I Alluette K. Jones Petitioner never received any notice of the Order made on September 1st of

PAGE. 2

2021 it was my desire to Re-appeal if the order was not in my favor.

After reaching out to the Appeals court at the end of April 2022 seeking answers to why I never got a Notice of the Order yet, I found out that a Order was made in September and the mail was sent to the wrong location which confused me because I was receiving everything at 507 Bank St Mount pleasant SC for the last year, Further filed in your records since December 2021 is a card saying send all mail to new address at 507 Bank St so it made no sense to mail to 142 Coming St.

I also had a Stroke which greatly altered my State of mind because of the stress of losing my home which effects the memory during recovery through assistance I was guided to send a written motion do to a mailing mix-up which I informed the Court clerk of the new mailing address, The Record of appeal was also sent in around the time of my stroke,

This Motion is Notice that I am requesting to have my Appeal reinstated do to a good cause after much time has passed I Alluette Jones pray this court grant my humble request and reinstate my appeal if there is any discrepancies please feel free to contact me.

Attached is Filed evidence of the Notice of address change and medical proof of the stroke I am still dealing with recovery but I hope to hear from the court soon to resolve these issues.

CONCLUSION

For the reasons stated, I Alluette Jones asks this Court to grant me leave for late re-filing of second Appeal.

Respectfully submitted,

July 18th, 2022
