Rule 45, South Carolina Rules of Civil Procedures, Parts (c) and (d):

(c) Protection of Persons Subject to Subpoenas.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2)(A) A person commanded to produce and permit inspection and copying of designated electronically stored information, books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial. A party or an attorney responsible for the issuance and service of a subpoena for production of books, papers and documents without a deposition shall provide to another party copies of documents so produced upon written request. The party requesting copies shall pay the reasonable costs of reproduction.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises—or to producing electronically stored information in the form or forms requested. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time in the court that issued the subpoena for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3)(A) On timely motion, the court by which a subpoena was issued, or regarding a subpoena commanding appearance at a deposition, or production or inspection directed to a non-party, the court in the county where the non-party resides, is employed or regularly transacts business in person, shall quash or modify the subpoena if it:

- (i) fails to allow reasonable time for compliance; or
- (ii) requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to travel more than 50 miles from the county where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c)(3)(B)(iii) of this rule, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held; or
- (iii) requires disclosure of privileged or otherwise protected matter and no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) If a subpoena:

- (i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
- (ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or

Rule 45, South Carolina Rules of Civil Procedures, Parts (c) and (d):

(c) Protection of Persons Subject to Subpoenas.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction, which may include, but is not limited to, lost earnings and a reasonable attorney's fee.

(2)(A) A person commanded to produce and permit inspection and copying of designated electronically stored information, books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial. A party or an attorney responsible for the issuance and service of a subpoena for production of books, papers and documents without a deposition shall provide to another party copies of documents so produced upon written request. The party requesting copies shall pay the reasonable costs of reproduction.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of the subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises—or to producing electronically stored information in the form or forms requested. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy the materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time in the court that issued the subpoena for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3)(A) On timely motion, the court by which a subpoena was issued, or regarding a subpoena commanding appearance at a deposition, or production or inspection directed to a non-party, the court in the county where the non-party resides, is employed or regularly transacts business in person, shall quash or modify the subpoena if it:

- (i) fails to allow reasonable time for compliance; or
- (ii) requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to travel more than 50 miles from the county where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c)(3)(B)(iii) of this rule, such a person may in order to attend trial be commanded to travel from any such place within the state in which the trial is held; or
- (iii) requires disclosure of privileged or otherwise protected matter and no exception or waiver applies; or
- (iv) subjects a person to undue burden.

(B) If a subpoena:

- (i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or
- (ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or

RECEIVED IN BULK
2022 APR 11 AM 11:25

(jii) requires a person who is not a party nor an officer, director or managing agent of a party, nor a general partner of a partnership that is a party, to incur substantial expense to travel from the county where that person resides, is employed or regularly transacts business in person; the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

(d) Duties in Responding to Subpoena.

(1)(A) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(B) If a subpoena does not specify the form or forms for producing electronically stored information, a person responding to a subpoena must produce the information in a form or forms in which it is ordinarily maintained or in a reasonably usable form or forms.

(C) A person responding to a subpoena need not produce the same electronically stored information in more than one form.

(D) A person responding to a subpoena need not provide discovery of electronically stored information from sources that the person identifies as not reasonably accessible because of undue burden or cost. On motion to compel discovery or to quash, the person from whom discovery is sought must show that the information sought is not reasonably accessible because of undue burden or cost. If that showing is made, the court may nonetheless order discovery from such sources if the requesting party shows good cause, considering the limitations of Rule 26(b)(6)(B). The court may specify conditions for the discovery.

(2)(A) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.

(B) If information produced in response to a subpoena is subject to a claim of privilege or of protection as trial preparation material, the person making the claim may notify any party that received the information of the claim and the basis for it. After being notified, a party must promptly return, sequester, or destroy the specified information and any copies it has and may not use or disclose the information until the claim is resolved. A receiving party may promptly present the information to the court under seal for a determination of the claim. If the receiving party disclosed the information before being notified, the receiving party must take reasonable steps to retrieve the information. The person who produced the information must preserve the information until the claim is resolved.

RE: Alonzo C. Jeter, III, v State; PCF Case 2019-CP-11-0457 (Cherokee County)

Dear Honorable Judge Cole:

I write with regard to the hearing which was convened on March 31, 2022, in the above case. This hearing concerned the RULE 59(E) motion that was filed in this case.

