Q. And does it say that the POA board can amend
7 that document?

8 A. It says the declarant.

9 Q. Right. I'm asking -- you were asked
10 questions about the amendment relative to your
11 position on the POA board by Mr. Lyles. Do you
12 remember that?

13 A. Right.

14 Q. Okay. Well, did the board amend that
15 document, or did the owners amend that document?

16 A. The declarant amended the document.

17 Q. And did the owners also vote?

18 A. There was a vote of the membership.

19 Q. The lot owners, correct?

20 A. Correct. There was a vote, and there was a
21 unanimous vote.

22 Q. Do you, as a member of the POA board, get a
23 vote?

24 A. The Class B members get a vote.

25 Q. I understand that. That's the declarant.

1 As it related to wild wing, and as I clearly
2 explained at the special meeting, it is important
3 that we do everything in our power to make this
4 asset saleable, marketable to a -- in the case of
5 wild wing, it would have been to a typical regional
6 or national homebuilder/developer.

7 What wild wing lacked at that point in time
8 and its primary problem were rooftops.

9 Q. What does that mean?

10 A. As Ms. Eisenhardt stated -- rooftops --
11 stated yesterday, there were very few homes.

12 Q. Okay. So --

13 A. There were a lot of --

14 Q. -- rooftop is a home?

15 A. Yes.

16 Q. Okay. I understand.

17 A. -- there were a lot of lot owners. There
18 weren't many homes. The community suffered as a
19 result of that. Our primary goal as the JV was to
20 make that asset as marketable as possible, which
21 included an investment of many millions of dollars
22 on the JV's part into the wild wing assets.

23 Just as important in the investment of the
24 money into that asset was to create the resetting
25 of the time period stated in the documents, which

1 were soon going to run out on a typical developer.
2 It was extremely important -- and we're very
3 experienced in this. We know -- we know what would
4 have been an issue for a typical national or
5 regional developer to come in with that kind of an
6 investment, quite a large investment, to purchase
7 that asset, would have been the time frames in the
8 documents. They were going to run out.

9 We had to reset it due to what the effect
10 was of the market meltdown of 2008, which basically
11 took off -- eviscerated off the calendar five, six,
12 seven years, which was not contemplated when those
13 original documents were created.

14 It's very important to reset the time
15 periods so that a developer could come in and
16 understand that it has control. Otherwise, there
17 would be no chance to market that property.

18 Q. And when you say "market the property," you
19 mean to market all of the undeveloped lots to a
20 regional or national builder?

21 A. To market all of our land assets, which
22 included raw land.

23 Q. And these were land assets that were owned
24 by the JV?

25 A. And Wild Wing Residential Development at

1 regard.

2 Q. I don't know what that means.

3 A. Everything I explained that night at that
4 special meeting that I predicted would happen, if
5 we were successful in marketing -- in polishing up
6 this asset, which involved many different efforts,
7 many millions of dollars of investment, as well as
8 making adjustment to documents, I predicted that
9 that would make us facilitate our success in
10 marketing and selling the asset. That occurred.

11 And today, that allowed wild wing to survive
12 to see the upswing in the market that eventually
13 came. Came later than we thought.

14 And today, I don't know what the numbers
15 are, but now the rooftops, the homes, have
16 materialized in wild wing, and I believe that they
17 benefited. Every homeowner, every property owner
18 in there, their property values have stabilized as
19 a result of that.

20 And so we were successful in doing exactly
21 what I -- what our goal was and what I stated that
22 our goal was at that special meeting. It did take,
23 I think, maybe a year or two, a little bit longer
24 than we projected, but it all materialized.

25 Q. would you agree with me that the effect of

1 Q. I'm still struggling with how you see
2 that it was a benefit to the Property Owners
3 Association to have that amendment passed.

4 A. Well, every lot that was sold and every
5 home that was built was purchased by somebody,
6 which then they had to pay their dues. They had
7 to pay their homeowners assessments. They had to
8 pay the other fees that were charged by the
9 homeowners association, and they became a
10 community.

11 When you get rooftops built, then more
12 people come in and build more because there's
13 activity. And before that, there was no
14 activity.

15 Q. How many homes were built out in 2015?

16 A. I can't answer that. I do not know. I
17 know that there was lots sold to developers, and
18 then they started building homes; but the exact
19 amount, I do not know.

20 Q. So what's the advantage to the Property
21 Owners Association financially if in 2016, the
22 developer was going to have to start paying the
23 per lot assessments?

24 A. Well, the developer who bought the
25 property had to pay the assessments.

Dear Property Owners:

The Founders Group Wild Wing, LLC hopes you all have had a great summer, now fall is here it's the best time to get out and play some golf.

We are very excited about the new greens on the Hummingbird nine; they have turned out to be fantastic.

If you have not been in the Club lately, please do so. There have been some great improvements, new paint job on the exterior and the Golf Shop is starting to get a well needed face lift. New merchandise is coming in daily. Come out and take a look.

If you have not noticed, we have purchased a couple of new pieces of equipment to mow the lots and maintain some common areas in an effort to keep landscape costs down for the HOA.

As you all know, the Real Estate market in our area in the past has not been strong. With an upturn in the real estate market, we feel that now the development activity at Wild Wing is ready to increase. I hope that is as exciting to you all as it is to us. We expect to have a thriving, successful community. We hope that this will result in increasing property values and make Wild Wing community the place to live in the Conway and Myrtle Beach area.

The Club will continue having social events, and also offer monthly theme dinners.

All these improvements are being made and will continue being made to enhance the value of all of our properties, and offer the property owners and guests a great place to play golf, have social events, and be proud to show off your investment to your friends.

Enclosed with this letter is an Amendment to the Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (the "Declaration"). As you are aware, the Declaration governs the operation of the Wild Wing Plantation Development. The Amendment recognizes that unforeseen economic conditions, affecting the economy of our country and the real estate market in particular, have changed the timing of the development of many communities, including Wild Wing. While this amendment extends the time during which the Declarant is not required to pay regular assessments, there are no plans for an increase in the Homeowners' Association Assessments for Wild Wing and Founders Wild Wing, LLC, as Declarant intends to continue its contributions as scheduled.

Thank you for the opportunity to make Wild Wing a premier community.

Respectfully,

Founders Group Wild Wing, LLC

FOR THE YEARS ENDED DECEMBER 31, 2019 AND 2018

3. ASSESSMENTS CHARGED TO LOT OWNERS - continued

Architectural Review Board Fees and Construction and Landscape Deposits

During 2019 and 2018, lot owners proposing to construct a new residence or landscape improvements were required to post a refundable deposit of \$5,000 and pay a nonrefundable application fee to the ARB of the Association. The ARB application fee was \$1,400 during 2019 and 2018. The application fees are recorded as revenue within the Association's statement of revenue and expenses and changes in fund balances. At December 31, 2019 and 2018, escrowed construction deposits totaled \$187,650 and \$86,000, respectively.

Further, the Class B member, on behalf of the Association and in lieu of the aforementioned ARB refundable deposits, executed and entered into a line of credit financing agreement in the amount of \$90,000 with a residential builder. Under the terms of the agreement, the residential builder will not be required to post an ARB deposit on selected individual lots within the development, rather at the conclusion of construction, amounts will be drawn from the line of credit to cover the expense incurred, if any, in the event of damages.

4. DECLARANT ASSESSMENTS AND CONTRIBUTIONS

In accordance with the Association's governing documents, as amended November 2011 and further amended November 2016, and retroactively effective January 1, 2011, the Class B member, through December 31, 2019, will be assessed and required to pay the Association assessments on the un conveyed lots equal to the actual amount of actual operating expenditures incurred by the Association less an amount equal to the total assessments made by the Association's Class A lot owners. The documents further indicate actual operating expenditures for this purpose shall also include any reserves for replacements or operating reserves. The Class B member may also, at its option, elect to pay assessments on the same basis as the Class A members in lieu of funding the Association's deficit. Declarant contributions for the years ended December 31, 2019 and 2018 was \$0.

5. FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents require that funds be accumulated for future major repairs and replacements. Accumulated funds are held in separate interest-bearing accounts. The Association has completed a current reserve study for the future costs of major repairs and replacements of common property at December 31, 2019 and 2018. The results of this study are presented as a supplemental schedule to these financial statements

At December 31, 2019 and 2018, \$378,997 and \$386,784, respectively, were held in separate accounts for this capital reserve funds. Funds are being accumulated in the capital reserve fund to fund future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the capital reserve fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to member approval, to increase regular assessments, pass special assessments or delay major repairs and replacements until funds are available.

6. SUBSEQUENT EVENTS

Management has evaluated the effect subsequent events would have on the financial statements of the Association after December 31, 2019 through June 3, 2020, which is the date the financial statements were available to issue. Based upon this evaluation, no adjustments or additional disclosures were provided in these financial statements, except as provided below.

FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017**

3. ASSESSMENTS CHARGED TO LOT OWNERS - continued

Architectural Review Board Fees and Construction and Landscape Deposits

During 2018 and 2017, lot owners proposing to construct a new residence or landscape improvements were required to post a refundable deposit of \$5,000 and pay a nonrefundable application fee to the ARB of the Association. The ARB application fee was \$1,400 during 2018 and 2017. The application fees are recorded as revenue within the Association's statement of revenue and expenses and changes in fund balances. At December 31, 2018 and 2017, escrowed construction deposits totaled \$86,000 and \$101,005, respectively.

Further, the Class B member, on behalf of the Association and in lieu of the aforementioned ARB refundable deposits, executed and entered into a line of credit financing agreement in the amount of \$90,000 with a residential builder. Under the terms of the agreement, the residential builder will not be required to post an ARB deposit on selected individual lots within the development, rather at the conclusion of construction, amounts will be drawn from the line of credit to cover the expense incurred, if any, in the event of damages.

4. DECLARANT ASSESSMENTS AND CONTRIBUTIONS

In accordance with the Association's governing documents, as amended November 2011 and further amended November 2016, and retroactively effective January 1, 2011, the Class B member, through December 31, 2019, will be assessed and required to pay the Association assessments on the unconveyed lots equal to the actual amount of actual operating expenditures incurred by the Association less an amount equal to the total assessments made by the Association's Class A lot owners. The documents further indicate actual operating expenditures for this purpose shall also include any reserves for replacements or operating reserves. The Class B member may also, at its option, elect to pay assessments on the same basis as the Class A members in lieu of funding the Association's deficit. Declarant contributions for the years ended December 31, 2018 and 2017 was \$0.

5. FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's governing documents require that funds be accumulated for future major repairs and replacements. Accumulated funds are held in separate interest-bearing accounts. The Association has completed a current reserve study for the future costs of major repairs and replacements of common property at December 31, 2018 and 2017. The results of this study are presented as a supplemental schedule to these financial statements

At December 31, 2018 and 2017, \$386,784 and \$288,877, respectively, were held in separate accounts for this capital reserve funds. Funds are being accumulated in the capital reserve fund to fund future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the capital reserve fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right, subject to member approval, to increase regular assessments, pass special assessments or delay major repairs and replacements until funds are available.

6. SUBSEQUENT EVENTS

Management has evaluated the effect subsequent events would have on the financial statements of the Association after December 31, 2018 through April 20, 2019, which is the date the financial statements were available to issue. Based upon this evaluation, no adjustments or additional disclosures were provided in these financial statements.

CIVIL ACTION NO.: 2017-CP-26-04187

**DEFENDANTS RICK SCHULTZ,
RICK TAYLOR AND THOMAS
PLANKERS' MOTION FOR
SUMMARY JUDGMENT AND
MEMORANDUM IN SUPPORT**

PLEASE TAKE NOTICE that Defendants Rick Schultz, Rick Taylor and Thomas Plankers (hereinafter, jointly, the "Individual Defendants"), by and through undersigned counsel and pursuant to Rule 56 of the South Carolina Rules of Civil Procedure, will move before the presiding judge on the tenth (10) day after service hereof, or at such other time and place as is convenient for the Court and counsel, for an Order granting summary judgment as to all claims of the Plaintiffs against them on the grounds that Plaintiffs are unable to establish that there is a genuine

issue of material fact on one or more elements of the Plaintiffs' causes of action. Counsel for these Individual Defendants respectfully submits this Motion and Memorandum in Support, reserving the right to supplement and amend prior to the hearing of this Motion.

PLAINTIFF'S CLAIMS

Plaintiffs bring suit against various individual and corporate entities involved with the development and/or administration of a housing development ("Wild Wing Plantation") and its associated property owners association ("Wild Wing Plantation Property Owners Association" or "the Association"). Plaintiffs Barry Dykes and Barbara Eisenhardt (collectively, "Plaintiffs") are members of the Association and have attempted to bring this claim as a shareholder derivative lawsuit. Plaintiffs' claims against these Individual Defendants arise from the Individual Defendants' status as current or former members of the Association's Board. Plaintiffs have raised the following claims against these Individual Defendants:

1. Breach of Fiduciary Duty. Plaintiffs allege that individual Defendants, by virtue of their positions as members of the Association's board, owed the Association and its members a fiduciary duty which they breached by failing to use generally accepted accounting principles ("GAAP") in managing the association's fiscal affairs. Further, Plaintiffs allege that these Individual Defendants breached their fiduciary duty by amending the Wild Wing Covenants. (Amended Complaint ¶¶ 89-104).
2. Unjust Enrichment. Plaintiffs' Complaint defines the Individual Defendants as part of the entity which their Amended Complaint defines as "Developer Four" and alleges the Individual Defendants were thereby unjustly enriched pursuant to Developer Four's failure to pay lot assessments on the same terms as individual owners. (Amended Complaint, ¶¶ 106-108).

