RE: The State vs. Satwaun W. Henryhand
Appellate Case No.; 2022-000975

Dear Honorable Clerk,

Our office sent two notices of appeal. The first notice of appeal had the case number is 2021-GS-21-02445 and 2021-GS-21-01461. These are companion cases. The plea took place after the trial ended with a guilty verdict. The defendant would not have entered an alford plea but for the fact that he was found guilty by a jury.

The Defendant would argue that if the guilty verdict is overturned due to a legal issue, the subsequent guilty plea should also be reversed due to the causal and cumulative impact of the guilty verdict on the Defendant's decision to enter an alford plea. The Defendant would also raise the issue concerning his pending motion for reconsideration of his sentence. Once this matter is heard, the Defendant will be able to give a more detailed explanation related to his notice of appeal.

With kind regards, I am

Very truly yours,