1. Unfair Surprise - I was not provided notice of the hearing or any scheduling of the hearing and thus was totally unaware that I would be attending the hearing. This caused me to be totally unprepared.
2. Convoluted Record - The record that I was provided, which was composed by and given to me by the State at the hearing on the 59(E) motion was convoluted as it contained a mixture of records of every case that I have filed in the South Carolina Courts. This is again a "hail mary" thrown by the State seeking to confuse the record and to overwhelm Your Honor.

I could not comprehend the record as it was composed. This along with the surprise proceeding worked to provide the State with an unfair advantage in the proceeding - as the State was in fact notified of the proceeding and was prepared for the same (as evidenced by the State's having a copy of the convoluted record readily available to provide the Court and myself copy of the same).

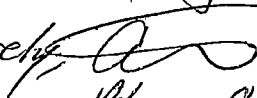

I would also point out the fact that the State had laptop open and available and did make use of this during the proceeding and did have notebook with notes.

I had none of this.

3. The scheduling of the hearing - I would ask that the record reflect who exactly scheduled the hearing on the RULE 59(E) motion and who exactly provided the State and the Court notice that such hearing was scheduled. Please do allow your order to reflect this in detail as the State was provided opportunity to be ensured that the scheduling didn't conflict with the State's scheduling of any other matters.

4. Lack of Notice - Please also allow the order to reflect the Court's failure to provide notice to me. Please also provide me transcribed copy of this proceeding.

Thank you for your attention in this regard.

Sincerely, 

Alonzo C. Jeter, III

Dear Mr. Eckstrom:

I am in receipt of the documents and information which you provided responsive to my April 1, 2022, subpoena request in the above captioned case.

I did also have the opportunity to listen to the December 9th, 2021, audio recording that you provided to Mr. Merithus Staley, for placing in my inmate record once listening was completed.

I will need to obtain additional copies of this recording that I may provide a copy of the same to the Court and also serve a copy of the same on the Respondent in this action.

Therefore I ask that you please either provide 2 additional copies of this recording, or in the alternative provide confirmation

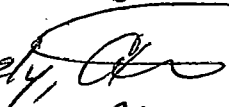

to Ms. Merithus Staley (and copy to me) that I may mail this audio recording out for the purposes of obtaining copies.

Lastly, I anticipate that your office has received a second subpoena request whereby I have requested additional information and records and recordings of proceedings of the SCDC. The same would apply to these recordings (audio).

In addition, I asked that the SCDC would please comply with the subpoena request on or before April 10th, 2022. As I find that this date is on a Sunday, please do provide the responsive documents and information on April 11th, 2022.

If you should need further information or explanation of my requests please do consider arranging a telephone call between your office and I.

Thank you for your assistance and cooperation in this matter as it is most helpful in resolving my action.

Dear Clerk:

I write seeking that you will please inform me of the following with regard to PCR actions:

1. When an application for PCR is filed pro se and the Attorney General's Office determines that PCR Counsel should not be appointed, is there other recourse which would allow the indigent PCR applicant to be appointed counsel?
2. When motions are filed in PCR actions are these motions automatically placed on a motions calendar, docket, or forwarded to the common pleas judge? Or, are the motions rather automatically forwarded to the Attorney General's Office?
3. Is it the Office of Attorney General or the Clerk's Office who schedules such filed motions for hearings?

Please do not construe this inquiry as solicitation for legal advice, as I am only seeking to understand the ministerial duties of this Court with regard to PCR matters. Please do return to me a stamped copy of this correspondence along with your response.

- ☐ Binding arbitration, subject to right to restore to confirm, vacate or modify arbitration award; ☐ Other

IT IS ORDERED AND ADJUDGED: ☐ See formal order to follow; ☒ Statement of Judgment by the Court:

This matter was before this Court for hearing on the applicant's Rule 59(e) motion to alter or amend a final order dismissing his application for post-conviction relief.

This matter began on an application for post-conviction relief filed pursuant to *South Carolina Code Annotated Section 17-27-20* by applicant on June 19, 2019. The respondent filed a return and a motion for summary dismissal pursuant to S. C. Code Ann. Section 17-27-70 on December 4, 2020. On December 14, 2020 a Conditional Order of Dismissal was filed which granted the applicant 20 days to show why the conditional order should not become final. The applicant filed his objections to the conditional order and response to the respondents return and motion to dismiss on December 28, 2020. A final order of dismissal was filed by the Court on September 9, 2021. The applicant filed a motion pursuant to Rule 59(e), SCRPC, to "alter or amend and for reconsideration" of the judgment entered by the Court on September 24, 2021 to which the respondent filed its response on October 18, 2021.