3. SC Unfair Trade Practices Act. Plaintiffs allege that the actions of the Individual Defendants constitute unfair and deceptive trade practices that are capable of repetition and adversely affect the public interest. (Amended Complaint, ¶¶ 128 – 133).

For the reasons stated below, Plaintiffs' claims are barred as a matter of law, or otherwise fail for lack of evidence that supports the necessary elements of their claims. Therefore, the Individual Defendants are entitled to summary judgment and each of Plaintiffs' claims against them must be dismissed with prejudice.

FACTUAL BACKGROUND

Development History

The Wild Wing Plantation is a residential development located in Horry County between Conway and Myrtle Beach. The origins of the Wild Wing development reach back to the early 2000s, when a large tract of land near Myrtle Beach became available for purchase. The initial developer/declarant entity purchased the property with an eye to developing the land for residential living adjacent to and associated with a golf course. The POA was formed on June 14, 2006 as a non-profit corporation. A number of different entities have served as the Developer and claimed the rights of the Declarant pursuant to the Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation ("the Wild Wing Covenants") and other governing documents (collectively, the "Governing Documents"). The initial declarant, Wild Wing Company, LLC ("WWC" or "Developer One") was organized on or about December 7, 2005. *See* Amended Complaint, ¶ 28. On or about September 26, 2006, Developer One filed the Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation (the "Wild Wing Covenants"). (See Wild Wing Covenants

of September 26, 2006 attached as Exhibit A). The Wild Wing Covenants identify the developer as “Declarant”, provide that the Association was to be governed by a Board of Directors, and vested a number of rights and obligations in the Declarant. WWC’s tenure as the Declarant coincided with the economic upheaval accompanying the onset of the Great Recession, and on December 22, 2010, WWC assigned its declarant rights to SLF IV/SBI Wild Wing Company, LLC (“Developer Two”). Developer Two remained the Declarant until November 9, 2011. On that date, Developer Two assigned its declarant rights to Wild Wing Residential Development, LLC (“Developer Three”). Developer Three served as Declarant from November 9, 2011 until April 13, 2015, when the declarant rights were assigned to Founders Wild Wing, LLC (“Developer Four”), which remains the Declarant to date.

Contemporaneously with its assumption of the Declarant rights, Developer Four purchased nineteen golf courses in the Grand Strand area. (See Transcript of Deposition of Dan Liu of September 23, 2019, pp. 14-17, hereinafter, “Liu Transcript”). Individual Defendants Rick Taylor, Rick Shultz, and Tom Plankers were all working as golf course managers at one or more of the courses purchased by Developer Four and accordingly became employees of Developer Four pursuant to this transaction. In addition to continuing to act as managers for various courses now owned by Developer Four, on or about May 2015 Developer Four notified the Individual Defendants that they would be serving on the Board of Directors of the Wild Wing HOA, initially with Defendant Taylor serving as President, Defendant Schultz as Vice-President, and Defendant Plankers as Secretary-Treasurer. Defendants Plankers and Taylor remained on the board until sometime in 2017, when they both left the employment of Developer Four. Defendant Schultz continues to be on the board as of the time of the filing of this Memorandum.

Wild Wing Covenants, the Declarant's Assessment, and the extension of the Annual Funding Option

The Association's right to levy assessments on property owners within the development are set forth in Article VI, Section 2 of the Wild Wing Covenants. *See* Exhibit A, pp.17-19. The Association has the power to collect both annual assessments and special assessments to promote the "health, safety and welfare" of all residents. The same section allows the Declarant an option – in lieu of paying a per-lot assessment on all lots owned by the Declarant, the Declarant may pay a single annual assessment of "a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against owners of lots other than those owned by the Declarant." *See* Exhibit A, p. 18. Stated as simply as possible, this language meant that the Declarant's minimum obligation was to annually fund any shortfall between the Association's actual operating expenditures and the assessments made against all other owners during that year.

Each fiscal year, the Association's Finance Committee, with the assistance of the property management company hired by the Association, created an annual budget. This annual budget projected both annual expenses and annual revenues for the Association, as well as a projected shortfall – the estimated deficit that would likely be owed by the Declarant at the end of the year pursuant to the language of the covenants. During that fiscal year the Declarant would then make installment payments on the projected shortfall.

Each year, the Association hired an accounting firm to audit the Association's financial statements. The accounting firm also prepared a "Developer Assessment" worksheet. The worksheet used the information gained from the audit to identify (a) the difference between the

actual amount of actual operating expenditures, less the amount equal to the total assessments made (the “shortfall”); or (b) an amount equal to the per-unit assessment for all lots owned by the Declarant within Wild Wing Plantation. Pursuant to the Declaration, the Declarant was allowed to select its preferred funding mechanism and then make the appropriate payment to the Association.

The Individual Defendants did not create the annual budgets or determine the Declarant’s shortfall contribution as set forth in the “Developer Assessment” worksheet. Instead they only reviewed and approved the annual budgets as prepared by the Association’s Finance Committee and Waccamaw Property Management,¹ and reviewed the reports of the accounting professionals engaged to perform yearly audits of these budgets.

In November 2011, the Association’s Board of Directors (predecessor board to the board on which these Individual Defendants served) called a special meeting for the purpose of voting to amend the Covenants to extend the Declarant funding option from December 31, 2010 until December 31, 2016. *See* Amendment to Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation, attached hereto as Exhibit B. Pursuant to the allocation of voting rights per the Covenants, the Declarant had sufficient votes to pass this amendment. In November 2016, the Association’s Board of Directors (on which these Individual Defendants served) called a special meeting for the purpose of voting to again amend the Covenants to extend the Declarant’s funding option from December 31, 2016 until December 31, 2019, at which time the Declarant would be subject to assessments on the same basis as other lot owners. *See* Amendment to Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation, attached hereto as Exhibit C. Once again, pursuant

to the allocation of voting rights under the Covenants, the Declarant had sufficient votes to pass the amendment.

PROCEDURAL HISTORY

Plaintiffs filed their Summons and Complaint on June 30, 2017, alleging causes of action for breach of fiduciary duty, unjust enrichment, and veil piercing/alter ego/amalgamation. On March 19, 2020, Plaintiffs filed their Amended Complaint adding additional corporate and developer defendants, and these Individual Defendants, as well as a claim for a violation of the S.C. Unfair Trade Practices Act. The Amended Complaint generally alleges that the Defendants underfunded the Association by failing to use generally accepted accounting principles (“GAAP”) when calculating the Declarant’s contribution pursuant to the Covenants, and in improperly amending the covenants to preserve the Declarant’s funding option.

SUMMARY JUDGMENT STANDARD

Under Rule 56 of the South Carolina Rules of Civil Procedure, summary judgment “shall be rendered forthwith if the pleadings, depositions, answers to interrogatories and admissions on file together with the affidavits, if any, show that there is no genuine issue of material fact and that the moving party is entitled to a judgment as a matter of law.

In Baughman v. AT&T Co., 410 S.E.2d 537, 545 (S.C. 1991) the South Carolina Supreme Court set forth the standards governing application of this rule, expressly adopting the United States Supreme Court’s analysis in Celotex Corp. v. Catrett, 477 U.S. 317 (1986) and Matsushita Elec. Indus. Corp. v. Zenith Radio Corp., 475 U.S. 574 (1986). Under those cases, “the party seeking summary judgment has the initial responsibility of demonstrating the absence of a genuine issue of material fact.” Baughman v. AT&T Co., 410 S.E.2d at 545.

Once the moving party carries its initial burden, the non-movant may not rest on the mere allegations and affirmations of her Complaint and/or show that there is some metaphysical doubt as to the material facts. Id. Rather, she “must come forward with specific facts showing that there is a genuine issue for trial.” Id. Applying these principles, it is clear that the claims asserted by Plaintiff against this Defendant cannot withstand this Motion for Summary Judgment.

AS A MATTER OF LAW, PLAINTIFFS CANNOT ESTABLISH A CLAIM AGAINST THE INDIVIDUAL DEFENDANTS FOR BREACH OF FIDUCIARY DUTY

In South Carolina, courts apply the business judgment rule to protect corporate directors. “Under the business judgment rule, a court will not review the business judgment of a corporate governing board when it acts without corrupt motives and in good faith.” Kuznik v. Bees Ferry Assocs., 342 S.C. 579, 599, 538 S.E.2d 15, 25 (Ct. App. 2000). Our Court of Appeals has stated “the conduct of the directors should be judged by the ‘business judgment rule’ and absent a showing of bad faith, dishonesty, or incompetence, the judgment of the directors will not be set aside by judicial action.” Goddard v. Fairways Dev. Gen. P’ship, 310 S.C. 408, 414, 426 S.E.2d 828, 832 (Ct. App. 1993) (citing 4 S.C. Juris. *Condominiums* § 42 (1991)). Further, “[t]he burden of proving good faith is not on the governing board; the burden of proving a lack of good faith is borne, rather, by those challenging the board’s actions.” Dockside Ass’n, Inc. v. Detyens, 294 S.C. 86, 87, 362 S.E.2d 874 (1987) (internal citation omitted).

“A corporation may exercise only those powers granted to it by law, its charter or articles of incorporation, and any bylaws made pursuant thereto.” Seabrook Island Prop. Owners Ass’n v. Pelzer, 292 S.C. 343, 347, 356 S.E.2d 411, 414 (Ct. App. 1987) (citing Lovering v. Seabrook Island Prop. Owners Ass’n, internal citations omitted). A corporation’s actions taken within the scope of the powers granted it are considered *intra vires* acts, while “acts beyond the scope of its

powers are *ultra vires* acts.” *Id.* The business judgment rule applies to *intra vires* acts of the corporation, but not to *ultra vires* acts. *Id.*

The acts of the Individual Defendants singled out by Plaintiffs as the basis for their claims against the Individual Defendants are the calculation of the Declarant’s contribution and the enactment of the covenant amendment which extended Declarant Four’s option on how to fund any shortfall. (Transcript of Plaintiff Barry Dykes of June 25, 2020, pp.27-28, hereinafter, “Dykes Transcript”). At the same time, Plaintiffs admit² that the Covenants authorized the board to prepare and adopt annual budgets, to establish the means and methods to collect assessments, to make and amend rules and regulations, to employ professional management agents to assist them in carrying out their administration duties, and that the Covenant provides a mechanism for its own amendment. (Dykes Transcript, pp.9-11). Effectively, Plaintiffs concede that the acts of the Individual Defendants of which they complain are all *intra vires* acts:

Q: You have named Tom Plankers, Rick Schultz, and Rick Taylor as defendants in this litigation. Do you contend that they acted, during the time they served as board members, they acted outside their authority?

A: I contend that they violated their fiduciary duty to the membership.

Q: I’m simply asking you to tell me is the thing they did wrong, can you point to a section of the covenants or the declarations and say, see, it says right here they should not do this and they did this?

A: No, I can’t point to a specific –

Q: Okay.

A: -- area that I recall right now.

(Dykes Transcript, p.13, lines 6-13; p.15, lines 10-17).

² Plaintiff Eisenhardt was present during the referenced deposition of Plaintiff Dykes. During her own relatively brief deposition she indicated that Plaintiff Dykes’ knowledge of the basis for Plaintiffs’ claims exceeded her own; that she did not disagree with any of his testimony, and that in the event of a conflict in their testimony, she would defer to him. (Transcript of Plaintiff Barbara Eisenhardt Deposition of June 25, 2020, pp.7-8; hereinafter, the “Eisenhardt Transcript”).

Plaintiff Dykes has testified that “I’m not disputing that as the board they have the right to make the decision, I am disputing that the decision was made in the best interests of the membership which is what their duty is.” (Dykes Transcript, p. 19, lines 10-15). Plaintiff Dykes further explained his position by indicating that “I expect that the fiduciary duty trumps everything else.” (Plaintiff Dykes Transcript, p.11, lines 2-3). This shows that the Plaintiffs’ understanding of the relationship between the concept of fiduciary duty and the business judgment rule is completely at odds with the way it is used in South Carolina. The business judgment rule is the trump – as it exists to shield board members from members and homeowners who are aggrieved by the outcome of a decision that was within the board’s authority.

When reviewing the actions of the Individual Defendants, it should be noted that they never sought service on the board; they were informed by the principals of Declarant Four that they had been appointed pursuant to Declarant Four’s purchase of their golf courses. These appointments came with no fanfare, very little guidance and no practical advice. The Individual Defendants received only a broad directive from Declarant Four about their objectives as board members – to act in a fashion which would allow the residential development to survive the Great Recession and eventually thrive as a community:

Q: What was your understanding of your obligation as a board member when you began serving on the board?

A: To represent Founders Group International and Wild Wing.

Q: What is, “and Wild Wing?”

A: Wild Wing Plantation. Do the best job we could to make it the best place we could make it, that it was golf and a community. They paid a lot of money for that – and that was what – what they wanted to do was make it one of the best plantations, especially on 501.

Q: That is what Founders Group wanted to do?

A: We wanted to make it a fantastic place to live.

(Transcript of Thomas Plankers Deposition of November 20, 2019, hereinafter, “Plankers Transcript”, p.32, line 11-p.33, line 1).

