

Motion to Appeal the Sentencing
For Case # 2019GS0701766

July 21, 2022

I, Christopher Capeland would like to appeal the sentence given for the charge of shoplifting, less than \$2,000 ~~(enhancement)~~ (enhancement). I and everyone I have talked to about the sentence I received for this charge thinks it was too severe a punishment given the nature of the incident. Having served over 6 months in jail, I believe I have already paid my debt to society and therefore 4 years in SCDC suspended to 1 year probation is extremely excessive. Also given the fact that I am disabled, but am still waiting to get my disability back and that I am homeless, being required to pay the fees for probation is unfair.
