

Hi, I'm Tyrell Harrison I'm coming to you today, I had a trial on the week of June 13, 2022 My trial was over on June 16 and my attorney did not file for a Direct Appeal, even though I told her to file, I had a bond hearing in March 2022 + my Attorney Brana J Williams of Indigo Family Firm she stated to the judge that I didn't want her to represent me + I was still forced to go through with her, I have been convicted on Murder and Attempted Murder but my victim stated that I did not kill his friend + he stated that I shot him (living victim) so I should have never been charged with Murder or Attempted Murder I had the living victim blood on my clothes so I should have been charged with Accessory + a gun was found inside the place where I was arrested and it was not a murder weapon, I was wrongly charged + convicted + I had ineffective counsel + it is on record that I didn't want my attorney to represent me, the victim stated that I'm not the murderer,

Sincerely Tyrell Harrison