Being inexperienced with regards to their new duties, the Individual Defendants leaned heavily on the expertise of the development's existing property manager, Waccamaw Property Management.³:

A: [L]ike I said before, I got all my – my intelligence and my knowledge from Waccamaw Management. I was a golf professional. I am a golf professional. I'm not a person that manages property. So I rely on the best people I can find, and we found them.

(Plankers Transcript, p.34, lines 1-6).

As noted previously, the Individual Defendants had no role in the calculation of the Declarant's contribution beyond reviewing and approving the figures that were provided to them by the joint work of the Association's finance committee, the property management company and the accountants retained for that purpose. As to the decision to seek a vote extending the Declarant's option to choose between paying a by-lot assessment or paying the shortfall in operating expenses, it should be noted that the Individual Defendants had been appointed to the board of an Association for a development that was now on its fourth declarant, which was in part a reflection on the then-existing economic picture. Sales of lots had been slow. The Individual Defendants made a business judgment, partly on the advice of their property manager, that the way to make the overall development a success was to generate sales activity – as Plankers testified, "They say the best way to get a community going is getting rooftops up, and that was the way to do it. (Plankers Transcript, p.28). The board reasoned that amending the covenant to extend the Declarant's exemption from per-lot assessments would allow the Declarant to sell its lots more cheaply, which would encourage sales and bring in more developers and builders. Every lot which was sold increased the Association's ability to collect

³ At the time that these Individual Defendants came onto the board, Waccamaw Property Management, LLC had been acting as the development's property management company for a number of years.

assessments and other fees which could be used for the benefit of the overall community.

(Plankers Transcript, pp.21-23). In the process of investigating the concept of amending the covenant to extend the Declarant's shortfall funding option, the Individual Defendants conferred with legal counsel "to see if this is the way it should be done or could be done, and they advised us that yes, it was." (Plankers Transcript, p. 58, lines 10-15).

Obviously, the Plaintiffs disagree with the Individual Defendants' judgment that the best way to promote the overall welfare of the Association was to seek to promote additional sales, and building activity within the development. Based on their testimony and allegations, it seems clear that if the Plaintiffs had been on the board they would have felt that the best interests of the community were best served by having the Declarant pay as many individual lot assessments as possible:

Q: All right. Do you contend that my clients had any corrupt motives or acted in bad faith with regards to any actions they took as board members?

A: I can't answer as to what their motivations are for their decisions.

Q: Okay, so that's a no? Your answer to that question is no?

A: No, it's not a no. It's a – it's a – you're asking me what their motivations are. I can't say what their motivations are. I can say that their actions were such that they were not in the best interest of the membership and the motivations for why they did that I can – I can guess but I don't know.

Q: Okay, do you believe that my clients acted in bad faith in regards to any actions they took as board members?

A: Yes, I believe that they acted to benefit their employer at the –

Q: Okay.

A: Expense of the membership.

Q: And so your belief that they acted with bad faith is an inference on your part, is it not?

A: Again, you're talking a motive, so yes, I'm – I'm inferring from their actions what their motives might be.

(Dykes Transcript, pp. 21-22; p.27, lines 18-22).

But Plaintiffs cannot meet their burden at the summary judgment stage by disagreeing with the board's chosen course of action. Likewise, they cannot prevail by offering testimony

about their beliefs, or how they feel. Under the business judgment rule, at this stage of the litigation Plaintiffs must make a showing of bad faith, dishonesty or incompetence. This the Plaintiffs have failed to do. As to bad faith or dishonesty:

Q: Do you have any evidence that their employer directed them to make particular decisions or take particular actions as board members?

A: I don't have – I can't specifically say what the process was. I believe there was collaboration there.

Q: And I understand. My question is do you have any evidence to support that belief?

A: Not that I'm aware of.

Q: Do you have any evidence that my clients would lose their jobs if they didn't take a particular action?

A: I don't have specific evidence. I am aware that Rick Schultz tried to resign from the board at one point and was told he couldn't.

Q: Well, that's not losing his job, that's keeping his job, right?

A: Well, if he didn't – didn't do what they wanted, I assumed he'd lose – he would lose his job. But I don't – I don't have evidence of that.

Q: Do you believe that my clients had any sort of financial incentive, other than maintaining their jobs, with regards to any of the decisions they made as board members?

A: I don't know.

(Dykes Transcript, p.25, lines 5-14; p.25, line 19-p.26, l.4; p.39, lines 16-20).

Likewise, as to incompetence:

Q: Is it your understanding that somebody has to have an understanding of GAAP in order to serve on the development's finance committee?

A: No.

Q: What about on the HOA's board?

A: Not to my knowledge.

Q: So if you don't believe it's a requirement that you as a putative board member have to really understand GAAP, but you believe there is a requirement that they abide by the principles of GAAP, would it in your judgment be reasonable for a board member who didn't have your understanding of GAAP to approach other professionals for help in understanding that concept and how to apply it?

A: Yes, that would be reasonable.

(Dykes Transcript, p.46, lines 21-p.47, line 1; p.47, lines 12-21).

S.C. Code Ann. § 33-31-830(b)(2) provides that a “director is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: *legal counsel, public accountants, or other persons as to matters the director reasonably believes are within the person’s professional or expert competence.* (emphasis added) The acts of the Individual Defendants complained of by Plaintiffs were acts which were authorized by the Association’s own governing documents and consistent with the laws of the State. Accordingly, these were *ultra vires* acts, and as Plaintiffs have not made the required showing that the Individual Defendants acted fraudulently or incompetently, these acts fall squarely within the protection afforded by the business judgment rule and should not be subject to judicial review by this Court.

PLAINTIFFS’ UNJUST ENRICHMENT CLAIMS AGAINST THE INDIVIDUAL DEFENDANTS MUST BE DISMISSED BECAUSE PLAINTIFFS HAVE FAILED TO ESTABLISH THAT THE INDIVIDUAL DEFENDANTS WERE UNJUSTLY ENRICHED TO THE DETRIMENT OF THE PLAINTIFFS.

“A party may be unjustly enriched when it has and retains benefits or money which in justice and equity belong to another.” Dema v. Tenet Physician Servs.-Hilton Head, Inc., 383 S.C. 115, 123, 678 S.E.2d 430, 434 (2009). Unjust enrichment is a specific equitable doctrine, and the remedy for unjust enrichment is restitution. *See* Sauner v. Pub. Serv. Auth. Of S.C., 354 S.C. 397, 409, 581 S.E.2d 161, 167 (2003) (“Restitution is a remedy designed to prevent unjust enrichment.”). To recover on a theory of unjust enrichment, a Plaintiff must demonstrate that the plaintiff conferred a non-gratuitous benefit on the defendant; that the defendant realized some benefit from the benefit; and that it would be inequitable for the defendant to retain the benefit without paying the Plaintiff for its value. Campbell v. Robinson, 398 S.C. 12, 24, 726 S.E.2d 221, 228 (Ct. App. 2012); Niggel Assocs., Inc. v. Polo’s of N. Myrtle Beach, Inc., 296 S.C. 530,

532, 374 S.E.2d 507, 509 (Ct. App. 1988). As to the first element, Plaintiffs have not identified any benefit that they conferred on the Individual Defendants:

Q: And is there any – any way that you believe that my clients personally were unjustly enriched as a result of their roles as members of the board of the HOA?

A: As I said before, I don't know how their compensation or other arrangements worked with Founders, but I have no knowledge of how they were compensated.

Q: So the answer to my question would be no, you don't have any knowledge of my clients being unjustly enriched?

A: I do not, no.

(Dykes Transcript, p.112, lines 8-19).

Q: Do you contend that my clients were unjustly enriched by their service as board members?

A: Yes.

Q: In what way?

A: Because I think that they made decisions that were what the declarant wanted, not what was in the best interests of the members.

Q: Do you think that resulted in my clients being paid any monies, my clients as individuals being paid any monies that would otherwise have gone to the HOA?

A: I don't know have any way to know that. I don't know what monies they may have received from the declarants for making the decisions they made.

Q: Okay. So I – if I repeat – if I rephrase your answer and state it as you have no evidence that my clients were personally enriched unjustly in return for their services as board members, you don't have that evidence?

A: Well, I don't have any evidence that they weren't.

Q: Right. And that's a different question. My question is do you have any evidence that they were?

A: No.

(Eisenhardt Transcript, p.17, line 3 – p.18, line 3)

As the preceding testimony indicates, not only have the Plaintiffs as individuals not conferred any benefit upon the Individual Defendants, but the Association (whom Plaintiffs seek to represent in a shareholder derivative action) did not convey any benefit upon the Individual Defendants. At the most, Plaintiffs' testimony indicates that they suspect that Declarant Four may have required Individual Defendants to serve upon the board as an implied condition of

their continued employment as golf course professionals at courses owned by Declarant Four. Accepting merely for the sake of argument that this could be considered as a non-gratuitous benefit, there is no evidence in the record to support this theory and, even if there were, the “benefit” would be one provided by a fellow Defendant, not the Plaintiffs.

As Plaintiffs conveyed no benefit upon the Individual Defendants, the second and third elements of their unjust enrichment claim must also fail as a matter of law. The Individual Defendants could not have realized any value from a non-existent benefit. Finally, there is nothing inequitable about Plaintiffs’ inability to recover restitution from the Individual Defendants, because the Individual Defendants could not have retained a non-existent benefit. If Plaintiffs should prevail in their unjust enrichment claims against other defendants in this litigation, then they will have demonstrated that the benefit was retained by those defendants and a recovery would be available from them.

PLAINTIFFS’ SCUTPA CLAIM MUST BE DISMISSED BECAUSE PLAINTIFFS HAVE NOT SUFFICIENTLY ALLEGED AN UNFAIR ACT OR PRACTICE IMPACTING THE PUBLIC INTEREST

Rule 8(a) of the South Carolina Rules of Civil Procedure requires that a pleading “shall contain [] a short statement of the grounds including facts and statutes upon which the court’s jurisdiction depends” as well as “a short and plain statement of the facts showing that the pleader is entitled to relief.” Rule 8(a), SCRPC. Keeping this in mind, in order to establish a claim for violation of the South Carolina Unfair Trade Practices Act (“SCUTPA”), a plaintiff must show: (1) the defendant engaged in an unfair or deceptive act in the conduct of trade or commerce; (2) the unfair or deceptive act affected [the] public interest; and (3) the plaintiff suffered monetary or property loss as a result of the defendant’s unfair or deceptive act(s).” Wright v. Craft, 372 S.C. 1, 23, 640 S.E.2d 486 (Ct. App.2006). A plaintiff seeking to prosecute a SCUTPA claim must

also demonstrate that the behavior complained of affects the public interest. “The act is not available to redress a private wrong where the public interest is unaffected.” Noack Enterprises, Inc. v. Country Corner Interiors of Hilton Head Island, Inc., 290 S.C. 475, 477-79, 351 S.E.2d 347, 349-50 (Ct.App.1986) (“While these allegedly unfair or deceptive acts or practices allegedly damaged Noack Enterprises, the complaint nowhere alleges any facts demonstrating that these acts or practices adversely affect the public.”). The private right of action under the Act is limited to those with unfair or deceptive acts or practices that affect the public interest. “An unfair or deceptive act or practice that affects only parties to a trade or commercial transaction is beyond the act’s embrace...” *Id.* at 479. Further, a showing of public interest requires proof of specific facts. *See Key Co. v. Fameco Distribs., Inc.*, 292 S.C 524, 357 S.E.2d 476 (Ct. App. 1987) (holding conduct only affecting the parties to the transaction provides no basis for a SCUTPA claim.). Further, the defendant to be charged with violation of the SCUTPA must have actually committed the act that constitutes the violation. “[W]e hold that in private actions under the UTPA, directors and officers are not liable for the corporation’s unfair trade practices unless they personally commit, participate in, direct, or authorize the commission of a violation of the UTPA.” Plowman v. Bagnal, 316 S.C. 283, 284, 450 S.E.2d 36, 38 (S.C 1994). Accordingly, it is imperative that a showing of the necessary public interest will require proof of specific facts. *Jeffries v. Phillips*, 316 S.C. 523, 527, 451 S.E.2d 21, 23 (Ct. App. 1994).

Plaintiffs’ SCUTPA claim is, instead, remarkable for its vagueness and lack of detail. The Amended Complaint alleges that the largely undifferentiated Defendants engaged in numerous acts of self-dealing, conflicts of interest, failures to observe applicable fiduciary obligations, disregard of GAAP requirements when preparing a budget, and taking unfair advantage of declarant voting rights, all of which was intended to deprive the Association of funding that was

the Association's by right and accrue to the benefit of the Defendants. With regards to these Individual Defendants, the Amended Complaint merely identifies them as current or former members of the Association's board as appointed by Declarant Four and that the amendment extending the time period during which the Declarant was exempt from paying assessments from December 21, 2016 to December 31, 2019 was signed by Defendant Plankers. *See* Amended Complaint at ¶¶ 49, 62. Plaintiffs' SCUTPA cause of action then goes on to allege that "the above described acts are capable of repetition and adversely affect the public interest" without any specific reference to the Individual Defendants and without explaining how their particular acts affect that public interest, or for that matter, constituted deceptive behavior.⁴ As Plaintiffs' allegations only relate to the conduct between the Association and the Defendants, they are insufficient to allege that the public interest is at stake. Plaintiffs also fail to allege how the acts of the Individual Defendants have the potential for repetition in the future.

