**Dear Your Honors,**

**This situation has gone on since 2017 and there needs to be a conclusion to it. It has become a feeding ground for other attorney's and their gaining hold of the funds of my mother's remaining estate funds.**

**\*This entire situation is in regard to a strategic parcel of land four parcels to be exact situated two on each side of Charleston Place, Summerville, SC. It needs to be retained by the Personal Representative under scrutiny to be removed to secure her plans to sell these properties to a realtor for development. From my last checking a tear ago there was 49 houses on this center piece of land houses valued at now over**

**\$300,000.**

**On a 2 1/2 acres parcel you can place 10 house pads each to place a new home, there is even a throughway for a road into the parcels of land for future development where no house was placed for a road to gain access. I repeat this overlooked action by a development that **\*\*\*(why) would this be if a plan were not in place for extending the development of land on the left side of Charleston Place.****

**My own sister Rose Walsh Crosby has not only used self-dealing but advanced her stronghold onto these properties and has neglected the other beneficiaries for her own greed and gain monetarily.**

**I place my integrity on almost 13 years of Ministry work and honesty and integrity that she has not utilized good will towards even any of the other three beneficiaries, but her own in regards to this fiasco of the Rule of Law. It's a long drawn-out endless barrage of papers sought to confuse and dismay the SC Court of Appeals.**

**Please expedite this matter I. Kelvin W Crosby (Plea the SC Court of Appeals) Again as a legal beneficiary and Disabled USAF and Army honorably discharged on permanent disability by my service that has lingered upon me five awful years me and harmed me not only financially but personally as well, loss of my wife and estrangement of my two daughters.**

**I place my own Integrity as my vocal point.**

**I have this to say this in summary is a Travesty to the Rule of law**

The South Carolina Legislative Council is offering access to the unannotated South Carolina Constitution on the Internet as a service to the public. The unannotated South Carolina Constitution on the General Assembly's website is now current through the 2018 session. The unannotated South Carolina Constitution, consisting only of Constitution text, numbering, history, and Editor's notes may be copied from this website at the reader's expense and effort without need for permission.

The Legislative Council is unable to assist users of this service with legal questions. Also, legislative staff cannot respond to requests for legal advice or the application of the law to specific facts. Therefore, to understand and protect your legal rights, you should consult your own private lawyer regarding all legal questions.

While every effort was made to ensure the accuracy and completeness of the unannotated South Carolina Constitution available on the South Carolina General Assembly's website, the unannotated South Carolina Constitution is not official, and the state agencies preparing this website and the General Assembly are not responsible for any errors or omissions which may occur in these files. Only the current published volumes of the South Carolina Constitution Annotated and any pertinent acts and joint resolutions contain the official version.

Please note that the Legislative Council is not able to respond to individual inquiries regarding research or the features, format, or use of this website. However, you may notify the Legislative Services Agency at [LSA@scstatehouse.gov](mailto:LSA@scstatehouse.gov) regarding any apparent errors or omissions in content of Constitution sections on this website, in which case LSA will relay the information to appropriate staff members of the South Carolina Legislative Council for investigation.
