This matter comes before the Court by way of an application for post-conviction relief (PCR) filed August 20, 2019. Respondent made its return on August 13, 2020, requesting the application be summarily dismissed based upon untimeliness and successiveness.

Pursuant to this request, and after reviewing the pleadings in this matter and all of the records attached thereto, this Court issued a Conditional Order of Dismissal signed and filed twenty days from the date of service of said Order in which to show why the dismissal should not become final. This Court then issued a Final Order of Dismissal signed and filed January 25, 2021.

It has come to the attention of the Court, Applicant filed a response to this Court's Conditional Order of Discharge on October 2, 2020. Therefore, this Court finds a sufficient reason why the Final Order of Dismissal filed on January 25, 2021 should be vacated.

THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that the Final Order of Dismissal is **VACATED**.