Plaintiffs' SCUTPA claim therefore fails to allege specific facts identifying deceptive conduct on the part of the Individual Defendants, how that conduct affects the public interest, how that behavior is capable of repetition, and how that specific deceptive behavior of the Individual Defendants resulted in monetary loss to the Plaintiffs.⁵ Accordingly, their SCUTPA claim must be dismissed.

CONCLUSION

⁴ Regarding the amendment to the covenants that occurred during the board terms of the Individual Defendants, Plaintiffs admit that they and the general membership were given notice that the board was proposing such an amendment to the covenants and would seek to put it to a vote of the membership. (Dykes Transcript, p. 76). Given this, it is hard to understand how Plaintiffs would allege this constituted deceptive behavior.

⁵ Similarly, as Plaintiff Dykes was a member of the finance committee and was a participant in the generation of the budgets approved by the board, it is hard to see how the Plaintiffs could allege that the Individual Defendants' participation in determining the Declarant's annual contribution constituted deceptive behavior.

Based on the foregoing, the Individual Defendants hereby request that the Court grant their Motion for Summary Judgment as to all causes of action alleged against the Individual Defendants by the Plaintiffs. The Individual Defendants further request the Court award them all fees and costs associated with this Motion and any such further and additional relief as this Court deems just and proper.

ARTICLE I

Definitions

Section 1. The following words when used in this Declaration or any Supplemental Declaration (unless the context shall prohibit) shall have the following meanings:

(a) "Annual Assessments" or "Assessments" shall mean an assessment established by the Board of Directors for common expenses as provided for herein or by a subsequent amendment which shall be used for the purpose of promoting the recreation, common benefit and enjoyment of the Owners and occupants of all Lots and the operation, maintenance and repair of the Common Area.

(b) "Architectural Review Board" or "A.R.B." shall mean and refer to that committee or board of Association (as hereinafter defined) created for the purpose of establishing and enforcing criteria for the construction of improvements (including landscaping) within the Properties. Initially, Declarant shall appoint all members of the Architectural Review Board until such rights of Declarant terminate or are transferred to Association in accordance with Article VII of this Declaration.

(c) "Association" shall mean and refer to Wild Wing Property Owners Association, Inc., its Successors and Assigns.

(d) "Common Area" shall mean and refer to those areas of land, including the facilities to be constructed thereon, if any, shown and specifically designated as such on any subdivision map of The Properties filed by Declarant or by any other means so designated by Declarant and shall include an easement (as hereinafter provided) over the Lake and Lake Areas. Such areas are intended to be devoted to the common use and enjoyment of the members of the Association as herein defined, and are not dedicated for use by the general public. However, no general plan or plat of the Properties showing adjoining areas which may later be developed as additional phases of the Development shall be included as Common Areas nor shall the Association or any Owner be entitled to any right, title or interest therein unless and until such adjoining areas shall have been formally included as a part of the Development by the Declarant pursuant to the terms hereinafter contained. Declarant reserves the right, but shall be under no obligation, to build a swimming pool, clubhouse, playground, two (2) tennis courts, beach area, boat docking slips and boat landing, as well as such other amenities as Declarant may, in its sole discretion, determine to construct and dedicate same as a Common Area. As to all conveyances of Common Areas by Declarant to Association, Association agrees to accept title to such areas upon execution and delivery of a quit-claim deed of conveyance provided (i) said Common Areas have been completed and are, subject to normal wear and tear, in reasonable repair and condition, and (ii) reasonable provisions have been made for the establishment of a reserve fund budgeted for normal maintenance thereof which such fund has been turned over to the Association.

Provided however, the recording and reference to said plat shall not in and of itself be construed as creating any dedications, rights or easements (negative reciprocal or otherwise), all such dedications, rights and/or easements being made only specifically by this Declaration, any amendment or supplement hereto or any deed of conveyance from Declarant, its successors or assigns, as developer.

(e) "Declarant" shall mean and refer to Wild Wing Company, LLC, its Successors and Assigns in the development of the Properties, but shall not include an Owner of an individual Lot located within the Properties.

(f) "Declaration" shall mean and refer to this Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation.

(g) "Design Criteria", "Plans", and "Specifications", and such like terms shall refer to and encompass the Plans, Specifications, Elevations, and Designs, including but not limited to, exterior finishes and textures, and exterior colors and materials for dwellings and improvements to be constructed upon Lots within the Project as well as setbacks, locations, etc. contained hereinafter in this Declaration.

(h) "Development", "Project" "Wild Wing" and "Community" shall all mean and refer to the project known as Wild Wing Plantation as hereafter developed by the Declarant.

(i) "Lot" shall mean and refer to any plot of land intended for residential use, with delineated boundary lines appearing on any recorded subdivision map of the Properties with the exception of any Common Area shown on a recorded map. In the event any Lot is increased or decreased in size by resubdivision, the same shall nevertheless be and remain a Lot for the purpose of this Declaration. This definition shall not imply, however, that a Lot may be subdivided if prohibited elsewhere in this Declaration. In the event that an Owner desires to combine two (2) or more adjoining Lots for the purpose of constructing and maintaining a single residence thereon, the resulting combined Lots shall from that date forward be deemed one (1) Lot for the purposes of this Declaration, including for the purpose of determining Assessments in accordance with this Declaration.

(j) "Lake" and "Lake Areas" means any Common Area or portion of a Lot or Lots on which a Lake now exists or is later constructed by Declarant and "Lake" means a body of water which now exists or is later constructed by Declarant and so designated.

(k) "Lake Maintenance Easement" means those areas identified on the recorded plat(s) of the Property as "Lake Access/Maint Easmt (typ)" or similar designation which shall be reserved to the Association for the purpose of performing maintenance of the Lakes in accordance with the terms and provisions of this Declaration.

(l) "Member" shall mean and refer to all those Owners who are members of the Association, as provided in Article IV hereof.

(m) "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of the fee-simple title to any Lot(s), but shall not mean or refer to any mortgagee or subsequent holder of a mortgage, unless and until such mortgagee or holder has acquired title pursuant to foreclosure or any proceedings in lieu of foreclosure. Said term "Owner" shall also refer to the heirs, successors and assigns of any Owner.

(n) "Properties" or "Property" shall mean and refer to all property including Lots and Common Areas, as are subject to this Declaration, and which are described in Exhibit "A" together with any additional phases that may be developed and specifically submitted to the provisions of this Declaration pursuant hereto.

(o) "Personal watercraft" means a boat less than sixteen feet in length which: (i) has an outboard motor or an inboard motor which uses an internal combustion engine powering a water jet pump as its primary source of motive propulsion, (ii) is designed with the concept that the operator and passenger ride on the outside surfaces of the vessel as opposed to riding inside the vessel; (iii) has the probability that the operator and passenger, in the normal course of use, may fall overboard. Personal watercraft includes, without limitation, a vessel where the operator and passenger ride on the outside surfaces of the vessel, even if the primary source of motive propulsion is a propeller, and a vessel commonly known as a "jet ski".

(p) "Setback" shall mean an area along the boundary of a Lot where no building or other structures such as swimming pools or decks shall be permitted, without the express written permission of Declarant or the Architectural Review Board. However, the location of normal air handling and heat, ventilation and air conditioning units (and the associated approved screening for such units) within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure located on a Lot.

(q) "Subsequent Amendment" or "Supplemental Declaration" shall mean an amendment to this Declaration which adds property to this Declaration and makes it subject to the Declaration. Such Subsequent Amendment may, but is not required to, impose, expressly or by reference, additional restrictions and obligations and/or modifications to these Restrictions on the land submitted by that Subsequent Amendment to the provisions of the Declaration.

(r) "Special Assessments" shall mean an assessment established by the Board of Directors from time to time for capital improvements, unique costs or expenses, extraordinary budget or expense items and the like.

ARTICLE II

Uses of Property

Section 1. Conformity and Approval of Structures. No structure, fence, sidewalk, wall, swimming pool, boat docking slip, bulkhead wall, landscaping (other than replacement of landscaping in accordance with an approved plan) or other improvement shall be placed or altered on any Lot except in accordance with the provisions of this Declaration and after approval of the Architectural Review Board as hereinafter provided in Article VII of this Declaration.

Section 2. Subdivision of Lot. No Lot shall be subdivided except as hereinafter provided and no building or residence, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the building lines as hereinafter established except as herein provided. Provided, however, two or more Lots may be combined to provide one building site in accordance with this Declaration, subject to the limitations contained in Article I of this Declaration.

Section 3. Increased Size of Lots. A Lot or Lots may only be subdivided provided the effect is to increase the size of both of the adjoining Lots. In such cases, the Declarant may alter the building lines to conform. Should the Owner or Owners of any Lots and/or portions of Lots which have been combined for a single building site subsequently wish to revert to the original plan of subdivision, or make any other combination which would not be in violation of this restriction, such may be done only if the written consent of the Declarant is first had and obtained. In such instances, the adjoining Lot Owners, or other Owners in the subdivision do not have the right to review, pass on or interfere with such rearrangement of Lots, as such rights shall be exclusively that of the Declarant or any successors or assigns to whom the Declarant may expressly have transferred such rights, but the purchaser of any other Lot in the subdivision does not, by virtue of his status as a purchaser, become any such successor or assign.

Section 4. Alteration of Setback Lines in the Best Interest of Development. Where because of size of Lot, shape of Lot, natural terrain, or any other reason in the sole opinion of the Declarant, that the Setback lines of any Lot(s) should be altered or changed, then the Declarant reserves unto itself, its successors or assigns, and no other, the right to change said Setback lines to meet such conditions. The Declarant specifically reserves the right to transfer and assign this right of approval to the Architectural Review Board hereinafter established.

Section 5. Completion of Improvements. The exterior of all dwellings and other structures constructed upon any Lot must be completed within one (1) year after the construction of same shall have commenced, except where such completion is impossible or would result in great hardship to the Owner or builder due to strikes, fires, national emergencies or natural calamities. No building under initial construction shall be occupied until construction is completed, and all necessary approvals of any governmental authorities have been obtained, and the Architectural

Review Board has issued its certificate of completion in accordance with guidelines promulgated by the Architectural Review Board.

Section 6. Residential Use of Lots. Except as provided herein, all Lots shall be used for residential purposes exclusively. No structures, except as hereinafter provided, shall be erected, altered, placed or permitted to remain on any Lot other than one (1) detached single family dwelling constructed in accordance with the Plans and Specifications herein defined in Article III. No timesharing, interval ownership or other related ownership scheme shall be permitted. No separate storage or other out building shall be permitted; all storage rooms must be attached to, form a part of and conform to the architectural scheme and appearance of the dwelling. In addition, no leasing or rental of any dwelling shall be permitted having a duration of less than six (6) months. However, Declarant or its assignee may maintain sales offices, models and construction offices upon one or more Lots until all Lots located or to be located within the Properties (including all subsequent phases) have been sold to third parties or Declarant no longer has the right to incorporate additional property under the terms of this Declaration. Easements are hereby reserved through the Common Area, including, without limitation, the easements shown on the plat (s) of the Property for use by Developer, for its use and the use of its agents, employees, licensees and invitees, for all purposes in connection with the use, development and sales of the Property, including, without limitation, for the erection and maintenance of signage.

Section 7. Maintenance of Lots. It shall be the responsibility of each Lot Owner to prevent the development of any unclean, unsightly, or unkept condition of buildings or grounds on such Lot which shall tend to substantially decrease the beauty of the neighborhood as a whole or the specific area. Each Owner shall maintain his Lot and shall keep underbrush and weeds mowed, which shall include, without limitation, the mowing of Lots on which no residence has been built not less than twice annually in October and May of each year.

Section 8. Nuisances. No noxious, unlawful or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or a nuisance to the neighborhood. No plants, poultry, animals (other than household pets) or devices or things of any sort, the normal activities or existence of which are in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of other property in the neighborhood shall be placed, kept or maintained on any Lot. Without limiting the foregoing, exterior lighting may not be so installed on any Lot as to illuminate any portion of a neighboring Lot or to shine into any window or otherwise enter a dwelling located on an adjoining Lot. Garage doors must be closed except when in use.

Section 9. Exclusion of Above Ground Utilities. All electrical service and telephone lines shall be placed underground and no outside electrical lines shall be placed overhead. No exposed or exterior radio or television transmission or receiving antenna shall be erected, placed or maintained on any part of the premises. Provided, however, that the normal service pedestals, and similar equipment, used in conjunction with such underground utilities shall be permitted within the development. Overhead utilities shall be permitted during the construction period and until utility

companies can place them underground. Except as hereinafter provided, no Owner shall install any receiving or transmitting device which requires any exterior protrusion, nor shall any antennas or other receiving or transmitting devices be located on any Lot. Notwithstanding the foregoing, the following types of antennas may be installed, but only in accordance with reasonable rules and regulations to be promulgated by the Architectural Review Board, which rules and regulations shall include, without limitation, restrictions as to location, color and screening:

a dish antenna that is one (1) meter or less in diameter and is designed to receive direct broadcast satellite service, including direct to home satellite service; (B) an antenna that is one (1) meter or less in diameter or diagonal measurement and is designed to receive video programming services via multi-channel multi-point distribution (wireless cable) providers (MMDS); or (C) an antenna that is designed to receive television broadcast signals.

