Ms.Cendroski,  
Hopefully Mr.Futeral will pay you for the June 17. 2021 transcript he initially requested and then cancelled which would be fair. As I said I will challenge the record because I'm not satisfied that you corrected all your errors. There were errors in the June 17, 2021 transcript as well, and you were not dealing with a death in the family then. Sorry for your loss, but if you weren't up to the task, you should have excused yourself.

Mr Futeral incarcerated me during the course of his "Strategic Lawsuit Against Public Participation" (SLAPP LAWSUIT) and I could have died and no one in the court system cared about that and wouldn't care if he did it again.

Good morning,

I would first like to extend my apologies. I do not know what happened with the audio, but I was sent the audio for the June hearing, but the request for the April hearing. I typed what was in my que. When the mistake was brought to my attention, I tried to correct it by staying up all night to type the other transcript that was requested, the April transcript. This was my mistake, as I was taking care of my dying mother and was exhausted and should have never attempted to do the transcript so fast. I have now reviewed the transcript and have proof read it and listened to the audio again. I have made several changes. Some changes were correct on Ms. Frisco's list and some were not. I stand by the transcript as now written and am attaching the transcript to this email. I will also send each of you a hard copy of the transcript. Since I typed the June transcript by mistake, I will not be paid for that transcript, but I feel it is only fair that since Ms. Frisco received that transcript by mistake, that Mr. Futeral get a copy as well.

Again, my apologies. I hope this corrects any and all concerns, and I wish you both the best in the future.
