Erica,

Per your request via telephone this afternoon, please see the digital copy of the unredacted Record on Appeal previously filed September 3, 2019. All parties are advised this record contains sensitive data and is currently marked non-public on the Court's website because it has not been redacted. It is the Court's understanding that the redacted record will be filed with this office no later than tomorrow afternoon.

Please let me know if I can be of any further assistance.