Section 10. Signs. Except as required by law, no billboards, posters or advertising signs of any kind or character (specifically including "for sale" or "for rent" signs or posters) shall be erected, placed, permitted, maintained or allowed to remain on any lot or improvement thereon (including in any window) except for signs designating the Lot Owner and contractor on any Lot on which a residence is then under construction. Such signs shall be of a uniform type and color as approved by the Architectural Review Board and shall be supplied by Association upon payment of a fee for same by Owner. However, it shall be permissible for the Association to have a sign located on the Common Area, if the design, size and location of such sign is approved by Declarant, prior to its erection. No other sign of any kind or design shall be allowed. Declarant reserves the right to erect temporary or permanent signs identifying and/or advertising the Project on the Common Area.

Section 11. Prohibition Against Business Activity. Except as hereinafter provided, no business activity, including but not limited to, a rooming house, boarding house, gift shop, antique shop, professional office or beauty shop or the like or any trade of any kind whatsoever shall be carried on upon a Lot or Lots. Nothing herein shall be construed to prevent a "home office" so long as all activities are conducted within the residence and no customers, employees, clients or others enter the Properties relative to such business activity. Provided, however, that nothing contained herein shall be construed so as to prohibit the construction of houses to be sold on said Lots or the showing of said houses for the purpose of selling houses in the subdivision. Nothing herein shall be construed to prevent the Declarant from erecting, placing or maintaining signs, structures and offices as it may deem necessary for its operation and sales in the subdivision.

Section 12. Mining and Drilling. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any part of the premises, nor shall any oil, natural gas, petroleum, asphalt or hydrocarbon products or materials of any kind be produced or extracted from the premises.

Section 13. Garbage Disposal. Each Lot Owner shall provide garbage receptacles or

similar facilities in accordance with reasonable standards established by the Declarant, or a roll-out garbage rack of the type approved by the Declarant, which shall be visible from the streets on garbage pickup days only. No garbage or trash incinerator shall be permitted upon the premises. No burning, burying or other disposal of garbage on any Lot or within the Project shall be permitted. Provided that the Declarant shall be permitted to modify the requirements of this Section 13 where necessary to comply with orders of governing bodies.

Section 14. Temporary Structures. No structure of a temporary character shall be placed upon any Lot at any time, provided, however, that this prohibition shall not apply to shelters used by the contractors during construction of the main dwelling house, it being clearly understood that the latter temporary shelters may not, at any time, be used for a residence or permitted to remain on the Lot after completion of construction.

Section 15. Other Structures. No home, tent (other than small overnight tents used by children which remain in place for less than 24 hours), barn, tree house or other similar out-building or structure shall be placed on any Lot at any time either temporarily or permanently, except as provided in Section 14 above.

Section 16. Storage Receptacles. No fuel tanks or similar storage receptacles may be located on the Lots (with the exception of small portable tanks for supplying fuel to gas grills and gas logs for fireplace) nor may any such tanks or storage receptacles be buried underground.

Section 17. Clotheslines. No clotheslines or drying yards shall be located upon the premises so as to be visible from any Common Area or from any adjoining property or Lot.

Section 18. Water and Irrigation Systems. No individual water supply system shall be permitted upon any Lot. Furthermore, no wells may be drilled upon any Lot or Common Area for supplying water, whether the same shall be used for lawn irrigation or otherwise. No drawing of water from any lake or pond shall be permitted.

Section 19. Off-Street Parking. Adequate off-street parking shall be provided by the Lot Owner herein for the parking of automobiles or other vehicles owned by said Owner and said Owner agrees not to park his automobile or other vehicles on the Streets or Common Areas in the subdivision. No travel trailers or mobile homes, campers or other habitable motor vehicles of any kind, whether self-propelled or not, school buses, trucks (other than non-commercial pickup trucks) or commercial vehicles, or boat trailers or boats shall be kept, stored or parked overnight, either on any Common Area, any streets, or any Lot, except within enclosed approved garages or sheltered from view from neighboring Lots, any adjacent property which is not part of the project or Common Areas or within a portion of the Common Areas which may be hereafter specifically designated for such use. Furthermore, no non-operative or junked vehicles (or parts thereof) may be kept on the Properties. It shall not be permissible to make repairs to or "work on" vehicles, boats or other watercraft while same are located on the Properties.

Section 20. Sewer System. No surface toilets are permitted on the Properties. The Grantee of any Lot assumes all responsibility for obtaining the necessary permits for attaching to the public sanitary sewer and water system for the project, developer making no warranties or representations thereabout.

Section 21. Firearms and Fireworks. No firearms or fireworks of any variety shall be discharged upon the Lots or Common Areas.

Section 22. Pets. No pet shall be permitted off of its owner's Lot when not on a leash.

Section 23. Lakes and Lake Area(s). Subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration and except as otherwise provided, no individual using a Lake, has the right to cross another Lot or trespass upon shoreline not within a Common Area owned by the Association or within a Lake Area. Notwithstanding the foregoing, Declarant, the Association and each and every Owner (subject to restrictions contained in this Declaration with regard to the simultaneous use of Common Areas by multiple Owners of a single Lot), their respective successors, heirs and assigns, shall have a right and easement over all Lakes and Lake Areas for entry thereon and the use thereof by Declarant or any Owner and such Owner's guest(s) when accompanied by an Owner in accordance with the Association's rules and regulations, whether or not such Lake or Lake Area (or portions thereof) is actually located upon a Lot or Lots. No Owner shall have the right to exclude Declarant or any Owner and such Owner's accompanied guest(s) from any Lake or Lake Area because of such Lake or Lake Area being partially located within the bounds of any Lot(s). Such easements shall be appurtenant to, and pass with, the title to each Lot. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. No docks, piers or other structures may be erected in, over or adjoining any Lake, except for a boat dock slip and associated bulkhead walls constructed in strict accordance with guidelines promulgated by the Architectural Review Board. Furthermore, no Lake may be used by any Owner for the purpose of providing water for irrigation purposes. A Lake may be used for swimming, boating, and other recreational purposes only in accordance with rules and regulations promulgated by Association, as such rules and regulations may now or hereafter be adopted, amended and/or modified. Such rules and regulations may include restrictions as to type, length and horsepower of any boats to be used upon such Lake(s). Furthermore, no personal watercraft (as defined in this Declaration) may be used or located upon any Lake or Lake Areas. Lakes and Lake Areas may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Declarant reserves unto itself, its designated successors and assigns, the right to increase or decrease the level of the waters of any Lake, from time to time, without obtaining the consent or approval of Association or any Owner(s) and without liability for such actions.

ARTICLE III

Construction in Accordance with Plans and Specifications

Section 1. General. All structures of every type and description shall be constructed, placed or erected within the Development in accordance with the provisions of this Article III together with other applicable provisions of this Declaration.

All residences to be constructed upon any Lot shall have a minimum of 2,000 square feet of enclosed heated floor space for single level dwellings, exclusive of porches, decks and garages, and a minimum of 2,400 square feet of enclosed heated floor space in multi-level dwellings (with not less than 1,600 square feet of enclosed heated floor space on the first level), exclusive of porches, decks and garages as herein defined. For purposes of this Declaration, a single level or one story dwelling shall be a dwelling having living areas on only one level while a multi-level or two story dwelling shall be a dwelling having living areas located on more than one level within the dwelling. In addition, each residence must include an enclosed garage. While Declarant may not modify the provisions of this Section with regard to the Property being hereby submitted to the terms and provisions of this Declaration as Phase I, Declarant expressly reserves the right, in its sole discretion, to modify the terms of this Section as to any subsequent property submitted to the terms of this Declaration as additional phase(s) by subsequent amendment or supplemental declaration. Such subsequent amendment or supplemental declaration shall specify the modifications of this Section (if any) applicable to such additional property or phase so incorporated under the terms of this Declaration.

Section 3. Setbacks. No building or structure, including porches, swimming pools or projections of any kind, shall be erected so as to extend over or across any of the Setback lines so as to be nearer to the Lot boundary line than such Setback line. The Setback lines for each Lot shall be as follows:

Front Setback Line - 35 feet from front Lot Boundary Line
(As to all Lots except as otherwise specifically provided in this section)

Front Setback Line
(Lots 248 through 251,
Lots 265 through 297 and Lots

Side Setback Line - 10 feet from each side Boundary Line of the Lot
(As to all Lots except as otherwise specifically provided in this section)

Rear Setback Line - 35 feet from the Rear Lot Boundary Line
(On Lots which do not adjoin a Lake or Lake Area and are not otherwise specifically provided for in this section)

Rear Setback Line - 23 feet measured from the Lake Maintenance Easement boundary line on the upland or high ground side of the Lake Maintenance Easement
(On Lots which adjoin a Lake or Lake Area and are not otherwise specifically provided for in this section)

Rear Setback Line (Lots 248 through 251, Lots 265 through 297 and Lots 305-331, inclusive) - 20 feet measured from the Lake Maintenance Easement boundary line on the upland or high ground side of the Lake Easement

However, (a) the location of normal air handling and heat, ventilation and air conditioning units and associated approved screening within such Setback area shall be permissible so long as it is in conjunction with an approved residential structure on said Lot, (b) roof overhangs not to exceed twenty-four (24") inches from and as a part of the main dwelling may extend unto the Setback area, and (c) boat dock slips and bulkheads constructed in strict accordance with plans approved by the Architectural Review Board may extend into setback and Lake maintenance easement areas.

Notwithstanding the foregoing, Declarant reserves the rights provided in Article II, Section 4 of this Declaration to modify said setback lines.

ARTICLE IV

Membership and Voting Rights in the Association

Section 1. Membership. Every person or entity who is an Owner of any Lot which is subjected by this Declaration to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to Assessment.

Section 2. Articles of Incorporation and Bylaws. A copy of the Articles of Incorporation of the Association and Bylaws of the Association are attached hereto as Exhibit "B" and Exhibit "C", respectively, and made a part and parcel hereof.

Section 3. Voting Rights. The Association shall have two (2) classes of voting membership.

Class A. Class A Members shall be all Owners excepting the Declarant. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Section 1 above. When more than one person holds such interest or interests in any Lot, the vote attributable to such Lot shall be exercised as such persons mutually determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

Class B. The sole Class B Member shall be the Declarant. The Class B Member shall be entitled to total votes in an amount equal to twice the number of the class A votes plus one. The Class B membership shall cease and become converted to Class A membership upon the conveyance to Lot Owners of all Lots subject to this Declaration, or December 31, 2015, whichever first occurs. In addition, Declarant may terminate the Class B membership upon written notice to Association.

When a purchaser of an individual Lot or Lots takes title thereto from the Declarant, he automatically becomes a Class A Member.

ARTICLE V.

Property Rights in the Common Areas

Section 1. Member's Easements of Enjoyment. Subject to the provisions of Section 3 of this Article, every Member shall have a right and easement of enjoyment in and to the Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot. This right and easement shall be for use in common with all other such members, their tenants, guests and invitees. In the event that Declarant incorporates additional land under the provisions of this

Declaration pursuant to Article IX of this Declaration, all Owners of Lots within such additional phases shall have the same rights and privileges with regard to use of the Common Areas as the Owners of Lots originally made subject to this Declaration.

Furthermore, and notwithstanding anything in this Declaration to the contrary, any owner of a lot within the subdivision located near to the Property which is known as "The Sanctuary at Wild Wing"(the "Sanctuary") may use the swimming pool, tennis court(s) and Owner's Clubhouse facilities (at such time as the same may be constructed) located within the Common Areas of the Development upon payment by such owner of an annual fee to the Association, which fee shall be equal to thirty-five (35%) percent of the regular annual assessment assessed by the Association against each Lot (and the Owner thereof) within the Development, as the same changes from time to time. Such usage shall be in accordance with the rules and regulations promulgated by the

Association for the members thereof. However, nothing herein shall create any ownership or membership rights in the owners of lots within the Sanctuary nor shall any of such owners within the Sanctuary have any rights to vote or otherwise manage the Association of the Common Areas.

Section 2. Title to Common Areas. Subject to the provisions of Article I, Section C, the Declarant hereby covenants for itself, its successors and assigns, it will convey to the Association, by Quit-Claim Deed, fee simple title to the Common Areas (excluding any portions of Lakes and Lake Areas which are located within the bounds of any Lot) upon the conditions set forth herein, free and clear of all encumbrances and liens, except those created by or pursuant to this Declaration and except for those rights reserved unto the Developer pursuant to this Declaration. Association shall accept such conveyance of the Common Areas (which may include streets, roads and drainage facilities).

In lieu of the conveyance provided for herein with regard to the streets, roads, and/or drainage facilities. Declarant may cause such streets, roads and/or drainage facilities to be dedicated to any governmental entity, as provided for in Section 3(a) hereof.

Section 3. Extent of Member's Easements. The rights and easements created hereby shall be subject to the following:

- (a) The right of the Declarant, and/or of the Association, to dedicate, transfer or convey all or any part of the Common Areas, with or without consideration, to any governmental body, district, agency or authority, or to any utility company, provided that no such dedication, transfer or conveyance shall adversely limit the use of the Common Areas by the Members of the Association;
- (b) The right of the Declarant, and/or of the Association, to grant and reserve easements and rights-of-way through, under, over and across the Common Areas, for the installation, maintenance and inspection of lines and appurtenances for public or private water, sewer, drainage and other utilities and services, including, without limitation, a cable (CATV) or community antenna television system and irrigation or lawn sprinkler systems, and the right of the Declarant to grant and reserve easements and rights-of-way through, over and upon and across the Common Areas for the completion of the Development, and for the operation and maintenance of the Common Areas;
- (c) The right of the Association, as provided in its By-Laws, to suspend the enjoyment rights of any Owner in the Common Areas for any period during which any assessment remains unpaid, and for any period during which the Owner is in violation of this Declaration or the rules and regulations of the Association and in addition thereto (and without limiting the foregoing periods) for a period not to exceed thirty (30) days for any infraction of its published rules and regulations.

