RE: Status and filing of CA No: 2020-001512, Buddy Newsome #220855 v. South Carolina Department of Corrections.

Dear Ms. Kitchings;

I am formally requesting to know the status of my appeal with your office in the above referenced case citation. I have followed all guidelines as required by your office as well as paid for all filing fees. Both parties have submitted final briefs over a year ago to this date in this matter. However, I can't find anywhere within your web site my case or its status or if it is pending or determined by decision.

I would like to formally state that I have not abandoned this appeal, nor have I failed to follow guidelines that would dismiss the appeal. In fact your office has done more than asked to make sure of my filing properly. I thank you for that but to this date I have not received any response from you or the court as to a decision or anything further to make sure my case is heard, so I assume that this means it is pending, but the duration and the recent decisions that are being made raise my concern since I can't find out the status from your official web site.

So as stated can you give me an official response of my status on the above cited case number of my appeal?

Respectfully Submitted

S/
