Re: The State v. Theodore J. Bolick
Appellate Case No. 2020-001497

Dear Mr. Bolick:

Our records reflect you filed the appellant's initial brief on April 18, 2022. We sent a deficiency letter on July 22, 2022, indicating you must provide a proof of service showing service of the appellant's initial brief on counsel for the State. To date, you have not cured the deficiency. You must file a proof of service for the appellant's initial brief within 10 days of the date of this letter or your appeal will be dismissed.

We received your letter dated July 26, 2022. If you wish to amend your appellant's initial brief, you must file a motion pursuant to Rule 240, SCACR, which requires proof of service on counsel for the State. We will not take any further action on your filing.

Very truly yours,

V. Claire Allen