(d) The rights of the Association, in accordance with law, its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Areas and in pursuance thereof, to mortgage the same.

(e) Restrictions and easements contained on any plat or other instrument filed of record with respect to the Properties.

(f) The right of Declarant to grant and/or dedicate non-exclusive easements across the Common Area in favor of other property of Declarant.

(g) The right of Declarant to develop Wild Wing Plantation, which may or may not include additional property, in such manner as it may determine, in its sole discretion.

Section 4. Maintenance. Subject to the provisions herein contained, the Association shall at all times maintain all Common Areas, Lakes and Lake Areas in good repair, and shall repair or replace as often as necessary, the paving, drainage structures, street lighting fixtures, landscaping, entrance signage, and other amenities (except utilities) situated on the Common Areas. Association shall also cause the landscaping, entrance features and signage at the entrance to the Property to be maintained at Association's expense. Notwithstanding the foregoing, it shall be the responsibility of each Owner of a Lot located adjacent to a Lake or Lake Area to maintain that portion of the bank of the Lake or Lake Area bordering such Owner's Lot, at such Owner's sole expense, in a manner to prevent erosion of the Lake bank and in accordance with rules and regulations to be promulgated by the Board of Directors of Association. The Board of Directors acting on a majority vote shall order all work to be done and shall pay for all expenses including all electricity consumed by the lighting located in the Common Areas and all other common expenses. All work pursuant to this Section and all expenses hereunder shall be paid for by such Association through assessments imposed in accordance with this Declaration. Nothing herein shall be construed as preventing the Association from delegating or transferring its maintenance obligations to the governmental authority under such terms and conditions as the Board of Directors may deem in the best interest of the Association.

Section 5. Additional Structures. Neither the Association nor any Owner or any group of Owners shall, without the prior written approval of Declarant, erect, construct or otherwise locate any structure or other improvement in the Common Areas.

Section 6. Delegation of Use.

(a) Family. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be exercised by members of the Owners' family who occupy the residence of the Owner within the properties.

(b) Tenants. The right and easement of enjoyment granted to every Owner in Section 1 of this Article may be delegated by the Owner to his tenants who occupy a residence within the Properties.

(c) Guests. Recreational facilities, if any, situated upon the Properties may be utilized by guests of an Owner accompanied by such Owner or tenants subject to the rules and regulations of the Association governing said use and as established by its Board of Directors.

Section 7. Rules and Regulations. The use of the Common Areas by an Owner or Owners, and all other parties authorized to use same, shall be at all times subject to such reasonable rules and regulations as may be prescribed and established by the Association governing such use, or which may hereafter be prescribed and established by the Association. Such rules and regulations shall include a limitation on use of amenities within Common Areas (including Lakes) to a designated Owner and such Owner's family and/or significant other in cases of Lots owned by multiple Owners who are not members of the same family. For purposes of this section, "family" shall mean and refer to a group of persons, each of whom is related to each other member of the group through blood or marriage either as siblings or in direct lines of ancestry or descent. Such designation of the Owner for purposes of use of the Common Areas may not be changed more often than six (6) months and shall be made in writing to Association.

Section 8. Easement for Utilities and Lake Maintenance. The Declarant reserves unto itself, its successors and assigns, a perpetual, alienable and reasonable easement and right of ingress and egress, over, upon, across and under the Setback areas and easement areas on each Lot as shown on the recorded map of the Properties and/or as set forth herein and over, upon, across and under the Common Area for the erection, maintenance, installation and use of electrical and telephone wires, cables, conduits, sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public convenience or utilities, including an easement for privately owned television and other communications cable and equipment and for the construction and maintenance of the Lakes and Lake Areas located (or to be located as shown on the recorded plats of the Property) upon the Property. The Declarant may further cut drainways for surface water when such action may appear to the Declarant to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, make any grading of soil, or to take any other similar action reasonably necessary to provide economical and safe utility or other installations and to maintain reasonable standards of health, safety and appearance. Declarant further reserves the right to locate wells, pumping stations, and tanks within residential areas on any Lot owned by Declarant. It shall not be necessary to obtain the consent of Owners of Lots adjoining the existing utilities and pump station. Such rights may be exercised by the licensee of the Declarant but this reservation shall not be considered an obligation of the Declarant to provide or maintain any such utility service. No structures or other items, including walls, fences, paving or planting shall be erected upon any part of the property which will interfere with the rights of ingress and egress provided for in this paragraph. Specifically, except as herein provided, no Owner shall erect any structure, including, without limitation, walls, fences, paving or planting within the areas designated on the Plat of the

Properties as a "Drainage Easement", "Lake Maintenance Easement" or words of similar import nor shall any Owner change the grade of any such easement area. In that regard, an easement for ingress and egress for the maintenance of the Lakes and Lake Areas is hereby reserved for the benefit of the Association over all Lake Maintenance Easements. However, nothing herein shall restrict or prevent the location of boat docking slips and bulkhead walls in accordance with plans approved by the Architectural Review Board within any such easement or setback area. In the event that any such approved boat docking slip is constructed within any Lake Maintenance Easement on any Lot, the Owner of such Lot shall make provision for such additional access around such boat docking slip as is reasonably necessary for the purpose of Lake Maintenance as is reasonably acceptable to Association. Each Owner shall keep drainage ditches and swales located on his/her Lot free and unobstructed and in good repair and shall provide for the installation of such culverts upon such Lot as may be reasonably required for proper drainage. Declarant may, at its sole option, convey any such drainage easements to an appropriate governmental entity and/or the Association. The easements referred to in this paragraph are, without limitation, those shown upon the recorded plat of the Properties; as set out in easements of record; upon the plans of the Development; or which are located on or under the ground.

In addition to the foregoing rights reserved to Declarant, and not in limitation thereof, Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable commercial easement and right of ingress and egress over, upon, across and under the Common Areas and all streets and roads within the Properties for the purpose of providing drainage and utility installation, construction, reconstruction, and maintenance to adjacent property now or hereafter owned by Declarant and for the installation and maintenance of any pipes, drainways or other installations necessary for the foregoing and further for the installation, maintenance, repair, replacement and operation of water lines and other utilities which serve or shall serve property presently owned by Declarant. Declarant, its agents, contractors, servants, employees and assignees may enter upon the easement areas for the purposes of maintaining, repairing, replacing and operating such water lines and other utilities and drainage facilities and for the purpose of installing additional utilities and drainage facilities. Declarant further reserves unto itself, its successors and assigns, a perpetual, alienable easement and right-of-way over, under and across those areas designated as "Drainage Easement" or like wording on the plat of the Properties referred to in Exhibit "A" hereto for the purpose of providing drainage of the Properties and lands adjacent to the Properties and for the installation, repair and maintenance of pipes and other facilities necessary for such drainage. Declarant, its agents, contractors, servants, employees and assignees may enter upon any of the easement areas so designated on the recorded plat of the Properties for the purpose of maintaining, repairing, replacing and operating any of the drainage facilities, pipes, ditches, and drainage areas located thereon. The Owners of Lots on which such easements are located shall not interfere in any manner with such easements or any of the facilities located therein or the access thereto. Except for boat docking slips and bulkheads constructed in accordance with plans approved by the Architectural Review Board, no Owner shall erect any structure or fence within such easement areas without the prior written consent of Declarant. Declarant, its agents, employees and assignees shall have no liability for damage which may occur to any structures or other items which may be located in such utility and drainage easements and Declarant shall have no obligation to replace any such structures

which may be removed or damaged due to maintenance, repair or other work performed in such easement areas. Declarant further specifically reserves unto itself, its successors and assigns, a perpetual, alienable, commercial easement and right of ingress and egress over all Lots along an area 5 feet in width inside each boundary line of each Lot and along any Lot boundary line which adjoins any of the streets of the Project. This easement is for the purpose of installation, maintenance and repair of utilities and utility systems and access. This easement shall be in addition to, and not in limitation of, any and all other easements reserved unto the Declarant herein. Declarant further reserves an easement of ingress and egress over and across all streets and roads of the Project which such easements are and shall be for the purpose of ingress and egress to any property now owned or hereafter acquired by Declarant, its successors and assigns whether or not such property is made a part of the Project and whether or not such property adjoins the Project.

Section 9. Sidewalk Easements on Lots. Declarant reserves for itself and the Association, their successors, assigns and agents, a sidewalk easement ten (10) feet in width across all Lots for use and enjoyment by the Owners of Lots and others, only under such rules as may be promulgated by the Association from time to time. The sidewalk easement is ten (10) feet in width, lies on the Lots adjacent to the boundaries between Lots and all road rights-of-way, and includes the right to usual and necessary access for purposes of construction, maintenance, repair, removal and replacement of sidewalks. The provisions in this paragraph shall not be construed as an obligation on the part of Declarant or the Association to undertake construction of any sidewalks. In the event sidewalks are constructed on the easements reserved herein or in the road rights-of-way adjacent to the Lots, the Association shall be responsible for the maintenance and management of such sidewalks.

ARTICLE VI.

Assessments for the Maintenance and Operation of Common Areas and Facilities

Section 1. Initial Contribution. Upon the closing of the initial sale of each lot by the Declarant, the purchaser of each Lot shall pay an initial contribution to the Association of One Hundred and No/100 (\$100.00) Dollars to provide initial reserve funds for the Association. Such payment shall not in any way be considered a prepayment of any regular or special assessment. Such funds may be used by the Association in such manner as the board of directors thereof shall direct.

Section 2. Assessments, Liens and Personal Obligations Therefor, and Operation
Maintenance of Common Areas Solely by the Association.

(a) Each and every Owner of any Lot or Lots within the properties, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association: (1) annual assessments or charges; and, (2) special assessments for capital improvements, unique costs or expenses,

extraordinary budget or expense items and the like, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided shall be a charge on the land and shall be a continuing lien upon the Lot or Lots against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall also be the personal obligation of the Owner of such lot or Lots at the time when the assessment fell due. Notwithstanding anything in this Declaration to the contrary, it is hereby declared that through December 31, 2010, each Lot within The Properties shall be exempt, at Declarant's option, from the assessments herein provided for (both annual and special) until such time as such Lot is conveyed by the Declarant to an Owner other than the Declarant. However, until such time as a Lot is conveyed by the Declarant to an Owner other than the Declarant, the Declarant shall be assessed and pay to the Association, in lieu of an assessment thereof, a sum equal to the actual amount of actual operating expenditures incurred by the Association for that portion of the calendar year less an amount equal to the total assessments made by the Association against Owners of Lots other than those owned by the Declarant. The actual operating expenditures for this purpose shall also include any reserve for replacements or operating reserves. Commencing January 1, 2011, the Declarant shall be subject to assessments as provided for in this Declaration so that it will pay assessments on the same basis provided for in this Declaration for other Lot Owners. In the event that additional phases are subjected to the provisions of this Declaration, then it is declared that until the later of: (1) January 1, 2011; or (5) five years after the date the amendments or supplemental declarations submitting such additional phase(s) are filed for record in the public records of Horry County, South Carolina, each Lot in such additional phase shall be exempt from the assessment created herein until such time as the lot is conveyed by the Declarant to an Owner other than the Declarant. Until such time as a lot in such additional phase is so conveyed, the Declarant shall be assessed and pay to Association, in lieu of an assessment, a sum equal to the actual amount of actual operating expenditures for that portion of the calendar year less an amount equal to the total assessments made by Association against Owners of Lots other than those owned by Declarant. Declarant may, however, at its option, elect to pay assessments on the same basis as other Lot Owners as opposed to the method referred to above. Such election may be made by Declarant at any time.

(b) The Assessment levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents of the Development, and in particular for the improvement and maintenance of the Common Areas, Lakes and Lake Areas, now or hereafter designated or existing, including, but not limited to, the payment of taxes and insurance thereon, and repair, replacement and additions thereof, the cost of labor, equipment, materials, management and supervision thereof, and the cost of lawn and landscaping maintenance, maintenance of the fencing and/or signage, the employment of attorneys to represent the Association when necessary and such other needs as may arise. In the event that Declarant performs any of the foregoing services for Association, including,

but not limited to, accounting and bookkeeping services, it shall have the right to receive a reasonable fee therefore and such shall not be deemed to be a conflict of interest.

Section 3. Amount and Payment of Annual Assessment. The Board of Directors of the Association shall at all times fix the amount of the annual Assessment at an amount sufficient to pay the costs of maintaining and operating the Common Areas and performing the other exterior maintenance required to be performed by the Association under this Declaration including adequate reserves. The Board shall also fix the date of commencement and the amount of the Assessment against each Lot for each Assessment period (which shall be based on a calendar year), and shall, at that time, prepare a roster of the Lots and Assessments applicable thereto, which shall be kept in the Office of the Association and shall be open to inspection by any Owner. Written notice of the Assessment shall thereupon be sent to every Owner subject thereto. In the event that any Lot is subject to an assessment for only part of a calendar year, then the amount of such assessment shall be prorated based on the portion of the assessment period for which such Lot is subject to an assessment.