Applicant contends in his motion that the Court: (1) failed to address the scintilla of evidence standard; (2) denied the applicant fundamental rights to due process; (3) violated Rules 71.1(f) and 77(d), SCRPC; (4) violated separation of powers doctrine, the equal protection clause, and procedural and substantive due process; (5) failed to make findings of fact and conclusions of law; (6) failed to appoint counsel for the applicant; and (7) failed to grant the applicant an evidentiary hearing on the application.

Having considered the matter carefully, this Court finds that its Order complies with S. C. Code Ann. Section 17-27-70 and Rule 52(a), SCRPC, and finds there is no reason to alter or amend its previous ruling in this matter. To the extent that any further clarification is needed this Court finds that based upon the record of this case, memoranda, and submissions, there is no "genuine" issue as to material fact and the application should be dismissed as a matter of law.

The applicant's **MOTION** pursuant to Rule 59(e), SCRPC, should be and **IS** therefore **DENIED**.

Dated at Spartanburg, South Carolina, this 27th day of APRIL, 2022.

J. Derham Cole, Presiding Judge

REOPEN THE PCR RECORD

Applicant respectfully motions that this Court would reopen the PCR Record to allow opportunity to include on and for the record production of documents and things which would be responsive to outstanding subpoena requests.

Applicant, at a hearing which was held on his RULE 59(E), SCRP, motion on March 31, 2022, did inform the Court that he intended to seek discovery and further discovery in this case. Applicant did also express his difficulties with doing so in an prose and inmate prisoner capacity, and did ask the Court with assistance.

On April 11, 2022, Applicant did file production of documents and things responsive to Applicant's April 1, 2022, subpoena to the SCDC, and did also, in this pleading, inform the Court that an Audio CD was provided and Applicant was having difficulty obtaining this in hand to be submitted to the Court for the record in this case.

Applicant has an additional subpoena for documents and things, subpoena request which has been issued on the SCDC. This subpoena request sought SCDC's compliance by April 10, 2022, and the SCDC failed to acknowledge nor comply with this subpoena request.

Consequently, Applicant has issued another subpoena for documents and things on the SCDC and has sought its compliance on or before May 16, 2022.

LEAVE TO COMPLETE DISCOVERY

Applicants respectfully asks this Court for leave to complete discovery (a full and fair opportunity). Applicant seeks that this Court remain mindful that RULE 56(f), SCRPC, applies when it appears "from the affidavits of a party opposing [a summary judgment] motion that he cannot for reasons stated present by affidavit facts essential to justify his opposition." See also Doe ex rel. Doe v Batson, 345 SC 316, 548 SE2d 854 (2001), stating "Summary Judgment must not be granted until opposing party has had full and fair opportunity to complete discovery."

Applicant has not been dilatory in pursuing discovery, but rather has been diligent, as the record would clearly reflect. See also Baughman v American Tel. and Tel. Co., 306 SC 101 (1991).

554
As such, Applicant does unambiguously object to
the Courts granting of Summary Judgment with an incomplete
record and basis that there exists no "genuine" issue
~~of~~ as to material fact."

Respectfully submitted, 

This 9th day of May, 2022.

the hearing, Applicant would have surely been prepared
with several questions of the Judge and Respondent.

Applicant would have surely asked inter alia:

- ① Who scheduled the hearing?
- ② Who schedules hearing on Applicant's motions?
- ③ Will the Court be addressing Applicant's motions today?
- ④ Is this hearing a motions hearing, procedural question
hearing, discovery hearing, etc anything other than
simply the RULE 59(E) motion hearing?

As Applicant was not provided Counsel to represent him at
this hearing, Applicant was totally unsure of exactly what
the hearing consisted of and whether or not this RULE 59(E)
hearing consisted of all other hearings Applicant had
previously requested.

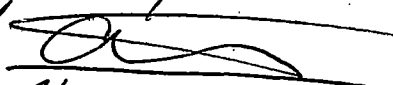

Applicant was under the assumption the Court knew the law
and that summary judgment would be premature and could
not be granted without giving Applicant Full and fair
opportunity to obtain discovery and evidence to substantiate
his claims. See Doe ex rel. Doe v Batson, 345 SC 316,

548 SE2d 854 (2001); Baughman v American Tel. and ⁵⁶²
Tel. Co., 306 SC 101, 410 SE2d 537 (1991).

As such, Applicant was surely under the impression that the Court would provide him assistance in compelling discovery prior to issuing its order.

