I Rodger gamble submit these papers because I feel judged Livingston knew me from Atlantic Beach where she's the Magister judge and now I'm standing before her and she is the Magister judge that does the eviction I feel that she's shown favoritism and that this whole case be investigated for the proof which I presented to the Supreme Court the person she's trying to describe is not me that's her personal opinion that's why I feel she's a conflict of interest so I'm asking the Supreme Court to dismiss the failure to comply and look into my case thank you