Each annual Assessment shall be fully payable in advance on the 1st day of January each year, but the Board of Directors of the Association shall have the option to permit monthly or quarterly payments. The exact amount of each annual Assessment shall be fixed by the Board of Directors of the Association.

The Association shall, upon demand at any time, furnish to any Owner liable for any assessment, a certificate in writing, signed by an officer of the Association, setting forth whether said assessment has been paid. Such certificate shall be in recordable form and shall be conclusive evidence of payment of any assessment therein stated to have been paid.

This Section shall not be amended as provided in this Declaration to eliminate or substantially impair the obligation to fix the assessment at an amount sufficient to properly maintain and operate the Common Areas and perform the exterior maintenance required to be performed by the Association under this Declaration.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments, the Board of Directors of the Association, on behalf of the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying unexpected repair or replacement of a described capital improvement upon the Common Areas, including the necessary fixtures and personal property related thereto. The due date of any specified assessment shall be fixed in the Resolution of the Board of Directors authorizing such assessment.

Section 5. Paid Professional Manager. The Board of Directors of the Association may employ a professional manager or managerial firm to supervise all the work, labor, services and material required in the operation and maintenance of the Common Areas and in the discharge of the Association's duties throughout the Community.

Section 6. Effect of Non-Payment of Assessment. The Personal Obligation of the Owner: The Lien. Remedies of Association. If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall, together with such interest thereon and cost of collection thereof as are hereinafter provided, continue as a lien on the Lot or Lots, which shall bind such Lot or Lots in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then Owner to pay such assessment or reimbursement, however, shall remain his personal obligation and will also pass on to his successor in title.

If the assessment or reimbursement is not paid within thirty (30) days after the due date, a late charge in an amount to be specified by the Board of Directors of the Association may be assessed and furthermore, the assessment shall bear interest from the date of delinquency at the rate of eighteen (18%) percent per annum. In addition, the Association may bring legal action against the then Owner personally obligated to pay the same or may enforce or foreclose the lien against the Lot or Lots in the same manner as a mortgage is foreclosed; and in the event a judgment is obtained, such judgment shall include interest on the assessment or reimbursement as above provided and a reasonable attorney's fee to be fixed by the court, together with the costs of the action. The Association may further file a notice of lien in the office of the Register of Deeds for Horry County, South Carolina.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments (and reimbursement) provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon any Lot subject to assessment and reimbursement; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure, or any proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments or reimbursements thereafter becoming due, nor from the lien of any subsequent assessment or reimbursement.

Section 8. Exempt Property. All Common Areas subject to this Declaration shall be exempted from the assessments, charges and liens created herein.

ARTICLE VII.

Architectural and Landscape Control

Section 1. Architectural Review Board. The Architectural Review Board shall have the right to approve or disapprove all architectural and landscaping plans and the location of any proposed Improvements. The Architectural Review Board may, in its sole discretion, impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning or other governmental codes.

Section 2. The Architectural Review Board shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions of the Association. The Architectural Review Board shall consist of five (5) voting members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until termination of Declarant's Class B membership status in the Association, as defined in this Declaration, the Declarant shall have the right: to change the number of members on the Architectural Review Board provided, however, that the Architectural Review Board shall at all times consist of at least three (3) members; to appoint all members of the Architectural Review Board; and to remove and replace all members appointed to the Architectural Review Board. The Declarant shall determine which member of the Architectural Review Board shall serve as its Chairman, or which members of the Architectural Review Board shall serve as Co-Chairmen. In the event of the failure, refusal or inability to act of any of the members appointed by the Declarant, and in the event that the Declarant fails to fill any such vacancy within thirty (30) days of such occurrence, the remaining members of the Architectural Review Board shall fill such vacancy by appointment. At such time as Declarant's Class B membership status terminates or at such earlier date as Declarant may decide, the Declarant shall assign to the Association the rights, powers, duties and obligations of the Architectural Review Board, whereupon the Board of Directors shall determine how many persons shall serve on the Architectural Review Board, provided that the Architectural Review Board shall at all times consist of not less than three (3) members, shall appoint the members of the Architectural Review Board shall provide for the terms of the members of the Architectural Review Board, and shall determine which member of the Architectural Review Board shall serve as its Chairman. There shall be no requirement that any of the members of the Architectural Review Board be a member of either the Association or an Owner within Wild Wing Plantation. Any three (3) members of the Architectural Review Board shall constitute a quorum to transact business at any meeting, and the action of the majority present shall constitute the action of the Architectural Review Board.

Section 3. Buildings, fences, walls, etc. No building, fence, wall, boat docking slip, landscaping or other improvements, and no change in topography, landscaping or any other item originally approved by the Architectural Review Board shall be commenced, erected or maintained upon The Properties, nor shall any exterior addition to or change be made until the plans and specifications showing the nature, kind, texture, shape, height, materials, color and locations of the same shall have been submitted to and approved in writing as to the harmony of the external design and location in relation to the surrounding structures and topography by the Architectural Review Board. The right of approval herein reserved and granted shall include, without limitation, the right to designate or re-designate which Lot line shall be the "front" in the case where a Lot is bordered by more than one street. In the event the Architectural Review Board fails to approve or disapprove any request within sixty (60) days after complete plans and specifications have been submitted to it in accordance with the guidelines promulgated by the Architectural Review Board, the same shall be deemed approved, and this Article shall be deemed to have been fully complied with, provided, however, that no such failure to act shall be deemed an approval of any matters specifically prohibited by any other provision of this Declaration. Refusal of approval of plans, specifications and plot plans or any of them may be based on any grounds, including purely aesthetic grounds,

which in the sole and uncontrolled discretion of the Declarant or the Architectural Review Board may seem sufficient. Any change in exterior appearance of any building, wall, fence or other structural improvements, and any change in the appearance of the landscaping, shall be deemed an alteration requiring approval.

All construction of any nature shall further be subject to the provisions and requirements of Article XV RESTRICTIVE COVENANT.

Section 4. Lot Filling. No Lot may be cleared, graded cut or filled for any reason until the Architectural Review Board has reviewed and approved the application for approval of the proposed improvement. The site plan, along with the tree survey and other documents required by the Architectural Review Board, must clearly delineate the extent of clearing, grading, cutting and filling.

Section 5. Fee Schedule. The Architectural Review Board may adopt a schedule of reasonable fees for processing requests for approval. Such Fees, if any, shall be payable to the Association at the time that the plans and specifications and other documents are submitted to the Architectural Review Board. The payment of such fees, as well as other expenses of the Architectural Review Board required to be paid, shall be deemed to be an individual Assessment, enforceable against the Owner and the Lot as provided hereinabove. The Architectural Review Board is expressly reserved the right and power, exercisable in its sole discretion, to procure the services of a consultant of its own choosing for purposes of assisting the Architectural Review Board in its review of any plans or specifications, and the cost of such consulting services shall be the responsibility of the respective applicant or Owner of the subject property.

Section 6. Defects or Damages. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be liable for any costs or damage incurred by an Owner or Association or any other party whatsoever, due to any mistakes in judgment, negligence or any action of the Architectural Review Board in connection with the approval or disapproval of plans and specifications. Each Owner or Association and occupant of any property within Wild Wing Plantation agrees, as do their successors and assigns by acquiring title thereto or an interest therein, or by assuming possession thereof, that they shall not bring any action or suit against the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, or their respective agents, in order to recover any damages caused by the actions of the Architectural Review Board. The Association shall indemnify, defend and hold the Architectural Review Board and each of its members harmless from all costs, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the Architectural Review Board or its members. Neither the Declarant, the directors or officers of the Association, the members of the Architectural Review Board, nor any person acting on behalf of any of them, shall be responsible for any defects in any plans and specifications, nor for any defects in any Improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

ARTICLE VIII.

Exterior Maintenance, Reasonable Access and Maintenance of Common Areas

Section 1. Exterior Maintenance. The Owner shall maintain the structures and grounds on each Lot at all times in a neat and attractive manner. Upon the Owner's failure to do so, the Declarant, or the Association (after the termination of Class B membership status of Declarant) may, at its option, after giving the Owner ten (10) days written notice sent to his last known address, or to the address of the subject premises, have the grass, weeds, shrubs and vegetation cut when and as often as the same is necessary in its judgment, and have dead trees, shrubs and plants removed from such Lot, and replaced, and may have any portion of the Lot resodded or landscaped, all of which shall not be deemed a trespass, and all expenses of the Association under this provision shall be a lien and charge against the Lot on which the work is done and the personal obligation of the then Owner of such Lot. The Declarant or the Association, and its assigns, may likewise, after giving the owner ten (10) days written notice sent as aforesaid, enter upon such Lot(s) to remove any trash, debris or garbage which has collected on said Lot(s) without such entrance and removal being deemed a trespass, all at the expense of the owner of said Lot. Upon the Owner's failure to maintain the exterior of any structure in good repair and appearance, the Association may, at its option, after giving the Owner thirty (30) days written notice sent to his last known address, make repairs and improve the appearance in a reasonable and workmanlike manner. The cost of any of the work performed by the Association upon the Owner's failure to do so shall be immediately due and owing from the Owner of the Lot and shall constitute an assessment against the Lot on which the work was performed, collectible in a lump sum secured by a lien against the Lot as herein provided.

Section 2. Access at Reasonable Hours. For the purpose of performing its function under this or any other Article of the Declaration, and to make necessary surveys in connection therewith, the Association, by its duly authorized agent and employees, or the Declarant during the period of development, shall have the right to enter upon any Lot at reasonable hours, on any day except Sundays and holidays, on reasonable prior notice.

Section 3. Maintenance of Common Areas. It shall be the responsibility of the Association to maintain the Common Areas. However, should the Declarant (prior to conveyance to the Association) or the Association (after the termination of the Class B status of Declarant), decide to transfer any portion or all of the areas designated or to become, by conveyance, Common Areas to governmental authority, as they have the right to do, such duty to maintain same shall cease as to that portion so transferred.

ARTICLE IX.

Phased Development

Section 1. Phase I. The real property which is, and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in Horry County, South Carolina, and is more particularly described on Exhibit "A" attached hereto and made a part and parcel hereof.

Section 2. Additional Phases. The Declarant may, at its option, from time to time bring other land under the provisions hereof by recording a Supplemental Declaration(s) or amendment stating its intention to so incorporate additional real estate. Declarant may incorporate such additional land under the provisions hereof in any number of additional phases as it may so desire. Such Supplemental Declaration(s) or amendment shall not require the vote or consent of the association or any Owner. Any such Supplemental Declaration(s) shall be effective upon the filing thereof in the public records of Horry County, South Carolina. Such Supplemental Declaration shall describe the real property to be brought under the provisions hereof. Any such property to be brought under the provisions of this Declaration must be contiguous or near to property already subjected to the provisions of this Declaration at that time and must be owned by Declarant or its successors and assigns as developer. Declarant may bring such additional real estate under the terms hereof either in whole or in part and may do so in multiple phases. Upon the Declarant's election to incorporate additional real estate hereunder, all of such real estate so incorporated shall be as fully covered hereby as if a part of the original Development. However, Declarant reserves the right unto itself to change or modify the restrictions applicable to such additional phases by such supplemental declaration, which changes or modifications may include, without limitation, increasing or decreasing the size of Lots within such phases(s), modifying the building setback lines within such phases(s) and changing architectural and material requirements and minimum home size requirements within such phase(s). Subject to the foregoing, all property so incorporated shall be subject to all the declarations, covenants, easements, liens, restrictions and duties as herein contained, together with such additional restrictions and obligations or modifications to these Restrictions as Declarant may impose on the land being submitted to the provisions of this Declaration by such Supplemental Declaration(s). Declarant shall have the unilateral right to transfer to any other person or entity the said right to submit additional property to the provisions of this Declaration. Declarant shall have no obligation to develop any land adjoining the Properties in accordance with this Declaration and may develop same in any manner it may desire and further, Declarant, in the event that it should decide to develop any additional land located adjacent to the Properties, in its sole discretion, shall have no obligation to make same a part of this Project or subject to this Declaration. THE DECLARANT SHALL BE UNDER NO OBLIGATION TO DEVELOP ADDITIONAL PHASES AND NONE OF THE REMAINING PORTION OF THE PROPERTY DESCRIBED HEREIN SHALL BE DEEMED A PART OF ANY SCHEME OF DEVELOPMENT UNTIL ACTUALLY BROUGHT UNDER THESE RESTRICTIONS AS HEREIN PROVIDED.

Section 3. Reservation of Additional Easements and Rights. Declarant reserves for itself and its successors and assigns as developer (and all conveyances by Declarant to Association of Common Areas shall be deemed to automatically reserve) easements over, under and across all Common Areas for ingress and egress and for construction and completion of construction and development of this phase and all future phases of the Development and/or for the construction and development of other property of Declarant, whether or not such other property is submitted to the terms and provisions of this Declaration, including, without limitation, easements for the installation, construction, reconstruction, repair, maintenance and operation of all utility services; said easements to be in addition to and not in lieu of any other rights or easements reserved by Declarant herein or in any supplement hereto or any other conveyance by or to Declarant or its predecessors in title.

ARTICLE X.