Applicant did also seek that the Court would address all motions filed and Applicant's motion for assistance with copying, etc costs and etc.

As Applicant is unsure whether the Court will take time to read this motion, schedule hearing of the same, and make an independent unbiased adjudication regarding the same; Applicant hereby informs this Court that he will proceed to file a Notice of Appeal within the 30 day period for doing so after the ruling on the RULE 59 (E) motion which was adjudicated upon on April 27, 2022 so as to be timely, as Applicant is at a loss as to whether the motions he has filed ~~for~~ subsequent to that adjudication will toll time for Noticing Appeal. However, Applicant will still seek that ruling on all issues and all motions ~~be ruled~~ ruled on by this Court.

Respectfully submitted, 

Alonzo C. Feder, III

RE: Production of Documents & Information Responsive To Subpoena

Dear Mr. Eckstrom:

I write in response to your letter dated May 15, 2022, along with your production in response to my subpoena.

I did receive the documentation responsive to item 1.

In your letter you indicate that the items 2, 3, 4 & 7 (for Manning CI) have been provided to Mr. Merithus Staley, and you have directed that she place those items in my inmate record. This is contrary to my reasoning for having the subpoena issued as I need these items (all items subpoenaed) to be served, filed with the Court and a copy for my Record on Appeal/Appendix.

This same circumstance applies to the Audio Recordings I have requested to include the audio recordings which were responsive to my prior subpoena. All audio recordings should be made available on Audio Compact Disc (CD), in tangible form so that I may serve, file with the Court and maintain a copy for my records.

I have been informed by Mrs. Staley that an Audio CD⁵⁶⁷ is available which contains the requested audio recording from my prior subpoena request.

As to my current subpoena request, Mrs. Staley has informed me that this recording was provided via email as an audio file rather than audio CD. Please do make an tangible Audio CD copy of the audio recording(s) available to me. **SCDC**

Lastly and most important:

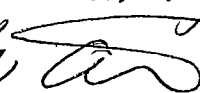

MAY 18 2022

Please do inform Mrs. Staley to inform the ^{ROOM} Mailing Mailroom that I be allowed to place the Audio CDs inside of an envelope (CDs held at the mailroom) and I mail to my Power of Attorney, Lillie Edwards.

This would allow me to mail any and all materials responsive to my subpoena requests to my Agent, Power of Attorney, simply by Mrs. Staley providing the materials to the mail room personnel who would ensure the materials are destined to my Power of Attorney, Agent, Lillie Edwards.

I am requesting that my Agent, be allowed to receive any and all documents/information from my inmate and institutional record.

Thank you for your assistance in this regard.

Sincerely, 

Clarence C. Jeter, III

MOTION FOR JUDICIAL
NOTICE OF PARTIAL
PRODUCTION RESPONSIVE TO
SUBPOENA (ITEM 1; 27 PAGES)
AND EXPENTANCY FOR ADDITIONAL

Applicant, Alonzo C. Jeter, III, hereby respectfully motions this Court that it would provide Judicial Notice and accept for the record in this case the partial production of documents and things which are responsive to Applicant's subpoena for the same.

Specifically, Applicant has received on May 17, 2022, partial of the documents/information from the South Carolina Department of Corrections which is responsive to a subpoena for the same.

Applicant further seeks that this Court is aware that he is currently awaiting:

1) The complete compliance with the subpoena request (The SCDC has indicated its intention to comply but takes a little while longer to gather the documents/materials responsive to the requests).

2) The SCDC has provided CDs(2) twice, to the SCDC Manning Correctional Institution to be placed in

Applicant's institutional file at the institution.

Although Applicant is appreciative that the SCDC has complied by producing the CDs, Applicant seeks that these CDs be duplicated and served and filed with this Court for the record.

3) Applicant has also been informed by the SCDC that other documents/material which are responsive to Applicant's subpoena request have been placed in Applicant's institutional record. Applicant seeks that the complete documents/material responsive to the subpoena request be submitted to this court for the record and also served on the Respondent.

Applicant prays this Court would issue an order compelling the SCDC to provide this Court with all documents/material responsive to his subpoena request.

