

The South Carolina Court of Appeals

South Carolina Law Enforcement Division, Respondent,

v.

Brandon Reed, Appellant.

Appellate Case No. 2019-000327

ORDER

On August 10, 2022, Respondent, South Carolina Law Enforcement Division (SLED), jointly with Appellant, Brandon Reed, filed this consent motion to dismiss this appeal and vacate the circuit court's order. The parties seek dismissal based on the 2022 legislative enactment amending certain statutes relating to the South Carolina Sex Offender Registry. *See* 2022 South Carolina Laws Act 221 (H. 4705) (providing the "act is retroactive and shall apply to any resident of this State who currently is required to register as a sex offender pursuant to the provisions of Article 7, Chapter 3, Title 23, and who meets the requirements set forth in the act"); S.C. Code Ann. § 23-3-432(E) (2022) (governing the administrative removal process and providing individuals "placed on the registry as a juvenile should petition the family court that adjudicated them delinquent").

In light of the legislative enactment addressing the question before us, we agree this matter is now moot, and the family court order controls. Thus, we grant the consent motion, vacate the circuit court order, and dismiss this appeal.
