Dear Madam Clerk,

I am in receipt of a copy of the Appellant's Final Brief and Record on Appeal. It is not in compliance with Rule 210(c), SCRAP, as it contains matters not introduced as evidence to the lower court, it omits items referenced by the Respondent in his Designation, it is not arranged in the order required, and it contains no Index.

Please let me know how to resolve this because it is not possible to finalize the Respondent's brief without an accurate and complete record.

Respectfully,

Richard H. McDuff, Esq.