Applicant has requested the SCDC to simply provide/allow Applicant to mail the material to his Agent (Power of Attorney) however, the SCDC states that the Agent must request the records, etc.

The Agent is elderly and Applicant has had the Agent to request in the past and the SCDC has failed to respond.

Applicant prays this Court would provide an order compelling the SCDC to allow Applicant to mail all items to his Agent, Lillie R. Edwards.

Respectfully submitted,

Request Details: Mrs Branch, I write in response to our last correspondence with regard of my messages and requests being forwarded to SCDC Headquarters. The questions that I ask in these requests are in-fact destined for and require an answer from SCDC Headquarters. The authoritative persons who resides over the respective departments to whom my messages /requests concern. I must apologize for my frustration as I do know that you more that likely have no idea of from whence my frustration arises. I will tell you - there is an unbelievable lack of communication and order at this institution between staff themselves and as well as inmate to staff. Please do forward my requests to SCDC Headquarters, as I have attempted to mail the requests on in paper form by way of SCDC staff request forms and they were stopped here at Manning. Rather, someone here at Manning answered the requests, stating on the answer that I need to submit the requests via the kiosk to inmate records, and further inmate records would forward the requests to those whom I addressed at SCDC Headquarters. I do this and get the answer from you. Things it takes you 2 minutes to pick up a telephone(or email/fax) and immediatly receive an answer - it takes me weeks to receive a response. Frustration erupts as it takes even longer as I have to go around in circles with staff members whom are not communicating with one another, and also whom will provide me vague responses. In your response you never provided me an answer to the questions that I asked. Please forgive me for my consistancy as I must remain diligent if I am to ever get anything done in this place. I pray for you understanding as I did make clear my requests.

Request Details: ** This request is intended that it reaches the desk of SCDC Office of General Counsel and should not be forwarded.
 ** I send this request as I am unable to obtain answer from anyone at this institution and as my handwritten requests have been intercepted by Manning's mailroom and inmate records department; as both are under the impression that I am not allowed to send written requests to SCDC's Division of Inmate Records at SCDC Headquarters. I have attempted to make a written request for records by attempting to send a written request to the Assistant Director of the Inmate Records Office, pursuant to Section 7.3.6 and 7.6 of SCDC Policy OP--21.09, "Inmate Records Plan". Please do inform that " written request" as mandated by the said policy, means handwritten rather than ARTSM. Secondly, I am seeking to be provided SCDC Form 9-5 "Release of Information to Attorney/Representative" As I seek to allow the church who is assisting me in my rehabilitation and my Power of Attorney to access and obtain my SCDC records, to include my ARTSM records. Please provide this form as I have not been able to aquire one here at this institution. Please stop the Manning Institution from intercepting my written request. Thank you.

Request Details: This message is in reply to your last message to me. I submitted messages via the kiosk seeking that they be forwarded to SCDC Department of Inmate Records - Division Director. I was informed the the message(s) were forwarded to their office. In your last message you informed me that there are no messages which are remaining open. As you answered the message I sent, and as a reply answer, informed me that the message is being forwarded - it therefore would not appear as an opened message, but rather it would appear as an answered message. As such, SCDC headquarters would need to respond to your office and you then forward their reply to me or SCDC headquarters would need to reopen that message and add their reply in addition to your reply. Please do reach out to SCDC Headquarters and obtain a reply in this regard. As my attempts to reach headquarters directly was intercepted by Manning both by kiosk and mail - this has caused a simple matter to become complex.

Request Details: Hello, I have submitted SCDC Forms 9-5 and 9-11, as well as written requests (via handwritten letters by mail and ARTSM Kiosks requests) to Stacy Richardson - Division Director of Central Classification and Inmate Records, in accordance with SCDC Policy OP-21.09, "Inmate Records Plan", Sections 7.4.4; 7.3.6; 7.6. In addition, my agent (power of attorney) has submitted the same on my behalf. My agent has also, in addition, did include a formal FOIA Request in accordance with Section 7.4.4 of the policy. It has been quite some time now and no response has been provided to me nor my agent in this regard. I now reach out for your assistance in this matter as this policy states that your office would resolve such matters. Please do assist me in rectifying these matters as I am attempting to provide a complete picture of my rehabilitative plans and needs to those whom are willing to assist me in my rehabilitation. I would need to provide many things, such as my SCDC drug testing results, visitation log, classes taken, achievements and rewards, mental health information, classification reports, inter alia. 04/12/22 17:22	c067394	FOIA requests are not sent directly to Classification. Your POA needs to follow the directions given on DOC public website regarding FOIA requests. Inmates are not permitted to make a FOIA request. SCDC received your Freedom of Information Act (FOIA) Request on DATE. On May 19, 2017, Governor McMaster signed into law a change to South Carolina's FOIA which specifically excludes "individuals serving a sentence of imprisonment in a state or county correctional facility in this State, in another state, or in a federal correctional facility" from those eligible to make FOIA requests. Because you are currently serving a term of imprisonment, you are not eligible to make a FOIA request. However, SCDC Policy does allow inmates to make requests for their own records. Please see SCDC Policy HS-18.07, subsection 4.4 for information on how to request copies of your health record and SCDC Policy OP-21.09, subsection 7.3.6 for information on how to request copies of your inmate record.

