DATE OF HEARING: September 27<sup>th</sup> – 29<sup>th</sup> 2021 Before: The Honorable Courtney Clyburn Pope  
Case Caption: Gina P. Salatino -vs- City of Aiken Case No.: 2017-CP-02-02522

Ms. Derrick: I am responding due to your inquiry about the status of the transcript of record in the above-referenced matter.

I responded to you February 18, 2022, indicating I was working on another expedited transcript and would prepare the transcript as promptly as I could.

Please note that the internet service in my area has been greatly affected due to the severe storms in and around our area. That coupled with the death and hospitalization of members of my immediate family I have been hampered in preparing the transcript.

I have contacted SC Court Administration and informed that office of the status of the situation here, mainly not having access to the internet to access files and ask that any transcripts not prepared in a timely fashion to be transferred to another reporter for preparation. I will continue to make efforts to prepare your transcript as promptly as I can.

Thank you for your request in this matter.