Rights of Mortgagees

Rights of Mortgagees or Third Parties. Should a mortgagee or third party acquire the rights of Declarant, by way of foreclosure or otherwise in adjoining or neighboring property contained within the property contiguous to the property subject to this declaration, as same may exist from time to time, it shall be allowed full use of all rights, easements, rights-of-way and utilities contained within The Properties for the purpose of serving such adjoining or neighboring areas. These rights shall also inure to the benefit of Declarant should it retain or be the Owner of any portion of said property. Any of such parties may elect to bring additional phases under this Declaration.

ARTICLE XI.

Insurance and Casualty Losses

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount (as determined by the insurance underwriter) sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

The Board shall also obtain a public liability policy covering the Common Area, Buffer area and any other areas Association is permitted to enter upon, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million and No/100 (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a One Million and No/100 (\$1,000,000.00) Dollars limit per occurrence, and a Five Hundred Thousand and No/100

(\$500,000.00) Dollar minimum property damage limit.

Cost of insurance coverage obtained by the Association for the Common Area shall be included in the Assessment.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association as Trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in South Carolina which holds a Best's rating of A or better as is assigned a financial size category of XI or larger as established by A.M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies on the Common Area and fencing referred to above shall be for the benefit of the Association and Declarant shall be named as additional insured.

(c) Exclusive authority to adjust losses under policies in force on the Common Areas and said fencing obtained by the Association shall be vested in the Association's Board of Directors.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners.

(e) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

(ii) that no policy may be cancelled, invalidated, or suspended on account of the conduct of any Director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, its Owner, or mortgagee;

(iii) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(iv) That no policy may be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

Association, its successors and assigns, members, officers and directors do hereby knowingly and voluntarily forever release and discharge Declarant, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity, including, without limitation, indemnification and/or subrogation, in anyway arising from our related to conditions of the Property, accidents, personal injury, occurrences or the like, in anyway relating to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds. However, no fidelity bond shall be required as long as the class B Member exists. The amount of fidelity coverage shall be determined in the directors' best business judgment but may not be less than three (3) months' assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

The Association may purchase officers and directors liability insurance, if reasonably available and the Board of Directors of the Association approves the purchase of same. However, every Director and every officer of the Property Owners Association shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been a Director or Officer of the Association, whether or not he is a Director or Officer at the time such expenses are incurred, except in such cases wherein the Director or Officer is adjudged guilty or willful misfeasance or malfeasance in the performance of his duties; provided, that in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or Officer seeking such reimbursement or indemnification, the indemnification herein shall only apply if the Board of Directors approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction to the Common Area or, in the event no repair or reconstruction is made, shall be retained by and for the benefit of the Association and placed in a capital improvements account.

(b) If it is determined, as provided for in Section 4 of this Article, that the damage or destruction to the Common Area for which the proceeds are paid shall not be repaired or reconstructed, such proceeds shall be disbursed in the manner provided for excess proceeds in Section A above. However, repair or replacement of the affected Common Area must be made unless prevented by law or governmental rule or regulation.

Section 3. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Board of Directors of the Association, shall decide within thirty (30) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the Common Area damaged or destroyed shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Area shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

Section 4. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against all Owners in proportion to the number of Lots owned, provided, if the damage or destruction involves a Lot or Lots only Owners of the affected Lots shall be subject to such assessment. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Section 5. Declarant has contracted and paid for Pollution Legal Liability Policy #PLS 1959333 written by American International Specialty Lines Insurance Company (the "Policy", which term shall include substitute policies, renewals, replacement policies or the like), which such policy is procured responsive to portions of the Development, Project, Wild Wing, Community, Properties

or Property, as defined herein, having been determined by the United States Army Corps of Engineers to be within the former Conway Bombing and Gunnery Range. See Articles XV and XVI herein. The effective anniversary dates of the Policy are December 27, 2005 thru December 27, 2015, after which the Association Board of Directors may, in its discretion, elect to renew, extend, replace or discontinue such coverage. The Association Board of Directors shall not discontinue such coverage at any time prior to the expiration of the original effective anniversary date recited above.

The Policy has or shall be amended to include the Association as an Additional Named Insured. Immediately thereupon, The Association agrees and hereby does accept contractual liability obligations to indemnify and hold harmless Declarant, Members, Owners, their successors, heirs and assigns, their guests, licensees, invitees or others upon the Development, Project, Wild Wing, Community, Properties or Property, as defined herein, to the full extent coverage exists, and only to such extent, pursuant to the terms and conditions of the Policy.

The Association shall report, notice and facilitate the handling and management of any such claims and shall and hereby does assume responsibility for any Self Insured Retention (deductible) applicable thereto. Any and all Self Insured Retention amounts shall be borne by the Association and charged to the Members as a portion of Annual Assessments and/or Special Assessments as defined herein.

In the event Insurance Coverage in these regards is unavailable for any reason, including inapplicability, non-renewal, lapse or otherwise, Member and/or Owner, its, his, her or their (as the case may be) heirs, successors and assigns, do hereby knowingly and voluntarily forever release and discharge Association, its principals, officers, managers, members, employees, agents and/or contractors, their heirs, successors and assigns, from any and all claims at law or equity in any way arising from or related to conditions of the Property, accidents, personal injury, occurrences or the like in any way related to or arising from the prior use of the Property as part of the Bombing and Gunnery Range, to specifically include, without limitation, active or inactive ordnance upon the Property.

ARTICLE XII.

General Provisions

Section 1. Time of Essence. It is agreed that time is of the essence with regard to these restrictions, protective covenants, limitations and conditions.

Section 2. Enforcement. In the event of a violation or breach of any of these restrictions by any Owner, or agent, or agent of such Owner, the Owners of Lots in the subdivision, or any of them, jointly or severally, the Declarant and/or the Association shall have the right to proceed at law or in equity to compel a compliance to the terms hereof or to prevent the violation or breach in any such event or to recover damages. In addition to the foregoing, the Declarant, its successors and assigns, shall have the right, but shall be under no obligation whenever there shall have been built

on any lot in the subdivision any structure which is in violation of these restrictions, to enter upon the property where such violation exists, and summarily abate or remove the same at the expense of the Owner, if, after thirty (30) days written notice of such violation, it shall not have been corrected by the Owner. Any such entry and abatement or removal shall not be deemed a trespass. The failure to enforce any rights, reservation, restriction or condition contained in this Declaration, however long continued, shall not be deemed a waiver of the rights to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement. Should Declarant or Association employ Counsel to enforce any of the foregoing covenants, conditions, reservations or restrictions, because of a breach of the same, all costs incurred in such enforcement, including a reasonable fee for Declarant's Counsel shall be paid by the Owner of such lot or Lots in breach thereof. Any amount assessed hereunder shall constitute a lien on such lot and shall be enforceable as herein provided. Failure of Declarant, the Association or any Owner to enforce any covenant or restriction contained herein shall not be deemed a waiver of the right to do so thereafter.

Section 3. Responsibility of Declarant. The Declarant herein shall not in any way or manner be liable or responsible for any violation of these restrictions by any person other than itself. In addition, nothing contained in this Declaration shall be deemed to be a representation by Declarant with regard to the requirements of any governmental authority and it shall be the duty of each Owner to comply with any such requirements in addition to the provisions of this Declaration.

Section 4. Rule Against Perpetuities. In the event that any of the provisions hereunder are declared void by a court of competent jurisdiction by reason of the period of time herein stated for which the same shall be effective, then in that event, such term shall be reduced to a period of time which shall not violate the rule against perpetuities or any other law of the State of South Carolina, and such provision shall be fully effective for said reduced period of time.

Section 5. Binding Effect. All covenants, conditions, limitations, restrictions, easements and affirmative obligations set forth in this declaration shall be binding on the Owners of the Lots, and their respective heirs, successors and assigns and run with the land. All rights, easements and agreements reserved by or granted to Declarant shall inure to the benefit of Declarant, its successors and assigns including, without limitation, the right to develop and submit additional phases. Declarant reserves the right in addition to all other rights of Declarant, to assign its rights of consent and approval as set out in this Declaration and any amendment hereto or supplement hereof, to Association, or to any assignee of Declarant's development rights.

Section 6. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the Association, or the Owner of any land subject to this Declaration, and their respective legal representatives, heirs, successors and assigns.

Section 7. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered

or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 8. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in nowise effect any other provisions which shall remain in full force and effect.

Section 9. Amendment. In addition to any other manner herein provided for the amendment of this Declaration, the covenants, restrictions, easements, charges and liens of this agreement may be amended, changed, added to, derogated or deleted at any time and from time to time upon the execution and recordation of any instrument executed by Owners holding not less than two-thirds (2/3) vote of the membership in the Association, provided, that so long as the Declarant is the Owner of any Lot affected by this Declaration the Declarant's consent must be obtained. Provided, further, that the provisions for voting of Class A and Class B Members as hereinabove contained in this Declaration shall also be effective in voting for changes in this Declaration.

Section 10. Amendment Prior to Sale by Declarant. At any time prior to the closing of the first sale of a Lot by Declarant, the Declarant, and any mortgage holder, if any, may amend this Declaration by mutual consent. The closing of the first sale shall mean transfer of title and delivery of a deed and not execution of a Contract of Sale or a like document.

Section 11. Effective Date. This Declaration shall become effective upon its recordation in the Office of the Register of Deeds for Horry County, South Carolina.

Section 12. Plat. Reference to Exhibit A, "plat", "map" other term synonymous therewith shall mean and include Exhibit A as recorded herewith and all subsequent revisions thereof, together with any and all additional plats or maps filed as any additional phases, if any, are submitted to this Declaration as and when recorded in the Office of the Register of Deeds for Horry County, South Carolina.

ARTICLE XIII.

Additional Matters Dealing with Phased Development

Section 1. Voting Rights. As each phase, if any, is added to the Development, the Lots comprising such additional phase shall be counted for the purpose of voting rights.

ARTICLE XIV

Special Restrictions for Golf Course Lots

Section 1. Golf Course Property. A golf course is currently located adjacent to portions of the Property. Although the golf course is currently owned by Declarant, the golf course is not, and is not intended to be, a Common Area of the Project. Purchase of property in the Subdivision does not guarantee or vest in the purchaser or Owner the right to use of the golf course. Each Owner, by acceptance of a deed to a Lot acknowledges that no Owner acquires any interest in the golf course by virtue of taking title to property within the Project. Each Owner acknowledges that no representations or warranties, either verbal or written have been made by the Declarant or any other person regarding the continued ownership or operation of, or rights in the golf course, or that the golf course will become Common Area to the Association.

Section 2. Easements. Until such time as a residence is constructed on a Lot bordering the golf course, Declarant hereby reserves unto itself, its successors and assigns, an easement to permit and authorize registered golf course players to enter upon such Lot to recover a ball or play a ball, without such entering and playing being deemed a trespass.

Every Lot bordering a golf course and any Common Area bordering the golf course are burdened with an easement to come upon the Lot or Common Area immediately adjacent to the golf course for the purposes related to the playing of golf and the normal operation of the golf course and for golfers at reasonable times and in a reasonable manner to come upon the exterior portions of such Lot or Common Area in order to retrieve errant golf balls. The existence of this easement shall not relieve golfers of liability for damage caused by errant golf balls. However, under no circumstances shall the Declarant or the Association be held liable for any damages or injury caused from errant golf balls or the exercise of this easement.

Section 3. Golf Course Maintenance. Each Owner, occupant or other person acquiring an interest in a Lot within the Project is hereby deemed to acknowledge being aware that for such period of time as the golf course is being used as a golf course, it can be expected that (a) maintenance activities on the golf course shall begin early in the morning and extend until late into the evening; (b) during certain periods of the year the golf course will be heavily fertilized; and (c) golf balls are not susceptible of being easily controlled and accordingly may land or strike beyond the golf course boundaries. Neither the Declarant, nor any employee or agent of the Declarant, shall be liable for personal injury or property damage caused by errant golf balls.

Section 4. Actions of Lot Owners. Owners or occupants of Lots bordering the golf course fairways shall be obligated to refrain from any actions which would detract from the playing qualities of the golf course or unreasonably distract golfers from the playing of golf.

ARTICLE XV

Restrictive Covenant

No excavation of any portions of the property shall be made which exceed four (4) feet in depth below the grade level of the property without the prior written approval of Declarant (or its assignee or designee). Furthermore, swimming pools or other similar improvements shall not be installed without the prior written approval of Declarant (or its assignee or designee). The approval of Declarant (or its assignee or designee) may be conditioned upon the Lot Owner providing Declarant (or its assignee or designee) with the written results of an examination of the area in which such excavation is to occur, which examination shall be performed by EODT (as hereafter defined, or such other party approved by Declarant or its assignee or designee), confirming that the area is clear of any ordnance or explosive materials.

ARTICLE XVI

Further, Seller has contracted with EODT to perform an additional Scope of Work toward further and more extensive investigation of Area A-1. The additional Scope of Work is available for inspection and copying at the office of Seller. However, Purchaser acknowledges that Seller makes no warranties or representations relative to the accuracy and results of such preliminary site investigation, Scope of Work and the work undertaken relative thereto and their recommendations, as well as any subsequent reports issued by EODT. Furthermore, Purchaser acknowledges and agrees that all construction activities on the Lot shall be undertaken by Purchaser in compliance with the provisions of the Report and its recommendations, as well as any subsequent reports issued by EODT and shall further be undertaken by Purchaser in compliance with the requirements of this Declaration of Protective Covenants, Restrictions, Easements, Charges and Liens for Wild Wing Plantation.