RE: Alonzo C. Jeter, III, v State; Lower Case No. 2019-CP-11-0457

Dear Honorable Clerk Howard:

I write seeking that your office assist me as I have had audio recordings subpoenaed from the South Carolina Department of Corrections. Those audio recordings have been produced in accordance with the subpoena, however, I am unable to obtain these audio cds to produce duplicate copies.

I am seeking to get the matters which are spoken verbatim in writing and or obtain a disposition regarding the cds. I am a prose litigant in the above captioned action (appeal from the above PCR case) and thus I have no counsel who can assist with the disposition and ~~do not~~ not know who the SCDC appoints to handle dispositions.

RECEIVED

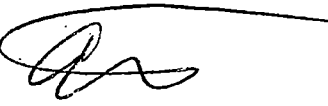

JUN 06 2022

Please do issue a subpoena or order which would allow me to in some ~~any~~ manner obtain a verbatim written document of the exact spoken words on these CDs. If a disposition is proper please issue this as well.

My attempts at completing my exhibit evidence in this case has been delayed due to:

- 1) My hardships as a prose, indigent, prisoner, litigant and the SCDE's constant refusals of providing me information based on the fact that I am a prisoner.
- 2) The lower court/PCR Court's unfairness and bias in not ~~providing~~ providing equitable time, opportunity, and assistance in completing my exhibit evidence. (See my motions filed in this court along with and subsequent to my Notice of Appeal and 243(c) Explanation.)

Thank you for your assistance in this matter.

Dear Honorable Clerk Howard:

I write pursuant to Rule 207, SCACR, 207(a)(1), (5), SCACR, which mandates I must inform your office if a request for transcripts has been made and no acknowledgment from the court reporter has been received.

did also attach a completed Transcript Request Form SCOA 800. The same was copied to the Cherokee County Clerk of Court, South

Dear Ms. Herron:

I hope this letter finds you well.

I previously wrote to you (letter dated May 12, 2022) seeking that you would provide me an invoice which would specify the exact cost of your providing me a transcribed copy verbatim of the hearing which was held on March 31, 2022, in the above captioned PCR Case, convened before the Honorable J. Derham Cole, circuit court Judge.

It has been quite some time now and I have not received a response from you. I have filed a Notice of Appeal with the South Carolina Supreme Court whereby I am seeking to appeal the Court's decision and thus the transcribed verbatim copy of the proceeding is essential. Please respond at your soonest convenience.

Thank you for your attention in this matter.

OBJECTION TO FINAL ORDER
OF DISMISSAL

State of South Carolina
RESPONDENT

FILED IN OFFICE OF
CLERK OF COURT
CHEROKEE COUNTY, S.C.

2018 JUL 18 AM 11:29

3 PM 11:29

This matter comes before the Court by way of an application for post-conviction relief filed by the Applicant on June 19, 2017. Respondent made its Return on or about December 1, 2017, requesting the application be summarily dismissed.

Pursuant to this request, this Court issued a Conditional Order of Dismissal signed and filed December 11, 2017, which gave the Applicant 20 days from the date of service of said Order in which to show why the dismissal should not become final.

In response to this Order, the Applicant filed a document titled "Petitioner's Response To Conditional Order Of Dismissal" on December 27, 2017. Petitioner had also filed a document titled, "Memorandum In Support Of Post-Conviction Relief Hearing" on December 8, 2017. The Petitioner also filed an amendment to his post-conviction relief application on December 18, 2017, in which he did amend his post-conviction relief application by stating a claim cognizable under the Post-Conviction Relief Act, which was ineffective assistance of counsel.

