Appellate Case No. 2022-000556

Dear Ms. Kitchings:

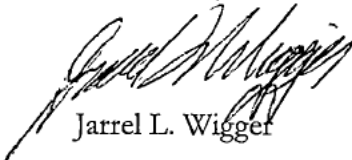

Enclosed please find the Appellant's Motion for Extension of Time to file the Initial Brief and Designation of Matter to be included in the Record on Appeal. I have enclosed the original and six copies, along with a return envelope as well as the \$50 filing fee. Additionally, I have enclosed the Proof of Service of the Motion upon Counsel for the Respondent.

I have attempted to reach Counsel for the Respondent regarding our request, without success.

The Appellant's Motion is based on having to cover my law partner's schedule this week due to a death in her family, having our computers down for multiple days this week due to connection issues, and being in four trials over the last month.

Should you have any questions or need any additional information, please do not hesitate to call.

Respectfully,

Jarrel L. Wigger
