To the Court of Appeals,  
I am writing this letter to update the Court of Appeals and the Court Administration offices on the progress of the transcript request submitted. I have called to the Probate court today again to get an update on the transcript request that was submitted. I was told that there were delays because of staff shortages and backlog of work and to be patient as they are working through all the request but there are a lot of emails and voicemails and they are short staff.. I recently received the transcript from Mrs Smith court reporter but still have not received anything yet from the probate court but they did ask for my patience and they will be sending the transcript but remember there is a heavy backlog and short staff.. I wanted to update everyone on the progress of the transcript request. This is for case number 2022-000357.

Sincerely,

Joe Louis Adams Jr.
