Subject: Requesting Documents Please

Hi Miss Alison Eversole, this is Karen P. Polite. I contact your office on yesterday to request copies of documents that you sent to Roby Varrado on last Friday, June 17, 2022 moving forward I would like to be a part of any and all conversation and receive all documents by mail and or email please.

Also Miss Eversole I have made several attempts to get the transcript from the April 11th trial. I believe this would be my third attempt by phone and email since April 19, 2022 I reached out to your court reporter Theresa D. Saxon who gave me her card before the trial, in case I needed copies of the transcript this is what I believe to be true. Do I have rights to the transcript? I truly apologize Ms. Theresa if you did not know what I wanted. Your court reporter said that I needed to contact you Ms. Eversole and or Beaufort county for copies of such. Ms. Theresa also said she is an independent court reporter contracted by you Ms. Eversole ok. Again I'm requesting the transcript from April 11, 2022 from the trial please.

I can be reached at (843-321-3722) or email it to me. I believe I only have 30 days to appeal my case so if you put it in the mail, I will not get it in time please understand that if there is a problem and I'm not entitled to a copy of the transcript please let me know thank you all.

I believe I made several phone calls to you Ms. Saxon and I also email you several times requesting the transcript I also left you my phone number. If there was any question about what I wanted or needed from you, and of course it was obvious what I needed from you. You could have reached out to me as well. I know that it takes time to prepare and there are fees as well but I made several attempts since April 19th 2020 reaching out to you almost two months ago, if there was any misunderstanding what I needed from you or wanted from you in all my attempts reaching out to you, you could have reached back out to me thank you. Also at that time I did not have an attorney, so could you please tell me how much time this will take for me to get the transcript and or cost associated so that I can inform the courts and request more time on to prepare my appeal. Again my phone number is 843-321-3722 if there is cost or fees associated with this transcript will you be able to Email it to me as I will cash app you or send you a money order which is quicker. I can even come where you are and pick them up, but I will need the transcript so I can get started on my appeal. Again as far as I know for now, I will be appealing my case "Pro SE" I believe I'm not sure Mr. Varnado is (Unreachable) at this time.
Thank you

Good Afternoon,

No hearing transcript was ordered by Ms. Eversole's office. There has been no transcript prepared. This was an all day hearing, and a transcript will take time to prepare. Ms. Polite or her attorney will have to contact me individually regarding transcript preparation and billing arrangements.

When Ms. Polite emailed me, "files and flash drives of surveillance footage" was requested. In my response email, I referred Ms. Polite to Ms. Eversole's office or to the Court for this request. In my response email, I informed Ms. Polite I didn't work for the Court but was hired by Ms. Eversole for the hearing, and I let her know the exhibits were with the Court and that I didn't have any surveillance footage. I certainly did not understand "files and flash drives of surveillance footage" to be a transcript request.
