**Motion to Allow Late Filing
Response to Respondents Response Motion to Reinstate**

I am requesting the Court to allow late filing Response to Response Motion to Reverse
For the following reasons

1. I am a caretaker for my parents and during this time period she was in the Hospital for a number of days.

2. My only computer was shutting off preventing me from writing my response. As such took to Peachtree Computers on the June 16th, 2022 to get repaired (Document for repair provided)

3. I am self-represented and have a full-time job,

Per 2 above and current full-time employment cause me to file 5 days beyond the Appropriate 10 days. It was my understanding speaking to the Court contact that I was ok to file beyond the 10 days.

I request the Courts professional Courtesy and understanding regarding the late filing including per 1,2,3 above
