All,

Please see the below message from Michael Liska that was returned earlier.

Good Afternoon Ms. Singletary,

Thank you for your email communications and update below concerning the transcript in the above-referenced matter. Appellant is wondering if the Office of Court Administration is wanting a Notice of Request for Extension of time to complete the transcript to be submitted for consideration and/or if you were planning to submit same pursuant to Rule 207(a)(3)? It may be that the Office of Court Administration has already spoken with you concerning this and/or formally granted an extension? If not, and if there is anything else Appellant needs to do to assist, we are happy to help. Please let us know at your earliest convenience.

Sincerely,

Michael E. Liska
