SC Court of Appeals

Pg. 1

Hey to whom this may concern,
I'm writing this letter in behalf of
the writ of ejectment for my
final put out day for this thursday (7)
~~at~~ 10:30 AM. I honestly felt it was
an error that was done wrong in court,
during my previous initial hearing that
I had. The process was not explain to
me the proper way your honor. you
never stated that I had to pay for the
previous months before May 1st. I had
my witness with me, and you explain
to me, that my 1st payment would commence
starting on May 1st. I even wrote a
letter to the court on 6/21/22, trying to
get a understanding whether the previous months
needed to be paid before May 1st of 2022.
I never got a good response back. This should
had been broken down and explain properly
during my previous hearing. I have gotten
my section 8 voucher back on 6/22/22.
My landlord was aware and is refusing to
accept my voucher back from this point.
I also had several different agencies trying
to help assist me with getting him his

Rent money on time for the months of July and August and he told me, If I get my voucher back, then while wait I start looking for a new place. Ever since the eviction and appeal has filed from me, Mr. Hooks is being really spiteful towards me and refusing to accept my Section 8 Voucher back or any rent money. I had agencies trying to pay my landlord before the voucher was issue to me, and they have not been successful at responding back to the emails, phone call to even accept the rent money. He is trying to avoid accepting it because he does not want me still in the unit.

This Thursday is a short notice for me to try and have everything out my house by 8/11/22 @ 10:00. I'm requesting for a motion to stay until I'm able to find a stable place for me and my son that is about to create the reputation of being homeless. I feel as though the appeal was dismissed improperly. And I will do whatever it takes to the next step to assure a place of living for me and my son.
