1. That file is closed and the remittur was issued---a long time ago. Does the Court even accept filings on closed matters? It was my understanding the Court no longer had jurisdiction once the remittitur was issued.
2. To be clear, Ms. Jones has not served me with anything recently.
3. And I can't pull up what she allegedly tried to file in in C-Track. I can only see the deficiency letter, not the motion itself.
