

The South Carolina Court of Appeals

Gregory D. Hopkins and Amy N. Hopkins, Respondents,

v.

Jaime Hood-Hopkins, Appellant.

Appellate Case No. 2022-000577

ORDER

First, after careful consideration of the petition to rehear the lift of the automatic stay, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition is denied. We note this lift of the automatic stay affects only the circuit court's order on appeal and has no effect on the family court's order establishing custody and visitation for the minor child.

Second, Appellant has filed a motion regarding an incomplete transcript. After careful consideration, this case is remanded to the Laurens County Court of Common Pleas. Counsel for Appellant is ordered to contact counsel for Respondent and the circuit court judge, the Honorable Eugene C. Griffith, Jr., within ten days of this order to schedule such hearings as the circuit court judge deems appropriate. Counsel for Appellant shall provide an update to the clerk of this court no later than fifteen days from the date of this order, with a copy to Respondents.

Third, Respondents' motion to dismiss is denied. The merits of this appeal will be decided after final briefing is complete.