Applicant added to the record, criminal background reports from the Cherokee County Sheriff's Office, a South Carolina Law Enforcement Division (SLED) NCIC criminal background report, Court transcripts from a July 16, 2015 Court appearance and an Affidavit of Authentication which certified that all submitted documents and records were true and correct copies of official

records and reports from all said agencies. Applicant also filed another amendment to his post-conviction relief application on March 20, 2018

Objection

Applicant would show the Court that he filed his current PCR Application based on grounds of which he could not have had knowledge of by the exercise of reasonable diligence. Applicant discovered that the State would choose to unmerge his conviction for possession of crack cocaine (2004-GS-11-925 and 2004-GS-11-926) by way of a motion which was filed by the State regarding another PCR matter. This motion was filed on May 1, 2017 and received by Applicant on May 8, 2017. This unmerging became final on June 30, 2017, during the motion hearing at the Spartanburg County Courthouse. (See attached motion).

The Applicant would direct the Court's attention to all submitted documents, as the Court would then clearly see that the conviction for possession of crack cocaine in 2004 was merged into one offense. This merging could be explored also by the prosecutors testimony to the Court in the Court transcripts from the Applicant's July 16, 2015, court appearance, which Applicant has provided for the record. (See transcripts page 21). There was no way that Applicant would have known that the State would choose to unmerge this conviction by the exercise of reasonable diligence.

The PCR Application must be filed within one-year after the date of actual discovery of the facts by the applicant or exercise of reasonable diligence. S.C. Code Ann. 17-27-45(c) Applicant's claim was discovered on May 1, 2017, and he has filed his application for post-conviction relief, well within the year timeline and statute of limitations set for newly/after discovered evidence. Therefore, this claim/case should

Not be summarily dismissed. There exists evidence of material facts not previously presented and heard that requires vacation of the conviction or sentence in the interest of Justice and the conviction is otherwise subject to collateral attack.

Applicant request that this Honorable Court construe his pleadings liberally and that he be held to less stringent standards than formal pleadings drafted by lawyers as he is unlearned in the law. Applicant's case/claims should not be summarily dismissed due to unfamiliarity with pleading requirements. Applicant asks that this Honorable Court would appoint an attorney to assist him in this action.

When considering the State's motion for summary dismissal of an application for post-conviction relief, a Judge must assume facts presented by an applicant are true and view those facts in the light most favorable to the Applicant. ~~Pelzer~~ Pelzer v State, 662 S.E.2d 618 (2008).

Applicant objects to Final Order of Dismissal. Applicant has shown that he files this current PCR Application based on grounds of which he could not have had knowledge of by the exercise of reasonable diligence.

Conclusion

Applicant has shown and provided specific reasons why this PCR application should not be dismissed. Applicant would ask that this Honorable Court appoint an attorney and ultimately an evidentiary hearing in this matter.

RE: Alonzo C. Jeter, III, v State; Case No. 2019-CP-11-0457

Dear Honorable McBee:

I Write asking that you please issue a signed subpoena for deposition. Specifically, I would like that Mr. Andrew Dennis be deposed regarding 2 Audio CDs which were provided to me in response to my subpoena for documents and things of May 15, 2022.

I would like that both Mr. Andrew Dennis and Mrs. Valerie Whitaker be deposed regarding the report of my current and prior commitments to the SCDC and also to Mrs. Whitaker's written statement of my prior commitments dated April 19, 2022, and filed with this Court as Exhibit III on April 25, 2022.

I am seeking written depositions. I am unsure of how this may be managed being that I am a prisoner who is self-represented, and confined at the facility where these persons are employed and serve as my classification case managers. I would need an impartial neutral reporter, notary, and person to assist in deposition.

The deposition and my request should be issued to:

Office of General Counsel
 South Carolina Department of Corrections
 4444 Broad River Road
 PO Box 21787
 Columbia, South Carolina 29221-1787

In addition to the deposition, I ask that you also please issue a subpoena for documents and things on the South Carolina Department of Corrections.

Specifically, I am asking that the South Carolina Department of Corrections produce tangible copies of the following:

- 1) ARTSM No. 22-02668862, dated June 28, 2022
- 2) ARTSM No. 22-02667329, dated June 14, 2022

These are Automated Request To Staff Member messages. Please issue this to the same address as above.

Thank you for your assistance in this matter.
